VISION

The vision of Library and Information Centre at Dayananda Sagar University is to be a world-class University Library that caters to the needs of students and faculty members for academic excellence.

MISSION

The mission of Library and Information Centre of Dayananda Sagar University is to provide many services and various modes of activities to its user community in a wide range.

Mainly to support teaching, learning, research and innovative activities to become active & selective users for promotion of their knowledge.

Preamble

Mahatma Gandhi Vidya Peetha Trust is into Education for close to half a century. Under the aegis of MGVP there are around 16 institutions covering Science, Technology, Management, Liberal Arts, Law and Health care. All these institutions have achieved academic excellence at the state and a few of them at national level.

About Library

Dayananda Sagar University is a private University is established in the year 2014 under state legislation act. DSU management took special interest in establishing a world class library. The library is built and equipped steadily and systematically. The library has got enough spacious seating capacity for library users. The achievements are reflecting through the acknowledgements and positive remarks by the visiting faculties and dignitaries. The intellectual standards are truly reflected in its high standard library.
