10.Audited Details	670-671

PREFACE

Dayananda Sagar University (DSU) was established by the Mahatma Gandhi Vidya Peetha Trust (MGVPT) under the Karnataka Act No. 20 of 2013, first published in the Karnataka Gazette Extraordinary dated 27-02-2013 and subsequently notified by the Government of Karnataka, Higher Education Department, M.S. Building, Bengaluru (No. ED 95 URC 2014 dated 16-05-2014). Since commencing its academic operations in the year 2015–16, the University has been steadfast in its mission to promote and advance applied university education across Life Sciences, Information Technology, Engineering, Nursing, Management, and Healthcare disciplines including Medicine, Pharmacy, Physiotherapy, Nursing, and Allied Health Sciences.

It is with immense pride and pleasure that Dayananda Sagar University presents its Annual Report for the Academic Year 2024–25. This report offers a comprehensive account of the University's academic progress, research accomplishments, institutional developments, and student-centric initiatives undertaken during the year.

The academic year 2024–25 has been marked by sustained growth, innovation, and consolidation of quality across all domains of the University. DSU has continued to strengthen its academic framework through curriculum enrichment aligned with industry and societal needs, expansion of interdisciplinary programs, and adoption of contemporary pedagogical practices. Significant emphasis has been placed on research, innovation, faculty development, infrastructure augmentation, and student welfare, all of which are reflected in the achievements documented in this report.

During the year, the University further enhanced its academic offerings by introducing new and emerging programs, strengthening existing programs, expanding research capacity, and fostering deeper industry and institutional collaborations. These initiatives have reinforced DSU's commitment to producing globally competent graduates equipped with technical expertise, ethical values, and leadership skills.

Faculty members and students at various Schools have made notable contributions through publications in reputed national and international journals, presentations in conferences, books and book chapters, patents, and externally funded research projects. These achievements underscore the University's growing research culture and its commitment to knowledge creation and societal impact.

This Annual Report stands as a reflection of the collective efforts of the entire DSU community in advancing academic excellence, innovation, and community engagement. We invite all

stakeholders to peruse this report to gain insight into the vibrant academic and co-curricular life of the University during the 2024–25 academic year.

As we acknowledge the progress made, we express our sincere gratitude to the Management, faculty, staff, students, alumni, parents, and all stakeholders for their continued support and cooperation. We remain confident that, with sustained commitment and collaborative effort, Dayananda Sagar University will continue to scale greater heights in the years ahead.

We place on record our heartfelt thanks to our Honourable Chancellor Dr. D. Hemachandra Sagar, Honourable Pro-Chancellor Dr. D. Premachandra Sagar, the Members of the Board of Governors, Board of Management, Board of Studies, Finance Committee, the Honourable Vice-Chancellor, Pro-Vice-Chancellors, Registrar, Controller of Examinations, Deans, and all teaching and non-teaching staff of DSU for their constant guidance and support in bringing out this Annual Report.

The University also extends its appreciation to all individuals who have contributed directly or indirectly to the preparation and publication of this Annual Report 2024–25.

Dayananda Sagar University

1.1. The growth journey

Dayananda Sagar University is a proud member of Dayananda Sagar Institutions family, which was founded in the early 1960s by a visionary, Barrister late Sri Dayananda Sagar. These Institutions have morphed into an educational powerhouse, spread over two campuses. Catering to the education needs of over 17000 students with diverse specializations. With a legacy of over six decades, Mahathma Gandhi Vidya Peeta Trust, Bangalore, established Dayananda Sagar University during 2014, with the objectives of meeting the needs of quality in higher education.

Since its inception, Dayananda Sagar University (DSU) has embarked on an inspiring journey of growth and transformation, establishing itself as a beacon of educational excellence and innovation. Our commitment to provide a holistic and research-driven learning environment has been at the core of every initiative, enabling DSU to emerge as a distinguished center for higher education in the region.

The MBBS offered by Dr. Chandramma Dayananda Sagar Institute of Medical Education and Research and the programmes offered by the school have been in operation with effect from the academic year 2020 -21. The school of engineering started functioning from 2015-16 and currently offering programmes in Computer science engineering and its cluster branches, Electronics & Communication Engg., Aerospace Engg. and Mechanical Engg. The school of arts and humanities, basic and applied sciences, commerce & management studies, allied health sciences, Medicine and law for various Undergraduate and Post Graduate programmes are offered in the year 2024-2025.

The University presently offers 37 Undergraduate programs and 11 post Graduate programs under nine different schools in addition to the PhDs, covering the wide range of areas such as Engineering, Medicine, Management, Arts, Commerce, Science & Humanities, Pharmacy, Allied health sciences, Nursing and Law.

Early Foundations and Evolution

Dayananda Sagar University was established with the vision of nurturing future leaders equipped with the competencies to thrive in an ever-evolving global landscape. Built on the foundation of the Dayananda Sagar Institutions' six-decade legacy, DSU has continued to expand its academic offerings and deepen its impact on society. Starting with a handful of programs, the university has rapidly diversified its portfolio to include a wide range of undergraduate, postgraduate, and doctoral courses across engineering, management, health sciences, arts, and humanities.

Academic Excellence and Research Initiatives

DSU's growth has been characterized by a strong emphasis on academic rigor, quality teaching, and cutting-edge research. The university has steadily built an ecosystem that encourages inquiry, innovation, and interdisciplinary research. With the establishment of dedicated research centers and industry partnerships, DSU has facilitated numerous breakthrough projects and research contributions, attracting both national and international recognition.

Infrastructure and Technology Advancements

The physical and technological infrastructure at DSU has evolved significantly over the years. The campus at Devarakaggalahalli, equipped with modern classrooms, advanced laboratories, and state-of-the-art facilities, offers students a conducive environment for learning and experimentation. Embracing digital transformation, DSU has also integrated technology-driven pedagogies and e-learning resources, further enhancing the learning experience.

Building Global Connections

The university has actively pursued collaborations with leading global institutions, fostering a culture of knowledge exchange and global exposure for both faculty and students. These partnerships have led to joint research initiatives, exchange programs, and international internships, enabling our students to gain a competitive edge in their professional endeavours.

Student Achievements and Alumni Impact

DSU has seen its students consistently excel in academic, cultural, and sports arenas, both at the national and international levels. Our alumni have gone on to become successful professionals, entrepreneurs, and leaders in diverse fields, contributing significantly to society and embodying the university's ethos of excellence and service.

Future Outlook

Looking ahead, Dayananda Sagar University remains steadfast in its mission to be a premier institution for learning and research. We aim to further expand our academic offerings, deepen our research focus, and continue to build an inclusive and vibrant campus community. With a strong foundation and an ambitious vision, DSU is poised to scale new heights and make a lasting impact on the educational landscape.

This growth journey is a reflection of the collective efforts of our faculty, students, staff, and stakeholders, who have shared our vision and contributed in making DSU a leading educational institution. We look forward to continued success and setting new benchmarks of excellence in the years to come.

1.2. Dayananda Sagar Institutions and sponsoring body details

Late Shri. R Dayananda Sagar,

The Founder President of Dayananda Sagar Institutions was led by a vision: Education for all sections of society. He worked towards realizing his dream and became a role model in the field of education. His vision has changed the lives of lakhs of students all over the world.

Late Smt. Dr. Chandramma Dayananda Sagar

Wife of the founder, a staunch supporter for establishing the education Trust by the founder, was a doctor by profession with a triple FRCS from London, Edinburgh and Glasgow, as well as part of the panel of doctors for the President of India

The MGVP Trust was established in 1962. Late R. Dayananda Sagar, its founder, who believed that education completes a man and knowledge empowers, paved a path for the growth of this seat of learning. The far-sighted and progressive Chairman and Vice Chairman have set newer, more ambitious goals.

The University is promoted by the MGVP Trust, and it was established on 16th May 2014 as per the: Parliamentary Affairs and Legislation Secretariat Notification No: Samvyashae 44 Shasana 2012, Bangalore dated 09-05-2013, Karnataka Act No. 20 of 2013 first published in the Karnataka Gazette Extraordinary 27-02- 2013. With an assent of the Governor on 25-02-2013, by the notification from Karnataka Government Secretariat, Higher Education Department, M.S Building No.: ED 95 URC 2014 dated 16-05-2014.

The University has offering following disciplines for the students in Life Sciences, humanities, In Information Technology, all branches of Engineering, Design, Nursing, Management, and Healthcare Education including Medicine, Pharmacy, Physiotherapy, Nursing and Allied Health.

1.3 VISION, MISSION AND VALUES

VISION

To be a Centre of excellence in education, research & training, innovation & entrepreneurship and to produce citizens with exceptional leadership qualities to serve national and global needs.

MISSION

To achieve our objectives in an environment that enhances creativity, innovation and scholarly pursuits while adhering to our vision.

VALUES

The Pursuit of Excellence- A commitment to strive continuously to improve ourselves and our systems with the aim of becoming the best in our field.

Fairness- A commitment to objectivity and impartiality, to earn the trust and respect of society.

Leadership- A commitment to lead responsively and creatively in educational and research processes.

Integrity and Transparency- A commitment to be ethical, sincere and transparent in all activities and to treat all individuals with dignity and respect.

DAYANANDA SAGAR UNIVERSITY

1.5 MESSAGES

Dr. D. Hemachandra Sagar

Chancellor

Dayananda Sagar University continues its journey as a vibrant centre of academic excellence, innovation, and societal transformation. Rooted in strong values and guided by a progressive vision, DSU remains committed to nurturing future-ready graduates who combine knowledge, creativity, and ethical responsibility.

The academic year 2024–2025 has been a year of consolidation and forward momentum. Building upon our strong foundations, the University has further strengthened its academic frameworks, research ecosystem, and industry engagement. Our students and faculty have demonstrated outstanding performance across academics, research, innovation, sports, and cultural activities, earning recognition at national and international levels.

During this year, DSU has expanded its global outlook through meaningful collaborations with reputed universities, research institutions, and industry partners. These partnerships have enhanced experiential learning opportunities, encouraged interdisciplinary research, and reinforced our focus on entrepreneurship, innovation, and employability.

I am particularly encouraged by the University's continued emphasis on student-centric initiatives. Robust mentoring systems, academic support mechanisms, career guidance, and incubation facilities have been further strengthened to ensure that our students graduate on time and are well prepared—whether they choose to pursue higher education, enter the workforce, or create enterprises of their own.

As we look ahead, sustainability, inclusivity, digital transformation, and research-driven growth will remain central to DSU's mission. I take this opportunity to express my sincere appreciation to our faculty and staff for their unwavering dedication, to our students for their enthusiasm and perseverance, and to our parents, alumni, and industry partners for their trust and continued support.

I am confident that Dayananda Sagar University will continue to grow as a beacon of knowledge, innovation, and social impact—contributing meaningfully to national development and to the global academic community.

Dr. D. Premachandra Sagar

Pro Chancellor

It gives me great pleasure to present the Annual Report of Dayananda Sagar University for the academic year 2024–2025, a year that reflects sustained growth, academic distinction, and purposeful innovation.

As I address the DSU community through this report, I do so with immense pride in the collective achievements of our students, faculty, and staff. The past academic year has been marked by significant progress in strengthening our academic ecosystem, expanding research capabilities, and deepening our engagement with industry and global partners.

At Dayananda Sagar University, we remain steadfast in our mission to nurture responsible, skilled, and forward-thinking individuals who are prepared to contribute meaningfully to society. The accomplishments of 2024–25—across academics, research, innovation, entrepreneurship, sports, and cultural activities—stand as a testament to the dedication, resilience, and collaborative spirit of the DSU fraternity.

During this year, the University has further enhanced its academic offerings through the introduction of contemporary programs, interdisciplinary initiatives, and outcome-oriented teaching–learning practices. Our focus on research and innovation has gained renewed momentum, with faculty and students actively contributing to high-impact research, publications, patents, and funded projects. Strategic national and international collaborations have continued to enrich the learning environment and open new avenues for knowledge exchange.

As we celebrate these milestones, I extend my sincere appreciation to our faculty and staff for their commitment to excellence, to our students for their enthusiasm and perseverance, and to our parents, alumni, and industry partners for their continued trust and support.

Looking ahead, I am confident that Dayananda Sagar University will continue its upward trajectory—emerging stronger as a hub of academic excellence, innovation, and societal impact. Together, let us remain committed to shaping a future that is inclusive, sustainable, and knowledge driven.

Prof.B S Satyanarayana

Vice Chancellor

It is indeed a pleasant privilege to share our message, as we come out with our ninth edition of Dayananda Sagar University's "Annual Report: 2024-25". Completing 9 years for any organization is indeed a momentous occasion. Specifically, as DSU has set a high level of aspiration in its vision of enabling our students to excel in teaching, learning, research, innovation, entrepreneurial pursuit and societal engagement. Thus, contribute to the transformation of India and the world at large.

India is poised to double its GDP from the current about $4.0 Trillion to about $ 8.2 Trillion by 2035 as per Niti Aayog, especially when the whole world is going through a whole lot of uncertainty. Hence, we are glad to state that DSU's curriculum has been appropriately fine tunned to enable our students to be prepared for India's needs and contribute to this growth. The contribution is not just limited to theoretical knowledge, but also appropriate skills and an integrated ability to link this knowledge and skill with values, in line with our vision.

We are very sure everyone of our graduates in domains including Engineering, Medical, Applied Sciences, Allied Health Science including Pharmacy, Nursing & Physiotherapy to Commerce, Management, Law, Design, Journalism and Computer Applications, be it UG, PG and PhD will truly raise to the occasion and contribute to this nation's progress. The students have fully leveraged their holistic learning experience gained at DSU, with due support of the quality faculty and the magnificent infrastructure, in demonstrating the outcomes reported in this annual report 2024-25. The report covers not just the academic and research activities but also a wide range of co-curricular and extra-curricular activities, which enable the students to be prepared for the 21st century opportunities and lifelong learning needs in their life journey. This also reflects in the university's NAAC accreditation (A+ Grade) and being ranked 13th in 2025 by IIRF among all private universities in India.

As mentioned earlier, with a view towards holistic development, the students have had a wide range of exposure to many co-curricular and extracurricular activities on campus including a whole range of clubs. These clubs like sports, literature, health & fitness, and culture. Our students have won prizes in many hackathons, sports and cultural events conducted both locally and across the country.

Further the university has embarked on creating state of art centers of excellence in domains including AI & HPC, AR/VR, Digital twining, Cyber security with Cyber range, AI and robotics with provisions to work on humanoids and mobility. Further there will also be provision for

makers space integrating provisions to work on AI, Electronics, Mechanical, mechatronics and materials. These will not only help students just get experiential learning but also to realizing their ideas as proof of concepts (PoC). Further this will further enhance the capabilities of researchers and faculty to produce better quality publications and patents and even carry out consultancy with campus startups to MSME and MNCs outside.

We would like to thank our Chancellor and Pro-Chancellor for their great vision and direction, as also providing us with such a remarkable platform. We very much appreciate and value the support from the members of our Board of Governors, Board of Management, Academic Council and the Board of Studies. Above all I would like to thank all the faculty and staff for their consistent efforts. We are very sure the next year is going to be even more eventful and productive.

Prof. Janardhan

Pro Vice Chancellor

Dayananda Sagar University (DSU) has seen enormous success during the year under various domains. More information can be found elsewhere. This note deals with DSU's success in partnering with industry and the Government of India.

The AIC-DSU Foundation:

DSU in its efforts to work closely with the government and industry established a unique platform to identify innovation among the student community and creating an ecosystem for such innovations to flourish. This thought got a serious push through the **AIC-DSU Foundation** (sponsored by the Dayananda Sagar University and the Atal Innovation Foundation - part of the NITI Aayog, Government of India). The industry has been magnanimous in offering support to establish industry labs which include: Autodesk, Bosch Rexroth, Dassault Systems, Analog Devices, Bosch Etas, Nvidia, Prores, Origalys, Intel, Dhruva Space and Shimadzu.

The activities and their outcomes for the year under report are:

Through incubating over 60 companies, 40% of which have achieved growth rates exceeding 100%, the AIC-DSU Foundation has proven its commitment to nurturing sustainable businesses. The incubatees have filed 15 patents and generating employment opportunities, contributing to economic growth.

AIC-DSU Foundation has received a funding of Rs. 10.00 crore from the Govt. of India-NITI Aayog and raised over Rs. 130 lacs in CSR funding from corporate entities that include: EFI, Microlabs, OG Healthcare, Zinios Edge, Checkpoint, Minits, Saankhya Labs. This financial support, coupled with revenue of Rs 305.44 lacs in addition to the grants from NITI Aayog, underscores their impact on the entrepreneurial ecosystem.

AIC-DSU promotes gender equality in business that is evident through partnerships with organizations like CWE, WeConnect, and THINK BIG which attracted over thousands of women entrepreneurs to identify businesses leading to incubation and support to women-

led enterprises.

AIC-DSU Innovation Foundation has played a pivotal role in organizing over 50 events and workshops, fostering networking opportunities among entrepreneurs. These gatherings serve as platforms for sharing best practices, receiving feedback on business strategies, and nurturing collaborative ventures within the startup community. As an active participant in various industry forums, AIC-DSU Innovation Foundation enjoys great visibility in TiE Bangalore, Open Coffee Club, and Start-Ups Club. The AIC-DSU Foundation continues to shape and influence the entrepreneurial landscape, driving innovation and sustainable growth.

I extend my heartfelt gratitude to our students and other innovators who are the torch bearers of the University, faculty, staff, alumni, and partners for their unwavering dedication and urge them to continue using the opportunities for innovation and enterprise at the AIC-DSU for the greater good of the participants and the nation.

Prof. Prakash Sheelvanthmath

Pro Vice Chancellor

The academic year 2024–25 has been a defining phase in the transformation journey of DSU. Guided by the visionary leadership of our Honourable Pro Chancellor, the University initiated a decisive shift towards an AI-First University framework, laying a strong strategic foundation for future academic, research, and operational excellence.

A major milestone during the year was the conceptualization and initiation of an AI-First approach across DSU operations. In alignment with this vision, DSU engaged extensively with NVIDIA to establish a next-generation AI Factory. The engagement was successfully concluded, and execution activities have commenced. This AI Factory is envisioned as a shared institutional backbone to support AI-enabled teaching–learning, advanced research, interdisciplinary innovation, and industry-aligned skill development across all School.

DSU also undertook detailed planning and groundwork for six future-ready Centres of Excellence (CoEs) aligned with experiential learning and innovation. These include the AI Maker Space, Electronics Maker Space, Mechanical Maker Space, AR/VR/XR Centre, Robotics Centre, and Cyber Range. These CoEs are designed to integrate curriculum delivery, applied research, industry collaboration, and innovation-driven student outcomes, and will become operational in the academic year 2025–26.

In line with DSU's commitment to responsible growth, focused efforts were undertaken towards Net-Zero and sustainability initiatives, including energy efficiency planning, renewable energy integration, water conservation, waste management, and sustainability-oriented academic and research activitiesAnother significant development was the launch of the Smart Campus Initiative in collaboration with Siemens. This initiative focuses on smart energy management, intelligent building systems, safety, surveillance, and data-driven campus operations, enhancing efficiency and the overall academic experience.

In conclusion, the year 2024–25 was dedicated to visioning, strategic planning, partnerships, and groundwork. The initiatives planned during this period will deliver tangible and measurable outcomes in 2026, reinforcing DSU's position as an AI-First, future-ready university.

Dr. Puttamadappa.C
Registrar

I am privileged to present the Annual Report of Dayananda Sagar University for the academic year 2024–25, a year that has been marked by sustained growth, academic excellence, innovation, and purposeful engagement with society. The University has continued to strengthen its position as a vibrant centre of higher learning by aligning its academic, research, and outreach activities with national priorities and global best practices.

During the year, Dayananda Sagar University made significant strides in consolidating its infrastructure and academic ecosystem. The University's expansive 130-acre main campus at Devarakaggalahalli witnessed further development, with the addition and effective utilization of state-of-the-art academic blocks, advanced laboratories, research centres, hostels, and residential quarters for faculty, officers, and staff. These initiatives have enhanced the academic ambience and provided a conducive environment for teaching, learning, research, and community living.

Research and innovation remained a core focus during the year. Faculty members actively engaged in funded research projects, securing grants from reputed national agencies such as DST and other funding bodies, and contributed significantly through high-impact journal publications, patents, conference presentations, and consultancy projects.

Student development and holistic education received special emphasis during 2024–25. Students actively participated in internships, projects, hackathons, cultural and sports activities, professional society chapters, NSS programs, and community outreach initiatives, thereby fostering leadership, social responsibility, and employability skills.

I take this opportunity to express my deep sense of gratitude to our Hon'ble Chancellor, Dr. D. Hemachandra Sagar, and Hon'ble Pro-Chancellor, Dr. D. Premachandra Sagar, whose visionary leadership and constant encouragement continue to guide the University's progress. I also place on record my sincere thanks to the Members of the Board of Governors, Board of Management, Academic Council, Finance Committee, and Boards of Studies for their valuable guidance, support, and governance.

I extend my heartfelt appreciation to our students, faculty members, officers, staff, alumni, and industry and academic partners, whose dedication and collective efforts have been instrumental in achieving the University's goals during the year. As we move forward, Dayananda Sagar University remains committed to academic excellence, innovation, sustainability, and societal contribution. I am confident that the University will continue to scale greater heights and make meaningful contributions to nation-building and global knowledge creation.

Dr. M K Sudarshan	Ex Director, Retd Dean/Principal-KIMS, Bangalore & Member
Ms. Pranathi Mirale Chandu	Trans Lab Pvt LTD., & Member
Mr. Iorl Furtado	IBM & Member
Dr. Uday Kumar Reddy K R	Dean-School of engineering, DSU & Member
Dr. Prashanth Kumar M	Dean & Principal-CDSIMER, DSU & Member
Dr. Sunil S More	Dean, School of Basic & Applied Sciences, DSU & Member
Dr. Pushpa Sarkar	Dean, School of Health Sciences, DSU & Member
Dr. Capt. A Nagaraj Subbarao	Dean, School of Commerce & Management Studies (PG), DSU & Member
Prof. Dinesh Kulkarni	Dean, School of Design & Digital Transmedia, DSU & Member
Dr. K Sai Prasad	Dean, College of Journalism & Mass Communications, DSU & Member
Dr. Truptha Shankar	Dean, School of Commerce & Management Studies (UG), DSU & Member

1.6.5. ACADEMIC COUNCIL

NAME	DESIGNATION & ROLE
Dr. S Senthil	Dean, School of Computer Application, DSU & Member
Dr. S N Prasad	Controller of Examinations, DSU & Member
Dr. Sudarshan T S B	Dean, Research & Innovations, DSU & Member
Dr. Kiran Dennis Gardner	Dean, School of Law, DSU & Member
Dr. Puttamadappa C	Registrar, DSU & Secretary

1.6.6 BOARD OF STUDIES

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

NAME	DESIGNATION & ROLE
Dr. Girisha G S	Professor & Chairman, Department of Computer Science & Engineering, DSU& Chairman
Dr. Rishikesh k Joshi	Professor, Department of Computer Science & Engineering Indian Institute of Technology Bombay & Member
Dr. Ramaswamy Govindarajan	Professor Department of Computer Science and Automation and Supercomputer Education and Research Center IISc Bangalore Member
Dr. V Ramasubramanian	Professor, IIIT-Bangalore & Member
Ms. Soumya Prasada	Sr. Solution Architect-watsonx IBM & Member
Mr. Mekala V Reddy	Program Manager, IBM Technology Expert Labs & Member
Dr. Basavaraj N Hiremath	Professor, Dept. of CS&E, DSU & Member
Dr. Chethan V Sagarnal	Assistant Professor, Dept. of CS&E DSU & Member
Mr. Dhruva Santosh (Alumni)	Assistant Analyst – Offensive Security Lowe's services Pvt Ltd & Member

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING (CYBER SECURITY)

NAME	DESIGNATION & ROLE
Dr. Dileep Kumar J B S	Associate Professor & Head, Department of CSE (Cyber Security) & Chairperson
Dr. Ravimittal S	Former Professor, IITM, Visiting Professor, IIT Mandi & IIT Goa & Member
Dr. Udayashankar Puranik	Director, AI & Cyber Security, MGI, USA and Writer & Member
Mr. Sajeev Nair	Cyber Incident Response Team (CIRT), Accenture, Bangalore & Member
Dr. Sumathi D	Professor, Department of CSE (Cyber Security), SoE, DSU & Member

Prof. Naveen Kulkarni	Assistant Professor, Department of CSE (Cyber Security), SoE, DSU & Member
Ms. Krishna Priya Lokanatha	Student Alumni, Department of CSE (Cyber Security), SoE, DSU & Member
Dr. Devi Priya V S	Assistant Professor, Department of CSE (Cyber Security), SoE, DSU & BSO Convenor

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING (ARTIFICIAL INTELLIGENCE & MACHINE LEARNING)

NAME	DESIGNATION & ROLE
Dr. Jayavrinda Vrindavanam V	Professor & Head, Dept CSE(AIML)SOE, DSU & Chairperson
Dr. Ajin George Joseph	Professor – CSE Dept, IIT Tirupati & Member
Dr. Mayank Baranwal	Scientist, TCS Research & Innovation Adjunct Professor-IIT Bombay & Member
Dr. Saswati Dana	Advisory Research Engineering, AI Team, IBM Research Lab & Member
Ms. Aruna Rajan	Head of AI&ML, Google, India Bangalore & Member
Dr. Amit R Bhat	Vice Chancellor, DSU & Member
Dr. Udaya Kumar Reddy K R	Professor & Dean SOE, DSU & Member
Dr. Vinutha N	Associate Professor CSE(AI&ML) SOE, DSU & Member
Prof. Pradeep Kumar K	Assistant Professor CSE(AI&ML) SOE, DSU & BOS Coordinator

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING (DATA SCIENCE)

NAME	DESIGNATION & ROLE
Dr. Shaila S G	Professor & Chairman, Dept. of CSE (Data Science), SOE, DSU & Chairperson
Dr. Mahesh Kumar H. Kolekar	Associate Professor, PhD, Electrical and Electronics Dept, IIT Kharagpur, & Member
Dr. Surendiran K	Associate Professor, Department of CSE, NIT-Puducherry & Member
Dr. K S Sreedhar	Professor, Dept. of CS&E, UBDT College of Engineering, Davanagere & Member
Mr. Rajashekhar Hiremath	Senior Manager, IBM India Software Labs, Embassy Links, Embassy Cypress Pvt Ltd. Bangalore & Member
Ms. Yashna Karkera Alumni	Software Engineer, UD Trucks (Isuzu Motors Group) & Member
Dr. Udaya Kumar Reddy K R	Professor & Dean, School of Engineering, DSU & Member
Dr. M K Banga	Professor, Dept. of CSE, SOE, DSU & Member
Dr. Basavaraj N Hiremath	Professor, Dept. of CSE, SOE, DSU & Member
Prof. Monish L	Assistant Professor, Dept of CSE (Data Science), SOE, DSU & Member

DEPARTMENT OF COMPUTER SCIENCE & TECHNOLOGY

NAME	DESIGNATION & ROLE
Dr. M Shahina Parveen	Professor & Head – Dept of CST, SOE, DSU & Chairperson
Mr. N C Siraman	Co-Founder, MD Metaphoric Networks Pvt Ltd., Alumnus IIT Madras. & Member
Mr. Ishwar Sundararaman	Founder & CEO Unsolved Pvt Ltd., IIMB Alumnus & Member
Mr. Neerav Joshipura	Founder Director, SoftN Enterprises, DSU & Member
Mr. B Surendiran	Associate Professor, School of Computer science & Engineering, NIT Puducherry Karaikal & Member
Mr. Shivraj	Product Engineer, Justpay Pvt Ltd., & Member
Mr. Sathyanarayana B N	CEO, DERBI Foundation, Bangalore & Member
Dr. Amith R Bhat	Vice Chancellor, DSU & Member
Dr. Uday Kumar K R	Dean-SOE, DSU & Member
Prof. Ramandeep Kaur	Assistant Professor, Dept of CST, SOE, DSU & Member

DEPARTMENT OF MECHANICAL ENGINEERING

NAME	DESIGNATION & ROLE
Dr. Saravana Bavan D	Associate Professor.Dept of Mech ,DSU & Chairperson
Dr. S Devarajan	Sr. Vice President, TVS Motor Company, Bengaluru, Karnataka & Member
Dr. K Venkateshwaralu	Scientist - National Aerospace Laboratories, Bengaluru & Member
Dr. Sripathi V	Director - Technology, Hexagon Manufacturing Intelligence India, Aerospace & Defense Industry Leader, CAE Simulation Consultant & Member
Dr M G Anand Kumar	Joint Director, CPRI & Member
Dr. B Gurumoorthy	Centre for Product Design & Manufacturing, Indian Institute of Science, Bengaluru & Member
Dr. C K Umesh	Professor, Dept of Mechanical Engineering, UVCE, Bengaluru & Member
Dr. Saravana Bavan	Associate Professor, Dept of Mechanical Engineering, DSU & Member
Dr. Viswanathan R	Associate Professor, Dept of Mechanical Engineering, DSU & Member
Mr. Janamruth U (Alumni)	Technical Architect, Continental Autonomous Mobility India Pvt Ltd. & Member

DEPARTMENT OF AEROSPACE ENGINEERING

NAME	DESIGNATION & ROLE
Dr. Nagaraja S R	Professor- Dept. of Aerospace Engineering, DSU & Chairperson
Dr. Srisha Rao M V	Associate Professor, Dept. of Aerospace Engineering IISc, Bengaluru & Member

NAME	DESIGNATION & ROLE
Dr. K Balamurugan	Chief Scientist (Scientist G), Structural Integrity Division, CSIR National Aerospace laboratories, Bengaluru & Member
Dr. Sudha Srinivasan	Scientist G, Group Director (IV&V-WS) Aeronautical Development Agency, Vimanapura, Bengaluru & Member
Mrs. Kalpana Aravind	Deputy Director, Sensors, Electro Optics Lab, ISTRAC Peenya, Bangalore & Member
Mr. Rishabsai Alumini	Jr. Executive, CSS-MRO, Lufthansa Technik Services India, Bangalore & Member
Dr. Suryanarayana	Professor- Dept. of Aerospace Engineering, DSU & Member
Dr. Ramakumar B V N	Professor- Dept of Aerospace Engineering, DSU & Member
Dr. Prashantha Kumar H G	Assistant Professor- Dept. of Aerospace Engineering, DSU & Member
Dr. Srinath R	Assistant Professor- Dept. of Aerospace Engineering,DSU & Member

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

NAME	DESIGNATION & ROLE
Dr. Arun Balodi	Chairman and Professor, Department of ECE, SOE, DSU & Chairman
Dr. C P Ravikumar	Adjunct Professor, Indian Institute of Information Technology Dharwad, Karnataka. & External Member
Mr. Kiran Kumar Kulkarni	Global Industry Manager-Engineering and Technology Services, MathWorks India Pvt Ltd. & External Member
Dr. Srinivas Talabattula	Associate Professor - Electrical Communication Engineering Indian Institute of Science, Bangalore & External Member
Dr. Vasantha M H	Associate Professor, Department of ECE, NIT, Goa & External Member
Dr. S Arungalai Vendan	Professor, Department of ECE, SOE, DSU & Member
Dr. Vinu R	Associate Professor, Department of ECE, SOE, DSU & Member
Dr. Theodore Chandra S	Associate Professor, Department of ECE, SOE, DSU & Member
Mr. Nadeem Pasha	Assistant Professor, Department of ECE, SOE, DSU & BOS Coordinator, Member
Ms. Rida Fatima (Alumni)	Supply Chain Engineer, BMW India Pvt Limited. & Member

