Women Bike Rally

On

International Women’s Day

9th March 2024

On the Occasion of International Women’s Day Student Affairs Office organized a bike rally with its female students and alumni members followed by a though provoking panel discussion on “*Gender Equality through Economic Empowerment*”

The event witnessed a large crowd of female students and alumni members participating which symbolized their strength and determination. The event winded up with the women bikers visiting the adopted villages by DSU around Harohalli campus and spreading awareness about the women empowerment and removal of social evils affecting the growth and development of women in society.
