

Board of Studies Report 2026

Department of Computer Science and Engineering (Cyber Security)

School of Engineering, Dayananda Sagar University

The Department of Computer Science and Engineering (Cyber Security), School of Engineering, Dayananda Sagar University, conducted its Board of Studies (BoS) meeting on 7 May 2026 in offline mode at the Computer Lab, A-512, A-Block, Harohalli Campus. The meeting was held from 10:30 AM to 3:00 PM.

The BoS brought together experts from academia, industry, digital forensics, cybersecurity, and alumni, providing a multidisciplinary platform for reviewing and strengthening the academic curriculum of the B.Tech. Computer Science and Engineering (Cyber Security) programme. The Board included representatives from Accenture, Clue4Evidence Forensic Lab, IIT Patna, NIT Agartala, faculty members of Dayananda Sagar University, and department alumni.

Key Academic Initiatives

The BoS deliberations focused on streamlining and modifying course names and syllabus content to ensure alignment with contemporary cybersecurity practices and industry requirements. The Board of Studies reviewed and recommended key curriculum enhancements, including the integration of OWASP and MITRE ATT&CK frameworks, NPTEL/MOOC courses, strengthened internship evaluation, Digital Forensics, DPDPA, Operating System Security, Criminal Psychology, and IPR and Registration.

The department has initiated and completed all actions arising from the BoS recommendations.

Impact

The BoS recommendations have contributed to strengthening the programme's alignment with current cybersecurity frameworks, industry practices, legal and regulatory developments,

digital forensics, operating-system security, internships, professional certifications, and intellectual property awareness. Through continued engagement with industry experts, academic experts, alumni, and faculty members, the department remains committed to maintaining a relevant, industry-aligned, and future-ready cybersecurity curriculum.