DEPARTMENT OF ROBOTICS & ARTIFICIAL INTELLIGENCE

NAME	DESIGNATION & ROLE
Dr. Pramod Kumar Naik	Chairperson, AI and Robotics, SOE, DSU & Chairman
Dr. A Roy Chowdhury	Professor, Founder and Head of Robotics Innovation Lab, IISc. & Member
Mr. Rohan Dalmia	Product Development Lead, Bosch Global Software Tech. Bangalore & Member
Mr. Nijil George	Robotics and Automation Systems, Tata Consultancy Services, Alumni IIT, Mumbai & Member

Dr. V Pandu Ranga	Professor, IIT Bhubaneswar & Member
Dr. Rupam Bhaduri	Professor, AI and Robotics, DSU, SOE & Member
Dr. Gangadhar T G	Associate Professor, AI and Robotics, DSU, SOE & Member
Dr. Jayavrinda Vrindavanam	Chairperson – Artificial Intelligence and Machine learning, DSU, SOE & Member

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING (ARTIFICIAL INTELLIGENCE & DATA SCIENCE)

NAME	DESIGNATION & ROLE
Dr. Poongodi T	Professor, Dept. of CSE, SOE, DSU & Chairperson
Dr. Sireesha Potluri	Senior consultant, Capgemini, Hyderabad, & Member
Dr. Padma Narayanan	Associate Director, WNS Global Services, Bengaluru & Member
Dr. Annappa	Chairman - Career Development Centre, Professor - Department of CSE, NIT, Surathkal, 575 025 & Member
Dr. Sanket Mishra	Associate Professor, Department of Computer Science & Engineering, Manipal Institute of Technology Bengaluru, MAHE & Member
Dr Shaila	Professor-Department of Data Science & Member
Dr. Udaya Kumar Reddy K R	Professor & Dean, School of Engineering DSU & Member
Dr. Sumathi D	Professor, Dept. of CSE (Cyber Security), DSU & Member
Dr Bahubali	Professor -Department of AI&ML, DSU & Member

DEPARTMENT OF CHEMISTRY

NAME	DESIGNATION & ROLE
Dr. Venkataramanan N S	Associate Professor Department of Chemistry, SOE, DSU & Chairperson
Prof. Dr. Prabu Sankar G	Professor, Department of Chemistry, IIT Hyderbad. & External Member
Dr. Ranganatha S	Associate Professor Department of Chemistry, School of Engineering, Presidency University, Bangalore & External Member
Dr. Suresh R	Principal Scientific Manager Aragen Life Sciences, Jigani, Bangalore & External Member
Prof. Dr. A V Raghu	Professor, Department of Chemistry, SOE, DSU & Member
Dr. Kishore Kumar Devarepally	Associate Professor, Department of Chemistry, SOE, DSU & Member
Dr. Bhavana Rikhari	Assistant Professor, Department of Chemistry, SOE, DSU & Member
Dr. Sai Prasad Nayak	Assistant Professor Department of Chemistry, SOE, DSU & Member

DEPARTMENT OF PHYSICS

NAME	DESIGNATION & ROLE
Dr. K Vijaya Kumar	Professor & Head, Dept. of Physics, SOE, DSU & Chairperson
Prof. Suja Elizabeth	Professor & Chief Research Scientist, Dept of physics, IISC, Bangalore & Member
Prof. D Pamu	Professor, Dept of Physics, IIT Guwahati & Member
Prof. S Srinath	Professor, School of Physics, University of Hyderabad & Member
Dr. Suresh Pittala	Associate Professor, Dept of Physics, SOE, DSU & Member

DEPARTMENT OF MATHEMATICS

NAME	DESIGNATION & ROLE
Dr. Mahalakshmi P	Assistant Professor, Mathematics Dept, SOE, DSU, & Chairperson
Dr. Veerappa Gowda	Professor- Dept of Mathematics, TIFR, Bengaluru & Member
Dr. N K Indira	Senior Principal Research Scientist, CSIR, Bengaluru & Member
Dr. Vittal Rao	Former Professor –Dept of Electronic Systems Engineering, IISc, Bengaluru & Member

SCHOOL OF COMPUTER APPLICATION

NAME	DESIGNATION & ROLE
Dr. S Senthil	Professor & Dean SCA, DSU & Chairperson
Dr. Arunkumar Thangavelu	Senior Professor, School of Computing and IT VIT University, Vellore. & Member
Dr. Murulidhara B L	Professor Bangalore University, Bangalore & Member
Dr. Pethuru Raj	Chief Architect, Edge AI Division Reliance Jio Platforms Ltd., Bengaluru & Member
Dr. Madhan Kumar Sreenivasan	CEO & Co-Founder, Wise Work President & Co-Founder, Hue Learn Co-Founder & CTO, DNAi World Bengaluru & Member
Dr. Ambika Paranthaman	Senior Data Scientist Sparkbox.ai, United Kingdom & Member
Mr. Bala Murali P	Head-DevOps Competency Tata Elxsi, Bengaluru & Member
Dr. Anand Kumar M	Associate Professor, Department of I.T National Institute of Technology Karnataka, Surathkal, Mangalore & Member
Dr. vasanthi Kumari P	Professor - SCA DSU & Member
Dr. Sandhya Madhuri	Assistant Professor - SCA DSU & Member
Ms. Sindhu S	Assistant Professor - SCA DSU & Member
Ms. Padmageetha B G	Assistant Professor - SCA DSU & Member
Dr. R Kokila	Assistant Professor - SCA DSU & Member
Ms. Astha Lakshmi	Assistant Professor - SCA DSU & Member
Mr. Aakash Sahay	Software Developer Tata Elxsi, Bangalore & Member
Mr. Devansh Koolwal	Backend Software Engineer CricBuzz Rimes Internet, Bengaluru & Member

SCHOOL OF DESIGN & DIGITAL TRANSMEDIA

NAME	DESIGNATION & ROLE
Prof. Dinesh Kulkarni	Dean, School of Design,DSU & Chairperson
Ms. Binita Desai	Designer -Dhirubhai Ambani Institute of Information and Communication Technology & Member
Dr. Sonal Keshwani	Asst Professor, IIIT, Delhi & Member
Ms. Anuroop Benarjee	Senior Director, High Labs, Bangalore & Member
Ms. Chandana P	Senior Game Artist, Technicolor Games, Bangalore & Member

Mr. Subhajith Das	Senior Associate Manager-Eli Lilly and Company (LCCI), Bangalore & Member
Mr. Ashwin B M	Creative Producer, Embibe, Bangalore & Member
Prof. Vivek Wallabdas	Associate Professor of Practice, College of Design and Digital Transmedia, DSU, & Member

SCHOOL OF LAW

NAME	DESIGNATION & ROLE
Prof. Kiran Dennis Gardner	Professor & Dean, School of Law, DSU & Chairperson
Justice S R Bannurmath	Chairperson, Karnataka Law Commission, Bengaluru & Special Invitee and Advisor for SOL
Prof (Dr.) Dilip Ukey	Vice Chancellor, MNLU, Mumbai & Member
Prof Dr Nandimath O V	Professor of Law, NLSIU, Bengaluru & Member
Prof (Dr) Babugouda S Patil	Associate Professor, V M Salgaocar College of Law, Goa & Member
Prof. (Dr.) Heena Ghanshyam Patoli	Professor, School of Law, Dayananda Sagar University & Member
Dr. Gajendra N	Assistant Professor, School of Law, DSU & Member

SCHOOL OF COMMERCE & MANAGEMENT STUDIES (PG)

NAME	DESIGNATION & ROLE
Capt Prof. A Nagaraj Subbarao	Professor & Dean –SCMS PG, DSU & Chairperson
Dr. Nagendra Pratap Singh	Associate Dean – Research, M. S. Ramaiah University of Applied Sciences, Bangalore & Member
Dr. Abhijit Chakraborty	Deputy Director – EE & Member
Dr. Srinivasa Padmanabhuni	Founder & CTO-City Mandy & Member
Mr. A V Venkatesh	Director – HR | Advisor to Board / Buhler India & Member
Dr. K N Amarnath	Chief Research Officer, Amber Tag Analytics & Member
Dr. Suresh R	Associate Professor: SCMS PG, DSU & Member
Dr. Padmalatha	Associate Professor – SCMS PG, DSU & Member
Ms. Anusha Machado Alumni DSU	Implementation Specialist, Bizom & Member
Ms. Pooja Karni Alumni DSU	HRBP, TCS, Bangalore & Member

SCHOOL OF COMMERCE & MANAGEMENT STUDIES (UG)

NAME	DESIGNATION & ROLE
Dr. Truptha Shankar	Professor & Dean –SCMS UG, Programs, DSU & Chairperson

Dr. Jaysimha	Professor, IIM Indore, MP & Member
Dr. V Rajesh Kumar	Professor, RV University, Bangalore & Member
Dr. Ganesh Hiregoudar	Director, Dell Technologies, Bangalore & Member
Shri. Ranganath K	Founder & CEO, Chiplogic Technologies, Bangalore & Member
Dr Rajesh Kalli	Assistant Professor, SCMS-UG, DSU, Bangalore & Member
Mr. Shivaraj S G	Alumni Representative & Member
Apeksh Jayanth Raj	Student Representative, DSU & Member

SCHOOL OF BASIC & APPLIED SCIENCES

NAME	DESIGNATION & ROLE
Dr. Sunil S More	Dean-School of Basic & Applied Sciences, DSU & Chairperson
Dr. K N Balaji	Professor, Dept of Microbiology & Cell Biology, IISc, Bengaluru & Member
Dr. P Kondaiah	Professor, Dept of Molecular Reproduction, Development and Genetics, Indian Institute of Science, Bengaluru & Member
Dr. K R Siddalinga Murthy	Professor, Dept of Biochemistry, Bangalore University, Bengaluru & Member
Dr. Anirudha Lakshminarasimhan	Director R&D, Laurus Bio (a Subsisiary of Laurus Labs), Bengaluru & Member
Dr. Harish Pai	Associate Director, Research & development, Biocon, Bengaluru & Member
Dr. Sundaram P M	Product Manager, Biopharma, Waters India Pvt Ltd. Peenya Industrial Area, Bengaluru & Member
Prof. V Krishnamurthy	Research Professor, DSU & Member
Dr. Seema Tharannum	Professor, Biological Sciences, SOE, DSU & Member
Dr. Aneesa Fasim	Associate Professor-Biochemistry, Dept of Biological Sciences, SBAS Dept, DSU & Member
Dr. Susweta Das	Associate Professor-Biotechnology, Dept of Biological Sciences, SBAS Dept, DSU & Member
Dr. Santhosh Choudhari	Associate Professor-chemistry, Dept of Biological Sciences, SBAS Dept, DSU & Member

SCHOOL OF ARTS AND HUMANITIES: COLLEGE OF JOURNALISM & MASS COMMUNICATION

NAME	DESIGNATION & ROLE
Dr. K Sai Prasad	Dean & Professor-CJMC, DSU, Bangalore & Chairperson
Prof. Meghana H R	Associate Professor, National College, Bangalore & Member

Prof. Tara Chettur	Associate Professor – Journalism, Makhanlal Chaturvedi National University, Bhopal & Member
Prof. Utthanna Bharighat	Theatre and Art, L V Prasad School of Media and Films, Bangalore & Member
Prof. Ranjini Rao	Author, Adjunct Faculty, NIFT, Bangalore & Member
Dr. Smitha Reddy	Senior Faculty, Psychology, Jain University, Bangalore & Member
Ms. Pooja Prasanna	Senior Journalist, The New Minute, Bangalore & Member
Ms. Prachi Pinglay	Consulting Editor, Citizen Matters and Professors of Practice, Christ University, Bangalore & Member
Mr. Kuchi Lakshmana	Former Editor, Hindustan Times, Bengaluru & Member
Mr. Shubham Roy Choudhury	Filmmaker, Theatre Producer, Adjunct Faculty, Calcutta University & Member
Ms. Juliana Lazarus	Freelance Journalist and Adjunct Faculty – Journalism, Mount Carmel College, Bangalore & Member
Prof. Rakesh Katarey	Professor, CJMC, DSU & Member
Prof. Renuka Phadnis	Associate Professor, CJMC, DSU & Member
Dr. Rekha Datta	Associate Professor, CJMC, DSU & Member
Ms. Nidisha Sheetigar	Second Year Student – BA -JMC- DSU & Member
Mr. Subhash N K	Technical Writer, Ellucian Technologies, USA & Member

CLINICAL DEPARTMENT OF UG –PHASE III, PART-II- MBBS UNDER SCHOOL OF MEDICAL SCIENCES

NAME	DESIGNATION & ROLE
Dr. Naveen M	Professor, Department of General Medicine, CDSIMER & Chairperson
Dr. Giriraja	Professor, Department of General Medicine, MVJ Medical College & Research Hospital & External Member
Dr. Satish Kumar R	Professor, Department of General Surgery, Kempegowda Institute of Medical Sciences, Bangalore & External Member
Dr. K.M.N Vishnu Priya	Associate Professor, Department of OBG, St John's Medical College Hospital, Bangalore & External Member
Dr. Sunil Kumar B M	Professor & HOD, Department of Paediatrics, M. S Ramaiah Medical College, Bangalore & External Member
Dr. Binu T Kurian	Associate Professor, Department of Orthopaedics, St John's Medical College Hospital, Bangalore & External Member
Dr. Tanuja G P	Associate Professor, Department of Ophthalmology, M. S Ramaiah Medical College, Bangalore & External Member
Dr. Ravi D	Professor & HOD, Department of ENT, Mandya Institute of Medical Sciences, Mandya & External Member
Dr. Anil Kumar H	Professor & HOD, Department of General Medicine, CDSIMER & Member
Dr. Satish Rao B S	Professor & HOD, Department of General Surgery, CDSIMER & Member
Dr. Sheela H S	Professor & HOD, Department of OBG, CDSIMER & Member

NAME	DESIGNATION & ROLE
Dr. Asha D Benakappa	Professor & HOD, Department of Paediatrics, CDSIMER & Member
Dr. Ramesh L J	Professor & HOD, Department of Orthopaedics, CDSIMER & Member
Dr. Mohan Kumar H	Professor & HOD, Department of Ophthalmology, CDSIMER & Member
Dr. Srinivas V	Professor & HOD, Department of ENT, CDSIMER & Member

SCHOOL OF HEALTH SCIENCES: COLLEGE OF ALLIED HEALTH SCIENCES

NAME	DESIGNATION & ROLE
Dr. Pushpa Sarkar	Dean, School of AHS, Dayananda Sagar University & Chairperson
Dr. V Lokesh	Prof & HOD, Radiation Oncology Kidwai Cancer Institute, Bangalore & Member
Dr. Madhu S. D	HOD, Dept of Radio diagnosis Kidwai Cancer Institute, Bangalore & Member
Dr. Yogitha R	Prof & HOD of Anatomy, St. Johns Medical College, Bangalore & Member
Dr. Umashankar S	Principal, Padmashree School of Public Health, Bangalore & Member
Dr. Shanmukhappa	Associate Prof of Microbiology, Mandya Institute of Medical Science & Member
Dr. Ravi D	Associate Prof of ENT Mandya Institute of Medical Science & Member
Dr. Thejeswini	Assistant Professor of Anaesthesiology M.S Ramaiah Medical College, Bangalore & Member
Dr. Ramachandra B Shet	HOD, Dept of Optometry A J Institute of Allied Health Science & Research Centre, Mangalore & Member
Dr. Anil Kumar	Professor & HOD of General Medicine CDSIMER, Bangalore & Member
Dr. Shilpa H D	Professor & HOD of Biochemistry CDSIMER, Bangalore & Member
Dr. Madhu S	Associate Prof of Anaesthesiology CDSIMER, Bangalore & Member

SCHOOL OF HEALTH SCIENCES: COLLEGE OF NURSING SCIENCES

NAME	DESIGNATION & ROLE
Dr. D Shejila C H	Principal, College of Nursing Sciences, DSU & Chairperson
Mr. K Mallu	Registrar, Karnataka State Nursing Council, Bangalore & Member
Dr. Hephjbah Samuel	Deputy Head, School of Advanced Practice Course, Uk & Member
Dr. Larissa Martha Sams	INC Member, Mangalore & Member
Dr. Prathibha Swamy	Faculty, NIMHANS, Bangalore & Member
Sr. Sowmya Mercy	Professor, St Marthas Hospital, Bangalore & Member
Mrs. Sugandhi D Souza	Nursing Superintendent, St. Johns Hospital, Bangalore & Member
Dr. Jamuna P P	Associate Professor, CONS, DSU & Member
Dr. sijitha	Asst Professor, CONS, DSU & Member
Mr. Ratha Deep Das (Alumni)	BSc Nursing Tutor, Little Flower College of Nursing & Member
Dr. Pushpa Sarkar	Dean, SOHS, DSU, Bangalore & Member

SCHOOL OF HEALTH SCIENCES: COLLEGE OF PHARMACEUTICAL SCINCES

NAME	DESIGNATION & ROLE
Dr. Mayur Y.C	Principal, College of Pharmaceutical Sciences, DSU & Chairman
Dr. A.V. Arunbabu	Centre for Nano Science and Engineering, Indian Institute of Science & Member
Dr. Veeranna S	Managing Director (In-charge) Bangalore Bio innovation Centre (Govt. of Karnataka undertaking), Bengaluru & Member
Dr. Srinivas Mutalik	Principal, College of Pharmaceutical Sciences, MAHE, Manipal & Member
Dr G V Pujar	Vice Principal, JSS College of Pharmacy JSS Academy of Higher Education and Research, Mysuru & Member
Dr. Sirse Kranthi Kumar	Registrar, Karnataka State Pharmacy Council & Member
Dr. Kalpana Divekar	Professor, Dept. of Pharmaceutical Chemistry, COPS, DSU& Member
Dr. Manjula D	Assoc. Professor, Dept. of Pharmaceutics COPS, DSU & Member
Dr. Mahadevamma L	Assoc. Prof., Dept. of Pharmacy Practice, COPS, DSU & Member
Ms. Apoorva Alumini - COPS	Accenture Pvt. Ltd, Bengaluru & Member
Ms. Sakshi Mundhra Student	B. Pharm – V Sem, COPS, DSU & Member

SCHOOL OF HEALTH SCIENCES: COLLEGE OF PHYSIOTHERAPHY

NAME	DESIGNATION & ROLE
Dr Sathya Guruprasad	Professor & Principal, College of Physiotherapy, DSU & Chairperson
Dr. Suresh Babu Reddy	National Vice President, Indian Association of Physiotherapists (IAP) Senior Physiotherapist, ESI Hospital, Bangalore & Member
Dr. Arun Maiya	Dean-SOAHS, MAHE, MAINPAL & Member
Dr. Saikumar N	Principal, Sanjay Gandhi Institute of Trauma and orthopedics, College of Physiotherapy, Bangalore 560011
Dr. Tushar J Palekar	Professor and Principal, Dr. D. Y. Patil College of Physiotherapy, Sant Tukaram Nagar, Pimpri, Pune, & Member
Dr. Dhanajeyan Jayavel	Chief Physiotherapist Managing Director- Spectrum Physio private Ltd, Founder & General Secretary BPN - Bangalore Physiotherapists Network & Member
Dr. Srihari Sharma K N	Associate Professor College of Physiotherapy, DSU & Member
Dr. Vinod Kumar K C	IQAC Coordinator, College of Physiotherapy, DSU & Member
Dr. Kanchan Sugandhi	Assistant Professor, College of Physiotherapy, DSU & Member
Dr. Rajesh V L	Alumni, Physiotherapist, National Institute of Mental Health and Neurosciences-NIMHANS Bengaluru & Member
Ms. Neha Madhav Aroli	Student ,2nd year, BPT, College of Physiotherapy, DSU & Member
Dr. Pushpa Sarkar	Dean, School of Health Sciences, DSU & Permanent invitee

1.7 INTERNAL QUALITY ASSURANCE CELL (IQAC)

Dr J P Ananth

Director, IQAC

The Internal Quality Assurance Cell (IQAC) at Dayananda Sagar University continues to strengthen its role as the catalyst for institutional excellence and continuous quality enhancement. Following the successful NAAC accreditation with Grade A+ and a CGPA of 3.31 during the first cycle in March 2024, IQAC has focused on consolidating post-accreditation quality sustenance measures, aligning institutional goals with the vision of becoming a globally benchmarked university.

In 2024–25, IQAC spearheaded the implementation of the NAAC post-accreditation action plan, ensuring that every School and Administrative Unit mapped their activities to NAAC's seven criteria. Emphasis was placed on embedding the principles of Outcome-Based Education (OBE), academic process audits, and data-driven decision-making. The IQAC also initiated the Internal Academic and Administrative Audit (AAA) to monitor quality standards, documentation, and compliance at the departmental level.

Recognizing the importance of digital transformation in quality management, IQAC upgraded its in-house online quality portal to integrate academic data, feedback mechanisms, and ranking-related metrics in real time. This digital system now supports evidence-based reporting for NAAC, NIRF, and QS I-GAUGE, making DSU to maintain a unified, automated quality data ecosystem.

IQAC coordinated the comprehensive data submission for NIRF 2025 across all five categories—Engineering, Management, Pharmacy, Innovation, and Overall.

To deepen the quality culture among faculty and staff, IQAC organized a series of Faculty Development Programs (FDPs) and Quality Enhancement Workshops on topics such as curriculum design and mapping, digital pedagogy and academic research integrity.

Structured feedback from students, alumni, employers, and faculty continued to serve as a cornerstone for continuous improvement. IQAC implemented analytics-based feedback dashboards, enabling data visualization for program reviews and outcome analysis. The insights derived have guided several curriculum refinements, infrastructural upgrades, and academic support interventions.

As DSU advances into the next phase of its quality journey, IQAC prepares the groundwork for NBA accreditation of select programs. By fostering a culture of academic excellence, transparency, and innovation, the IQAC reaffirms its commitment to sustaining the university's momentum towards achieving global recognition.

1.8 DSU ALUMNI ASSOCIATION

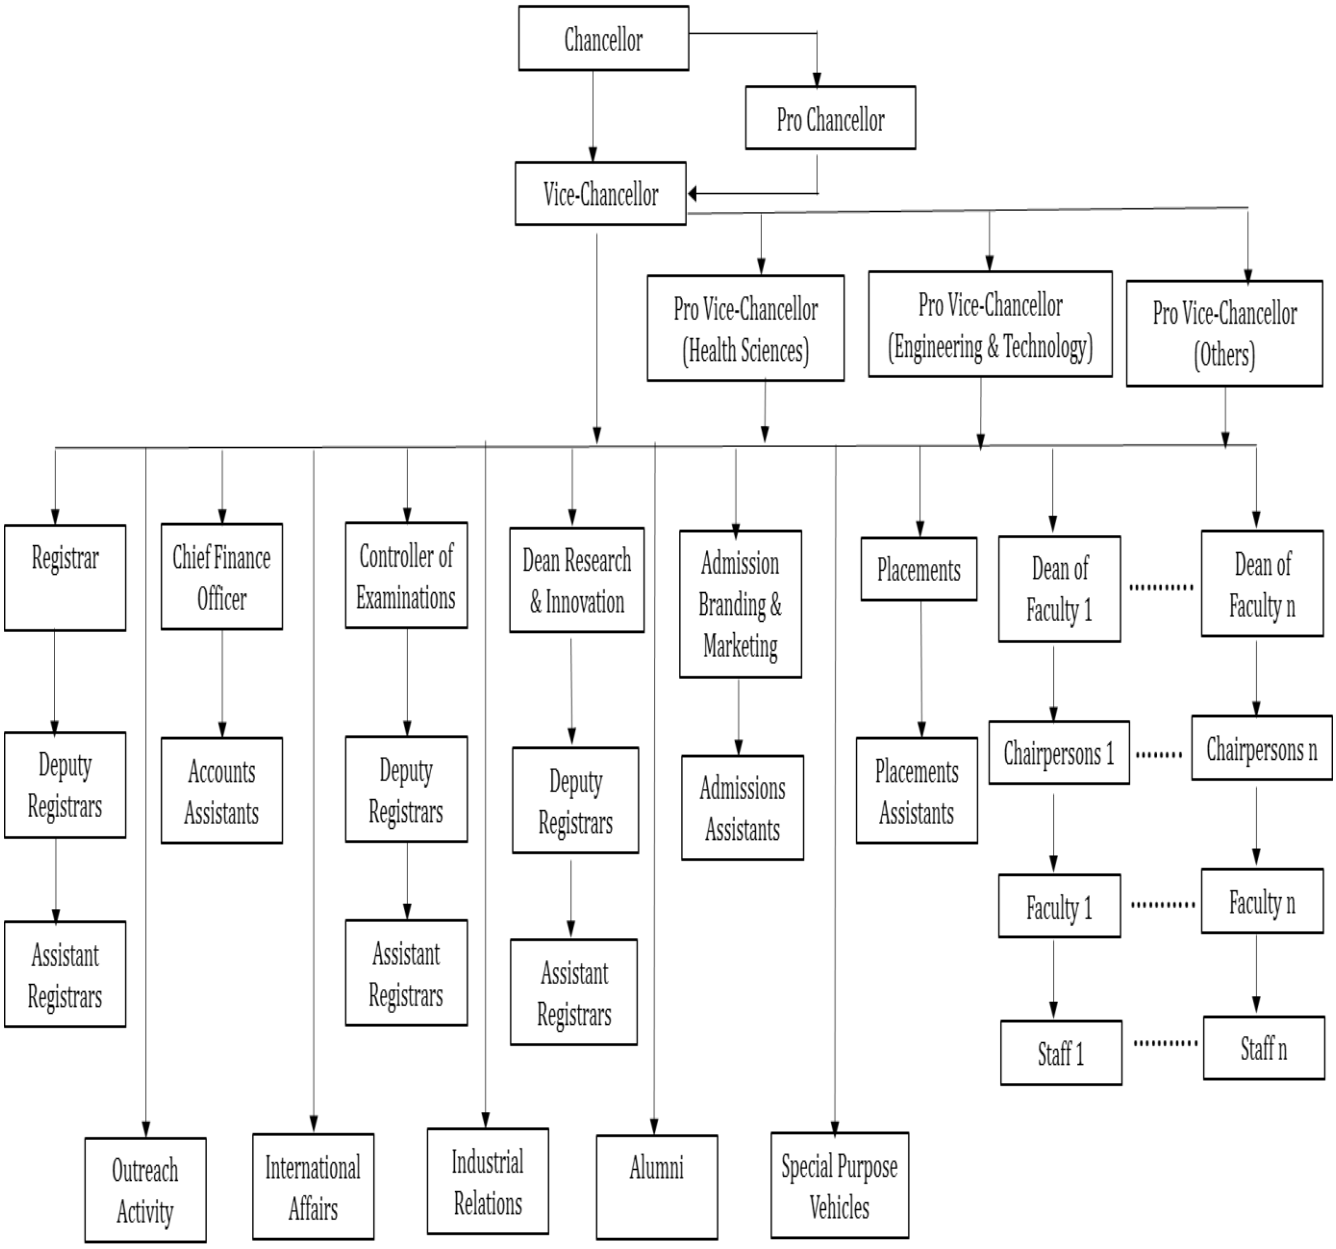
The Alumni Relations Office (DSU Alumni Council – DSUAC) has continued to strengthen lifelong bonds between Dayananda Sagar University and its alumni community through a range of engaging initiatives and digital innovations during the academic year 2024–25.

The year witnessed the launch of the DSU Alumni Portal, in collaboration with Almashine and integrated with the university website, enabling seamless connectivity among over 10,000 alumni, with 6,000+ active users. The platform has become a vibrant space for interaction, event updates, and mentorship opportunities.
A major highlight was the Alumni Excellence Awards 2025, organized in collaboration with the Department of Student Affairs on 30th August 2025. The event honored 74 distinguished alumni across three categories—Career Achievement, Entrepreneurial Excellence, and Alumni Contribution—and witnessed overwhelming participation from alumni awardees, their family members and DSU faculty.
The Office also enhanced alumni visibility on campus through alumni guest talks, alumni reunions, and alumni engagement during MDPs, FDPs, and orientation sessions hosted across DSU schools.

In alignment with DSU's social responsibility, alumni office launched various alumni-led community and CSR initiatives such as plantation drives, book donations, and blood donation camps fostering a spirit of collective contribution among students, alumni and community.

The quarterly alumni newsletter ALMASPHERE continued to showcase alumni achievements and university milestones, with eight editions published and the ninth edition in progress. DSUAC also expanded its online presence through growing LinkedIn connections and Instagram followers including alumni community.
Looking ahead, DSUAC's 2025–26 roadmap includes launching the location-based alumni chapters, and hosting university-wide reunions to further nurture alumni–student relationships through alumni connect series. Through consistent outreach, recognition, and engagement, the Alumni Relations Office remains dedicated to cultivating a strong, proud, and globally connected DSU alumni community.

1.09 ORGANIZATION CHART



1.10 ADMINISTRATION

Administration	
Names	Designation
Dr D. Hemachandra Sagar	Chancellor
Dr D. Premachandra Sagar	Pro Chancellor
Prof. B S Satyanarayana	Vice Chancellor
Prof. Janardhan. R	Pro Vice Chancellor
Dr. Prakash S	Pro Vice Chancellor
Dr Puttamadappa. C	Registrar
Dr. S N Prasad	COE
Mr.Ramanathan D	CFO
Dr J P Ananth	Director, IQAC
Ms. Supriya K Mathew	Vice President-International Affairs & Admissions
Mr.Lokesh Mehra	Director, Admissions
Mr. Abishek Ganesh	Chief Marketing Officer
Dr Johnson C David	Chief Librarian
Mr. Vikas Jain	Chief Technology Officer
Mr.Sharath Babu	CIO
Dr. Savitha Rani	Director, Carporate Relations
Mr. Vijay Kumar S	Deputy Director - Training, Placements & Skill Development
Mr. Rajendra S	Chief Engineer
Mr. Manu Thimme Gowda	Deputy Registrar
Mr. C Nataraju	Deputy Registrar
Dr.Anupama Ghoshal	Director(I/C), CDOE
Mrs.Shyamantha Suryaprakash	Deputy Director-Student Affairs
Mr Harish A S	General Manager, Facilities
Dr. TilaK Kumar	Director, Physical Education
Mr.Ramanjaneyulu	Chief Secrity Officer
Mr Anand Raj	Deputy Controller of Examinations
Mr. Vishwanath	Asst. Registrar, Exam Section

Academics	
Names	Designation
Dr. Prashant Kumar	Principal & Dean, Dr.`CDSIMER
Capt. Prof.A Nagaraj Subba Rao	Dean, SCMS (PG)
Dr Sunil S More	Dean, School of Basic and Applied Sciences
Dr Pushpa Sarkar	Dean, School of Health Sciences
Dr K Sai Prasad	Dean, School of Arts & Humanities

Academics	
Names	Designation
Dr Udaya Kumar Reddy K R	Dean, SOE
Dr.Dinesh Kulkarni	Dean, School of Design & Digital Transmedia
Dr. Kiran Dennis Gardner	Dean, School of Law
Dr Senthil S	Dean, School of Computer Applications
Dr. Thrupta Shankar	Dean, SCMS (UG).
Dr.Sudarshan T S B	Dean, Research & Innovation
Dr. Mayur Y C	Principal, College of Pharmaceutical Sciences
Dr.Nandan T M	Principal ,College of Allied Health Sciences
Dr. Sathya Guru Prasad	Principal, College of Physiotherapy
Dr Shejila C H	Principal, College of Nursing
Dr Girisha	Chairman CSE
Dr Arun Balodi	Chairman E&CE
Dr Saravana Bavan D	Chairman Mechanical Engineering
Dr Nagaraja	Chairman Aerospace
Dr Shahina Parveen	Chairperson, Computer Science & Technology
Dr. Shaila S G	Chairperson, CSE (Data Science)

2.2 MESSAGES/WRITE-UPS OF DEANS/CHAIRPERSONS/PRINCIPALS

SCHOOL OF ENGINEERING

Dr. Udaya Kumar Reddy K R

Dean

Teaching-Learning, Research and Collaborations with reputed Industries and International Universities have been a hallmark of School of Engineering at Dayananda Sagar University (DSU) and in this issue, you will find stories that reveal the results of those connections.

