

Girmay Tekle Berhe, Full Time PhD Scholar
Department of Computer Science and Engineering, School of Engineering, DSU

He is a PhD Scholar in the Department of Computer Science and Engineering, School of Engineering, DSU. His areas of research interest include Artificial Intelligence, Machine Learning, Natural Language Processing (NLP), and Low-Resource Language Processing. His research focuses on Tigrigna–English Machine Translation, with the aim of developing effective language technologies for Ethiopian languages and improving their representation in the modern Artificial Intelligence systems. He also have skills and experience in Python, C++, C#, Machine Learning, Deep Learning, Natural Language Processing. Scholar Girmay, particularly interested in developing computational resources, datasets, and AI-based approaches for low-resource languages.
