“Kalpna Club” of the Department of Computer Science & Technology organized “Venture Vortex” on 5<sup>th</sup> December 2023 from 11:00 AM to 4:00 PM. Venture Vortex is a competition. It is a platform for connecting, learning, and collaborating with the brightest minds and the most passionate innovators. It gave opportunity to changemakers committed to solving the world’s most pressing challenges through technology and entrepreneurship.

Participants have demonstrated creativity, skill, and resilience in developing their innovative solution for [problem statement]. They have impressed the judges and won prizes. It helped the participant gain valuable feedback, insights, and connections that will help them grow their startup/patents and achieve their goals.

Domains given to participants were sustainable energy solutions, food safety and security, conflict zone communication and safety, disaster management and response, and agritech. During the competition all teams pitched their ideas and the best of them were awarded with First, Second, and Third positions with cash of 2500 Rs., 1250Rs., and 850 rs. Respectively along with the certificates.

A total of 39 teams registered for this competition and 110 participants. The panellists include Mr. Hrithik Kaul, Growth Specialist, Micro Company. (CST Alumni) among other senior faculty members of SoE- CST department

Winners of Venture Vortex were:

1. Akshay M Davanageri ENG22CS0231
2. Ayden Joanes ENG22AM0079
3. Dhruvi Purushotham ENG22AM0088