Our aim is to produce outstanding graduate engineers and research scholars for society through excellence and innovation in technical education and research. This attracts scholars from all over the country through strategic partnerships and to develop technical solutions locally that can be exported globally to impact the country's economy, quality of life and advance the society.

The School of Engineering is in the direction of uniquely getting positioned to develop and implement meaningful solutions that make a sustained impact. As an institution of higher learning, we embrace the free exchange of ideas with a belief that we are better and stronger when we can discuss information vigorously and bring our life experiences – our most authentic selves – as we apply scientific principles to solve major problems.

Our esteemed faculty are thriving and continuing to make substantial contributions in teaching, research and innovation to solving longer-term challenges that affect humankind. They have forged ahead with research, education and public service. Professors in various engineering departments have found success in their domains. Several other faculty members are leading the way in their fields. in technical education, we will invest in faculty and staff committed to innovating in the classroom to enhance learning. We will integrate leadership, ethics, and professional development education throughout our undergraduate, master's and doctoral degree programs.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING, SOE.

Dr Girisha G S

Chairman

The Department of Computer Science & Engineering (CSE) at Dayananda Sagar University (DSU) continued to demonstrate excellence in academics, research, innovation, and student achievements during the academic year 2024–25. The department remains committed to nurturing industry-ready professionals and fostering a strong research and innovation ecosystem.

Academic & Research Highlights

- Five Research Scholars successfully completed their Ph.D. in CSE under the DSU Research Centre.
- 900 students completed INFOSYS Springboard Proctored Certification Courses in Linux Programming and other emerging domains.
- 500 final-year CSE students successfully completed internships across multiple industry domains.
    - Faculty and students collectively contributed:27 Patents,16 Book Chapters ,1 Book,54 Journal Publications,109 Conference Papers

These achievements reflect the department's growing research footprint and commitment to innovation-driven learning.

Student Achievements & Recognitions

- 15 final-year B.Tech projects received funding from KSCST (₹64,000) under the SPP Scheme.
- Multiple student teams secured Best Project Awards at KSCST State-Level Poster Presentation & Exhibition (2025).
- Students won national and international hackathons, including:
    - Smart India Hackathon 2024 – 1st Prize (₹1 lakh)

- Explore & Evolve Hackathon – Winner (₹50,000)
- Colossus 2.0 National Hackathon – Runner-Up (₹20,000)
- Sentinel Hack 5.0 – Runner-Up (₹15,000)
- HackElite '24 – Runner-Up (₹20,000)
- I Love Hackathon – Winners (USD 300)

- A student entrepreneur received ₹8 lakh DST–NIDHI PRAYAS Grant for Hydrogen Fuel Cell Technology.
- One student secured the first international placement of the 2025 batch with Hitachi KES, Japan (CTC ₹35 LPA).
- Students earned prestigious recognitions such as Best Paper Presenter Awards, startup funding, and ideathon prizes.
- Internship excellence included a Google IT Services India Pvt. Ltd. internship with a stipend of ₹1.65 lakh.

Faculty Achievements

- Prof. Diana George, Assistant Professor, received the "Women in Research Excellence – Global Woman of Science Award 2025" at ICAIN-2025, organized by BITS Pilani, Dubai Campus, in collaboration with IIIT Allahabad.

Academic Enrichment & Outreach

- Organized:12 Seminars,16 Workshops,2 Faculty Development Programs
- 20 Technical & Co-curricular Events,5 Value-Added Programs,20 Club Activities,2 Industrial Visits,1 Extension Activity

New Initiatives

- Initiated the establishment of an Augmented Reality (AR) & Virtual Reality (VR) Center of Excellence.
- Formed a Special Interest Group (SIG) across Dayananda Sagar Institutions to promote advanced interdisciplinary research.
- Initiated project collaborations with CDSIMER, strengthening institutional and research partnerships.

COMPUTER SCIENCE AND ENGINEERING, (ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING), SOE.

Dr. Jayavrinda Vrindavanam

Chairperson

The Department of Computer Science & Engineering (Artificial Intelligence and Machine Learning) at Dayananda Sagar University is one of the institution's fastest growing and most dynamic departments. Established in 2020 with an initial intake of 60 students, the department has expanded rapidly to a strength of **600+ students** by 2025. With a team of **38+ qualified faculty members**, many holding PhDs and active research credentials, the department nurtures a strong academic and research-driven ecosystem.

The B.Tech program in CSE (AI & ML) blends core Computer Science with specialized training in Machine Learning, Deep Learning, Natural Language Processing, Computer Vision, MLOps, Generative AI, Agentic AI and Robotics. The curriculum is continuously aligned with industry needs, ensuring that students are trained on emerging technologies, practical tools, and application-focused problem-solving. State-of-the-art laboratories, modern classrooms, and dedicated cognitive skill labs support hands-on learning.

Curriculum Strength & Academic Structure

A distinguishing feature of the program is its **industry-aligned curriculum**, starting with core programming, mathematics, and data structures, and progressing toward specialized AI courses such as ML, DL, GenAI & Prompt Engineering, LLM, MLOps, Computer Vision, Robotics, and Big Data. The program includes:

- **AI Core from 3rd Semester Onwards**
- **Generative AI & Prompt Engineering (Core Course)**
- **Exclusive MLOps course → "Designing MLOps for Enterprises"**
- **Professional Electives in NLM, Robotics, Security, Analytics, IoT**
- **Open Electives in MI for Healthcare , Industrial robotics and other courses**
- Additional skill enhancement courses such as Linux, Web Development, Innovation & Entrepreneurship are integrated into the curriculum to ensure industry readiness.

Events, Workshops & Academic Engagements

The department conducts an extensive academic enrichment program, including:

Major Technical Events

- Guest lectures by global experts—Loughborough University, DSTI France, IBM Research, etc.
- Faculty development programs on LLMs, Gen AI, and Emotional Intelligence.
- Workshops such as PyLIB, Robotics X Safear, Design Thinking, and Manuscript Writing.

Hackathons & Innovation Activities

Events like the Intercontinental Innovo Quest, Future of work Hackathon (Kroolo X TGB), Ideathons and sustainable product exhibitions encourage innovation, interdisciplinary collaboration, and practical problem-solving.

Industry Collaborations & Research Ecosystem

The department has strong MoUs and partnerships with leading industries and organizations including:

- IBM India Pvt. Ltd.,Wadhwani Foundation,Yotta Data Services,Provident Housing Ltd.

These collaborations support curriculum integration, joint research, specialized training, internships, and certification programs. The proposed Center for Research and Innovation in AI (CRIA) further accelerates research output and corporate partnerships.

International Exposure & Achievements

- Team Trixanth from the department secured a Top-25 Global Finalist position in the prestigious International Rover Challenge (IRC) 2025.
- Faculty achievements include recognition in the Top 2% Scientists List by Stanford University.
- Students frequently participate in student exchange programs, global mentoring networks, and remote international internships.

Placement Highlights

The department maintains a strong placement record over recent years:

Placement Performance

2020–2024 Batch:86.13% placed, Highest package: 35 LPA, Avg package: 6.78 LPA

2021–2025 Batch:88.23% placed, Highest package: 16 LPA, Avg package: 7.43 LPA

Top Recruiters

IBM, Microsoft, Capgemini, Accenture, Harman, LTIMindtree, Nokia, EdgeVerve, Deloitte, and many others.

Students have also secured international offers from Japan-based companies with packages of 35 LPA, 27 LPA, and 17 LPA.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING (DATA SCIENCE), SOE.

Dr. Shaila S G

Chairperson

The B.Tech in Computer Science & Engineering (Data Science) is a four-year undergraduate degree program designed to meet the evolving demands of the data-driven digital economy. The curriculum provides a comprehensive foundation in Basic Sciences, Mathematical and Statistical Foundations, and progressively advances to specialized domains including Data Analytics and Visualization, Machine Learning, Deep Learning, Artificial Intelligence, Big Data Technologies, Data Engineering, and Business Intelligence.

The program is structured to prepare graduates for diverse professional roles such as Data Scientist, Data Analyst, Business Analyst, Data Engineer, Senior Data Engineer, Senior Data Analyst, and Data Director, across sectors including Retail, Finance, E-commerce, Healthcare, Manufacturing, Government, and IT Services. Emphasis is placed on bridging industry–academia gaps through research-led teaching, hands-on learning, and exposure to cutting-edge tools and platforms.

The curriculum integrates 21st-century skills through:

- Liberal education for holistic development
- Design-oriented thinking and problem-solving from the first year
- Project-based learning and product development
- Special topic workshops mentored by industry experts
- MOOCs, UG research, internships, and innovation challenges

The program structure comprises Liberal Arts Courses, Foundation Courses, Core Professional Courses, and Domain-Specific Electives, enabling students to develop depth in chosen specialization areas while fostering communication, collaboration, creativity, ethical reasoning, and lifelong learning.

1. **Student Achievements and Progression**

Students of the Department of CSE (Data Science) have demonstrated exceptional performance at institutional, national, and international levels during the academic year.

Key highlights include:

- National and International Recognition through participation and awards in the NASA International Space Apps Challenge, Smart India Hackathon, engineering ideathons, and technology innovation contests.
- Leadership and Professional Engagement, including student appointments as Google Developer Group (GDG) Leads, and participation in global developer communities.
- High-Value Internships with reputed organizations such as Amazon, Safear Defence, and global research platforms, with stipends reaching up to ₹80,000 per month.
- Innovation and Entrepreneurship, including selection for India's largest drone innovation challenge (NIDAR 2025), collaboration with National Disaster Management Authority (NDMA) projects, and participation in national expos and bootcamps funded by MeitY and DST.
- Research Exposure, with students presenting papers in IEEE and international conferences, and completing advanced certification programs from premier institutions such as IIRS Dehradun.
- Placement Excellence, with the highest package of ₹18.6 LPA secured by graduates placed at Pegasystems, reflecting strong industry alignment.
- Higher Education Progression, with students pursuing master's programs at globally reputed universities including Penn State University (USA), University of New South Wales (Australia), and University of Windsor (Canada).

These achievements underscore the department's emphasis on academic excellence, innovation, employability, and global exposure.

2. **Faculty Achievements, Research and Innovation**

The department exhibits a robust research culture and faculty excellence, supported by continuous professional development and scholarly output.

Major accomplishments include:

- Ph.D. completion, authored books, and high-impact journal and conference publications in areas such as AI, Healthcare Analytics, Cybersecurity, UAV Networks, Federated Learning, Computer Vision, and Assistive Technologies.

- Patents filed in multidisciplinary domains including assistive systems, smart education technologies, data security, video steganography, and AI-driven analytics.
- Active participation in AICTE-ATAL FDPs, NPTEL certifications, international conferences, IEEE forums, and reviewer roles for reputed journals and conferences.

Establishment of industry-supported ecosystems, such as:,Microsoft Connect @ DSU, Oracle Academy Lab, Google Developer Groups (GDG) @ DSU

These initiatives provide students and faculty access to enterprise-grade tools, cloud platforms, and global best practices, strengthening employability and research output.

3. Academic Activities, Extension and Outreach

During the academic year 2024–25, the department organized a wide range of academic, co-curricular, and outreach activities, reflecting NAAC's emphasis on holistic development.

Key initiatives include:

- Workshops, value-added courses, FDPs, expert talks, MATLAB expos, hackathons, ideathons, alumni talk, curriculum review meetings, and industrial visits.
- Special Interest Groups (SIGs) in Vision Analytics and Data Engineering to promote focused research collaboration.
- Extension and outreach programs on health awareness, water conservation, e-waste management, Swachh Bharat Abhiyan, tuberculosis awareness, yoga, fitness, and community engagement, conducted in collaboration with NSS and external agencies.

4. Institutional Distinctiveness and Best Practices

The Department of CSE (Data Science) is distinguished by:

- Industry-integrated curriculum and global benchmarking
- Strong research and innovation ecosystem
- High student engagement in national missions and international platforms
- Effective industry collaborations and MoUs
- Holistic student development through liberal education and community outreach

The department continues to contribute significantly to the academic excellence, employability, innovation culture, and societal mission of Dayananda Sagar University.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING (CYBER SECURITY), SOE.

Dr. Dilip Kumar Jang Bahadur Saini

Chairman

The Department of Computer Science & Engineering (Cyber Security) was established in the academic year 2020–21 with an initial intake of 60 students and has grown steadily to nurture 360 students across all four years. The department is dedicated to holistic student development, equipping learners with strong theoretical foundations, practical skills, ethical awareness, and problem-solving capabilities required to excel in the rapidly evolving domain of Cyber Security.

The department offers an industry-aligned and future-ready curriculum, benchmarked against national and international standards, with specialized courses in network security, cryptography, secure systems, cyber forensics, blockchain, cloud security, AI-driven security, and ethical hacking. The teaching–learning process emphasizes experiential and project-based learning, complemented by industry internships, research exposure, capstone projects, and competitive coding and hackathon participation.

Academic Environment and Infrastructure

The department is supported by state-of-the-art infrastructure, including ICT-enabled classrooms, smart boards, AI-based teaching aids, smart attendance systems, and continuous surveillance for enhanced academic delivery and campus safety. Faculty members adopt innovative pedagogical approaches such as flipped classrooms, case studies, tutorials, simulations, and hands-on labs, ensuring effective student engagement and outcome-based education.

Industry Interaction, Research and Outreach

Strong industry–academia collaboration is a hallmark of the department. Students undertake internships and projects with leading organizations such as Oracle, Infosys, Tata Elxsi, Fiserv, Big Basket, Continental, SISA, CloudSek, SoftTech, and academic institutions in India and abroad. The department actively pursues global collaborations, MoUs, research initiatives, and Centres of Excellence with reputed MNCs, fostering advanced cyber security competencies.

In line with its social responsibility, the department conducts community outreach and cyber awareness programs for school and college students across the state, promoting cyber hygiene, digital safety, and awareness of emerging cyber threats, thereby contributing to societal well-being.

Student Achievements and Progression

The department has demonstrated excellent academic and placement outcomes:

- 100% placement for the first graduating batch (2020–2024) and 87% placement achieved so far for the 2021–2025 batch, with recruitment by reputed MNCs including PhonePe, Capgemini, Oracle, Infosys, SISA, CloudSek, Tata Elxsi, Big Basket, Fiserv, and Tyson Foods.
- High academic performance, with pass percentages of 98% (2020–2024), 95% (2021–2025), and 96.43% (2022–2026).
- Students qualifying in GATE-2025 and securing admissions to IITs, IISc, NITs, and IIITs for higher studies.
- Outstanding performance in national-level hackathons and competitions, including Smart India Hackathon (2022, 2023, 2024), KAVACH 2023, Karnataka State Police Datathon 2024, and multiple hackathons, winning prestigious awards and cash prizes.

Holistic Development and Institutional Distinctiveness

Students actively participate in technical, cultural, sports, and professional clubs, fostering leadership, teamwork, creativity, and interdisciplinary skills. Through its industry-integrated curriculum, strong placement record, research-driven learning, outreach initiatives, and holistic student development, the Department of CSE (Cyber Security) significantly contributes to the academic excellence, employability focus, and societal mission of Dayananda Sagar University.

DEPARTMENT OF COMPUTER SCIENCE & TECHNOLOGY, SOE

Dr. M. Shahina Parveen

Chairperson

The Department of Computer Science & Technology (CST) at Dayananda Sagar University is positioned at the forefront of technological education in the era of Intelligent Technology. With a strong foundation in computer science principles and an emphasis on emerging technologies, the department is committed to nurturing competent, innovative, and socially responsible technologists capable of addressing real-world challenges.

The department adopts a holistic and interdisciplinary approach, integrating intelligent computing, applied frameworks, and technology entrepreneurship. The curriculum is industry-driven, flexible, and aligned with NEP/SEP-2020, enabling students to pursue academic excellence, professional careers, higher education, or entrepreneurial ventures. Emphasis is placed on critical thinking, problem solving, teamwork, and leadership through project-based and experiential learning.

Academic Excellence and Curriculum Innovation

The CST program blends computing and business elements to develop techno-managerial capabilities among students. It promotes innovation, intrapreneurship, and start-up readiness through strong support from the AIC-DSU Incubation Center and DERBI Foundation. The curriculum is regularly updated to meet evolving industry demands, with a focus on Artificial Intelligence, Machine Learning, Cloud Computing, IoT, Data Analytics, Quantum Technologies, and Software Engineering.

Faculty and Research Contributions

The department has a highly qualified and motivated faculty with a blend of academic expertise and industry exposure. During AY 2024–25, faculty members:

- Published high-quality research papers in reputed international journals and IEEE-indexed conferences.
- Filed and published 11+ patents, reflecting strong innovation and IPR culture.
- Actively participated in AICTE-ATAL, Intel AI, IUCEE, NPTEL, Quantum Technologies, and FDPs on emerging domains.
- Served as resource persons, reviewers, and external examiners, contributing to academic leadership and quality enhancement.

Student Achievements and Placements

Students of the CST department demonstrated excellence across academics, research, innovation, and employability:

- Achieved excellent placement outcomes with offers from leading organizations such as Oracle, KPMG, Infosys, HPE, ZScaler, CGI, Mu Sigma, Unisys, LTI Mindtree, Bristlecone, Broadridge, and others.
- Published research papers jointly with faculty in international conferences and journals.
- Actively participated and won accolades in hackathons, ideathons, codeathons, SIH, business plan competitions, and expos.
- Completed internships, NPTEL, Infosys Springboard, GUVI, IBM, and industry-recognized certification programs.

Extension, Outreach, and Co-curricular Activities

The department organized a wide range of academic, professional, cultural, and outreach activities mapped to UN Sustainable Development Goals (SDGs), including:

- Expert talks, workshops, bootcamps, FDPs, alumni interactions, industrial visits, and value-added courses.
- Entrepreneurship and innovation initiatives such as Ideathons, Elevate funding sessions, Project Expos, and Peer-to-Peer Learning.
- NSS activities, health awareness programs, Walkathons, cultural celebrations, and leadership development programs.
- MoUs and memberships with industry bodies such as FKCCI, strengthening industry-academia collaboration.

Overall Impact

Through its robust academic framework, strong research output, industry engagement, and student-centric initiatives, the Department of Computer Science & Technology consistently contributes to quality education, innovation, employability, and societal impact, aligning with the vision and mission of Dayananda Sagar University and NAAC quality benchmarks.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING, SOE.

Dr. Arun Balodi

Chairman,

The Department of Electronics and Communication Engineering, established in 2015, is dedicated to fostering knowledge in the field of electronics. Our department boasts state-of-the-art infrastructure for academic and research programs. Our faculty members, with diverse backgrounds, research interests, and expertise, excel as educators, researchers, and professionals. Their strong industry and academic connections enrich our curriculum and research endeavours. Beyond high-quality teaching, faculty members actively engage in basic and applied research through various R&D projects and consultancy.

We offer a four-year B. Tech (ECE) program that seamlessly integrates foundational sciences with practical applications through labs and projects, cultivating problem-solving skills and aligning with industry demands. Students develop expertise in Signal Processing, Communication Systems, VLSI Design, Embedded Systems, and Robotics. The department offers Masters in Electronics & Communication Engineering with specialization in Embedded Systems. Through our partnership with Tata Technologies, we are focusing on the Embedded System career roles for the students. This program, distinct from our regular B. Tech curriculum, aims to foster innovation, creativity, and industry-readiness. Value-added courses featuring industry experts from Volvo and Qualcomm, guest lectures by alumni, and international collaborations enrich the learning experience.

Research is a key focus, with faculty and students publishing in prestigious journals and conferences. Industry engagement is robust. Students participated in Nokia's Makeathon and Labathon, gaining practical experience in cutting-edge technologies. Industrial visits to CMTI, ISRO, and others broadened students' exposure. Seminars on scholarships and career opportunities further empowered them. The department actively fosters an environment that cultivates industry-ready graduates equipped with the latest knowledge and skills.

DEPARTMENT OF MECHANICAL ENGINEERING, SOE.

Dr. Saravana Bavan D

Chairman

The Department of Mechanical Engineering at Dayananda Sagar University (DSU) is a pioneering academic unit that seamlessly integrates contemporary curriculum design, advanced research, innovation-driven learning, and strong industry engagement. The department is committed to producing technically competent, industry-ready, and socially responsible mechanical engineers capable of addressing complex engineering challenges in a rapidly evolving global environment.

Curriculum Design and Academic Excellence

The department offers a dynamic and regularly updated curriculum aligned with industry needs, national frameworks, and global best practices. The curriculum provides a strong foundation in core mechanical engineering disciplines while offering a broad range of professional and open electives, enabling students to customize their learning pathways. It incorporates interdisciplinary courses, skill-based modules, experiential learning, project-based learning, and liberal education components, ensuring holistic student development and outcome-based education.

Advanced Laboratories and Learning Resources

The department is supported by state-of-the-art innovation and research laboratories, including the prestigious BOSCH Rexroth Centre of Competence and Autodesk Innovation Lab. These facilities provide hands-on exposure to automation, industrial hydraulics and pneumatics, design, simulation, and prototyping. Students are trained using industry-standard software tools such as ANSYS, CATIA, MATLAB, ANSA, and Autodesk Fusion, equipping them with industry-relevant technical skills.

Faculty Excellence and Research Culture

The department boasts a team of highly qualified faculty members, many holding Ph.D. degrees, with strong expertise in materials science, thermal engineering, robotics, composites, smart materials, manufacturing, and computational mechanics. Faculty members actively engage in funded research, high-impact journal publications, international conferences, and interdisciplinary collaborations. During

2024–25, faculty published papers in Q1, Q2, and Q3 journals, received DSU seed money grants, and presented research at reputed global institutions including IIT Madras and the University of Oxford (UK).

Industry Collaboration and Professional Development

The department maintains strong industry–academia linkages through MoUs, guest lectures, FDPs, internships, and industry-sponsored programs. Students benefit from active participation in professional bodies such as SAE and ISHRAE, enhancing their technical, leadership, and teamwork skills. A three-week industrial internship program on hydraulics and pneumatics was organized in collaboration with Bosch Rexroth, strengthening practical exposure.

Student Achievements and Placements

Students have demonstrated commendable performance in research, innovation, hackathons, and design competitions, winning awards at national-level conferences and technical events. The department recorded student placements with an average package of ₹5 LPA, along with paid internships up to ₹15,000 per month, reflecting strong employability outcomes.

Institutional Distinctiveness

With its industry-integrated curriculum, advanced laboratories, research-active faculty, strong industry engagement, and holistic student development approach, the Department of Mechanical Engineering stands as a center of excellence, significantly contributing to the academic reputation, research output, and societal mission of Dayananda Sagar University.

DEPARTMENT OF AEROSPACE ENGINEERING, SOE.

Dr. Nagaraja S. R.

Chairman

The fourth batch of B. Tech students in Aerospace Engineering passed out this year, and around 60% of the qualified students were placed on campus. Six students have joined master's programs in Europe and US Universities. These admissions reflect the global acceptance of our curriculum. Mr Stephen Pinto (ENG20AS0031) cleared Gate Examination 2025 with AIR 140. Mr. Sai lohith successfully qualified the GATE 2025 Examination and secured an All India Rank (AIR) of 459 and Mr. Sudarshan Utnal secured an All India Rank (AIR) of 935. Mr. T Kartik (ENG21AS044) has completed an online training course on Space Science and Technology awareness training (start) under ISRO START Programme.

Engineering Design Internship - Dassault Systèmes La Foundation: Four students from 2021-2025 batch successfully completed the Engineering Design Internship from Dassault Systèmes La Foundation with the stipend of Rs 1,00,000/- for all the students and faculty mentors in 3 phases. The Students from II year of the department of aerospace engineering participated in ISRO Robotics challenge - URSC. The students from the final year presented two conference papers in the prestigious IEEE Space Conference 2025. The team Cosmocan and Team Highflyers qualified for the grand finale at INSPACe Model Rocketry and Cansat Competition for the year 2024-25. Ms Sahana S Murthy reached the semifinal in the U 19 girls' category of the national Ranking Table tennis championship at Goa. Two students from final year were the top 10 Finalists in the 13th edition of the Quest Global Ingenium 2025 Program. The final year Students from the department successfully completed their internship at esteemed organization like Air Bus, Hindustan Aeronautics Limited (HAL) and National Aerospace Laboratories (NAL).

Students from II- and III-year pursuing Aerospace Engineering at Dayananda Sagar University had an opportunity to visit ISRO's Satish Dhawan Space Centre (SHAR) on 28/2/2025. On 11th April 2025 an industrial Visit to Indian Deep Space Network (IDSN), Byalalu was organized as a part of workshop on "Emerging Trends in Wireless Communication and Applications" the students from the department of aerospace engineering participated actively in this visit. The students from the Department of Aerospace Engineering at Dayananda Sagar University actively participated in a Tuberculosis awareness program on 23rd April 2025 as part of an NSS activity at Kiranagere, near the DSU main campus.

The department of Aerospace Engineering hosted Dr. Andreas Hermanutz, Faculty Head Aerospace at Technical University of Munich Singapore for a value-added course on Aircraft structures and Dr.-Ing. Florian Holzapfel from TUM Munich for the course Flight System Dynamics. These two courses were conducted with the help of Department of International Affairs and Admissions Dayananda Sagar University.

Mr Rohith S and Mr David Paul K esteemed alumni from the department gave an invited talk on 28/3/2025. The Alatus Aerospace Club Organized a World Space week event from 4-10 Oct 2024 and the students from the department actively participated in NASA APPS Challenge organized by International Affairs and Admissions DSU. A lecture on "Manufacturing of Low-Volume and Prototype Composite Aircraft Structures", as a part of the Industry Conclave 2025, on 23/05/202. The industry experts— Mr. Praveen Valiyaparambil, Senior Manager – Quality at Collins Aerospace, and Mr. Gopi Krishna Kumar Gopalasamy, Engineering Group Manager – Infotainment at Tata Consultancy Services gave the lecture. The Students from IV semester Department of Aerospace Engineering at DSU actively participated in Interdisciplinary symposium on AI in Neuroscience organized by Department of computer science with CDSIMER. The Department of Aerospace Engineering and the Centre for Space Science and Technology (CSST) hosted an invited discussion on India's glorious space voyage under the title "Touching Lives While Touching the Moon: India's Space Saga".

The faculty has published around 15 papers international conferences and highly reputed journals and 5 patents were published during the academic year 2024-25.

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND ROBOTICS, SOE

Dr. Pramod Kumar Naik
Chairman

The Department of Artificial Intelligence and Robotics Engineering at Dayananda Sagar University (DSU) has emerged as a vibrant center for advanced teaching, cutting-edge research, innovation, and industry collaboration in emerging technologies. During the academic year 2024–25, the department demonstrated significant progress across academics, research, infrastructure development, industry engagement, and societal outreach, aligning strongly with national priorities and global technological advancements.

Academic Excellence and Research Performance

The department showcased strong research productivity, with faculty and students publishing more than 18 high-impact research papers in reputed peer-reviewed international journals indexed by IEEE, Springer, Wiley, Taylor & Francis, Scientific Reports, and other recognized platforms. In addition, several papers were presented at international conferences, enhancing global academic visibility. A major highlight of the year was the execution of a DST-funded research project on AI–ML–based clean energy material acceleration, with a sanctioned grant exceeding ₹30 lakhs, reinforcing the department's research-driven ecosystem.

Innovation, Patents, and Consultancy

Innovation and applied research remained key strengths, with the department filing/granting two patents in the domains of AI-based predictive modeling and intelligent energy management systems. The department also successfully executed multiple industry-sponsored consultancy projects in collaboration with SPM India Ltd, delivering solutions in Artificial Intelligence, Machine Learning, Embedded Systems, and Industrial Automation, thereby strengthening industry relevance and knowledge transfer.

Infrastructure and Learning Resources

To support industry-oriented learning and research, the department established and upgraded advanced laboratories, including Machine Learning & Reinforcement Learning Lab, Robotics Vision Lab, and FPGA & Edge AI Lab. These facilities enable end-to-end

code-to-hardware development, real-time deployment, and experiential learning using modern AI, robotics, and embedded platforms.

Faculty Development and Professional Engagement

Faculty members actively organized and participated in national-level Faculty Development Programs (FDPs) and workshops, including an ATAL FDP on immersive technologies and hands-on training programs on MATLAB, Simulink, Edge AI, FPGA, Robotics Vision, and research paper drafting. Faculty also delivered invited talks, keynote addresses, and technical sessions at reputed universities, international conferences, and professional forums, enhancing institutional reputation and academic outreach.

Student Achievements and Industry Exposure

Students of the department demonstrated commendable achievements in technical competitions, hackathons, certifications, and internships. Notable accomplishments include awards at Technocognition 2025, DSU Dev Hack 2.0, and IET Bangalore Network events. Students also secured internships and industrial exposure at prestigious organizations such as DRDO (CASDIC), Moog India Technology Center, and other national and international platforms, reflecting strong employability and skill alignment.

Industry Collaboration and Outreach

The department strengthened industry–academia collaborations through multiple active MoUs, supporting internships, consultancy, joint research, and curriculum alignment with emerging technologies. New initiatives such as the Roboverse Club and the establishment of an IET (UK) On-Campus Student Chapter fostered innovation, professional networking, and global exposure. The department also actively contributed to community outreach and NSS activities, integrating AI and robotics awareness with health and social responsibility programs.

Institutional Contribution

With its strong focus on research excellence, innovation, industry integration, advanced infrastructure, student success, and societal engagement, the Department of Artificial Intelligence and Robotics Engineering significantly contributes to the academic stature, research output, and institutional distinctiveness of Dayananda Sagar University.

SCHOOL OF DESIGN AND DIGITAL TRANSMEDIA

Prof. Dinesh Kulkarni
Dean

The School of Design and Digital Transmedia (SDDTM) at Dayananda Sagar University (DSU) experienced a highly productive and progressive academic year 2024–25, marked by creative excellence, curriculum innovation, experiential pedagogy, and strong student engagement. The school continued to strengthen its studio-based learning environment, emphasizing design thinking, interdisciplinary collaboration, industry mentorship, and experiential learning, in alignment with national and global standards of design education.

Academic Framework and Curriculum Innovation

The Bachelor of Design (B.Des.) four-year undergraduate program is offered with specializations in Animation & VFX, Game Design, Product Design, and User Experience (UX) Design, catering to the evolving needs of the creative and digital industries. During the year, the curriculum was further enhanced through the implementation of formative assessment practices, promoting continuous feedback, peer learning, reflective practice, and outcome alignment in studio settings.

The program follows an Outcome-Based Education (OBE) framework, with clearly defined Course Outcomes (COs) and Program Outcomes (POs) mapped to real-world design applications. All courses emphasize hands-on learning, collaborative studio projects, and industry-oriented design challenges, ensuring strong alignment between academic learning and professional practice. The current student strength of 104 reflects growing interest in design-driven education at DSU.

Teaching–Learning Practices and Infrastructure

To support experiential learning, the school significantly strengthened its infrastructure by establishing state-of-the-art laboratories and makerspaces, including:

- Enhanced Animation Adobe Lab with Autodesk Maya and Unreal Engine
- Game Design Lab with Unity and Unreal Engine
- User Experience Design Lab with Figma
- Autodesk Makerspace for Product Design
- 3D Printing Lab for prototyping and innovation

- VR headsets and ICT-enabled smart classrooms

These facilities enabled students to engage in end-to-end design workflows, from concept ideation to prototyping, animation, game development, and digital product deployment.

