Message from Pro Vice Chancellor – DSU

Dr. S R Shankapal

Dayananda Sagar Institutions have more than 60 years of history in higher education and have been offering management education during the last 20 years. Dayananda Sagar University (DSU) established in 2015 as a Private University, has started offering a management programme leading to MBA degree from 2016-17. The University has taken the inputs from various IIMs and other leading management Institutions in India while developing the curriculum. Also, many leading management practitioners are on advisory roles as well as teaching the students as professors of practice. The Faculty of commerce and Management comprising highly experienced and committed faculty members is directing all its efforts to train graduates to work effectively in Industry 4.0 environment.

The MBA programme at DSU

- ◆ Imparts a strong theoretical foundation in business concepts
- ◆ Provides practical opportunities (via internships, group assignments, and individual projects) to test what students learn in the class
- ◆ Builds hard-skills in the areas of management and leadership
- ◆ Polishes a range of soft-skills like communication, motivation, and negotiation
- ◆ Opens up global opportunities for career growth
- ◆ Prepares MBA students to start an independent business after graduation

while pursuing MBA degree programme students can specialize in consulting, finance, marketing, global/international business, technology management, operations management, supply chain management, strategy, entrepreneurship, corporate social responsibility and sustainability, data analytics and so on.

The present placement brochure reflects the dynamic nature of the MBA programme at DSU

I am sure the outgoing graduates have the required knowledge, critical and analytical thinking abilities with excellent transferable skills and dynamism to succeed in their chosen management area and aspire to grow as effective business leaders.

I wish all our MBA graduates, the best in their future endeavours.

About Dayananda Sagar University School of Commerce & Management Studies

Dayananda Sagar University set up by an Act of the Karnataka State in 2014 is built on this adorable legacy and inspired by its own milestones, meeting the needs of quality higher education in this part of the world. DSU is a proud member of the Dayananda Sagar Institutions family. Founded by Late Sri Dayananda Sagar in the early sixties (with just four students), DSI has morphed into global education powerhouse, spread over five campuses, catering to the education needs of over 17,000 students. Operating under the aegis of the Mahatma Gandhi Vidya Peetha Trust in Bengaluru, DSI has enabled the transformation of tens of thousands of young Indian and international citizens into professionals in diverse specializations.

Programs

Dayananda Sagar University with its legacy of over more than five decades of imparting higher education on par with global standards in various disciplines offers undergraduate and post graduate programs in management. The program is delivered by experienced faculty from academia and industry.

Dayananda Sagar University is offering courses in Engineering, Computer Applications, Sciences, Arts, Commerce and Management in the Bachelors, Masters and Ph.D levels. The School provides a rich learning environment with world class infrastructure and top class faculty team to develop and hone the managerial and leadership abilities of its students through a rich portfolio of pedagogical tools.

Class room instruction, case-based discussion, role plays, film-shows, games, on field projects and company internships, besides guest lectureship and seminars by industry experts are the many ways students learn the fundamentals and advanced concepts in management education.

Our Focus Areas

1. Apply knowledge of financial management, marketing management, human resources management and operations management fundamentals to solve business problems.
2. Identify and analyze political, economical, social, technological, legal and environmental factors affecting the business.
3. Analyse firm specific problems (what type of problems) , collect and interpret data and arrive at meaningful conclusions.
4. Demonstrate abilities to take initiatives and think innovatively.
5. Formulate corporate strategies by analyzing the core competencies of the firm and integrating various functions to achieve the objectives of an organization.
6. Design alternatives to solve business problems by employing quantitative analysis, critical thinking, and sound ethical decision making.
7. Evaluate the entrepreneurial activities and start entrepreneurial ventures.
8. Interpret decisions related to diversification and value chain decisions.
9. Achieve higher levels of proficiency and self-actualization through pursuing lifelong learning.
10. Apply ethical practices in management practice.
11. Use modern data analysis tools to aid in making strategic planning decisions.

