1. ABOUT / PROFESSIONAL PROFILE

Gowthami B. N. is an **Assistant Professor of Law** at the School of Engineering, Dayananda Sagar University . She holds an LL.M. degree with First Class from University Law College, Bangalore University, specializing in Constitutional and Legal Order. She completed her five-year integrated B.B.A., LL.B. degree from KLE Society's Law College, Bengaluru. With over three and a half years of teaching experience, her academic and research interests primarily encompass Constitutional Law and Intellectual Property Rights. Her research interests include constitutional rights and jurisprudence, with particular emphasis on the Right to Equality and the Right to Speedy Trial under Article 21 of the Constitution of India. She has also participated in and contributed to various legal awareness programmes aimed at enhancing public understanding of legal rights, constitutional values, and access to justice. Her academic engagement reflects a sustained interest in constitutional governance, fundamental rights, environmental protection, intellectual property, and the broader social dimensions of law. Through her teaching, research, and legal awareness activities, she seeks to contribute to the development of legal knowledge and promote greater awareness of constitutional and legal rights.