Faculty Achievements and Professional Development

Faculty members actively contributed to academic enrichment and professional development during the year. Notable achievements include:

- Participation in International Faculty Development Programs (FDPs), with special appreciation received for contributions to global discussions on ethical media practices
- Recognition in national-level competitions such as Photo Contest 2024 (SWAYAM – Pondicherry University)
- Successful completion of SWAYAM certification courses, including "3D Printing and Design for Educators", enhancing pedagogical and technical expertise

Student Achievements and Co-Curricular Engagement

The annual design showcase DESIGN CELEST 2025 (DZ9 CELEST) served as a major platform to exhibit student creativity. The event featured a Design Hackathon, academic project exhibitions, animation and gaming showcases, and culminated in a grand fashion show, blending culture, creativity, and design storytelling.

Research, Innovation, and Industry-Oriented Projects

The school emphasized project-based learning and applied research, with students developing innovative solutions addressing real-world challenges. Key projects include:JEWLUXE, REGENX 3D Print Pannu Vestora ,crteative works in Animation & VFX and

Industry Exposure, Innovation,

The school continued to strengthen industry interaction, internships, and innovation culture, supported by emerging innovation labs and industry tie-ups. Students received skill development exposure through workshops, internships, and collaborative studio projects.

Vision and Future Direction

With a strong foundation in creative pedagogy, industry-aligned curriculum, research-driven projects, and social engagement, the School of Design and Digital Transmedia aims to further expand its industry collaborations, research and innovation labs, startup incubation initiatives, and global academic partnerships. The school is committed to positioning itself as a leading hub for design education and digital creativity, contributing meaningfully to India's design ecosystem and creative economy.

SCHOOL OF COMMERCE AND MANAGEMENT STUDIES

Capt. Prof. A. Nagaraj Subbarao,

Dean

In today's rapidly evolving global landscape, marked by technological advancements and ever-changing market dynamics, the role of business education has never been more crucial. SCMS PG stands out as a beacon of excellence in this area, offering MBA Executive MBA, Doctoral Programs and Continuing Education programs meticulously designed to equip future leaders with the skills necessary to thrive in such a complex environment.

Artificial intelligence (AI) is rapidly transforming and improving the ways that industries like healthcare, banking, energy, and retail operate. However, there is one industry in particular that offers incredible potential for the application of AI technologies: education. The opportunities – and challenges – that the introduction of artificial intelligence could bring to higher education are significant. It is an unprecedented opportunity to democratize education.

The school recognizes that colleges and universities face a wide range of challenges, including disengaged students, high dropout rates, and the ineffectiveness of a traditional "one-size-fits-all" approach to education. But when big data analytics and artificial intelligence are used correctly, personalized learning experiences can be created, which may in turn help to resolve some of these challenges.

The school strives to provide niche educational experiences as well as personalized learning experience, where every student would enjoy a completely unique educational approach that's fully tailored to his or her individual abilities and needs. This directly increases students' motivation and reduce their likelihood

of dropping out. It also offers professors a better understanding of each student's learning process, which could enable them to teach more effectively. In keeping with our times, the school offers specialisations in management that are reflective of our technology driven digital age – Artificial Intelligence, Business Analytics and FINTECH. The more traditional specialisations have curated curricula that embed modern technologies and industry best practices drawn from the foremost organisations across the world.

Most employers say there is a gap between what students learn in college and what they need to know about the job. Taking cognizance of this SCMS PG works assiduously on student soft skills and tries to instill a sense of curiosity and creativity in its students, all leading to inculcating an entrepreneurial mindset. The increased pressure on relevant work experience is a direct result of the increased hiring friction that employers are feeling. The bar has been raised due to the increased cost of making a bad hire, increased churn at the entry level, and complex hiring mechanisms. To provide students with an opportunity to experience work firsthand the school encourages them to carry out short projects and work on extended internships. Also, students are expected to work on real world problems for their program and capstone projects.

The school has also established several Centres which enhance the proficiency of students in diverse areas like digital transformation into AI and FINTECH, by giving them hands on simulated experiences before they get to jobs. Eventually the school aims to craft superior managers for industry.

SCHOOL OF MEDICAL EDUCATION AND RESEARCH

Dr. Prashanth Kumar M
Principal & Dean

At Dr.CDSIMER, we have always believed that the best institutions are built on strong values, steady vision, and a commitment to serving society while also keeping an eye on the future and embracing what's next. Over the years, this philosophy is helping us to create a centre of excellence where tradition and innovation walk hand in hand.

Our 770 bed multi specialty teaching hospital is proudly NABH-accredited with a NABL-accredited laboratory stands as a beacon of comprehensive and compassionate healthcare. Every year, we care for more than four lakh patients, ensuring that every learner who trains with us witnesses medicine in its truest form: humane, demanding, impactful.

In just 5.5 years, we have touched over a million lives, conducted more than 6000 newborn deliveries, and performed over 40,000 surgeries.

Numbers aside, what makes Dr.CDSIMER truly special is the ecosystem we have built World-class infrastructure that inspires advanced learning and cutting-edge research within house Technological experts. Dedicated, handpicked faculty members who blend expertise with mentorship enabling rich clinical exposure to the medical students. Thanks to the large and diverse patient load we are blessed to serve. Integration of AI technologies to strengthen teaching, diagnostics, and research, because the future of healthcare is smart, data-driven, and collaborative.

We are proud that our institution is NAAC-accredited, a reflection of our commitment to quality education and robust institutional processes.

Our hospital is recognized under the Breastfeeding Friendly Hospital Initiative, reinforcing our dedication to maternal and child health.

In the field of research, our momentum continues to rise. We are actively engaged in 39 interdisciplinary research projects in collaboration with our sister institutions. Furthermore, our MoUwith S-VYASA University strengthens our work in integrative and holistic medicine perfectly aligned with the Central Government's focus on a broader, more inclusive healthcare approach.

Dr.CDSIMER today is a sacred space where young minds grow, ideas flourish, and lives are transformed. And honestly, watching this journey unfold feels nothing short of inspiring.

SCHOOL OF ARTS AND HUMANITIES, CJMC

Dr K Sai Prasad

Dean

The College is 10-year-young boutique media school in Dayananda Sagar University, with film celebrities, award-winning journalists, and advertising and public relations professionals as its notable alumni, where creativity meets technology to shape the future of storytelling!

With emphasis on personal and academic discipline, CJMC aims to produce a vibrant group of young media professionals, responsive to the growing intellectual needs of society and industry. CJMC promotes ethical practices and universal human values, along with equipping students with futuristic skills in new media, technology and use of artificial intelligence.

At CJMC you'll master the art of journalism, filmmaking, advertising, public relations, creative writing and digital media, equipped with tools like AI, AR/VR, and data analytics. CJMC's industry-aligned curriculum, led by expert faculty and professional practitioners, ensures you thrive in India's booming ₹2.7 trillion media landscape confidently.

From crafting viral short-form content, writing film scripts, Podcasting, managing own YouTube channels to producing immersive documentaries, students explore boundless opportunities in OTT and digital news. CJMC also trains students in Theatre, Psychology, Literature, Economics and Sociology, all of which will help in understanding the world around us better. Media Entrepreneurship is a compulsory course to make students master their own media careers.

CJMC is the only media college in India to be a member of the prestigious Global Communications Project (Globcom) and Symposium, along with 15 universities from 15 countries

CJMC is a member of the PRCAI Industry-Academia Connect Programme for Public Relations and a member of PRCI's Young Communicator Club for Young Writers and Storytellers and conducts over 50 seminars and workshops with top media professionals throughout the year.

CJMC is the winner of several awards including

Best Media and Mass Communication Institute for 2024 Award under 'Career-Focused Learning Experience' Category, Outstanding Institute in Journalism and Mass Communications Award 2025' by Digital India Rising, Chanakya Award for Institutional Excellence 2025 by Public Relations Council of India

SCHOOL OF BASIC AND APPLIED SCIENCES

Dr. Sunil S More

Dean

During the academic year 2024–25, the School of Basic and Applied Sciences (SBAS), DSU, continued to strengthen its commitment to academic excellence, research innovation, and community engagement.

The school organized a range of knowledge enhancing programs, including a DST- SERB funded National workshop on "Recent Advances in 3D Printing for Tissue Engineering Applications; a Faculty Development Program on "Synergising Personal Insights and Professional Techniques for Effective Teaching"; Hands-on Workshop on "Basics of Bioinformatics".

Socially driven activities such as the NSS Vanamahotsav Tree Plantation Drive and a Free Health Camp in collaboration with Muthoot Snehashraya were organised to promote sustainable and socially responsible education.

SBAS strengthened industry and research collaborations by signing MoUs with different companies (OG health Care, Molecular Connections, Prescience Insilico, MedioMix, Bolzman Lab) to facilitate industrial training and certification programs in advanced areas of Biological Science.

SBAS organized industrial visits and a variety of student-centric activities across Biochemistry, Genetics, Microbiology, and Biotechnology, with Microfiesta and Biotechon–II serving as two multifaceted events. These showcased a diverse range of activities, including Innovations in Fermentation Technology – a flavored wine exhibition, poster and model presentations, and an exhibition of medical biotech products. A key highlight was the "Lab to Market" biotech product display, which helped students understand the complete process of innovation, development, and commercialization in the biological sciences. The events concluded with the valedictory ceremony – the Champions Award Gala, celebrating exemplary student innovation and achievement.

A major highlight of the year was the National Conference on Innovative Strategies for Advancing Biomedical Research (NCISABR 2025), supported by ANRF Govt Of India. The

conference brought together participants, featuring 12 eminent speakers from premier institutions such as IISc, InStem, IIT Dharwad, National Institute of Immunology (NII)etc. Keynote addresses by Prof. Rama Shanker Verma (MNNIT Allahabad), Dr. Ranjitsinh V. Devkar (MSU Baroda), and Dr. Reena Singh (InStem) emphasized advances in regenerative medicine, bioengineering, and personalized healthcare. The event provided a dynamic platform for interdisciplinary research exchange and inspired young investigators to pursue translational and sustainable biomedical innovations.

SBAS faculty and scholars achieved several notable research milestones. Dr. Kumar Perinbam received a ₹60 lakh ANRF Inclusivity Research Grant, while Dr. Vineetha M.S. and Dr. Blessy Baby Mathew secured research grants under VGST-ECRA and DST–NIDHI Prayas, respectively.

The research output of SBAS comprised 41 publications in peer reviewed international Q1–Q4 journals including journal with impact factor 8.5, alongside four patent filings.

8 students were awarded PhDs in 2024- 2025, while 25 others are currently pursuing their doctoral research during this academic year.

Faculty and students represented SBAS at international forums in the Netherlands; Germany and Bali, further enhancing the university's global academic footprint. Notably, Ph.D. scholar Harshitha N. received the prestigious SERB-ITS International Travel Grant Award to and presented her research at an international conference in Berlin, underscoring the school's growing global presence and research excellence.

SBAS Students excelled in research and innovation, winning accolades such as the Best Poster Award at the International Society of Gene and Cell Therapy and AIML-BIO 2024, and Best Paper Awards at IEEE and ICE 2025 conferences.

Three student projects received funding and recognition under the Karnataka State Council for Science and Technology (KSCST) Student Project Programme, of which one project on "Bioactive peptides from seaweed" by M.Sc. students received the Best Poster Awards under the 48th KSCST Student Project Programme (SPP) 2025 by DST and GoI Karnataka.

SBAS students achieved placements across leading life science and healthcare organizations, including Syngene International Ltd, Bicon Biologicals Ltd, Diageo India, Molecular Connections, United Breweries Ltd, Omega Healthcare, CorroHealth, Indegene, Alembic Pharmaceuticals, Abbott Healthcare Pvt. Ltd. etc.

Through its diverse academic initiatives, research achievements, and social outreach, SBAS reaffirmed its vision of nurturing scientific excellence and holistic development in the academic year 2024–25.

SCHOOL OF HEALTH SCIENCES

Dr. Pushpa Sarkar

Dean

The School of Health Sciences, DSU, continues to uphold its commitment to excellence in healthcare education, research, and community engagement. In response to the rapidly evolving healthcare landscape, the school offers comprehensive academic programs that integrate academic rigor, clinical competence, research orientation, and holistic professional development.

With a strong legacy in Health Sciences education, the School has emerged as a recognized center for nurturing competent and compassionate healthcare professionals. The academic environment fosters integrity, innovation, creativity, and scholarly pursuits, enabling graduates to contribute effectively to national and global healthcare systems.

Academic Programs

The school offers a wide range of undergraduate, postgraduate, and doctoral programs across multiple disciplines, designed to address the growing and diverse needs of the healthcare sector.

- Pharmacy: Programs emphasize a strong foundation in pharmaceutical sciences, integrating theoretical knowledge with practical training in drug development, patient care, and pharmaceutical innovation.
- Physiotherapy: The curriculum provides comprehensive training to develop clinical expertise aimed at improving patient mobility, rehabilitation outcomes, and overall quality of life.
- Nursing: Nursing education focuses on developing clinically proficient, compassionate, and ethically grounded professionals through interactive teaching and extensive clinical exposure.
- Allied Health Sciences: Specialized programs cater to emerging healthcare domains such as Medical Laboratory Technology, Radiology, and Healthcare Management, ensuring industry relevance and employability.

Faculty and Infrastructure

The school is supported by a highly qualified and experienced faculty comprising academicians, clinicians, researchers, and industry experts. Their combined expertise ensures the integration of theoretical knowledge with real-world healthcare practices.

State-of-the-art infrastructure includes advanced laboratories, simulation centers, and dedicated research facilities that promote experiential learning and innovation. Clinical training is strengthened through hands-on exposure at the School's NABH- and NABL-accredited teaching hospital, ensuring adherence to national quality standards.

Interdisciplinary Learning and Global Engagement

An interdisciplinary academic framework encourages collaboration across departments, enabling students to develop a comprehensive understanding of healthcare delivery and teamwork in multidisciplinary settings.

The school has established global collaborations with international universities and organizations, providing opportunities for student exchange programs, internships, collaborative research, and global exposure, thereby enhancing academic and professional competencies.

Research, Innovation, and Community Outreach

Research and innovation remain central to the school's academic vision. Faculty and students actively participate in research projects addressing contemporary healthcare challenges, contributing to advancements in medicine, therapy, diagnostics, and patient care.

The school is deeply committed to social responsibility and community engagement. Regular health awareness programs and free medical camps are conducted in collaboration with local and international NGOs. These initiatives not only benefit the community but also enhance experiential learning and instill a strong sense of professional ethics and social accountability among students.

Placements and Professional Development

A strong network of healthcare institutions, hospitals, and corporate partners supports robust placement opportunities for graduates. In addition to technical competence, students receive training in proficient English and foreign languages, enhancing communication skills and global employability.

Conclusion

The School of Health Sciences, DSU, remains steadfast in its mission to develop skilled, ethical, and socially responsible healthcare professionals. Through quality education, research excellence, clinical exposure, and community engagement, the School continues to contribute significantly to the advancement of healthcare education and services.

COLLEGE OF PHARMACEUTICAL SCIENCES, SHS

Dr. Mayur Y C

Principal

Dayananda Sagar College of Pharmacy was established in 1991 affiliated to Rajiv Gandhi University of Health Sciences, Bengaluru and later renamed as College of Pharmaceutical Sciences (COPS) under the banner of Dayananda Sagar University (DSU) from 2015-16 onwards.

The college is offering B. Pharm (4 years), Pharm. D (6 years), and M. Pharm – Pharmaceutics and Pharmacology (2 years) program. The faculty members of COPS are actively involved in research activities in their respective domains, attending and organizing national / international seminars, conferences and workshops which helps the student community to get an exposure to the ongoing development in their specialization. COPS has more than 69% of faculty members with Ph.D. and some have teaching and research experience worldwide. Seven faculties are pursuing their doctoral studies.

COPS has signed an MoU with Merck. Sixteen research proposals were submitted worth five crores to various funding bodies like DHR, ICMR, VGST, DSU, ANRF and DST. Seven patents were filed and published (2025). Fifty-nine research articles in Scopus/Web of Science/UGC CARE list journals, six books and fifteen book chapters (2025) were published. Seven research posters were presented at various national and international conferences, faculties attended more than twenty-five seminars/workshops/webinars.

Awareness program on Anti-Ragging Orientation (12th September 2024), Mental health session (7th October 2024), Youth Red Cross State Level Walkathon, held on Wednesday, (12th March 2025), World Health Day Celebration (07th April 2025), A mega TB Awareness Drive was conducted on 23rd April 2025, and World Environment Day was celebrated on June 5th, 2025. On June 12th, 2025, students from the COPS, DSU, carried out a comprehensive survey on "Rainwater Harvesting Awareness" in Gottige Halli, Kanakapur, and A Guest talk on Narcotics Anonymous: Freedom from drug abuse was organized on 20th June 2025.

The DSU Pharmacon 2024, an International Conference on Emerging Tools and Techniques, was successfully held on December 19–20, 2024. The event witnessed the participation of 356 delegates, featuring 15 oral and 175+ poster presentations from academia and industry. The conference was presided over by Dr. Amit Bhatt (VC, DSU) and coordinated by Dean SHS, Dr. Pushpa Sarkar. Dr. Jayakara Shetty (VC, BU) graced the occasion as Chief Guest, along with Dr. S. Kranti Kumar (Registrar, KSPC) and Dr. Jagadeesh Mittur (President, IBiOM) as Guests of Honor. Faculty and students from DSU made significant research contributions, making the conference a remarkable academic success.

Workshop on Research Methodology Workshop on 17th January 2024. Pharma Anveshan Day was celebrated on 22nd March 2025. Responsible use of AI in literature review and academic writing- an overview of web of Science™ research assistant by Clarivate™ was conducted on 13th March 2025. A webinar on Transforming Academic Innovation to Clinics was held on 15th April 2025. A hands-on workshop on Pharmaceutical Quality by Design and Application of Statistical Optimization was conducted on 28th April 2025. A Webinar by the Department of Health Research on sensitization of grants entitled "Focusing grants and fellowships under various sub-schemes of DHR" on 13th May 2025. Two-day online workshop on CADD using ICM pro- Molsoft software by Molsoft LLC on 19th & 20th May 2025. Two days Hands on Workshop on "Basic Concepts of Animal Testing & Welfare" was organized by CAHF, DSU, on 22nd & 23rd May 2025. An FDP on "Applications of AI/ML in Pharmaceutical Teaching and Research" was conducted from 24-28th June 2025. World Pharmacists Day and National Pharmacovigilance Week were celebrated on 25th September 2024.

Industrial Visits to Pasteur Institute of India, Coonoor (30th April 2025) and Strides, Bangalore (3rd June 2025), were conducted by COPS.

COLLEGE OF ALLIED HEALTH SCIENCES, SHS

Dr. Nandan.T.M

Principal.

The College of Allied Health Sciences (CAHS), under the School of Allied Health Sciences, Dayananda Sagar University, Bengaluru, was established in 2021. It offers five undergraduate programmes—B.Sc. Medical Laboratory Technology, Emergency & Trauma Care Technology, Anesthesia & Operation Theatre Technology, Medical Imaging & Radiology Technology, and Cardiac Care Technology—along with the master's programme in MPH. These programmes aim to develop competent allied healthcare professionals capable of delivering preventive, diagnostic, curative, and rehabilitative services across diverse clinical specialties in India and abroad.

CAHS functions within the parent medical school and its attached teaching hospital, which provides 24/7 multispecialty healthcare services to the community. Students learn in modern lecture halls, demo rooms, and skill-based laboratories, with consistent academic monitoring. Clinical exposure is strengthened through training in key departments such as the Central Laboratory, Operation Theatre Complexes, Emergency Medicine, Radiodiagnostics, Renal Dialysis, Blood Bank, and Community Health Centers. Well-equipped hostel facilities support a comfortable campus experience.

The inaugural ceremony for the 2024–25 academic year was held on 16 October 2024 at CDSIMER, graced by Chief Guest Prof. R. Rajesh Shenoy, Guest of Honor Dr. Puttamadappa C, and Special Invitee Dr. A.C. Ashok. Dean SHS, Dr. Pushpa Sarkar, and Principal CAHS, Dr. Nandan T.M., welcomed the dignitaries. Speakers highlighted the evolving scope of allied health professions, stressing innovation, disciplined learning, adherence to regulations, and student safety. Inspirational examples, including the growth of Thyrocare under Dr. Velumani, underscored the potential of dedication and vision in the healthcare sector.

A week-long Student Induction Program oriented newcomers to academic structures, campus facilities, value systems, ethics, leadership skills, and positive peer interactions. Throughout the year, Dr. Pushpa Sarkar and Dr. Nandan T.M. conducted sessions on curricula, syllabi, learning objectives, examination regulations, conduct guidelines, and anti-ragging policies.

The third Board of Studies (BOS) meeting, held in January 2025, approved internship guidelines and proposals for launching new M.Sc. Allied Health programmes. Multiple webinars were also organized to guide prospective students toward CAHS programmes.

COLLEGE OF NURSING SCIENCES, SHS

Dr. Shejila C H

Principal

This annual report encapsulates the dynamic and vibrant activities of the College of Nursing Sciences, DSU for the academic year 2024–2025. It highlights the progress, achievements, and milestones accomplished during the year, reflecting the institution's continued journey toward realizing its vision and mission.

DSU envisions becoming a *global center of excellence* in nursing education, fostering interdisciplinary learning, research, and innovation to prepare competent and compassionate healthcare professionals. Its mission focuses on inspiring students to strengthen global health, offering interactive and student-centered education, upholding high academic standards through innovative teaching methods, and promoting lifelong learning and professional growth.

Distinctive Features

The College of Nursing Sciences at DSU provides advanced infrastructure, modern amenities, and technology-enabled learning. Collaborations with Jeeva Raksha Trust, ISDC, and Anglia Ruskin University, UK, offer global exposure. The outcome-based curriculum integrates simulation, informatics, and clinical training at reputed hospitals like CDSIMER and NIMHANS. With interactive smart classrooms and expert faculty, students gain confidence and competence through experiential learning. DSU ensures global-standard education, international opportunities, and assured placements for a successful nursing career.

Clinical Learning

Students receive rich hands-on training at the parent hospital within the campus, providing direct exposure to real clinical environments. This practical experience allows them to observe, practice, and enhance their nursing skills under expert guidance. Continuous and varied clinical engagements foster proficiency, empathy, and confidence, preparing students to deliver competent and compassionate patient care.

Community Engagement and Outreach

The College of Nursing Sciences, DSU, actively engaged in community outreach, extending its services to five rural villages around the Harohalli campus, benefiting a population of 3,250. Health surveys on non-communicable diseases were conducted alongside lifestyle education and referrals. Students organized awareness activities through role plays, skits, and rallies, and conducted under-five screenings, Anganwadi visits, and maternal health assessments to promote overall well-being. During the year, seven outreach programs were held.,

This annual report is presented in a nutshell the vibrant activities of the College of Nursing, DSU for the academic year 2023-2024. The annual report of the college is the progress made by the college and records the journey and makes the dreams come true.

DSU's vision is to become a global center of excellence in nursing education, fostering interdisciplinary teaching, research, and innovation to produce high-quality healthcare professionals. The mission includes inspiring students to strengthen global health, providing interactive education, maintaining academic standards through innovative teaching methods, and promoting lifelong learning.

Academic resolutions: The College has taken a lead in reforming curriculum and syllabuses, examination and evaluation pattern and teaching learning process though Board of Studies, the Academic Council composed of eminent academicians from various institutions.

Academics: The college has the state-of-the-art infrastructural facilities with interactive boards enabling high level interactive sessions with faculty from India and abroad. The labs with simulation experience before entering the clinical environment is made possible build the confidence to work in the clinical area.

COLLEGE OF PHYSIOTHERAPY, SHS

Dr. Sathya Guruprasad
Principal

The College of Physiotherapy, established in 2004 under Rajiv Gandhi University of Health Sciences (RGUHS), became a proud constituent of Dayananda Sagar University (DSU) in 2015–2016. The College offers undergraduate (BPT), postgraduate (MPT), and doctoral (Ph.D.) programs, nurturing excellence in education, research, and clinical practice.

The postgraduate program offers specialisations in Orthopaedics (including Sports Physiotherapy), Neurology, Cardiopulmonary Sciences, Community Physiotherapy, and Women's Health. The curriculum is designed to build clinical competence while instilling professional values and research aptitude.

In alignment with university policy, the undergraduate curriculum was revised during the 2022-23 academic year. New and relevant courses were introduced to match contemporary clinical demands, including specialty electives in *On-field Management of Athletic Injuries* and *Physiotherapy Rehabilitation in Oncology*.

Academic and Professional Development

Beyond academic excellence, the College of Physiotherapy at DSU emphasises holistic student development, aiming to cultivate perseverance, professional ethics, entrepreneurial skills, and social responsibility among its graduates. This comprehensive approach prepares students for diverse career paths—clinical practice, higher education, research, and community service—enabling them to contribute meaningfully to society.

The institution is equipped with state-of-the-art laboratories, utilised by both undergraduate, postgraduate students, staff and PhD scholars for skill training, clinical simulation, and research activities. To ensure continuous learning, the

department regularly organises seminars, workshops, guest lectures, and Continuous Physiotherapy Education (CPE) programs on emerging trends in physiotherapy and rehabilitation sciences.

Events and Activities (Academic Year 2024–2025)

During the academic year 2024–2025, the College successfully conducted several academic and professional development events:

- A Seminar on Pelvic Organ Prolapse and a Workshop on Cardiopulmonary Rehabilitation, providing students with advanced clinical insights.
- A Talk on Parasports, featuring esteemed speakers Dr. (Maj) Ameya Kagali, *Chief Team Physician for Paris Paralympic 2024*, and Mr. Gopinath K, *International Para-athlete*, which inspired students to explore physiotherapy's role in adaptive sports.
- A Professional Development Program on *"Enhancing Quality in Physiotherapy"*, focusing on improving clinical and teaching standards.
- A field visit to Mobility India, where 2nd-year and 4th-year BPT students actively learned about orthotic and prosthetic fabrication processes, bridging theoretical learning with hands-on exposure.
- In collaboration with the Jeeva Raksha Foundation, the College organized a "Basic Emergency Care and Life Support" workshop, enhancing students' preparedness for emergency situations.
- The College also successfully hosted the DSU Physio Cup 2025, an intercollegiate sports event that saw enthusiastic participation from 18 boys' teams and 8 girls' teams, promoting teamwork, fitness, and sportsmanship among physiotherapy students.
- On the occasion of World Physiotherapy Day, the department organized a community awareness program on "Healthy Ageing" across various locations. Faculty and students conducted interactive sessions and performed a street skit to spread awareness about the importance of physiotherapy in healthy ageing.

RESEARCH & INNOVATION

Dr. Sudarshan T S B

Dean (Research & Innovation)

The Academic Year 2024-25 has been a period of significant progress and innovation in Research & Development at Dayananda Sagar university. We are proud to report several key milestones and initiatives that underscore our commitment to academic excellence and research advancement. In line with our vision to expand academic horizons, we introduced Ph.D. programs in Journalism and Mass Communication, English Literature & Law for the Academic Year 2024-25. This addition reflects our ongoing efforts to diversify research opportunities and address the evolving needs of academia. During the 2024-25 academic year, DSU conducted two Ph.D. admission cycles, successfully admitting 140 scholars to the program. Course work for these scholars was delivered in a hybrid format, blending online and in-person instruction to enhance accessibility and flexibility. To strengthen the foundation of ethical research, a Two-day workshop on "Research & Publication Ethics" was conducted, featuring distinguished experts from the Indian Statistical Institute, Bengaluru, and Adjunct Professor and former NAL Scientist. To foster a robust research culture, the university has implemented a Research Fellowship program. Full-time Ph.D. scholars receive a stipend of Rs 31,000 per month for the first two years and Rs 35,000 per month for the following year, contingent on satisfactory progress. To fuel the next wave of discovery, we have made strategic investments through our Seed Grant program. In 2025, we approved 41 projects for the grants, with a total investment of over Rs.1.28 crores. This critical funding will serve as the launchpad for seeding new innovations in the years to come.

We are currently guiding a vibrant community of 512 research scholars, supported by over 270 doctoral faculty members who form the core of our intellectual capital. To date, we have proudly conferred 133 Ph.D. degrees. This year, our scholars and faculty members have demonstrated exceptional ingenuity, with 92 patents published across various schools, translating our fundamental research into tangible, protectable intellectual property. Our publication count has seen a remarkable ascent, from 525 publications in 2024 to an impressive 787 in 2025. A total of 787 faculty publications, including journal articles, conference papers, books, and book chapters, were published during the academic year 2024–25. This increase is a testament to the dedication and productivity of our research community. Apart from excellent number of publications, we measure their impact also. The research produced here is not only voluminous but also influential, having garnered 17,890 total citations, with a healthy average of 13.3 citations per publication. In 2025 alone, we secured 10 new externally funded research projects from a prestigious array of national agencies and industry partners, including the DST, UGC, AICTE, and VGST, among others.

SCHOOL OF LAW

Dr.Kiran Dennis Gardner

Dean

The School of Law (SoL) at Dayananda Sagar University (DSU), Bengaluru—India's Silicon City—is an innovation-driven institution committed to nurturing future-ready, socially responsible, and research-oriented legal professionals. Established in 2022, the school has witnessed rapid growth and currently hosts over 400 students, offering BA LL.B., BBA LL.B., 3-Year LL.B., LL.M. (launched in 2025), and Ph.D. programmes. With a strong focus on experiential learning, interdisciplinary engagement, and societal impact, the School of Law continues to emerge as a vibrant centre of legal education.

Academic Vision and Pedagogy

During the academic year 2024–2025, the School of Law adopted a student-centric, practice-oriented, and research-driven pedagogical approach. The curriculum is complemented by workshops, masterclasses, moot courts, mediation training, legal aid initiatives, and industry interactions, ensuring a holistic legal education. The school emphasizes skills-based learning, legal research, advocacy, alternative dispute resolution (ADR), technology law, and policy engagement to align legal education with contemporary professional demands.

Academic and Co-Curricular Activities

The school organized a wide range of academic, co-curricular, and community-oriented activities, reinforcing practical exposure and professional competence. Notable initiatives included: Workshops and Masterclasses on Trademark Law, Contract Drafting & Negotiation, Criminal Law, Environmental Criminology, Soft Skills, and Start-up Incubation, Intra Moot Court Competitions, workshops on Writ Jurisdiction, and National-level moot participations to strengthen advocacy and research skills, Webinars and Expert Lectures on Emerging Technologies, Data Protection, Cyber Law, and ADR mechanisms

These activities collectively strengthened doctrinal understanding, practical skills, and ethical awareness among students.

Legal Aid, Outreach, and Social Responsibility

The Legal Aid and Legal Services Clinics of the School played a pivotal role in promoting access to justice and legal literacy. During the year, students and faculty conducted:

- Legal awareness workshops on NALSA schemes, consumer rights, women empowerment, senior citizens' welfare, cyber bullying, and labour rights
- Village-level outreach programmes and rallies to promote consumer protection, public health, and legal rights

Faculty Development and Research Excellence

Faculty members of the School of Law demonstrated significant academic and research excellence during 2024–2025. Highlights include:

- Organization of a Week-long Faculty Development Programme (FDP) on Legal Pedagogy and Research, featuring eminent jurists, former Chief Justices, Vice-Chancellors, senior academicians, and industry experts
- Faculty contributions to Scopus-indexed and Q1/Q2 journals, reputed publications such as Economic and Political Weekly, Springer, SAGE, and other peer-reviewed platforms
- Publications of legal articles and conference paper presentations at national seminars
- Excellence in debate, legal writing competitions, and certifications in Intellectual Property Law
- Active participation in Youth Red Cross, walkathons, and civic accountability initiatives

Several students successfully enrolled as Advocates with the Karnataka State Bar Council, marking a significant professional milestone.

