DEPARTMENT OF MECHANICAL ENGINEERING

Placement Analysis

The Placement Office records indicate that **seven organizations** recruited Mechanical Engineering students during the placement season. A total of **nine placement opportunities** (including one internship) were secured by students.

Key Highlights

- **Total Recruiting Companies:** 7
- **Total Placement/Internship Offers:** 9
- **Highest CTC Offered:** ₹8.00 LPA (Averixis Solutions)
- **Lowest CTC Offered:** ₹3.80 LPA (Aviotron Aerospace)
- **Internship Opportunity:** ARI Labs
- **Major Recruiters:** RedAnt Technologies and Garage Plug, each selecting two students.

Campus Placement Rate

The placement records demonstrate active participation from leading organizations in sectors such as manufacturing, aerospace, information technology, automation, and engineering services. Students received competitive salary packages ranging from **₹3.80 LPA to ₹8.00 LPA**, along with internship opportunities that further strengthen their industry exposure.

Conclusion

The placement records reflect a healthy level of industry engagement, with **seven reputed companies** recruiting Mechanical Engineering students. The diverse range of recruiters and competitive salary packages demonstrate the effectiveness of the institution's placement and training initiatives. Continued collaboration with industry partners and focused skill development programs are expected to further enhance placement outcomes in the coming years.