Alumni Testimonial

Aishwarya P.T.

Allegis (TEK Systems) - Sr. Recruiter

"DSU has been a great contributor towards the development of students' personality over the past few years. It is known for excellence in teaching with experienced professors who support you in research and career development. Students' life at DSU worth all the plans they come up with for foreseeing a bright future ahead."

Swetha D Silva

Odessa Technologies : Associate Financial Analyst

"DSU's been a milestone for my career. Placements from DSU helped me get to my dream job. I am grateful I joined DSU it is been a profound journey and I am looking forward to suggest my friends and family."

Varsha K R

Belong. co : Outbound expert - People Function

"DSU has always been a platform for me to learn new things. All professors had been very supportive during my tenure and always had a chance to be part of every event that was organized from DSU, it could be Talent search, Fieren, Fresher's Day, Farewell etc."

Praveen Kumar

Delhivery : Service Account Manager

"DSU - I am very glad I got a chance to study in this university. There are too many advantages and too much experience this place gave me: diverse and well-structured studying programme, wise and kind teachers and staff, always there to help and guide us, international atmosphere, friendly students, great facilities and accommodation opportunities, various teaching methods and materials, as well as wonderful exchange studies opportunities."

Kalpana

WNS Global Services Private Ltd : Sr. Associate Operations

"DSU provided a lot of support to find a place in corporate by organizing various personality development classes, guest lectures, industry oriented training and bringing world class companies at campus placements."

Kiran Mali

PWC : Finance Specialist

"DSU: A colourful place with mindful people where one can fulfill their dreams with the support provided by lecturers. Needs a bit more of sports activities."

Indrajith Singh

HDFC Bank - Staff

"DSU Is A Place Where You Get To Learn More About Practical Work, Which Is Helpful For Life."

Harshitha

Biocon - HRD Trainee

"Dayananda Sagar University played a major role in shaping me as a quality individual. MBA from DSU not only focused on classroom training but also focused on the holistic development of student. Various activities and training programs were also conducted to improve the interview skills of the students which was really helpful in performing better in the interview process."

Chaitra

Entrepreneur

"My time at DSU has influenced my career a lot and helped me in getting a full picture of entrepreneurship from "bottom to the pyramid" & up. The 2 years were unique and most valuable experience for my personal & professional development. I am grateful for the knowledge & opportunities provided by the faculty and especially friendship i gained during my years as a student."

Placements at DSU Overview

- Aligning to our belief and values in enabling an education that empower students technologically, logically and analytically to the dynamic and ever demanding business world, DSU has taken training and placement opportunities to the next level that is more than just an employment.
- Leveraging the DSI legacy of five decades, Dayananda Sagar University has a well-established and centralized placement and training division - Centre of Innovation and Leadership (CIL).
- Today, Dayananda Sagar University has become one of the preferred academic institutions for a large number of organizations to source the best talents under different verticals and horizontals of the business world.
- The guidance to every student of the university to sort their career paths starts right from the first semester and walks through them till they reach their career goals. The training programs are custom made to every batch of engineering, commerce, and management, applied science, health science and arts courses. All the training program starts only after the thorough analyzing of student's capabilities, personality, IQ & EQ of the students.
- The placement cell also offers internship programs for undergraduate and postgraduate programs. Of late, DayanandaSagar University has started with in-house summer internship program for engineering students in areas of IOT & Robotics, 3D printing, Artificial Intelligence, Machine Learning and much more.

PROGRAMS & FACILITIES

In today's vibrant job market, organizations look for core technical skills, excellent functional skills, learning and managerial skills and exceptional outlook in the young talents. Our training programs, includes pre-placement and placement training modules which helps students to know where they stand and where they need improvement.

Our training modules for all students of post graduate courses align to the business needs and employer expectations. We have designed our training modules that teach basic life skills, communication skills, problem solving skills, leadership & decision making skills. Pre-placement training such as resume writing, group discussion and mock interviews are also conducted.