Internships and Industry Engagement

Students secured internships across a diverse spectrum of organizations, including:

Government bodies and commissions (NCW, DCPCR, Ministry of Women & Child Development), Regulatory and research institutions (CCI, CTIL, NLSIU Centres, Project 39A, MP-IDSA), Leading law firms and corporate legal offices (IndusLaw, J. Sagar Associates, Khaitan & Co., Vyasa Law Firm), NGOs and social organizations, reinforcing commitment to public service and legal aid

SCHOOL OF COMPUTER APPLICATIONS

Dr. S. Senthil

Dean

The academic year 2024–2025 was a landmark one for Dayananda Sagar University, as the Department of Computer Applications was elevated to the School of Computer Applications (SCA). This transformation reflects the school's growing stature and its unwavering commitment to academic excellence, research, innovation, and global engagement. The year was marked by academic reforms, impactful collaborations, and a series of initiatives that strengthened SCA's position as a leading hub for technology education.

The school undertook a comprehensive revamp of its BCA and MCA curricula in alignment with the National Education Policy (NEP) 2020 and evolving industry requirements. The new curriculum focuses on outcome-based learning, skill enhancement, and experiential pedagogy.

The school maintained a strong focus on faculty development and research. An AICTE–ATAL sponsored online FDP on "Technology for Sustainable Development" was selected from over 4,000 national proposals and supported with a grant of ₹1 lakh. Further, a week-long Faculty Development Program on "Innovative Pathways: Research Methodologies for Computer Science" was organized in July 2024, featuring eminent academicians from VIT University, Nanyang Technological University (Singapore), and Universiti Teknologi Brunei. The sessions brought together leading academicians and industry professionals to discuss cutting-edge trends in health, agriculture, and urban innovation. A two-day workshop conducted by Prof. N. Sundararajan from NTU, Singapore, and a technical session on "The Art and Science of Technical Paper Writing" by Dr. Nilanjan Dey from Kolkata further enhanced faculty competence in research writing and publication quality. Collectively, the School achieved notable research output, including 12 journal papers, 14 conference papers, 13 book chapters, one book publication, and two patents filed during the year.

The school conducted more than 45 academic and industry-focused events during the year, covering domains such as AI, Data Science, Cybersecurity, Blockchain, Cloud Computing, and

Research Methodology. These initiatives enhanced students' exposure to emerging technologies and strengthened academia–industry linkages.

The school has established strong industry partnerships that significantly contribute to student development and employability. The CyberSEEDS Programme, a nine-month cybersecurity immersion initiative launched in collaboration with ISC² and AuthenticOne Pvt. Ltd., provided MCA students with hands-on exposure to global cybersecurity practices. A 320-hour CSR-backed hybrid training program in Data Analytics and Microsoft Dynamics 365 Development, supported by Sonata Software and the Centum Foundation, benefited 150 students by offering practical training in emerging technologies. Through partnerships with Infosys and IBM, the School conducted multiple student enablement programs in Artificial Intelligence, Python Programming, and AI-driven Sustainability, resulting in 807 certifications through Infosys and IBM platforms, and 126 students earning Cisco Certified Support Technician – Network credentials.

The year also featured major events such as the Cybersecurity Summit 2025, organized in collaboration with the ISC² Bangalore Chapter and Seezo.io, which attracted over 80 professionals and experts from the cybersecurity domain. The Workshop on Offensive Security, conducted in collaboration with OffSec, was among only two such events held in India, underscoring SCA's growing national reputation in cybersecurity education.

SCA students demonstrated excellence across academic, technical, and cultural domains. Raghavendra Manvi, an MCA student, won the State-level Gold Medal in Cybersecurity at the Karnataka Skills Competition 2024. BCA students achieved recognition at intercollegiate technical fests such as *Inathon* and *Code Hunters*. Students also excelled in university-level cultural and sports events, securing top positions in kho-kho, tug of war, and fashion show competitions.

The school extended its global reach when Dr. S. Senthil (Dean) and Dr. Sandhya Madhuri represented DSU at the iLEAD-CS 2025 Virtual Lecture Series, where they presented on Machine Learning and Data Stream Mining. Interdisciplinary collaborations also flourished, with MCA students working alongside peers from the School of Design & Digital Transmedia and CJMC to develop university web portals and branding projects.

The school continues to invest in infrastructure, with technology-enabled classrooms, advanced laboratories, and sustainability-focused workshops that promote AI for environmental resilience. In alignment with DSU's vision for social responsibility, the school also conducted outreach programs in DSU-adopted villages, empowering women through initiatives on health, digital literacy, and legal awareness.

2.3 ADMISSION STATISTICS

2.5. TEACHING, LEARNING AND CURRICULAR ASPECTS.

Dayananda Sagar University (DSU) follows a well-defined, structured, and participatory procedure for the development, review, and revision of curricula and syllabi across all programs. The curriculum design framework operates through Departmental Curriculum Committees (DCCs), Boards of Studies (BoS), and the Academic Council, ensuring academic rigor, relevance, and alignment with national and global benchmarks. These statutory bodies comprise external academicians, industry professionals, research scientists, and internal faculty members, enabling a holistic and future-oriented curriculum design process.

Curriculum Design, Review, and Relevance

During the academic year 2024–25, DSU continued its practice of annual curriculum review and updation, incorporating inputs from multiple stakeholders including students, alumni, employers, faculty, and academic experts. Structured feedback is collected through standardized feedback forms.

The curricula are periodically reviewed to address the emerging technological advancements, social, local, regional, national, and global developments, industry requirements and employability skills, preparation for competitive examinations and alignment with NEP 2020 and applicable Statutory Regulatory Authorities (SRAs)

Curriculum Structure and Academic Flexibility

DSU curricula incorporate inbuilt laboratory components, simulations, mini and major projects, internships, capstone projects (often industry-linked), special topics, reflective assignments, and research paper critiques, promoting experiential and inquiry-based learning.

Courses are structured under basic and Applied Sciences, professional Core and Electives, open Electives and liberal Studies

This structure supports multidisciplinary learning and academic flexibility, in line with NEP 2020. As a growing university, DSU has revised over 85% of its programs during the last five years, with CBCS implemented in approximately 98% of programs. More than 70% of the courses currently offered are newly introduced during this period, and over 80% of the courses emphasize employability, entrepreneurship, and skill development.

Cross-Cutting Issues and Value-Added Learning

Cross-cutting issues such as professional ethics, gender equity, human values, environmental sustainability, and social responsibility are embedded in the curriculum. During 2024–25 58 regular courses explicitly addressed these themes, and learning was further reinforced through co-curricular and extracurricular activities, workshops, seminars, guest lectures, awareness programs, and community outreach initiatives

Additionally, DSU has offered over 100 value-added courses during the last five years, benefiting nearly one-third of the student population. More than one-third of students on rolls undertake field projects, research projects, or internships in industry or allied organizations, strengthening practical exposure and career readiness.

Student-Centric Teaching–Learning Practices

DSU recognizes the diversity in learner profiles and adopts flexible and inclusive teaching–learning strategies to support slow learners, advanced learners, and students with varied learning needs. The University maintains a healthy student–teacher ratio, and every student is assigned a faculty mentor. The mentoring process is systematically monitored through the ERP-based mentoring module, supporting academic, personal, and career development.

Digital Enablement and Learning Resources

DSU has strengthened its technology-enabled learning ecosystem during 2024–25 through a commercial ERP system integrated with Moodle LMS for academic delivery, assessment, and administration,conduct of virtual laboratory sessions, as DSU continues to function as a Nodal Centre for Virtual Labs under the MHRD initiative,a fully automated examination management and digital evaluation system using iON EMS and iON DVS,use of the Eklavvya online assessment platform for AI-enabled facial recognition, automated proctoring, and secure conduct of CIA and end-semester examinations

These systems ensure efficiency, transparency, academic integrity, and timely evaluation.

Outcome-Based Education (OBE) and Assessment

DSU has fully adopted the Outcome-Based Education (OBE) framework, developed in consultation with stakeholders. Program Outcomes (POs), Program Specific Outcomes (PSOs), and Course Outcomes (COs) are clearly defined, mapped, and publicized through the University website and academic documents.

Outcome attainment is systematically evaluated at multiple levels Course Coordinators, Program Coordinators, Departmental Advisory Boards and Institutional Academic Bodies

The attainment analysis forms the basis for academic review and continuous improvement.

Interdisciplinary Learning and Innovation

A significant highlight of 2024–25 was the strengthening of interdisciplinary learning modules, innovation-driven programs, and research incubation initiatives. Platforms such as the Innovation Hub and Research Incubation Center enabled students to collaborate across disciplines, fostering creativity, critical thinking, and problem-solving skills. Regular guest lectures, industry interactions, collaborative projects, and workshops enriched the academic ecosystem and enhanced real-world readiness.

Faculty Development and Continuous Improvement

Faculty members actively participated in Faculty Development Programs (FDPs), workshops, certification courses, and academic training programs, ensuring continuous upgradation of pedagogical skills and domain expertise. Faculty continuously engage with Boards of Studies and industry experts to align teaching methodologies with emerging global trends.

Adoption of Global Best Practices

DSU consciously aligns its teaching–learning processes with globally accepted best practices, focusing on Embedding employability and entrepreneurship, Transformative and authentic assessment methods, Student engagement through partnership-based learning, Education for Sustainable Development (ESD), Technology-enhanced learning and Mental health and student well-being

Conclusion

With a strong focus on quality enhancement, inclusivity, innovation, and continuous improvement, DSU's teaching–learning processes during 2024–25 reflect the University's commitment to academic excellence and holistic student development. These efforts reinforce DSU's mission of nurturing competent professionals, ethical leaders, and socially responsible citizens, strengthening its position as a leading institution of higher learning.

2.8 EIGHTH ANNUAL CONVOCATION OF DSU

Eighth annual convocation of DSU was held on 28th October 2024 at DSU, Harohalli Campus. 1913 students graduated from 34 programs. The details of the first convocation to eighth eventh convocation of DSU are as mentioned below:

Convocation	Year	Graduated Students
First Convocation	18th November 2017	82
Second Convocation	15th December 2018	139
Third Convocation	30th November 2019	524
Fourth Convocation	22nd January 2021	1030
Fifth Convocation	29th December 2021	1427
Sixth Convocation	25th January 2023	1592
Seventh Convocation	28th October 2023	1574
Eighth Convocation	28th October 2024	1913

DETAILS OF THE GRADUATES OF EIGHTH CONVOCATION

SCHOOL	SL. NO.	PROGRAM	SPECIALIZATION	NO. OF STUDENTS GRADUATING

Welcome by Prof. Amit R Bhat, Vice Chancellor, DSU

Vice Chancellor welcomed Hon'ble Chief Guest Dr Debabrata Das, Guest of Honor His Excellency Mr. Jonas Brunschwig, Hon'ble Chancellor of Dayananda Sagar University Dr D. Hemachandra Sagar, Hon'ble Pro Chancellor of Dayananda Sagar University Dr. D. Premachandra Sagar, Secretary of Mahatma Gandhi Vidya Peetha Trust Sri. Galiswamy, Members of the Board of Governors, Ms. Tintisha Sagar and Mr. Rohan Sagar, Evangelist Prof. H.P. Khincha, Advisor Sri. K. Jairaj, Pro Vice-Chancellor Prof. R. Janardhan, Registrar Dr. C. Puttamadappa, Controller of Examinations Dr. Sunil S More, Members of the Management Committee of Mahatma Gandhi Vidya Peetha Trust, Members of the Board of Governors, Board of Management, Academic Council, Research and Innovation Council, Finance Committee, Heads of Dayananda Sagar Institutions, Deans and Principals of Schools and

Colleges, Chairpersons of Departments, Proud parents of graduating students, faculty colleagues, staff and young graduands:

. Message from the visitor

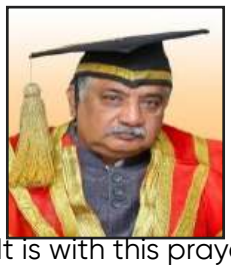
Sri Thaawarchand Gehlot, Hon'ble Governor of Karnataka

Hon'ble Governor has sent the congratulatory message to DSU and congratulated all the graduated students of Eigth annual convocation.

The Governor has wished DSU and all the graduates and urged all the graduating students to carry forward the values of integrity, innovation, and service tioSociety and to contribute meaningfully to the progress of our State and our Nation

Dr. D. Hemachandra Sagar

Chancellor



It is with this prayer that I extend my heartiest congratulations to the graduating students at the Eighth Convocation of Dayananda Sagar University this year.

One more year has passed, and each year we nurture the growth of the university meticulously by focusing on the two main pillars, namely students and faculty. As a young university with sky-high aspirations, we are proud of the achievements of all our schools in this short period of time.

Every student, research scholar and member of the faculty has a special place in making this institution what it is. Today Dayananda Sagar University is a force to reckon with in higher education, not only in Bangalore and the state of Karnataka, but also in India and abroad.

What was planted as a small seed nine years ago has grown into a full-fledged tree today, and I am sure that the day is not far off when it will become a beautiful orchard where flowers and fruits of all hues and colours will blossom and bloom.

This university is poised to become a modern multidisciplinary institution, and a temple of learning with multiple centres of excellence, where students and scholars from all over the world will congregate to celebrate cutting-edge research and academic achievements.

Dayananda Sagar University and its students would be the cynosure of the academic world globally for the latest and the best. I have no doubt that Dayananda Sagar University will be at the forefront to push the frontiers of human knowledge and excellence in the years to come.

On this momentous occasion I would like to thank each and every student, parent, faculty member, researcher, members of the alumni community and other stakeholders for their unstinted faith in Dayananda Sagar University.

Congratulations to all of you who received your graduate, postgraduate and doctorate degrees. In your success lies our success.

Dr. D. Premachandra Sagar

Pro Chancellor, Dayananda Sagar University

On the occasion of the Eighth Convocation of Dayananda Sagar University, I extend my heartiest congratulations to the thousands of students receiving their degrees this year.

It has been an incredible journey for this young institution, churning out some of the best minds in engineering, science, arts, commerce, management and health sciences, year after year. The pace at which this university has grown, and embraced the social, economic and academic and changes is something all the stakeholders can be proud of.

Last year we achieved the NAAC A+ accreditation thanks to the discipline and dedication of its students and faculty. At the university our only motto is excellence, and we strive to foster that culture in everything that we do. As we cross each milestone, we set higher goals, cross more barriers, for there can be no better fruit for our hard work than to be acknowledged as the best university in the world.

The world today is a different place than it was when the university was set up 9 years ago. As we look to the future, I am filled with optimism. Technology, data, and the digital revolution have opened up unprecedented avenues for learning, research, innovation, and collaboration across various disciplines.

I am happy to note that in these areas the university has made significant strides, and our students have demonstrated exceptional talent in both academic and extracurricular domains, winning accolades nationally and internationally. We are committed to equipping our students with not just knowledge, but also the ability to adapt, innovate, and lead in a world that is constantly evolving. We are committed to fostering an environment that nurtures creativity, critical thinking, and social responsibility. Our goal is to ensure that our graduates not only excel in their chosen fields but also become thought-leaders and agents of positive change in society.

What will set Dayananda Sagar University apart is its steadfast focus on infrastructural superiority, research excellence, and inter-disciplinary innovation … be it in Artificial Intelligence, Quantum Computing, Virtual Reality, Edge Computing, Machine Learning, Biotechnology and Nanomedicine.

On this momentous occasion I would like to thank the students, parents, faculty members, researchers, and the alumni for choosing Dayananda Sagar University, and making us a part of their life.

Chief Guest

Dr. Debadrata Das

Director of Indian Institute of Information Technology, Bangalore

Hearty congratulations to the graduating students and my regards and congratulations to the parents of graduating students. Dear graduating students, this is your day to cherish after long hard work of studies, exams, assignments etc. which lead to graduating out with flying colours from one of the great universities.

Dear graduating students, you must be thinking about your immediate plans after graduation. However, I am going to share with you my experiences of more than three decades in R&D and professional life for a long-term plan, i.e., what matters in life to go ahead. Before going in more detail, let me tell you that, since you will be embarking to next 50 years of professional life from the day of graduation. Because you are now at the early age group of 20's and will be working close to 70's in job or as entrepreneur/businessman or in social service.

To the best of my experiences, the following three matters a lot in your life, in the following order: 1. **Attitude, 2. Health, 3. Academics**; Let me elaborate on why each one of the above is important.

1) Attitude does not mean only being positive. It also comprises of integrity, commitment to work and team spirit. Integrity does not mean that it is only related to be honesty of money matters but also being honest to work ethics and also remaining committed, loyal to the system, humble and respectful to the colleagues. Now a days, in most projects, a person cannot work in isolation due to interdisciplinary approach in any product development. Hence, working with others requires team spirit, which matters a lot and that is what the industries are looking for. In large projects there will be various modules, which will be successful or failed. Each failure teaches us lots of things. Hence, take learning from success and failure in good spirits, which needs lots of patience. Lastly, hard work has no other substitute – hence for achieving anything write in your mind forever – hard work hard work hard work!
2) Second point what matters a lot about a professional life is health, i.e., one is physical health and the other one is mental health. We should be careful to carry on both these aspects and take care every day.
3) Now, the third point which is very important is academics, that means life long learning. You are graduating but you should not think that you have learned everything, as the requirements of human beings and technologies have been changing continuously. Hence, learning is going to be a continuous process, as the technologies and supporting skills are changing fast. Please make habit of reading to understand the new concept and practicing problem solving by existing ideas or novel ideas. This habit of reading and problem solving will keep in fore front of areas of work.

I want to conclude my talk by recollecting my three major suggestions of life of 50 years professional life, i.e., Attitude, Health and Life-long learning.

Lastly, never forget the contributions you received from parents, teachers, well wishers and alma mater in life.

3.2 FUNDED RESEARCH

S.N	Name of the Scheme/Project	Name of the Principal Investigator	Name of the Funding agency	Type (Govt/Non-Govt)	Department	Year of Award	Funds provided (INR in lakhs)	Project duration in months
1.	Design and development and of low cost (rGO)/Si doped tungsten trioxide(WO3) based gas sensor for human breath analysis applications	Dr. K. Vijaya Kumar	ICMR	Government	SOE-PHYSICS	2022	26.4	12
2.	Synthesis of membrane material and development of photocatalytic reactor for drinking water purification from multiple pesticides	Dr.Shrinivas Rao Amaraneni	UGC-DAE CSR Project	Government	SOE-Chemistry	2022	0.45	12

S. N	Name of the Scheme/Project	Name of the Principal Investigator	Name of the Funding agency	Type (Govt/Non-Govt)	Department	Year of Award	Funds provided (INR in lakhs)	Project duration in months
3.	Active Flutter suppression of composite wing embedded with SMA	Dr.Rammohan B	ARDB (DRDO)	Government	SOE-MECHANICAL	2022	37.28	24
4.	Digital Twin Smart tool holder	Dr Suresh Nagesh	CMTI	Government	SOE-MECHANICAL	2022	8	24
5.	Automated weld detection system	Dr Suresh Nagesh	CMTI	Government	SOE-MECHANICAL	2022	8	24
6.	Smart head treatment system	Dr Suresh Nagesh	CMTI	Government	SOE-MECHANICAL	2022	8	24
7.	Production of coloured Cotton using ancient chemical formulations from the sanskrit test visvavallabha	Dr Sharath Kumar Wariyar & Dr Shrinivas Rao amaraneni	IKS-AICTE	Government	SOE-Aero space	2022	16.25	12
8.	NIDHI PRAYAs Program	Dr Pratibha Durgesh Nadig	DERBI Foundation	Private	SOM-CDSIMER	2022	10	24
9.	Design and Development of algorithms to distinguish between surface and Non-surface targets using deep submerged arrays	Dr. G V Anand	Naval Physical & Oceanographic Laboratory	Government	SOE-ECE	2021-22	9.912	24.00

S.N	Name of the Scheme/Project	Name of the Principal Investigator	Name of the Funding agency	Type (Govt/Non-Govt)	Department	Year of Award	Funds provided (INR in lakhs)	Project duration in months
10.	Graphene Oxide (GO) and reduced graphene oxide (rGO) based nanomaterials for photo thermal super capacitor applications	Dr. Yogesh Kalegowda & Dr. Ashoka S (Reva University)	SERB	Government	SOE-PHYSICS	2022	30.00	36.00
11.	Magneto electric Spin orbit (MESO) logic for the energy-efficient, beyond CMOS computing applications	Dr. Suresh Pittala	SERB	Government	SOE-PHYSICS	2022-23	50.00	36.00
12.	DST-IIT Kanpur Integrated Clean Energy Material Acceleration Platform on Materials	Dr. Rupam Bhaduri	DST	Government	SOE-ECE	2022-23	30.35	36.00
13.	Investigation and optimization of factors influencing the high voltage electrical discharge-based extraction of protein from peanut meal	Dr. BM Ashwin Desai	DST-SERB	Government	SOE-ECE	2023-24	29.00	24.00
14.	RES-SAC-2022-013: Polarization Imaging Camera for Characterization of planetary atmosphere and surface	Dr. Hanumantha Rao	ISRO	Government	SOE-PHYSICS	2023-24	26.10	24.00

S.N	Name of the Scheme/Project	Name of the Principal Investigator	Name of the Funding agency	Type (Govt/Non-Govt)	Department	Year of Award	Funds provided (INR in lakhs)	Project duration in months
15.	Aqueous Aluminium-Ion Battery: Next Generation "Beyond Lithium" Battery Technology	Dr. Yogesh Kalegowda	Dassault Systemes Foundation	Private	SOE-PHYSICS	2023-24	9.00	12.00
16.	Mechanical Performance of 3D Printed Sandwich Structures for Wind Blade applications	Dr. Rammohan B	Dassault Systemes Foundation	Private	SOE - ME	2023-24	4.00	12.00
17.	ISRO ROVER DESIGN	Dr. Jayavrinda Vrindavanam & Prof. Pradeep Kumar K, Utpal Kumar	Centre for Space & Science Technology CSST - DSU	Private	SOE-CSE (AIML)	2023 - 2024	2.50`	6 Months
18.	Optimal percentage coefficient of variation for short-term glycemic variability and its associated factors among Type-2 diabetes mellitus Patients	Dr. Mahadevamma L	Bioqem Pharma Clinical Study	Non-government	SHS-COPS-Pharmacy Practice	2024	0.50	24
19.	DESIGN AND DEVELOPMENT OF DIGITALLY TWINNED SATELLITE (D-SAT) PAYLOAD	Dr. Prasantha Kumar. H. G	Dassault Systemes Foundation	Non-government	SOE – AE	2024	12.00	8 months
20	Telltale of Galactic Black hole X-ray binaries from AstroSat archival observations	Dr. Rajesh Cheruku	ISRO	Government	SOE-PHYSICS	2023	24.1 Lakhs	4 years

S. N	Name of the Scheme/Project	Name of the Principal Investigator	Name of the Funding agency	Type (Govt/Non-Govt)	Department	Year of Award	Funds provided (INR in lakhs)	Project duration in months
21.	Multiferroicity in hexagonal Lu1-xAxFeO3 (A = Sr, Zr, La, Nd) ceramics'	Dr. Suresh Pittala	UGC-CRS	Government	SOE-PHYSICS	2024	1.4 Lakhs + Measurements	3 years
22.	Indigenization of thickness monitor for precise control of thin-film depositions in optical coating applications	Dr. Rajesh Cheruku	ISRO - RESPOND	Government	SOE-PHYSICS	2024	27.9 Lakhs	2 Years
23.	Synthesis and Investigation of Structural and Magnetic Properties of Ce2NiMnO6 double perovskite for Spintronic Applications	Dr. Suresh Pittala	UGC-CRS	Government	SOE-PHYSICS	2025	No financial only Measurements	3 years
24.	Advanced Chrome-Free Acid Anodization for Corrosion Protection of Aircraft-Grade Aluminum Alloys	Dr. Bhavana Rikhari	VGST	Government	SOE - CHEMISTRY	2025	10.00	2 years
25.	A Therapeutic Combination of Synthetic and Natural Small Molecule Toxin Inhibitors Against Indian 'Big Two' Viper Snake Venom: A Preclinical Efficacy Study"	Dr. Vineetha MS	VGST	Government	SBAS	2025	10.00	2 years
26.	Development of a drug delivery system for anti-tubercular therapy	Dr. Blessy Baby Mathew	DST	Government	SBAS	2025	8 Lakhs	12 months
27.	Rheosensation in bacteria a potential tool to target	Dr. Kumar Perinbam	ANRF-DST	Government	SBAS	2025	55.8 Lakhs	3 years

S.N	Name of the Scheme/Project	Name of the Principal Investigator	Name of the Funding agency	Type (Govt/Non-Govt)	Department	Year of Award	Funds provided (INR in lakhs)	Project duration in months
	Multidrug resistance.							
28	Understanding the Role of Fintech Innovation and Financial Inclusion in Promoting Digital Financial Services among Street Vendors in the selected cities of Rajasthan	Dr. Rajesh Kalli (Only Co-PI)	ICSSR	Government	SCMS - UG	2024	20 Lakhs	12 months
29	Evaluation of Jal Jeevan Mission (JJM) in Enhancing Community Health and Economic Prosperity: Evidence from Selected Indian States	Dr. Prasanta Moharaj (Only Co-PI)	ICSSR	Government	SOL	2024	10 Lakhs	12 months

4. PROFESSIONAL PRACTICE

4.1 TRAINING & PLACEMENT

Dayananda Sagar University (DSU) has established itself as a preferred destination for leading global recruiters, reflecting its unwavering commitment to academic excellence, innovation, and industry relevance. The university's exceptional placement record stands as a testament to the quality of education, holistic development, and real-world preparedness of its students.

At DSU, every program is meticulously designed to provide a harmonious blend of theoretical knowledge and practical skills, ensuring graduates are ready to meet the dynamic challenges of today's professional landscape.

The Centralized Training & Placement Department serves as a vital bridge between academia and industry. It is dedicated to offering comprehensive training, internship, and placement support to all undergraduate and postgraduate students—enhancing employability, confidence, and career readiness.

Cognitive & Technical Skill (CTS) Training Programme

Dayananda Sagar University (DSU) has launched the Cognitive & Technical Skill (CTS) Training Programme for all Engineering students from 1st to 3rd year, in collaboration with Veranda Six Phrase. This initiative is designed to bridge the gap between academic learning and industry expectations, ensuring that students are equipped with the essential competencies required to excel in the evolving professional landscape.

The CTS programme focuses on enhancing both technical proficiency and cognitive aptitude, enabling students to develop strong analytical, problem-solving, and communication skills. It aims to build industry-ready graduates who are confident, adaptable, and capable of performing effectively in diverse technical domains.

Centre for Innovation & Leadership (CIL),

DSU nurtures innovative thinking and leadership excellence through impactful soft skills training, helping individuals grow into dynamic leaders who drive lasting success.

UG TRAINING	PG TRAINING
1st Year • Personal Effectiveness (Goal Setting, Time Management, Confidence Building, Self-Motivation, Attitude) • Communication Skills (styles and types of Communication, Body Language, Business Etiquette) **2nd Year** • Working in Teams & Interpersonal Skills • Presentation Skills • Technical Programmes **3rd Year** • Pre placement Training • Resume writing / Group Discussion / Mock Interviews	**1st Year** • Working in Teams & Interpersonal Skills • Communication Skills (styles and types of Communication, Body Language, Business Etiquette) **2nd Year** • Presentation Skills and Public Speaking • Pre placement Training (Resume writing / Group Discussion / Mock Interviews) • Case Study Analysis • Business Plan Development

Capacity building and skills enhancement initiatives taken by the various schools are:

School of Basic and Applied Sciences (SBAS):

Date of implementation (DD-MM-YYYY)	Department/ Semester / Section	Name of the capability enhancement program	Number of students enrolled	Name of Resource Person
28/08/2024	3 B.Sc (Honours)	Working in Teams and Interpersonal	39	Divya .M
	5 'A' B.Sc (Honours)	Corporate Culture	43	Sean Sarathy
	5 'B' B.Sc (Honours)		43	Archana Konar
20/12/2024	1 B.Sc	Personal Effectiveness	36	Sean Sarathy
	1 B.Sc	Personal	36	Chaithanya .B Das
23/05/2025	2 B.Sc (BMG)	Communication Skills	12	Jaya Prakash .R
	2 B.Sc (BCM)		24

- Mega Dream Offer Above 15 LPA: 7

Key Collaborations and Achievements

- Zenken (Japan): Through our partnership with Zenken, DSU has connected with 15+ reputed Japanese companies, leading to international job placement for one student. This initiative reflects our commitment to fostering global career opportunities.
- NeoPAT: A comprehensive placement training platform offered to B.Tech, M.Tech, and MCA students (Batch of 2024).
- Capgemini Engineering: Conducted specialized Aerospace Domain Training for Aerospace Engineering students.
- EdgeVerve (Infosys Group): Provided Full Stack Development and Automation Training to five shortlisted students during their 7th semester. These students successfully completed internships in the 8th semester and transitioned into full-time roles.
- ServiceNow: Trained over 120 students in advanced ServiceNow tools, with certified students being directly connected to partner companies for internship and placement opportunities.

1	Dr.Sunil S More	Professor & Dean	PhD
2	Dr.Anantha Krishna T H	Assistant Professor	PhD
3	Ms. Neha Deora	Assistant Professor	PhD
4	Dr.Aneesa Fasim	Associate Professor	PhD
5	Dr.Bhavya J	Assistant Professor	PhD
6	Dr.Manjushree H K	Assistant Professor	PhD
7	Dr.Moulika Bhattacharya	Assistant Professor	PhD
8	Dr.Arpi Dey	Assistant Professor	PhD
9	Dr.Susweta Das	Associate Professor	PhD
10	Dr.Vineetha Mavinamane Srikantha	Assistant Professor	PhD
11	Dr.Sangeetha Gowda K R	Associate Professor	PhD
12	Dr.S Geethapriya	Assistant Professor	PhD
13	Dr. Kumar Peribam	Assistant Professor	PhD
14	Dr.Archana S Rao	Associate Professor	PhD
15	Dr.Blessy Baby Mathew	Associate Professor	PhD
16	Ms. Rashmi R	Tutor	M.Sc
17	Dr.DINESH S M	Assistant Professor	PhD
18	Dr.Pronama Biswas	Assistant Professor	PhD
19	Dr.Ajay Nair	Associate Professor	PhD

20	Dr.Manjula S Nagthan	Assistant Professor	PhD
21	Dr.Anoop R Markande	Assistant Professor	PhD
22	Dr.Shristi Ram	Assistant Professor	PhD
23	Dr. Santosh K Choudhari	Assistant Professor	PhD
24	Dr. Pavithra A J	Assistant Professor	PhD
25	Dr. Ullas Prasanna S	Assistant Professor	PhD
26	Dr. Feroza Owaice	Assistant Professor	PhD
27	Dr. Prakruti P Acharya	Assistant Professor	PhD
28	Dr. Chinmayee C V	Assistant Professor	PhD
29	Dr. Nayana Borah	Assistant Professor	PhD
30	Dr. Jayachandra K	Assistant Professor	PhD

SCHOOL OF COMMERCE AND MANAGEMENT STUDIES

S.No	Name of the Faculty	Designation	Highest Qualification
1	Dr. Arakalgud Nagaraj Subbarao	Professor & Dean	PhD
2	Dr.Suresh Ranganathan	Associate Professor	PhD
3	Mr.Sanjay K	Director- Placements	MBA
4	Dr.Shweta Tewari	Associate Professor	PhD
5	Mr.Himanshu Joshi	Adjunct Professor	PGDM
6	Dr.Pavithra Salanke	Associate Professor	PhD
7	Ms. Jayashree N	Assistant Professor	MBA
8	Dr.S.Saiganesh	Professor	PhD
9	Dr.Jitendranath Patri	Adjunct Professor	PhD

10	Dr.Vasudevan S	Adjunct Professor	PhD
11	Dr. Abhijit Ranjan Das	Assistant Professor	PhD
12	Mr.Muralidhara G V	Professor of Practice	PGDM
13	Mr.Anurag Jalan	Professor of Practice	CMA
14	Mr.Anant Pophali	Adjunct Professor	PGDBA
15	Dr.Priyanka Roy	Assistant Professor	PhD
16	Dr.Somnath Debnath	Associate Professor	PhD
17	Mr. Amit Kumar Sinha	Adjunct Professor	MBA
18	Dr. Indrajit Goswami	Professor	PhD
19	Dr.Muttappa Bagali	Professor	PhD
20	Mr.Mohan Srinivasan	Professor of Practice	PGDIE
21	Dr.Chinmoy Kumar	Associate Professor	PhD
22	Dr.Nisha Goyal	Associate Professor	PhD
23	Dr. Parthasarathi	Assistant Professor	PhD
24	Dr. Silky Sharma	Assistant Professor	PhD
25	Ms. Navita Vijay	Assistant Professor	MBA
26	Dr.Roohi Kursheed K S	Associate Professor	PhD
27	Dr.Chandrakala. G	Associate Professor	PhD
28	Ms. Suneeta Hegde	Assistant Professor	LL.M
29	Mr.Abhijith	Assistant Professor	M.Com
30	Ms. Yogashree C	Assistant Professor	MBA

31	Mr.Lohit N	Assistant Professor	M.Phil.
32	Dr.Shruthi M P	Assistant Professor	PhD
33	Ms. Nayana Prabhash	Assistant Professor	M.Phil.
34	Dr.S Prabakar	Associate Professor	PhD
35	Dr.Truptha S	Professor & Dean(UG)	PhD
36	Mr.Abhilash G	Assistant Professor	M.Com
37	Dr. Priya KM	Assistant Professor	PhD
38	Ms. Mageswari SS	Assistant Professor	M.Com
39	Ms. Veera Shireesha Sangu	Assistant Professor	PGDM
40	Mr.Santosh Kumar S	Assistant Professor	MBA
41	Dr.Rajesh M Kalli	Associate Professor	PhD
42	Dr. Laxmana Rao	Associate Professor	PhD
43	Mr.T.M.Suresh kumar	Assistant Professor	MBA
44	Dr. Narasimha S N	Assistant Professor	PhD

SCHOOL OF MEDICINE .Dr CDSIMER

380	Dr Harshitha S	Orthopaedics	Senior Resident	MS
381	Dr. Sachin M Khemkar	Orthopaedics	Assistant Professor	DNB
382	Dr. Prajwal G	Orthopaedics	Senior Resident	MS
383	Dr. Pawan Kumar K M	Orthopaedics	Professor	MS

384	Dr. Deepak C D	Orthopaedics	Professor	MS
385	Dr. Madhu P	Orthopaedics	Senior Resident	DNB
386	Dr. Keerthana Shree S	Orthopaedics	Junior Resident	MBBS
387	Dr. Sachin Patel L	Orthopaedics	Assistant Professor	DNB
388	Dr. Vishal Lade	Orthopaedics	Junior Resident	MBBS
389	Dr. B Vijitha	Orthopaedics	Senior Resident	MMS
390	Dr. M Swamy S H	Orthopaedics	Senior Resident	DNB
391	Dr. V S Sai Santosh	Orthopaedics	Junior Resident	MBBS
392	Dr. Gopi B V	Orthopaedics	Junior Resident	MBBS
393	Dr. Sadu Naveen Kumar	Orthopaedics	Junior Resident	MBBS
394	Dr. D Amith	Orthopaedics	Senior Resident	MS
395	Dr. Krishna Prasad U	Orthopaedics	Senior Resident	MRCS
396	Dr. Yashas M Gowda	Orthopaedics	Senior Resident	MS
397	Dr. Prajwal P Huddar	Orthopaedics	Senior Resident	MS
398	Dr. Vadhiraj Krishna J B	Orthopaedics	Assistant Professor	DNB
399	Dr.Asha D Benakappa	Paediatrics	Professor & HOD	DNB
400	Dr.Raksha S K	Paediatrics	Associate Professor	MD
401	Dr.Ajay K R	Paediatrics	Assistant Professor	MD
402	Dr.Kancherla Poojitha	Paediatrics	Assistant Professor	MD
403	Dr.Chiranth R	Paediatrics	Assistant Professor	MD
404	Dr.Monica D	Paediatrics	Assistant Professor	MD

405	Dr.Haricharan K R	Paediatrics	Professor	MD
406	Dr.Vishnupriya S	Paediatrics	Junior Resident / CMO	MBBS
407	Dr.Nida Asif	Paediatrics	Senior Resident	DNB
408	Dr.Siddalingesha R	Paediatrics	Assistant Professor	MD
409	Dr.Swamy Manjunath S T	Paediatrics	Senior Resident	DNB
410	Dr.Rahul R	Paediatrics	Assistant Professor	MD
411	Dr. Smitha Felina V	Paediatrics	Junior Resident	MBBS
412	Dr. Girish S Gowda	Paediatrics	Senior Resident	MD
413	Dr.Apoorva I G	Paediatrics	Senior Resident	MD
414	Dr.Suvetha P	Paediatrics	Senior Resident	MD
415	Dr. Ashwini H N	Paediatrics	Senior Resident	MD
416	Dr. Chinmayi Y S	Paediatrics	Senior Resident	MD
417	Dr. Supriya S Y	Paediatrics	Senior Resident	MD
418	Dr. Veena Bajulge	Paediatrics	Senior Resident	MD
419	Dr. N D Benakappa	Paediatrics	Professor	MD
420	Dr. Darshan H M	Paediatrics	Junior Resident	MBBS
421	Dr. Varsha M	Paediatrics	Senior Resident	MD
422	Dr. Rajendra G S	Paediatrics	Junior Resident	MBBS
423	Dr. Mallikarjun Sungulkar	Paediatrics	Junior Resident	MBBS
424	Dr. Uday V	Paediatrics	Senior Resident	MD
425	Dr. Keerthana G Y	Paediatrics	Senior Resident	MD

426	Dr. Kushal Kumar N	Paediatrics	Senior Resident	MD
427	Dr.Archana Shetty	Pathology	Professor	MD
428	Dr.Nidha Gaffoor	Pathology	Assistant Professor	MD
429	Dr.Nikhil P V	Pathology	Assistant Professor	MD
430	Dr.Himasree Edupuganti	Pathology	Assistant Professor	MD
431	Dr.Kanna Sandhyarani M	Pathology	Associate Professor	MD
432	Dr.Jessica Minal	Pathology	Associate Professor	MD
433	Dr.Supriya Sandeepa	Pathology	Professor	MD
434	Dr.Nirupama M	Pathology	Professor & HOD	MD
435	Dr.Divyashree B N	Pathology	Associate Professor	MD
436	Dr. Vijaya V Mysorekar	Pathology	Professor	MD
437	Dr.Safina Taskeen	Pathology	Senior Resident	MD
438	Dr.Aparna Muralidhar	Pathology	Assistant Professor	MD
439	Dr.Vidhya V	Pathology	Senior Resident	MD
440	Dr.Nidhi Nair A V	Pathology	Assistant Professor	MD
441	Dr. Nandini S Raj	Pathology	Senior Resident	MD
442	Dr. A Arjun	Pathology	Senior Resident	MD
443	Dr. Gowri R	Pathology	Senior Resident	MD
444	Dr. Zeeshan S	Pathology	Senior Resident	MD
445	Dr. Latha C Naik	Pathology	Senior Resident	MD
446	Dr. Sahana S	Pathology	Senior Resident	MD

447	Dr. Uma Y Doddabudihal	Peadiatrics	Assistant Professor	MD
448	Dr.Raghavendra B	Pharmacology	Assistant Professor	MD
449	Dr.Shiva Murthy N	Pharmacology	Incharge - HOD & Professor	MD
450	Dr.Padmaja Shetty K	Pharmacology	Associate Professor	MD
451	Dr.Pratibha D Nadig	Pharmacology	Professor & HOD	MD
452	Dr.Anusha S J	Pharmacology	Assistant Professor	MD
453	Ms.Asha C	Pharmacology	Tutor	MSC
454	Dr.Puli Sagar	Pharmacology	Assistant Professor	PHD
455	Dr.Ravi D Mala	Pharmacology	Associate Professor	MD
456	Dr. V Karthik	Pharmacology	Assistant Professor	MD
457	Dr. Ganavi N S	Pharmacology	Tutor	MBBS
458	Dr. Namith Gowda K	Pharmacology	Tutor	MBBS
459	Dr. Mounika V	Pharmacology	Tutor	MBBS
460	Dr. Johan Thomas John	Pharmacology	Tutor	MBBS
461	Dr. Durga Prasad S	Pharmacology	Associate Professor	MD
462	Dr. Shreene Balakrishnan	Pharmacology	Senior Resident	MD
463	Dr.Kanchana R	Physiology	Associate Professor	MD
464	Dr.Veena C N	Physiology	Professor & HOD	MD
465	Dr.Ravikumar A J	Physiology	Tutor	MD
466	Dr.Chaitra N D	Physiology	Assistant Professor	MD
467	Dr.Vidhyashree H M	Physiology	Assistant Professor	PHD

468	Dr.Ranjani R Kulkarni	Physiology	Assistant Professor	MD
469	Dr.Yathish Niranjan K	Physiology	Assistant Professor	MD
470	Dr.Monica Jasti	Physiology	Assistant Professor	MD
471	Dr. Harvick P Gowda	Physiology	Tutor	MBBS
472	Dr. Raghavendra M K	Physiology	Tutor	MBBS
473	Dr.Pradeep Raj S	Plastic Surgery	Assistant Professor	MCH
474	Dr. Ramyadeepthi N	Plastic Surgery	Associate Professor	MCH
475	Dr.Anupama V	Psychiatry	Associate Professor	MD
476	Dr.Neeraj Raj D	Psychiatry	Assistant Professor	MD
477	Dr.Gopal Das C M	Psychiatry	Professor	MD
478	Dr. Divya K G	Psychiatry	Assistant Professor	MD
479	Dr.Likith S	Psychiatry	Senior Resident	MD
480	Dr. Pooja V	Psychiatry	Senior Resident	MD
481	Dr.Anitha Kini	Radiology	Associate Professor	DMRD
482	Dr.Mallikarjun Manoor	Radiology	Senior Resident	DNB
483	Dr.Chandana U	Radiology	Assistant Professor	MD
484	Dr. K S Vedaraju	Radiology	Professor & HOD	MD
485	Dr. Kiran Kumar B M	Radiology	Assistant Professor	DMRD
486	Dr.. Nithyashree B	Radiology	Assistant Professor	MD
487	Dr. C R Sushaal	Radiology	Senior Resident	MD
488	Dr. Malathi S Bhat	Radiology	Senior Resident	MD

489	Dr. Hemanth M R	Radiology	Senior Resident	DNB
490	Dr. Nikitha M	Radiology	Senior Resident	DNB
491	Dr. Roopa H N	Radiology	Associate Professor	MD
492	Dr. Naresh Nikhil B L	Radiology	Associate Professor	MDRD
493	Dr. Vijay A	Radiology	Senior Resident	DMRD
494	Dr. Nafeesa Jameel	Radiology	Senior Resident	MD
495	Dr. Mohammed I.B S Y	Radiology	Assistant Professor	MD
496	Dr.Sanjay K R	Residents	Junior Resident / CMO	MBBS
497	Dr.Puneet K Nagendra	Respiratory Med	Associate Professor	DTC DDNB
498	Dr.Kanabur Prashanth	Respiratory Med	Assistant Professor	MD
499	Dr.Vasudha B K	Respiratory Med	Senior Resident	MD
500	Dr. Soujanya	Respiratory Med	Senior Resident	MD
501	Dr. Keerthi Kumar A	Respiratory Med	Senior Resident	MD
502	Dr. Dharitri S	Respiratory Med	Senior Resident	MD
503	Dr. Manjushree Sonar	Respiratory Med	Assistant Professor	MD
504	Dr. Sagar	Respiratory Med	Senior Resident	MD
505	Dr. Prakash	Surg Gastro-Ent	Assistant Professor	MCH
506	Dr. D Praveen	Surgical Onco	Assistant Professor	MCH
507	Dr. Harshan T R	Urology	Associate Professor	MCH
508	Dr. Srinivas B V	Urology	Professor	DNB

5.2 FACULTY DEVELOPMENT PROGRAMS

DETAILS OF FDP CONDUCTED 2024-2025 – CSE

S.N	School Name	Department	Date(s) of FDP held	Title of FDP	FDP Organizers Details	Number of faculty Attended
1	School of Engineering	CSE	12 July to 18 July 2024	Faculty Development Program on Augmented Reality and Virtual Reality	Department of Computer Science and Engineering	Faculties from SOE
2	School of Engineering	Department of CSE	July 30 to August 8, 2024	8 Days Hands-On Training Program for Non-Teaching Staff	Department of Computer Science and Engineering	Non-Teaching Staff of SOE
3	School of Engineering	Department of CSE	August 26 to August 31, 2024	Faculty Development Program on Immersive Virtual Reality	Department of AI and Robotics Engineering in collaboration with the CSE	Faculties from SOE and All over India
4	School of Engineering	Department of CSE	August 31, 2024	FDP On Python Programming	Department of Computer Science and Engineering	Faculties from SOE
5	School of Engineering	Department of CSE	6 Jan to 11 Jan 2025	Aicte atal - six-day online FDP on "ai and next-gen technologies, and intelligent infrastructure."	School of Computer Applications and the Department of CSE	Faculties from SOE and All over India
6	School of Engineering	Department of CSE	3 Jan to 7 Jan 2025	Embedded System Design using ARM Cortex was held over five days from	Department of Computer Science and Engineering	55 faculty members from the CSE clus, 8 students, 2 faculty members

DETAILS OF FDP ATTENDED 2024-2025 – CSE

Sl. No	School Name	Date of FDP held	Title of FDP	FDP Organizers Details	Name of the Faculty Attended
1	School of Engineering	22nd July to 27th July 2024	Advanced Data Modeling and	VNR Vignana Jyothi Institute of Engineering	Dr George Fernandez I,

			Visualization with power BI	and technology, Hyderabad, India	Associate professor, Department of CSE
2	School of Engineering	24 to 31 July 2024	FDP on Outcome Based Education and Application of Generative AI in Teaching and Research	The IQAC of Vasireddy Venkatadri Institute of Technology, Guntur, Andhra Pradesh and The IQAC of SIT	Prof. Sasikala N, Assistant Professor, Department of CSE
3	School of Engineering	20 to 24 August 2024	MERN Stack Web development	Microsoft India & SAP India led under Tech Saksham Program	Dr. Gokulakrishnan S, Asst. Prof. Department of CSE
4	School of Engineering	27-08-2024 to 31-08-2024	FDP on Building Web Development Solutions with Cloud Computing	Next Gen Employability Program	Dr. Gokulakrishnan S, Asst. Prof. Department of CSE
5	School of Engineering	Oct 18 2024	Facilitator of AI for Future Workforce Program	DELL Technologies	Prof. Sasikala N, and Prof. Benaka Santhosa S, Asst. Prof. Department of CSE
6	School of Engineering	5 to 9 Nov 2024	"Next-Generation Technologies on Information and Communication" from, Organized by	Bengal College of Engineering and Technology	Dr. Sivananda Reddy L, Associate Professor, and Dr. Naresh P, Assistant Professor, Department of CSE
7	School of Engineering	11 - 15 Nov 2024	"Building web Development Solutions with Cloud Computing"	Edunet Foundation under the Next Gen Employability program	Prof. Muthu Bala N, Assistant Professor, Department of CSE
8	School of Engineering	11/11/2024 to 16/11/2024	"Recent Trends and Predictions in CyberSecurity"	Madanapalle Institute of Technology and Science.	Prof. Mala B A, Assistant Professor, Department of CSE
9	School of Engineering	16 to 21 December 2024	"AI for Future"	Electronics and ICT Academy IIT Roorkee in association with from KG Reddy College of Engineering and Technology, Hyderabad	Prof. Roshan Sanu Y, Assistant Professor, Dept of CSE
10	School of Engineering	January 6 to 11 2025	"AI and Next-Gen Technologies for a Sustainable World: Breakthroughs in	School of Computer Applications in association with the Department of Computer Science	Dr George Fernandez I, Associate Professor, Prof. Prolay Biswas, Prof. Yashaswini H

			Health, Agriculture, and Intelligent Infrastructure"	and Engineering, School of Engineering at Dayananda Sagar University	C, Prof. Bharath M B, Prof. Sushma D S, Prof. Kavyashree I Pattan, Prof. Sumanth C M, Prof. Diana George, Prof. Benaka Santhosha S, Asst. Prof. Depart. of CSE,
11	School of Engineering	20/01/2025 to 25/01/2025	"Cyber Security and Intrusion Detection Forensics"	DON BOSCO INSTITUTE OF TECHNOLOGY	Prof. Bharath B and Prof. Sushma, Asst. Prof. Department of CSE
12	School of Engineering	21/01/2025 to 27/01/2025.	Deep Learning Intelligent Video Analytics and Computer Vision"	P.A. COLLEGE OF ENGINEERING	Dr. Tanvir Sardar, Associate Professor, Department of CSE
13	School of Engineering	20.01.2025 to 24.01.2025.	Blockchain and AI: Transforming the Future with Decentralized Intelligence"	Department of Information Technology, Kamaraj College of Engineering and Technology	Dr. T Gayathri, Assistant Professor, Depart. of CSE
14	School of Engineering	03/02/2025 to 08/02/2025	Next-Gen Innovation: AI, Blockchain and AR/VR Metaverse for Digital Excellence	Jain Deemed to be University School of Computer Applications and IT	Dr. Revathi V, Associate Prof. Dr. T Gayathri, Prof. K Radhika, Prof. Muthu Bala N, Prof. Sowmya H. D, Prof. Sushma D S, Dr Gousia Thahniyath, Asst. Prof. Depart. of CSE
15	School of Engineering	3 to 8 February 2025	"Recent Trends in Artificial Intelligence and Machine Learning"	Department of CSE (AI&ML), Global Academy of Technology, Bengaluru	Prof. Bharath B Assistant Professor, Department of CSE
16	School of Engineering	17 to 21 March, 2025.	"Empowering Research with High-Performance Computing and GPU Technologies"	Department of Computer Science & Engineering, RV College of Engineering, Bengaluru	Dr. Basavaraj N Hiremath, Professor, Department of CSE
17	School of Engineering	17/02/2025 to 22/02/2025	AICTE Training And Learning (ATAL) Academy FDP on "Deep Learning and Computer Vision"	Thiagarajar College of Engineering	Prof. Shilpa Sudheendran and Prof. Sasikala N, Assistant Professors, Department of CSE

			in the Field of Clinical Research		
18	School of Engineering	12 March 2025	Software Engineering Using LLM's- Developing a Forecasting Solution"	Department of Computer Science & Engineering (Artificial Intelligence and Machine Learning), SOE, Dayananda Sagar University.	Dr. T. Poongodi, Prof. Dr. Natarajan Venkateswaran, Prof. of Practice. Dr. George Fernandez I, Dr. Savitha Hiremath, Dr. Meenakshi Malhotra, Dr. Sridhar S K, Dr.Revathi V, Dr. Sivananda Reddy, Associate Prof. Dr. Gokula krishnan.S, Dr.Gousia Thahniyath, Prof. Sasikala N, Prof Bharath B, Prof. Vishwas DB, Asst. Prof.
19	School of Engineering	Feb 28 to Mar 22, 2025	"Quantum Technologies & Applications",	Academies Electronics & ICT Academies MNIT Jaipur, NIT Patna, IIT Roorkee, IIT Guwahati, IIITDM Jabalpur, NIT Warangal	Dr. Damodharan D, Assistant Professor, Department of CSE
20	School of Engineering	10 to 15 Feb 2025.	GenAI for Sequential Data: Speech, Language and More"	Depart. of Information Technology, Sri Sivasubramaniya Nadar College of Engineering	Dr. T Poongodi, Prof. and Dr. Natarajan Venkateswaran, Prof. of Practice, Department of CSE
21	School of Engineering	15 May to 7 June 2025	AI Mastery for Educators	Vishlesan i HUB IIT patna	Dr. Gokulakrishnan S, Assistant Professor, Department of CSE
22	School of Engineering	17 -24 April 2025.	"How to Publish Research Papers in High-Impact Factor Journals and Research Ethics to Prevent Retraction".	School of Electronics Engineering at VIT-AP University, Amaravati	Dr. Shreekant Salotagi, Assistant Professor, Department of CSE
23	School of Engineering	5 May to 9 May 2025	"The Foundations and Future of Quantum Computing"	Sri Sairam College of Engineering.	Dr. Damodharan D, Assistant Professor, Department of CSE

24	School of Engineering	23 to 27 June 2025	"NextGen Data Science: Transforming Education and Research through Data,"	Presidency School of CSE & IS, Presidency University, Bengaluru, India.	Prof. Sushma. D.S, Assistant Professor, Department of CSE
25	School of Engineering	16/06/2025 to 20/06/2025	"Next-Gen Data Science:Deep Learning, NLP and Responsible AI"	Department of CSE, CMR Institute of Technology	Prof. Annapurna Shobitha S, Prof. Arjun Krishnamurthy, prof. Arpita Paria, Prof. Bharath B, Dr. Damodharan D, Prof. Diana George, Dr. George Fernandez I, Dr. Revathi V, Dr. T Gayathri, Dr. Sasikala Nagarajan, Dr. Jeeva S, Prof. Mala B A, Prof. Muthu Bala N, Prof. Priyanka S Marellavar, Prof. Pavithra D, Prof. Shilpa Sudheendran, Prof. Soham Ghosh, Prof. Sowmya H D, Prof. Sushma. D.S, Prof. Tanaya Bala Behera
26	School of Engineering	16 June 2025 20 June 2025	"Machine Learning and Generative AI with Quantum Programming"	Electronics and ICT Academy IIT Roorkee in association with Delhi Technical Campus, Greater Noida	Dr. Savitha Hiremath, Dr Meenakshi Malhotra and Dr. Revathi V, Associate Prof. and Dr. Gousia Thahniyath, Asst. Professor, Department of CSE

DETAILS OF FDP CONDUCTED 2024-2025- Mechanical Engineering

Sl. No	School Name	Date(s) of FDP held	Title of FDP	FDP Organizers Details	Number of faculty Attended
01	School of Engineering	03-09 Feb 2025	Recent Technologies and Innovation in Mechanical Engineering	Department of MECH, SoE, DSU in collaboration with Department of MECH , KK University, Nalanda. Coordinator (From DSU): Dr. P M G Bashir Asdaque	DSU-Mechanical Faculties & Others
02	School of Engineering	24-28 March 2025	Low - Frequency NVH and Automotive Applications Using Abaqus	Depart. of Mechanical Engineering in collaboration with La Fondation, Dassault Systemes, **Convenors**: Dr. Viswanathan R and Dr. P M G Bashir Asdaque	DSU-Mechanical Faculties

DETAILS OF FDP ATTENDED 2024-2025- Mechanical Engineering

Sl. No	School Name	Date of FDP held	Title of FDP	FDP Organizers Details	Name of the Faculty Attended
1	School of Engineering	15 - 20 July 2024	Machine Learning Applications in Manufacturing	NIT Warangal, Telangana, in Collaboration with Clemson University, South Carolina & University at Buffalo, United States	Dr. Vinay M S & Dr. Saravanabavan D
2	School of Engineering	22nd – 26th July 2024,	Next Generation Automation: Bridging Electronics and Mechanical Systems in Industry 4.0	REVA University, Bengaluru.	Dr. Vinayak Hemadri, Dr. Saravana bavan, Dr. Shashidhar, Prof.Karthik S B, Prof. Abhilash, Prof. Abhijith
3	School of Engineering	23-28 Sept 2024	Solar Vehicle; Design and Application (SVDI-2024)	Annant Gyan	Dr. Rajeev Kumar Gupta, Dr. P. M. G. Bashir Asadaque, Dr. Manish Kumar Mishra
4	School of Engineering	July to Oct 2024	AI&ML in Materials Engineering	NPTEL-Swayam	Dr. Rahul Kumar, Dr. Viswanathan R
5	School of Engineering	July-Oct 2024	Sustainable Energy Technology	NPTEL-Swayam	Dr. Abhilash O
6	School of Engineering	Jan-April 2025	Data Analytics with Python	NPTEL-Swayam	Dr. Rajeev Kumar Gupta, Dr. Joy Mondal, Dr. P. M. G. Bashir Asadaque
7	School of Engineering	Jan- Feb 2025	Python for Data science	NPTEL-Swayam	Dr. Joy Mondal, Dr. P. M. G. Bashir Asadaque
8	School of Engineering	27, January-01, February 2025 (Online)	Six Days International FDP on "Advanced Materials for Defence & Aerospace applications"	Dept. of Mechanical Engg., Ballari Institute of Technology & Management, Ballari	Dr. Saravanabavan D
9	School of Engineering	3-9, Feb 2025 (Online)	One week FDP On "Recent Technologies and innovation in Mech Engg"	Dept. of Mechanical Engg., K.K. University, Nalanda	Dr. Saravanabavan D & Dr. Abhilash O

DETAILS OF FDP CONDUCTED 2024-2025 - MBA

Sl. No	School Name	Date of FDP held	Title of FDP	FDP Organizers Details	Number of faculty Attended
1	SCMS	21 – 25 April, 2025	High impact research writing in the era pf AI	Dr.Suresh Ranganathan, Associate Prof. SCMS, DSU	75
2	SCMS	20 Sep 2024	NBA Accreditation Process	Dr. Sai Ganesh,	20

DETAILS OF FDP ATTENDED 2024-2025- MBA

Sl. No	School Name	Date of FDP held	Title of FDP	FDP Organizers Details	Name of the Faculty Attended
1	SCMS	21 – 25 April, 2025	High impact research writing in the era pf AI	SCMS - PG	Prof. Capt. Nagaraj Subbarao
2	SCMS	21 – 25 April, 2025	High impact research writing in the era pf AI	SCMS - PG	Dr. M M Bagali
3	SCMS	21 – 25 April, 2025	High impact research writing in the era pf AI	SCMS - PG	Dr. Shweta Kaur Khalsa
4	SCMS	21 – 25 April, 2025	High impact research writing in the era pf AI	SCMS - PG	Jayashree N
5	SCMS	21 – 25 April, 2025	High impact research writing in the era pf AI	SCMS - PG	Dr. Priyanka Roy
6	SCMS	21 – 25 April, 2025	High impact research writing in the era pf AI	SCMS - PG	Prof. Jitendranath Patri
7	SCMS	21 – 25 April, 2025	High impact research writing in the era pf AI	SCMS - PG	Dr. Vasudevan S
8	SCMS	21 – 25 April, 2025	High impact research writing in the era pf AI	SCMS - PG	Prof. Anant Pophali
9	SCMS	21 – 25 April, 2025	High impact research writing in the era pf AI	SCMS - PG	Dr. Abhijit Ranjan Das
10	SCMS	21 – 25 April, 2025	High impact research writing in the era pf AI	SCMS - PG	Prof. Mohan Srinivasan
11	SCMS	21 – 25 April, 2025	High impact research writing in the era pf AI	SCMS - PG	Dr. Abhijit Chakraborty
12	SCMS	21 – 25 April, 2025	High impact research writing in the era pf AI	SCMS - PG	Dr. Parthasarathi
13	SCMS	21 – 25 April, 2025	High impact research writing in the era pf AI	SCMS - PG	Dr. Somnath Debnath
14	SCMS	21 – 25 April, 2025	High impact research writing in the era pf AI	SCMS - PG	Dr. Padmalatha

15	SCMS	21st – 25th April, 2025	High impact research writing in the era pf AI	SCMS - PG	Dr. Chinmoy Kumar
16	SCMS	21st – 25th April, 2025	High impact research writing in the era pf AI	SCMS - PG	Prof. G V Muralidhara
17	SCMS	21st – 25th April, 2025	High impact research writing in the era pf AI	SCMS - PG	Dr. Silky Sharma

Sl. No	School Name	Date(s) of FDP held	Title of FDP	FDP Organizers Details	Number of faculty Attended
1.	SOE	10th Jan 2025 to 14th Jan 2025	Emerging Trends in FPGA-Accelerated Machine Learning in VLSI	Department of Electronics & Communication Engineering, SOE Dayananda Sagar University Bangalore in association with the E & ICT Academy, IIT Roorkee	93

DETAILS OF FDP ATTENDED 2024-2025 – ECE Dept

Sl. No	Date(s) of FDP held	Title of FDP	FDP Organizers Details	Name of the Faculty Attended
1.	2/9/2024 to 6/9/2024	Matlab for Image analysis and pattern recognition: From fundamentals to advanced applications	C-DAC Mohali	Dr. Arun Balodi
2.	13/01/2025 to 17/01/2025	Innovations and Frontiers in Metallurgical Engineering	MIT Pune	Dr. Arungalai Vendan S
3.	1st July to 24 Dec 2024	AICTE-QIP PG certificate programme in Machine learning	IISc Bengaluru	Dr. Theodore Chandra S
4.	July-Oct 2024	Digital VLSI Testing	NPTEL-AICTE	Dr. Gayathri K M
5.	July-Sep 2024	Computer Aided drug design	NPTEL-AICTE	Dr. B M Ashwin Desai
6.	Jan-Apr 2025	Introduction to Industry 4.0 and Industrial Internet of things	NPTEL-AICTE	Dr. Vinu R
7.	Aug-Oct 2024	Accreditation and Outcome Based Learning	NPTEL-AICTE	Dr. Sneha Sharma

8.	27 Jan to 1st Feb 2025	Advanced Materials for defense and aerospace applications	Ballari Institute of Technology and Management, Karnataka	Dr. Mukti Chaturvedi
9.	17/02/2025 to 21/02/2025	Physical layout with RTL design and verification using cadence tool flow	East West Institute of Technology, Bangalore	Dr. Navya R
10.	10/02/2025 to 14/02/2025	Emerging trends in FPGA accelerated Machine Learning in VLSI	E-ICT IIT Roorkee in association with DSU	Dr. Divyashree H B
11.	18/11/2024 to 23/11/2024	Advances in ground improvement techniques	ATAL FDP at LBS Institute of Technology for Women	Dr. Godfrey D
12.	10/02/2025 to 14/02/2025	Emerging trends in FPGA accelerated Machine Learning in VLSI	E-ICT IIT Roorkee in association with DSU	Dr. Supraja Eduru
13.	10/02/2025 to 14/02/2025	Emerging trends in FPGA accelerated Machine Learning in VLSI	E-ICT IIT Roorkee in association with DSU	Dr. Rashmita Sahoo
14.	3/3/2025 to 7/3/2025	Teaching ECE Lab subjects using free simulators	NITTTR Chandigarh	Dr. Owais Ahmad Shah
15.	9 to 20 June 2025	Semiconductor devices circuits and sensors: Applications and research perspective	E-ICT, NIT Patna	Dr. Dasari Srikanya
16.	14/7/2025 to 18/7/2025	Advanced fabrication techniques for flexible and 3D printed antennas	NIT Tiruchirappalli	Dr. Ramesh Amugothu
17.	9/12/2024 to 14/12/2024	AI and Quantum computing: The future of Intelligent system	AICTE ATAL FDP at Bharat Institute of Engineering and Technology	Mr. Abhinav Karan
18.	10/02/2025 to 14/02/2025	Emerging trends in FPGA accelerated Machine Learning in VLSI	E-ICT IIT Roorkee in association with DSU	Mrs. Kokila S
19.	30 June to 4th July 2025	DevOps and MLOps	DSU	Mrs. Manasa K R
20.	6/1/2025 to 11/1/2025	Advanced materials processing, Characterization and Optimization Techniques	AICTE ATAL FDP-NIST University	Mr. Sharanabasavaraj

21.	10/2/2025 to 15/2/2025	Next-Gen Computing: Exploring supercomputing, AI and Quantum Technologies	AICTE ATAL FDP-NIT Sikkim	Mr. Puneeth S
22.	10/02/2025 to 14/02/2025	Emerging trends in FPGA accelerated Machine Learning in VLSI	E-ICT IIT Roorkee in association with DSU	Ms. Jisy N K
23.	9/12/2024 to 14/12/2024	Power Electronics Applications in Microgrid using AI	AICTE ATAL FDP-Jain Deemed to be University Faculty of Engineering and Technology	Mrs. Kanmani B S
24.	25/11/2024 to 30/11/2024	Recent trends in VLSI design using Nanotechnology	AICTE ATAL FDP-Meerut Institute of Engineering and Technology	Mr. Nadeem Pasha
25.	1st July to 6th July 2024	Emerging trends in Electronic circuit design, signal processing and communication	KLE Foundation, deemed to be University, Hyderabad, Telangana	Dr. Deepthi Chamkur V
26.	Aug-Oct 2024	Accreditation and Outcome Based Learning	NPTEL-AICTE	Dr. Pushpa Mala S

S.N	School Name	Date of FDP held	Title of FDP	FDP Organizers Details	Number of faculty Attended
1	SHS	24/06/25 to 28/06/25	Applications of AI/ML in Pharmaceutical Teaching and Research"	Dr.Y.C.Mayur Principal, College of Pharmaceutical Sciences	36
2	SHS	24/07/24 to 28/07/24	Bloom's Taxonomy and Learning in Action."	Dr. N. M. Raghavendra, Principal, College of Pharmaceutical Sciences	34

DETAILS OF FDP ATTENDED 2024-2025 - COLLEGE OF PHARMACEUTICAL SCIENCES, SHS

S. N	Date of FDP held	Title of FDP	FDP Organizers Details	Name of the Faculty Attended
1	24th-28 July 2024	Blooms Taxonomy and Learning in Action	HESDARC, Mysuru and College of Pharmacy, University of Findlay, Ohio, USA	Dr.Vanaja K, Dr.Mahadevamma, Dr Anju Jose
2	24th-28 June 2025	Applications of AI/ML in Pharmaceutical Teaching & Research	COPS	Dr.Vanaja K, Dr.Mahadevamma, Dr Anju Jose, Dr.Sabbu Rahul
3.	16th to 20th Dec 2024	Advancements in Teaching Methodology and Recent Developments in Pharmaceutical Research	Nargund College of Pharmacy, Bangalore	Mrs. Rekha S
4	17th – 21st March 2025	Bridging the Gap: Industry- Academia Partnership in Pharma Research and Education	Tagore College of Pharmacy, Chennai	Dr. B. R. Srinivas Murthy
5	18th - 22th March 2025	Advancement in Drug Discovery and Development: A Multidisciplinary	KL University, College of Pharmacy, Andhra Pradesh	Mrs. Rekha S
6	1st – 7th April 2025	Innovations and Emerging Trends in Pharmacognosy: A Faculty Development Initiative	DKSS-Dattakala College of Pharmacy	Mrs. Pruthvi N
7	7th - 12th April 2025	Smart Research for the Digital Age: Mastering Grant Proposals, High-Impact Scopus Publishing,	Sardar Patel College of Pharmacy, Ananad, Gujarat in	Dr. Sonal Dubey

		Patents, and AI-Driven Excellence	collaboration with Gujarat Technological University	
8	June to july 2025	AI/ML in Drug Discovery	Biocogniz Chennai	Dr. M.Gnana Ruba Priya
9	08th to 12th January 2024	Recent Trends in Medical Technology Innovation and Pharmaceuticals,	Vishnu college of Pharmacy ,Bhimavaram	Dr.Shanaz Banu
10	08th to 12th Jan 2024	Recent Trends in Medical Technology Innovation and Pharmaceuticals,	Vishnu college of Pharmacy ,Bhimavaram	Dr Manjula
11	8th to 12th January 2024	NAAC Criteria Documentation and E-Course Development (Freedom Teacher Blueprint)	ARCNET,India	Dr. Kalpana Divekar
12	8th to 12th January 2024	NAAC Criteria Documentation and E-Course Development (Freedom Teacher Blueprint)	ARCNET,India	Dr.Geetha K.M
13	03.01.2024 to 12.01.2024	NEP 2020 Orientation & Sensitization Programme under Malaviya Mission Teacher Training Programme	Malaviya Mission Teacher Training Centre, Raipur,	Dr.Prashanth .Tiwari
14	3rd to 12th April 2024	A captivating exploration of artificial intelligence's influence on shaping the contemporary landscape in the healthcare essence of pharmacy	Sri Venkateshwara college of Pharmacy	Dr.Gnanaruba priya
15	12/11/2024 to 14/11/2024	Hands-on training Program on "Unveiling Protein Biology: Wet & Dry Lab Approach" organised by NIPER Ahmedabad+B14:B15 & Gujarat Biotechnology Research Centre (GBRC)	Gujarat Biotechnology Research Centre (GBRC)	Dr Rahul
16	12/11/2024 to 14/11/2024	Program on "Unveiling Protein Biology: Wet & Dry Lab Approach" organised by NIPER Ahmedabad+B14:B15 & Gujarat Biotechnology Research Centre (GBRC)	Gujarat Biotechnology Research Centre (GBRC	Mr sunny Rathe

17	19/02/24 TO 22/02/24	AI Influence in shaping contemporary health care and Essence of Pharmacy	VELS Institute of science, technology and advanced studies	Dr Sonal Dubey

DETAILS OF FDP CONDUCTED 2024-2025 -CST

S. No	School Name	Date of FDP held	Title of FDP	FDP Organizers Details	Number of faculty Attended
1	DSU-SoE	13th – 22nd August 2024	Intel AI for Future Work Force	Dept. of CST	50
2	DSU-SoE	12th – 16th December 2024	Mastering Machine Learning: A Comprehensive Hands-On Bootcamp	Dept. of CST	08
3	DSU-SoE	08th – 10th October 2024	Workshop on "IOT Unplugged" from Sensors to Solutions	Dept. of CST	05

DETAILS OF FDP ATTENDED 2024-2025 - CST

S. N	School Name	Date of FDP held	Title of FDP	FDP Organizers Details	Name of the Faculty Attended
1	DSU-SoE	26th to 30th August 2024	Immersive Virtual Reality	AICTE & ATAL, Dept. of AI & Robotics, DSU	Dr. M. Shahina Parveen, Dr. Santosh Kuamr J, Prof. M. Chithambarathanu
2	DSU-SoE	22nd to 26th July 2024	Recent Trends in Computational Sciences	Amity Institute of Applied Sciences	Dr. Sudha, Prof. Nivetha NRP
3	DSU-SoE	27th to 31st August 2024	Building Web Development Solutions with Cloud Computing	Next Gen Employability Program	Dr. Sudha, Prof. Nivetha NRP, Prof. Yashaswini, Prof. Vinayaka
4	DSU-SoE	8th to 15th July 2024	Innovative Pathways: Research Methodologies for Computer Science	Dept. of Computer Applications, DSU	Prof. M. Chithambarathanu
5	DSU-SoE	26th July to 01st August 2024	Empowering Educators in Intellectual Property Rights	Karnataka State Council for Science and Technology (KSCST), Bengaluru, and Visveswaraya Trade Promotion Centre (VTPC), Bengaluru	Prof. Ramandeep Kaur

6	DSU-SoE	16th to 26th July 2024	Recent Advances in Machine Learning and Deep Learning	E&ICT Academy, NIT Warrangal and Vidhyavardhaka College of Engineering, Mysuru	Prof. Vinayaka, Prof. Yashaswini
7	DSU-SoE	19th to 21st November 2024	Unlocking the Potential of Data Analytics using Python, Power BI and Tableau	Department of CSE, Bangalore Institute of Technology	Prof. Vinayaka
8	DSU-SoE	11nth April to 03rd May 2025	QT–02 Foundations of Quantum Technologies	DSU	Prof. Vinayaka, Prof. Ramandeep Kaur, Prof. Nivetha NRP
9	DSU-SoE	03rd to 08th March 2025	Unlocking Innovation: Research Funding, Proposal Writing and IPR Strategies for Startups	Department of Electrical and Electronics Engineering, Joginpally B R Engineering College, Hyderabad	Dr. Santosh Kuamr J
10	DSU-SoE	27th to 31st Jan 2025	Building Web Development Solutions with Cloud Computing	Next Gen Employability Program	Prof. Junaid
11	DSU-SoE	12th March 2025	Software Engineering Using LLMs – Developing a Forecasting Solution	Department of Artificial Intelligence and Machine Learning, CRIA and School of Computer Applications	Prof. Junaid, Prof. Nivetha NRP, Prof. Vinayaka

DETAILS OF FDP CONDUCTED 2024-2025 SCMS(UG)

S.N	School Name	Date of FDP held	Title of FDP	FDP Organizers Details	Number of faculty Attended
1	SCMS-UG	21.01.2025 to 24.01.2025	Advance Research Methods	Dr.Priya K M, Assistant Professor, SCMS-UG	374

DETAILS OF FDP ATTENDED 2024-2025 SCMS (UG)

S. N	School Name	Date of FDP held	Title of FDP	FDP Organizers Details	Name of the Faculty Attended
1	SCMS-UG	12th to 14th aug 2025	Research in Finance and Accounting	Shri Guru School of Data Analytics	Dr Shruthi MP
2	SCMS-UG	September 21st 2024	Research Paper Writing & Publishing in Top Journals Of Commerce & Management	Shri Guru School of Data Analytics	Dr Shruthi MP

3	SCMS-UG	Feb 14th and 15th	Navigating Time series data analysis in social science research	SDMIMD Mysore	Dr Shruthi MP
4	SCMS-UG	21.01.2025 to 24.01.2025	Advance Research Methods	Dayananda Sagar University	Dr Shruthi MP
5	SCMS-UG	19th to 24th August 2024	Application of Python and OBIEE and Power BI in real-time business Decisions	SCMS-UG	Dr. S. Prabakar
6	SCMS-UG	20th to 24th January 2025	ADVANCED RESEARCH METHODS & DATA ANALYSIS	SCMS-UG	Dr. S. Prabakar
7	SCMS-UG	20th to 24th January 2025	Advance Research Methods	Dayananda Sagar University	Prof.Lohit.N
8	SCMS-UG	17th to 21st February 2025.	"Elevating Academic Excellence: Global Perspectives on API, Research Impact, and Innovation,	Department of Management Studies, St. Joseph's College of Engineering, OMR, hennai	Dr .Chandrakala.G
9	SCMS-UG	20th to 24th January 2025	Advance Research Methods	Dayananda Sagar University	Dr .Chandrakala.G
10	SCMS- UG	27.9.202-28.9.2024	Ethical use of AI	SES's Sridora Caculo College of Commerce & Management Studies, Khorl	Dr.Priya K M
11	SCMS- UG	4.12.2024 - 8.12.2024	Five Days FDP on Next -Gen Research Strategies from AI tools to Publication Mastery.	Marudhar Kesari Jain College for Women, Vaniyambadi	Dr.Priya K M
12	SCMS- UG	11.12.2024-16.12.2024	6 Days international FDP on Digital Landscape for Tech savviness.	Valluvar College of Science and Management (Autonomous)	Dr.Priya K M
13	SCMS- UG	21.01.2025 to 24.01.2025	Advance Research Methods	Dayananda Sagar University	Dr.Priya K M
14	SCMS- UG	21-11-2024 to 27-11-2024	Use of ICT in Teaching Learning Process	ACT Academy & Dr. Subhash University	Dr. Nayana Prabhash

15	SCMS- UG	04-11-2024 to 08-11-2024	Next Gen Research Strategies from AI RTools to Publish Mastery	Marudhar Kesari Jain College for Women	Dr. Nayana Prabhash
16	SCMS- UG	27-11-2024 to 29-11-2025	SEM, CFA, Time Series and Cluster Analysis using JASP	Institute for Statistics and Analytical Research	Dr. Nayana Prabhash
17	SCMS- UG	19-12-2024	Mastering ChatGPT	ACT Academy & Dr. Subhash University	Dr. Nayana Prabhash
18	SCMS- UG	13-11-2024 to 14-11-2024	AI tools for enhancing classroom teaching	IBS Business school & Sarvodhaya Vidhyalaya	Dr. Nayana Prabhash
19	SCMS- UG	15-11-2025 to 22-11-2025	Learn Statistics with Jamovi: An open source software	Research Foundation of India	Dr. Nayana Prabhash
20	SCMS- UG	26-05-2025 to 30-05-2025	Crafting Impactful Cases: FDP on Case Writing	ICFAI University & Karshi International University	Dr. Nayana Prabhash
21	SCMS- UG	12-05-2025 to 22-05-2025	A comprehensive framework for Sustainable (ESG) Reporting in IT: Strategy and Impact	Electronics & ICT Academy, MNIT	Dr. Nayana Prabhash
22	SCMS- UG	17-02-2025 to 21-02-2025	Advanced Research Analytics: methods and insights	NOIDA International University	Dr. Nayana Prabhash
23	SCMS- UG	26-04-2025	Empowering Educators for the Digital Future	IIMB Bangalore	Dr. Nayana Prabhash
24	SCMS- UG	02-06-2025 to 12-06-2025	Advanced Tools and Techniques for Research methodology	Research Foundation of India	Dr. Nayana Prabhash
25	SCMS- UG	26-04-2025 to 03-07-2025	MOOC on MOOCs: A Digital Learning Playbook	IIMB Bangalore	Dr. Nayana Prabhash
26	SCMS- UG	13-10-2025 to 17-10-2025	"BRAINS: Building Research Advancements	ATAL teaching and Learning	Dr. Nayana Prabhash
27	SCMS-UG	20th to 24th January 2025	Research Advancement & Innovation with Next-Gen AI for Socio - Economic	DayanandaSagar University	prof. Suneeta Hegde

28	SCMS-UG	23rd April 2025	Transformation".	spring board HR	prof. Suneeta Hegde
29	SCMS-UG	18th june 2025	Google ads for beginers	coursera	prof. Suneeta Hegde
	SCMS-UG	7th August 2025	Case writing webinar	Christ university	prof. Suneeta Hegde
30	SCMS-UG	20th to 24th January 2025	Advance Research Methods	Dayananda Sagar University	Abhijith
31	SCMS-UG	19th to 24th August 2024	"Application of Python, OBIEE & Power BI in real time business decisions"	SJB Institute of Technology	Prof.T.M.Suresh Kumar
32	SCMS-UG	20th to 24th January 2025	"Advanced Research Methods & Data Analysis"	Dayananda Sagar University	Prof.T.M.Suresh Kumar
33	SCMS-UG	20th to 25th February 2025	"Innovation and Educate" Research Paper Writing and Publishing"	Padmashree Institute of Management & Sciences	Prof.T.M.Suresh Kumar
34	SCMS-UG	20th to 24th January 2025	"Advanced Research Methods & Data Analysis"	Dayananda Sagar University	Prof.Yogashree C
35	SCMS-UG	24th to 28th March, 2025	"Data Analysis and Visualization Using Power BI"	M.P.MOOTHEDATH MEMORIAL SREE NARAYANA TRUSTS COLLEGE SHORANUR, PALAKKAD, KERALA	Prof.Yogashree C
36	SCMS-UG	21st to 24th May, 2025	"Structural Equation Modeling (SEM) by using SMARTPLS 4	KARPAGAM ACADEMY OF HIGHER EDUCATION	Prof.Yogashree C
37	SCMS-UG	20th to 25th February 2025	"Innovation and Educate" Research Paper Writing and Publishing	Padmashree Institute of Management & Sciences	Prof.Lohit.N

7.2 LIBRARY DETAILS

The library is built and equipped steadily and systematically. The library has a seating capacity of around 1030. The achievements are reflected through the acknowledgements and positive remarks by the visiting faculties and dignitaries. The Intellectual standards are truly reflected in its high standard library.

The DSU Library and Information Centre has huge collection of books, periodicals, CD's and DVD's. The library is well equipped with modern facilities like e-learning, access to internet and web resources including online journals and e-books. Also, DSU Library is providing a growing range of databases/e-resources to its users on the campus network and password based

All the library services have been automated on a modern line. The library has fully computerized collections, which could be accessed through OPAC. The library is enabled with Wi-Fi technology and Security systems with CCTV surveillance.

8. DSU OUTREACH ACTIVITIES & ACTIVITIES OF VARIOUS SCHOOLS OF DSU

8.1. UBA AND NSS ACTIVITIES OF DSU.

ANNUAL NSS CAMP

The state government's Annual NSS Camp is being held in Bellari from 28-31 August 2024, featuring DSU's NSS volunteers who are actively participating and representing the university at the state level. The camp includes multiple activities such as awareness drives, competitions, and leadership sessions aimed at nurturing civic responsibility among the youth.

HEALTH AND HYGIENE AWARENESS:

The Department of Student Affairs conducted a National Service Scheme (NSS) awareness programme on health and hygiene at the Government School, T. Hosahalli on 26 July 2024. The event featured interactive sessions and demonstrations guiding students on daily hygiene habits and the long-term benefits of a healthy lifestyle. Additionally, a village-level survey was conducted to assess prevailing health and hygiene practices in the community.

TREE PLANTATION DRIVE:

The Department of Student Affairs conducted a tree plantation drive at the Main Campus, Dayananda Sagar University on 29 August 2024. The event involved over 60 students from the School of Basic and Applied Sciences (SBAS), who collectively planted a total of 150 saplings, symbolizing the university's commitment to green initiatives and sustainable development.

FIRST AID AWARENESS PROGRAM BY INDIAN RED CROSS SOCIETY:

First Aid Awareness Program was conducted at Campus 3, Dayananda Sagar University, in partnership with the Indian Red Cross Society on 05 September 2024. The session was tailored for over 150 students from SCMS-PG and the School of Design, providing them with hands-on training on key first aid practices and the correct response methods during medical emergencies.

ALOHO-MOORYA: GANESHA FESTIVAL TREASURE HUNT:

The Innovation Campus, Dayananda Sagar University, hosted the "Aloho-Moorya" treasure hunt, attracting over 200 students on 05 September 2024. The event, infused with the vibrant theme of Ganesha, combined celebration with problem-solving by having students explore clues and tackle challenges infused with cultural and magical elements, thereby encouraging collaborative participation.

CLEANLINESS DRIVE- SWACHH BHARAT ABHIYAN

The NSS Committees of the School of Health Sciences organized a Swachh Bharat Abhiyan cleanliness drive on 28 January 2025 at 9:30 am. Mr. Dasappa, Agriculture Expert and Krishi Pandit Award recipient, graced the event as Chief Guests, with the program presided over by Dr. Amit Bhatt, Vice Chancellor, DSU, along with other dignitaries. The event commenced with inaugural addresses by the Chief Guest, Vice Chancellor, and Registrar. An awareness rally, along with a short skit and puppet show on sanitation, was conducted to reinforce the message of cleanliness.

HEALTH CAMP ON CERVICAL WELLBEING:

The College of Nursing Sciences at DSU, in collaboration with the CHC, Kaggalipura, conducted a 10-day Cervical Wellbeing Health Camp from January 29 to February 18, 2025. The primary mission was to offer free cervical screening and boost community awareness regarding cervical cancer, HPV vaccination, and crucial preventive health measures. Dr. Radha, Medical Officer at Kaggalipura CHC, officially opened the event, highlighting the necessity of early detection. Awareness was creatively spread through a puppet show performed by M.Sc. Nursing students, while informative pamphlets were distributed. Crucially, the camp was successful in collecting Pap smear samples and motivating women to undergo the screening.

WOMEN EMPOWERMENT AWARENESS PROGRAM:

As part of the Independence Day initiatives, the DSU-NSS (National Service Scheme) organized a Women Empowerment Awareness Program in the Paduvanagere (Adopted Village) on 09 August 2024. This event was coordinated with the local Panchayat

Development Officer and featured engaging discussions led by students on crucial topics like legal rights, gender equality, political leadership, and economic self-reliance.

SURVEY AND AWARENESS ON WATER RESOURCE MANAGEMENT:

More than 150 faculty members and students from the DSU-NSS unit gathered at Gottigehalli Village to conduct a comprehensive survey and awareness program on water resource management on 08 January 2025. DSU-NSS conducted a field-based survey in Gottigehalli, evaluating local water sources, infrastructure, and usage patterns. Through interactions with residents, the team identified challenges such as irregular supply and limited conservation awareness. The initiative also included

suggestions for sustainable practices like rainwater harvesting and educational outreach.

NATIONAL INTEGRATION CAMP:

National Integration Camp was held from January 16 to 22, 2025, at the NSS Bhavana in Mysuru, bringing together NSS volunteers from Dayananda Sagar University (DSU) and six other states in a program organized by the University of Mysore and the Department of Youth Empowerment and Sports, Government of Karnataka. NSS volunteers from DSU participated in the week-long National Integration Camp in Mysuru, engaging in sessions on leadership, Gandhian values, and youth empowerment. The camp also featured inter-state cultural performances and heritage visits, creating a vibrant platform for unity in diversity.

NSS SWACHH BHARAT ABHIYAN

The School of Health Sciences and DSU-NSS jointly organized Swachh Bharat Abhiyan at Harohalli town on 28 January 2025.Mr Dasappa and DSU leadership in attendance. NSS volunteers, faculty, and students actively participated. The program began with an awareness rally from the SHS Block, followed by a cleaning drive across public areas in Shanthinagara and Janatha Colony. CAHS students played an active role in the rally and

cleanup efforts, promoting hygiene, sanitation, and environmental responsibility within the community.

NSS AWARENESS PROGRAM ON WORLD TUBERCULOSIS DAY 2025

The NSS, in collaboration with the Department of Student Affairs, DSU, conducted a World Tuberculosis Day awareness program 23 APRIL 2025 at Ajjegowdanavalase village to educate the community on TB prevention and early diagnosis. CAHS students actively participated by conducting awareness drives and engaging with villagers to promote healthy practices. The outreach initiative strengthened community understanding of TB

E-WASTE MANAGEMENT & SWACHH BHARAT AWARENESS DRIVE

Over 60 student volunteers from the Data Science Department conducted an E-Waste Management & Swachh Bharat Awareness Drive in Paduvangere (Adopted Village) on 25 October 2024. E-Waste Management: Villagers participated in interactive discussions

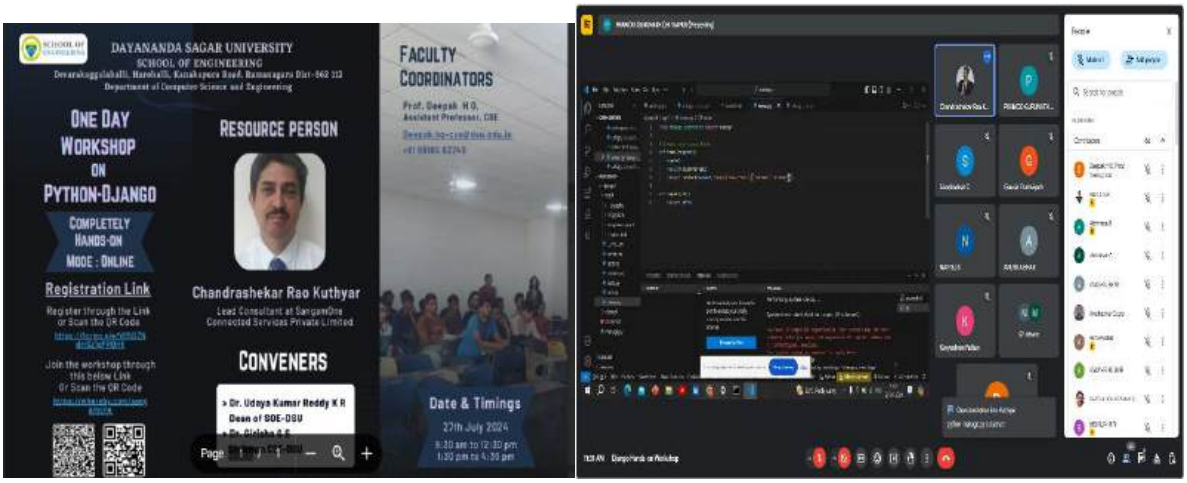
8.2 SCHOOL OF ENGINEERING ACTIVITIES

FACULTY DEVELOPMENT PROGRAM ON AUGMENTED REALITY AND VIRTUAL REALITY

The Department of Computer Science and Engineering at Dayananda Sagar University organized a five-day FDP on Augmented Reality and Virtual Reality from 12-18 July 2024. The program was held at the School of Engineering, Harohalli, Bangalore. Its goal was to help faculty to gain both theoretical knowledge and practical skills in AR and VR for teaching. The sessions were conducted by experts Mr. Sridhar S. and Mr. Vishnu T. U.

ONE-DAY WORKSHOP ON PYTHON-DJANGO

The Department of Computer Science and Engineering organized an online hands-on workshop on Django on 27 July 2024. The workshop focused on the Python web framework Django. It aimed to prepare faculty to teach the Python-Django course in the Skill Enhancement-3 module for 5th semester students. The session was conducted by Mr. Chandrashekar Rao Kuthyar, Lead Consultant at SangamOne Connected Services Pvt. Ltd.



FACULTY DEVELOPMENT PROGRAM ON IMMERSIVE VIRTUAL REALITY

The Department of AI and Robotics Engineering, along with the Department of Computer Science and Engineering, organized a Faculty Development Program on "Immersive Virtual Reality." The program was sponsored by AICTE, New Delhi under the AICTE Training & Learning Academy (ATAL) scheme. It was conducted from 26-31 August 2024.

FDP ON GENERATIVE AI AND PROMPT ENGINEERING

The Department of CSE (AI & ML) organized a five-day FDP on "Generative AI and Prompt Engineering" from 19-23 August 2024.The program began with an inaugural session. The session was hosted by Dr. A. Vegi Fernando, Associate Professor. Dr. Rudra Murthy V. R. was also part of the inaugural event.

FACULTY DEVELOPMENT PROGRAM (FDP) ON "INTEL AI FOR FUTURE

A 5-day Faculty Development Program on "Intel AI for Future Workforce" was organized by the Department of Computer Science and Technology.
The program focused on building basic understanding of AI and its applications in education.
Topics included Machine Learning, NLP, Computer Vision, and Robotics.
The FDP was attended by 50 faculty members from the School of Engineering at DSU.

WORKFORCE INTERNAL HACKATHON: A STEP TOWARDS SIH 2024 EXCELLENCE

The School of Engineering at Dayananda Sagar University organized a one-day Internal Hackathon through the Department of Computer Science & Engineering.
The event was held on 6 September 2024 at A Block Lecture Hall 2 from 9:00 AM.
It aimed to encourage teamwork and innovative thinking among students.
The hackathon promoted problem-solving and technological creativity within the university.

INDUSTRY VISIT TO IBM

The Department of Computer Science Engineering at Dayananda Sagar University organized an industry visit to IBM on 5 September 2024. The visit was conducted exclusively for faculty members to enhance their industry exposure. Participants gained insights into IBM's ongoing research and technological innovations. The sessions highlighted advancements in Artificial Intelligence. Key discussions also covered Cloud Computing and Quantum Computing. Cybersecurity trends and real-world industry applications were another major focus area.

ALUMNI TALK SERIES SESSION-5: "THE SPARK THAT IGNITED: HOW RESEARCH FUELED MY PASSION"

The Department of Computer Science and Engineering organized Alumni Talk Series Session-5 on 14 September 2024. The talk, titled "The Spark that Ignited: How Research Fueled My Passion," was for 5th and 7th semester CSE students. The speaker was Nyrika Bhargavaram

Renuka, an alumna and Software Engineer II (AI/ML) at Lucid Motors. She shared her academic journey and experience in AI/ML applications in the automotive industry.

DEVHACK 2024: NATIONAL HACKATHON

DevHack, a 36-hour hackathon, was held on 27 - 28 September 2024. The event brought together talented students from across India. With a prize pool of ₹3 lakhs, including ₹2 lakhs in cash, students worked on real-world problems. The hackathon encouraged innovation, teamwork, and practical problem-solving skills.

TEACHER'S DAY CELEBRATIION

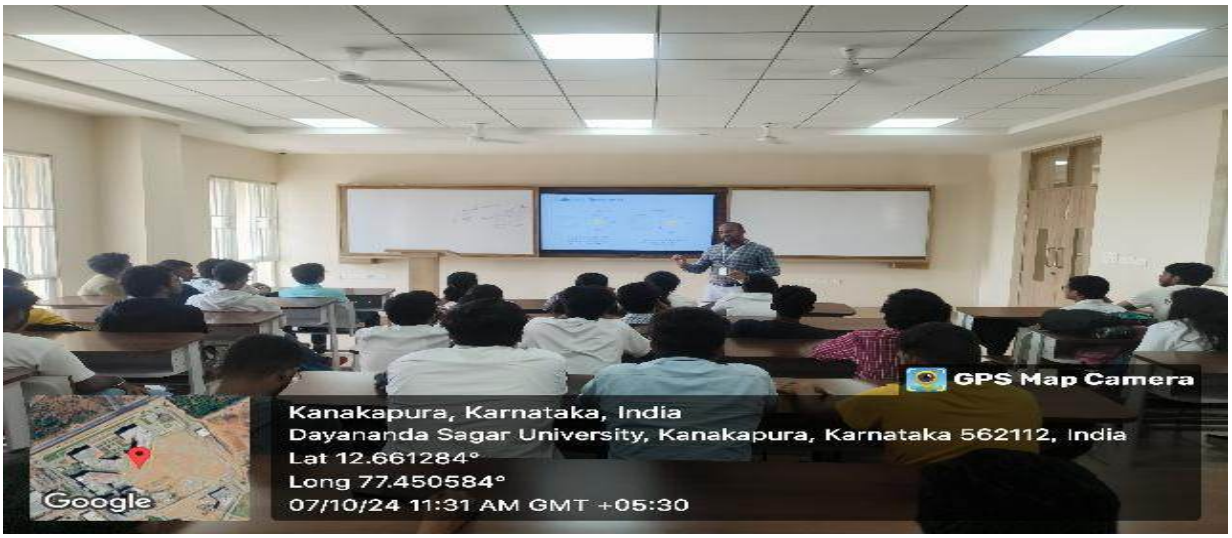
The Department of Computer Science & Technology celebrated Teacher's Day on 5 September 2024 with great enthusiasm, paying tribute to the dedication and hard work of educators who shape the future.

INDUSTRIAL VISIT

CST students of DSU visited the Harohalli Industrial Area on 25 September 2024. The visit helped students understand real-world industrial operations and applications of theory. They interacted with managers and workers to identify problems and automation needs. The experience enhanced practical knowledge and supported their future career growth.

WORKSHOP ON CLOUD COMPUTING ESSENTIALS: HANDS-ON WITH AWS

The IEEE Computer Society Student Chapter of the Department of Computer Science and Engineering organized a workshop titled "Cloud Computing Essentials: Hands-on with AWS" on 3-7 October 2024. The workshop introduced students to basic cloud computing concepts and the use of AWS tools. Dr. Arun Kumar Gopu and Prof. Bharath M B led the sessions and shared their practical knowledge of AWS services.



VISIT OF JAPAN INDUSTRY DELEGATES TO DSU FOSTERS ACADEMIC AND RESEARCH COLLABORATION

DSU hosted industry delegates from Funai Soken, Tokyo, Japan on 21 October 2024. The delegates included Mr. Kohe Vamane, Mr. Ryuji Ueda, and Mr. Vemula Maneesh. The visit focused on discussions about academic and research collaboration. It aimed to align DSU's curriculum and research with global industry standards.

Expert-Talk- Bulding Smart Models: Utilizing Datasets to Optimize Machine Learning Outcomes

The Department of Computer Science & Engineering (AI & ML) organized an expert talk titled "Building Smart Models: Utilizing Datasets to Optimize Machine Learning Outcomes," on 08 October 2024, delivered by Mr. Vinothkumar Kolluru, Senior Data Scientist at Apple, USA. He explained the basic steps for handling and optimizing datasets to build effective machine learning models for students and faculty members.

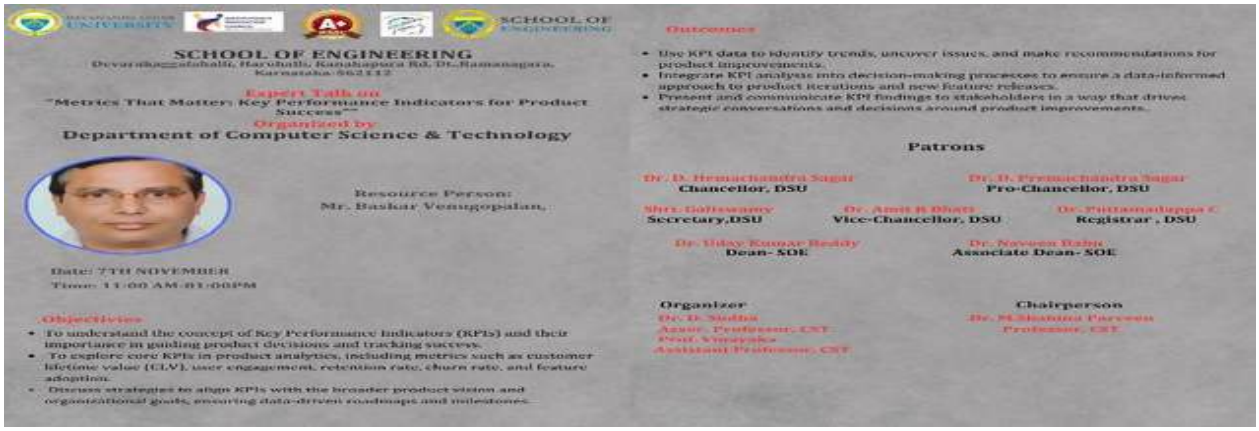
OUTREACH ACTIVITY - ART OF LIVING INTERNATIONAL CENTER

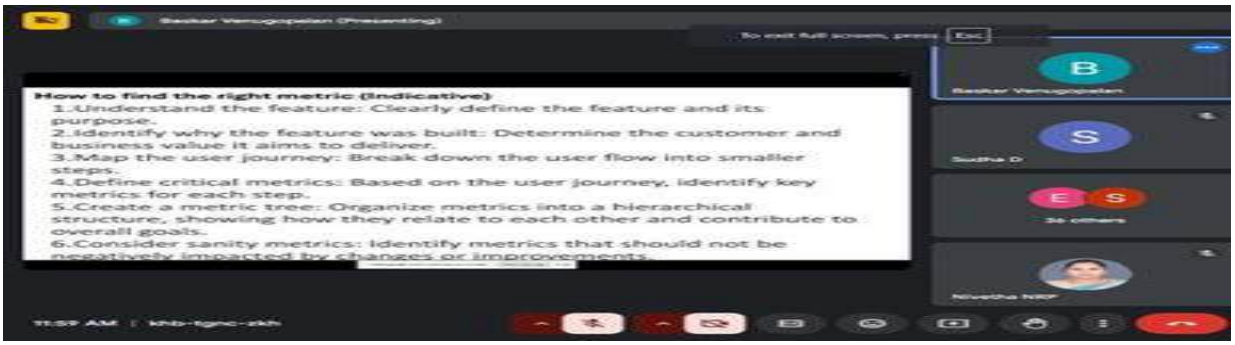
The Department of CSE (AI&ML) organized a two-day outreach activity to the "Art of Living International Center" Bangalore on 11-12 November 2024, providing students and faculty with an enriching experience focused on holistic practices, mindfulness, and cultural values. The

event included a Bhastrika Pranayama session and a 20-minute guided meditation, promoting stress relief and mindfulness.

EXPERT TALK ON "METRICS THAT MATTER: KEY PERFORMANCE INDICATORS FOR PRODUCT SUCCESS"

The Department of Computer Science & Technology organized an expert talk titled “Metrics That Matter: Key Performance Indicators for Product Success” for 7th-semester students on 7 November 2024. The session focused on understanding and using key metrics to drive product success. The expert speaker shared practical insights on selecting, analyzing, and applying KPIs for better product decisions.





INDUSTRIAL VISIT TO BOSCH BIDADI PLANT

3rd-semester Mechanical Engineering students visited the Bosch Bidadi Plant on 29 November 2024. The visit was guided by Mr. S. Ravindran, who gave a warm welcome and showed the students the manufacturing facility. Students observed modern production processes such as automation, robotics, and testing of automotive components. The visit was coordinated by Dr. P. M. G. Bashir Asdaque and Dr. Manish Mishra, with Mr. S. Ananth as the student coordinator.

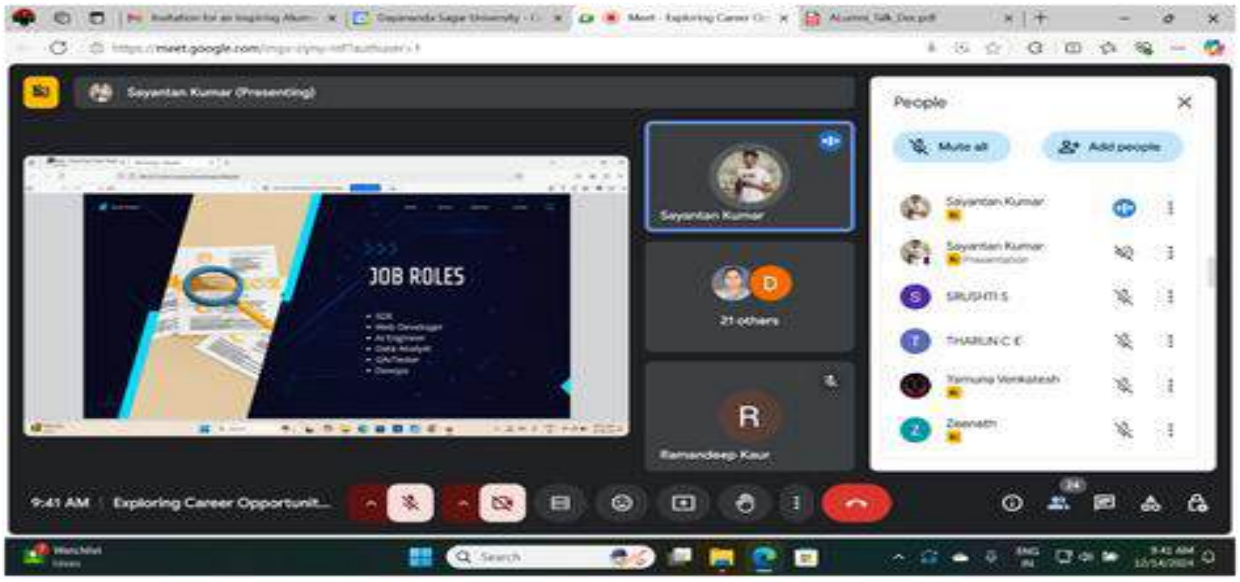
AN EXPERT TALK ON "AI SOLUTIONS FOR HEALTHCARE 4.0

The Department of Computer Science & Engineering (AI & ML) organized an expert talk on "AI Solutions for Healthcare 4.0" for 5th-semester AI & ML students on 13 December 2024. The session was delivered by Dr. Sulaxan Shankar Jadhav, Adjunct Faculty at Symbiosis School of Economics. He explained how AI is used in healthcare for diagnostics, predictive analysis, personalized treatment, and smart health monitoring.

He also discussed challenges like data privacy, ethics, and the importance of responsible AI use in healthcare.

ALUMNI TALK - EXPLORING CAREER OPPORTUNITIES

The Department of Computer Science & Technology has organized alumni talk titled "Exploring Career Opportunities: Job Descriptions, Skills, and Industry Trends." The event, held on 14 December 2024, was a resounding success, providing valuable insights and guidance to our students. Esteemed speaker Mr. Sayantan Kumar, Mr. Kumar



WORKSHOP ON "BRIDGING AI AND NLP" AT THE INSTITUT DE TECHNOLOGY DU CAMBODGE, PHNOM PENH, CAMBODIA

Prof. Arjun krishnamurthy, faculty at the department of CSE, SOE. DSU was invited to institut de technologie du cambodge in phnom penh, cambodia as guest speaker for a workshop on 2 january 2025. The workshop was held at département de génie informatique et communication. The institute of technology of cambodia (itc) is the best of cambodia's higher education institutions. Prof. Arjun successfully conducted the workshop, titled "bridging ai and nlp", focused on introducing the fundamental concepts of artificial intelligence (ai) and natural language processing (nlp) and their diverse applications in various industries.

AICTE ATAL - SIX-DAY ONLINE FACULTY DEVELOPMENT PROGRAM ON "AI AND NEXT-GEN TECHNOLOGIES FOR A SUSTAINABLE WORLD: BREAKTHROUGHS IN HEALTH, AGRICULTURE, AND INTELLIGENT INFRASTRUCTURE.

School of Computer Applications and the Department of Computer Science and Engineering, School of Engineering, organized FDP program on "AI AND NEXT-GEN TECHNOLOGIES FOR A SUSTAINABLE WORLD: BREAKTHROUGHS IN HEALTH, AGRICULTURE, AND INTELLIGENT INFRASTRUCTURE.and is generously supported by AICTE-ATAL from 6-11 January 2025. This program welcome notes were delivered by Dr. Udaya Kumar Reddy K R, Dean SoE, DSU Followed by Presidential

address by Vice Chancellor, Dr. Amit Bhatt, DSU and vote of thanks by Dr. Girisha G S, Professor & Chairperson CSE, DSU.

INSPIRATIONAL TALK ON "EMPOWERING EDUCATORS: ELEVATING LIVES THROUGH PERSONAL AND PROFESSIONAL GROWTH"

The Department of CSE (AI & ML) organized an inspiring talk titled "Empowering Educators: Elevating Lives through Personal and Professional Growth." on 16 January 2025. The aim of the session was to provide educators with tools, insights, and strategies for fostering growth, both in their personal lives and professional careers.

FACULTY DEVELOPMENT PROGRAM ON EMBEDDED SYSTEM DESIGN USING ARM CORTEX

The faculty development program on embedded system design using ARM Cortex was conducted from 03-07 February 2025 with the objective of strengthening knowledge in

embedded systems through theory and hands-on learning. The program covered embedded system fundamentals, hardware–software integration, RTOS, communication interfaces, debugging tools, and embedded C programming with sensor interfacing. Participants gained practical insights into real-world applications in automotive, healthcare, and IoT domains. The sessions were conducted by Mr. Vishnu and Mr. Sridhar from Learnfella Technologies and were attended by 55 faculty members from the CSE cluster, 8 students, and 2 faculty members from other departments.

AWARENESS PROGRAM ON ELEPHANTIASIS IN T.HOSAHALLI VILLAGE - NSS Activity

The NSS student volunteers of Dayananda Sagar University conducted an awareness program on Elephantiasis (Lymphatic Filariasis) in T. Hosahalli village, Karnataka on 14 February 2025. The primary aim of this initiative was to educate the local community on the causes, symptoms,

preventive measures, and treatment options for this disease, which is a major public health concern in many rural areas.

INDUSTRIAL VISIT "ISRO-URSC BENGALURU"

Faculty members and students from the CSE Department had the opportunity to visit the UR Rao Satellite Centre (URSC) in Bangalore, a leading facility for satellite development and space research in India on 17 February 2025. The visit provided an insightful look into the various stages of satellite development, from initial design and manufacturing to final launch preparations. An

expert at the exhibition guided us through a detailed session, explaining the role of India's national leaders and scientists in shaping the space program.

NATIONAL SERVICE SCHEME "ANTI-RAGGING AWARENESS ACTIVITY

The Anti-Ragging Awareness Activity was conducted by the CSE (AI & ML) on 20 February 2025. The event, chaired by Dr. Jayavrinda Vrindavanam V and coordinated by Dr. Shreyas Rajendra Hole, aimed to educate students on the harmful effects of ragging and promote a safe, inclusive campus culture.

WORKSHOP ON: "RESEARCH PAPER WRITING USING LATEX

The department of computer science & technology organized a workshop on "research paper writing using LaTeX" on 18 February 2025, led by Prof. Junaid, assistant professor, CST, DSU. A total of 96 students participated and successfully completed the session. The workshop provided insights into research fundamentals, scholarly writing, proper citation, and evaluation of research studies. The event was organized by Prof. M. Chithambarathanu, Assistant Professor, CST.

ALUMNI TALK – "APPLICATION OF SATELLITE IMAGE PROCESSING"

The alumni talk organized by the department of computer science and engineering and the VIVA club on 06 March 2025 featured alumni Shrusti B. Yalgudri and Sumukh Sankarshana M, who shared their career journeys and research experiences. The session was inaugurated by Dr. Rajesh T. M., who highlighted their contributions to research and innovation. The speakers explained how their interest in research developed during their work on the "satellite image processing" project, which revealed the real-world impact of research.

FACULTY DEVELOPMENT PROGRAM ON RECENT TECHNOLOGIES AND INNOVATION IN MECHANICAL ENGINEERING

The faculty development program titled "recent technologies and innovation in mechanical engineering (RTIME-2025)" was organized by the department of mechanical engineering, KK University, Nalanda, in collaboration with Dayananda Sagar University, Bengaluru from 03-10 Fabruary 2025. The week-long program focused on emerging technologies, advanced research areas, and industrial applications in mechanical engineering.The event was conducted successfully with excellent participation and positive feedback from attendees.

FACULTY DEVELOPMENT PROGRAM ON LOW-FREQUENCY NVH SND AUTOMOTIVE APPLICATIONS USING ABAQUS

The department of mechanical engineering at Dayananda Sagar University organized a one-week faculty development program on low-frequency NVH and automotive applications using Abaqus from 24–28 March 2025, featuring expert sessions on NVH fundamentals, automotive applications, and vibration measurement techniques. Participants benefited from live demonstrations, virtual NVH lab tours, in-depth discussions on essential dynamics concepts, and hands-on training in Abaqus for vibration analysis. The program concluded with a session on NVH curriculum development, enriching the participants' technical and academic expertise.

WOMEN'S DAY 2025 CELEBRATION

The Women's Day celebration was organized by CSE department 08 March 2025 by honouring the contributions and achievements of women.

EXPERIENTIAL LEARNING VISIT TO NOKIA – A TRANSFORMATIVE INDUSTRY EXPOSURE FOR DSU STUDENTS

The 4th and 6th semester students at Dayananda Sagar University (DSU) had an enriching Experiential Learning Visit to Nokia Bangalore on 18 March 2025. The visit aimed to bridge the gap between theoretical knowledge and real-world industry applications in telecommunications, 5G technology, and network security. Students participated in interactive sessions, lab demonstrations, and hands-on activities led by industry experts. Evolution of Networks (2G to 5G) – Insights into the rapid advancements in mobile communication. Lab Demonstrations – A first-hand experience with 5G base stations, network infrastructure, and real-time signal processing.

INDUSTRIAL VISIT TO KMF-NANDINI MILK DAIRY

The industrial visit to Nandini Milk Dairy (BAMUL), Bengaluru, was organized for 4th-semester mechanical engineering students as part of ISHRAE Club activities on 26 March 2025. The visit provided practical exposure to dairy processing operations such as milk testing, pasteurization, homogenization, and automated packaging. Students observed key mechanical systems, cold storage management, hygiene protocols, quality control procedures, and the effluent treatment plant, highlighting sustainability practices. Overall, the visit helped students connect theoretical concepts with real-world industrial applications.

INNOVATION PATENT DRAFTING AND STARTUP WORKSHOP

The Innovation, Patent Drafting and Startup Registration workshop was conducted on the 3rd, 10th and 11th of March 2025 and over 120 students from 4th and 6th sem (CSE) attended the workshop. In the workshop, the students were given the opportunity to choose their interests area and identify problems.

INDUSTRIAL VISIT TO VAIDYUTHI MOBILITY

The Department of CSE (AI & ML) at Dayananda Sagar University is organized an industrial visit to Vaidyuthi Mobility (VM) on 6-7 March 7, 2025, for VI semester students. This visit aims to provide firsthand exposure to cutting-edge advancements in electric vehicle (EV) technology and AI integration in the automotive sector. Approximately 60 students will participate each day, with transportation arranged via university buses.

TECH TALK ON "TRANSITION FROM BUSINESS INTELLIGENCE TO DECISION INTELLIGENCE"

The tech talk on "Transition from Business Intelligence to Decision Intelligence" was organized by the Department of Computer Science and Engineering held on 08 April 2025 to explore the evolution of data-driven decision-making, highlighting how organizations can move beyond traditional analytics to smarter, AI-powered insights. This event aligns with the UN Sustainable Development Goal 9 (Industry, Innovation, and Infrastructure) by promoting innovation in data technologies and fostering intelligent infrastructure that supports sustainable economic growth and informed decision-making across industries.

WORLD HEALTH DAY CELEBRATION

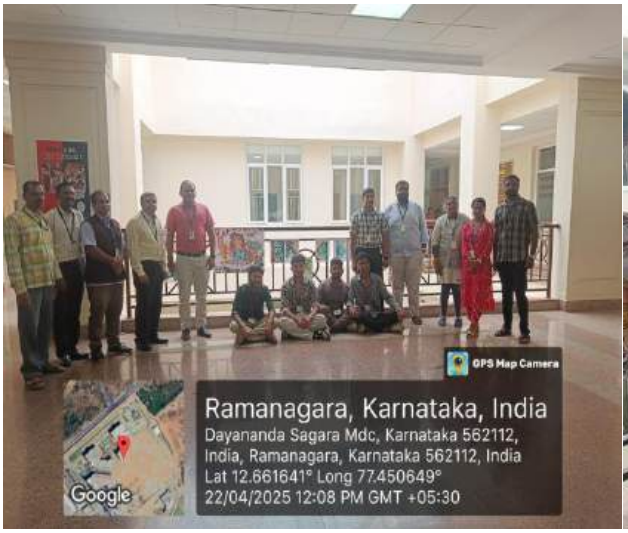
The session on "Healthy Beginnings, Hopeful Futures," on World Health Day 2025 was organized by the Department of Computer Science and Engineering on 07 April 2025. focused on guiding students to maintain good health, especially during the summer months. The event highlighted practical wellness tips, hydration, nutrition, and mental well-being. It supports the UN Sustainable Development Goal 3 (Good Health and Well-being) by promoting healthy lifestyles among youth and fostering awareness for long-term physical and mental health resilience.

WORKSHOP ON "LATEX- FUNDAMENTALS: CRAFTING RESEARCH ARTICLES"

The 3 – days workshop titled "LaTeX – Fundamentals: Crafting Research Articles, Presentations, and Reports" was organized by the Department of Computer Science and Engineering from 07-09 April 2025. The workshop was led by Dr. Savitha Hiremath, LaTeX expert, who brought valuable insights into the art of scientific writing and technical documentation.

WORLD EARTH DAY CELEBRATION

The Department of Computer Science and Engineering, School of Engineering, Dayananda Sagar University, celebrated Earth Day on 22 April 2025 with great enthusiasm and a profound sense of responsibility towards our planet. This meaningful event was organized as an initiative to create awareness among students and staff about the importance of environmental conservation and sustainable living practices. As part of the celebrations, a Poster Exhibition was conducted, showcasing the creativity and concern of our students about environmental issues. The exhibition served as a powerful medium to communicate vital messages about protecting nature, conserving resources, and adopting eco-friendly lifestyles.



DSU TECHFLIX - HACK' IN BAD - 24-HOURS NATIONAL LEVEL HACKATHON

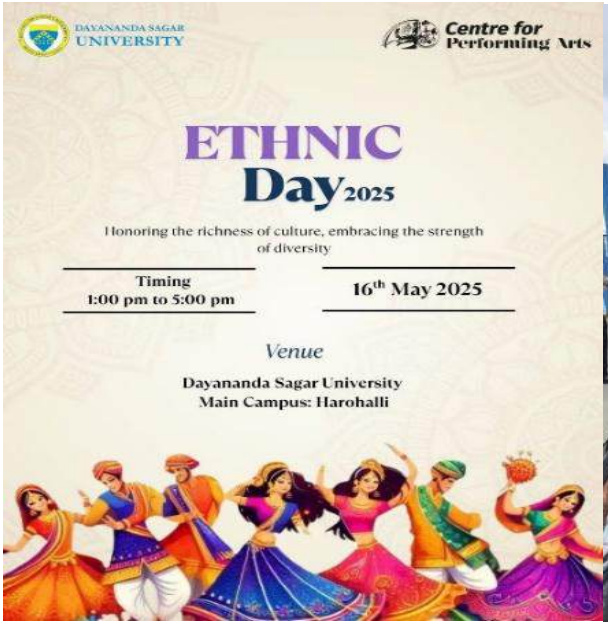
TECHFLIX - Hack' in Bad, a 24-hour National Level Hackathon Competition was organized by DSU-ACM Student chapter under TechFlix 2025 by the Department of Computer Science and Engineering, from 25-26 April 2025. Hack' in Bad, a 24-hour National Level Hackathon, bringing together some of the brightest and most creative minds across the country. This event is designed to ignite innovation, inspire problem-solving, and foster collaboration among budding tech enthusiasts.

PROJECT EXPO CSE(AI&ML) "TECH PARK 2.0

TECH SPARK 2.0, held on 26 April 2025 in the department of AIML. Dr. Jayavrinda Vrindavanam, Chairperson of the AI & ML Department, introduced the events. She spoke about key technological advancements in solving real-world problems. Emphasizing the importance of interdisciplinary learning and innovation, she motivated students to actively participate, setting an inspiring tone for the event.

ETHNIC DAY CELEBRATION

The Department of Computer Science and Engineering celebrated Ethnic day on 16 May 2025. Ethnic Day is a cultural celebration that highlights the beauty and diversity of traditional customs, attire, and practices. It provides a platform for individuals to express their cultural roots with pride by wearing ethnic outfits and participating in various traditional activities such as music, dance, and food festivals.



EXPERT TALK AT THE 1 WEEK FDP ON GENERATIVE AI AND FUTURE COMPUTING

Dr. Natarajan Venkateswaran, Professor of Practice and Dr. Poongodi, Professor, Department of Computer Science and Engineering, SOE, DSU delivered Expert Talks in the 1-week Faculty Development Programme (FDP) on "Generative AI and Future Computing" held at School of Advanced Studies, S-VYASA Deemed-to-be-University in Bengaluru from 12-17 May 2025.

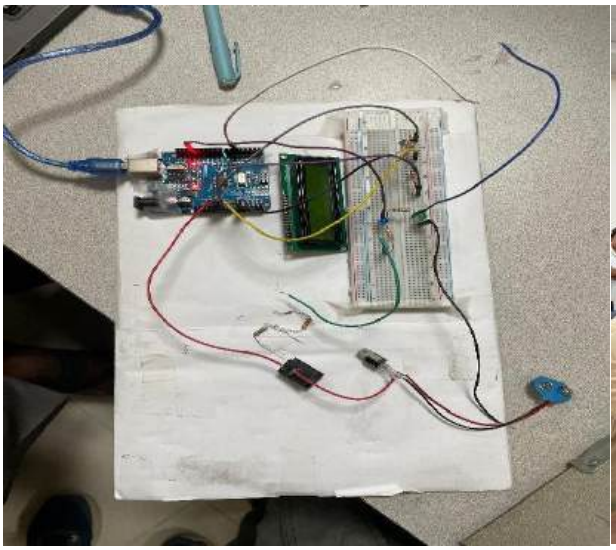
PROJECT EXPO 2025

The Department of Computer Science and Engineering conducted ProjectExpo 2025, an event organized for 8th semester CSE students to showcase their major projects on 24 May 2025. The main purpose of the event was to provide students with a platform to demonstrate their technical skills, creativity, and innovative thinking developed over the course of their academic journey.

MINI PROJECT EXPO – IOT AUTOMATION

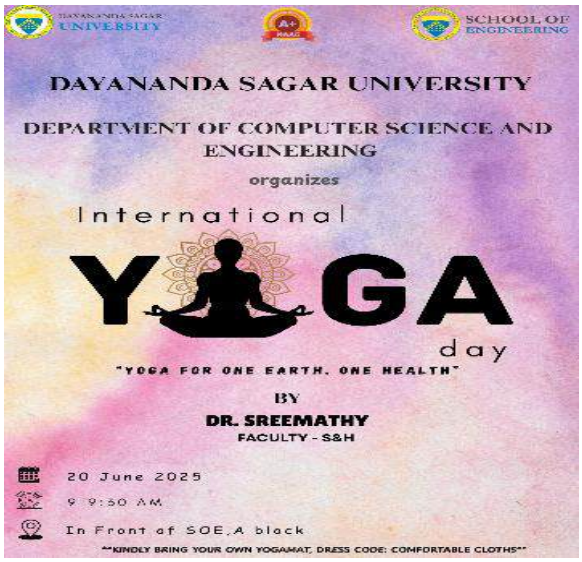
The Department of Computer Science and Engineering, School of Engineering successfully organized a Mini Project Expo on 26 May 2025 as part of the curriculum for the Skill Enhancement Course titled IoT Automation. The event showcased the creative and technical

capabilities of 4th semester students, who demonstrated a wide range of innovative projects applying Internet of Things (IoT) technologies to real-world automation scenarios. The expo aimed to provide students with a platform to practically implement the concepts learned in class and to enhance their hands-on skills in designing and developing IoT-based solutions.



INTERNATIONAL YOGA DAY CELEBRATION

The Department of Computer Science and Engineering, SoE, Dayananda Sagar University successfully conducted "International Yoga Day" - Yoga for one earth, one health on 20 June 2025 to spread awareness about the importance and benefits of yoga in our daily lives. Dr. Sreemathy, Faculty-S&H took a lead in guiding yoga (Guru) to all faculties of CSE department. Yoga is an ancient Indian practice that promotes physical, mental, and spiritual well-being. It helps improve flexibility, strength, and concentration, while also reducing stress and anxiety.



FDP ON "GENERATIVE AI AND FUTURE COMPUTING"

Dr. Natarajan Venkateswaran, Professor of Practice, Department of Computer Science and Engineering, SOE, DSU delivered Expert Talks at the FDP on "Generative AI and Future Computing" which was held from 16 – 20 June 2025, at JD College of Engineering and Management, Nagpur. The FDP was organized by the E&ICT Academy, IIT Guwahati, in association with the Department of Information Technology and Computer Science & Engineering (Data Science), JD College of Engineering and Management, Nagpur. Techvictus Consultancy Services Private Limited also provided us with support.

ENVIRONMENT DAY CELEBRATION

The department of CSE (Artificial intelligence and machine learning), Dayananda Sagar University was organized a vibrant and informative event on June 5, 2025 to commemorate world environment day 5 June 2025 under the theme "celebrate environment day – sustainable innovations." The event featured a sustainable product exhibition, where students showcased creative eco-friendly products and models that promote alternatives to single-use plastics. As part of the celebration, prof. S.V.K R Rajeswari delivered an engaging awareness talk on sustainable practices, emphasizing the use of glass, steel, paper, and cardboard over plastic.

FAREWELL DAY CELEBRATION FOR 2021-2025 BATCH

The AIML department has organized a farewell for outgoing batch of 2021–2025 organized on 6 June 2025. The event began with a warm welcome extended by the pre-final year students to their seniors. This was followed by a group photo session, capturing cherished moments.

8.3 SCHOOL OF LAW

CRIME SCENE INVESTIGATION COMPETITION: UNVEILING THE DETECTIVE IN LAW STUDENTS:

The School of Law, DSU, hosted a thrilling Crime Scene Investigation Competition on 09 November 2024, with 13 teams showcasing analytical and investigative skills. The murder-mystery challenge tested logic, teamwork, and communication. Winners were Richard, K. Karthik, and Benantion. Mohd Rayaan won Best Suspect. The event was coordinated by faculty members.

EVENTS ORGANIZED BY LEGAL AID CELL:

The Legal Aid Clinic, School of Law, DSU, organized a workshop on 17 January 2025, sensitizing students to social justice and welfare schemes. Sessions covered senior citizens' rights, victims of acid attacks, and unorganised sector workers. Expert faculty highlighted NALSA schemes and legal frameworks, empowering students with practical legal insights.

On February 22, 2025, the Legal Services Clinic, School of Law, DSU, held a legal awareness program in Gotegahalli village to educate residents on legal rights, welfare schemes, and dispute resolution. Faculty and students engaged villagers through interactive sessions, fostering legal literacy and strengthening access to justice at the grassroots.

On March 17, 2025, the Legal Services Clinic, School of Law, DSU, organized a Consumer Rights Rally to mark World Consumer Rights Day. Focusing on COTPA, 2003, students spread awareness on tobacco hazards and consumer health rights, promoting informed communities and reinforcing the need for stronger legal enforcement.

On March 27, 2025, the Legal Services Clinic, School of Law, DSU, conducted a Legal Awareness Program at Spurthy Law College, Anekal. Covering issues like Fundamental Rights, women empowerment, cyber bullying, and consumer protection, the session promoted responsible citizenship and highlighted law's role as a tool for social change.

WORKSHOP ON TRADEMARK LAW: PROSECUTION, PRACTICE, AND LITIGATION:

The Centre for Corporate and Commercial Law, School of Law, DSU, organized a workshop on "Trademark Law in India – Prosecution, Practice, and Litigation" on 28 February 2025 led by Ms. Geethanjali K.V., Associate at Lakshmikumaran & Sridharan, the session blended statutory insights, practical prosecution steps, and case-based learning for students.

DSU SCHOOL OF LAW HOSTS WOMEN'S CRICKET LEAGUE ON INTERNATIONAL WOMEN'S DAY

The School of Law, DSU, hosted a Women's Cricket League to mark International Women's Day on 07 March 2025. The event celebrated inclusivity, teamwork, and leadership, offering female students a platform to showcase talent. It highlighted DSU's commitment to holistic education and empowering women through sports.

WOMEN'S DAY 2025: CELEBRATING STRENGTH AND EQUALITY

The Cultural and NSS Committees of the School of Law, DSU, celebrated International Women's Day with the theme "Accelerate Action." on 10 March 2025. The event featured poster-making, skits, and mime acts highlighting gender justice, creativity, and resilience, reinforcing DSU's commitment to inclusivity and women's empowerment.

WORKSHOP ON SOFT SKILLS BUILDING BY INTERNSHIP AND PLACEMENT CELL:

The Internship and Placement Cell, School of Law, DSU, organized a Workshop on Soft Skills Building on 12 March 2025 led by Mr. Amlan Bhattacharya, PowerSkills Coach at Capgemini. Covering CV drafting, LinkedIn profiling, networking, and career planning, the session equipped students with essential tools for professional growth and employability.

MASTERCLASS ON CONTRACT DRAFTING & NEGOTIATION EMPOWERS LEGAL MINDS:

The School of Law, DSU, hosted a masterclass on Contract Drafting & Negotiation by Dr. Pratima Narayan, Founder Partner at Techlawlogi Consulting LLP. Through interactive exercises, students gained practical insights into contract principles, negotiation strategies,

and risk management, reinforcing DSU's commitment to experiential learning on March 14, 2025.

INTRA MOOT COURT COMPETITION 2025 | SCHOOL OF LAW, DSU

The School of Law, DSU, hosted its Internal Moot Court Competition 2025 on environmental and constitutional law on 21 March 2025. Students showcased strong advocacy, research, and analytical skills. The team of Kartick Kumar, Ben Antonio, and Jnanashree S emerged as Best Team, reflecting DSU's commitment to practical legal training.

CARROM TOURNAMENT 2025 | SCHOOL OF LAW, DSU

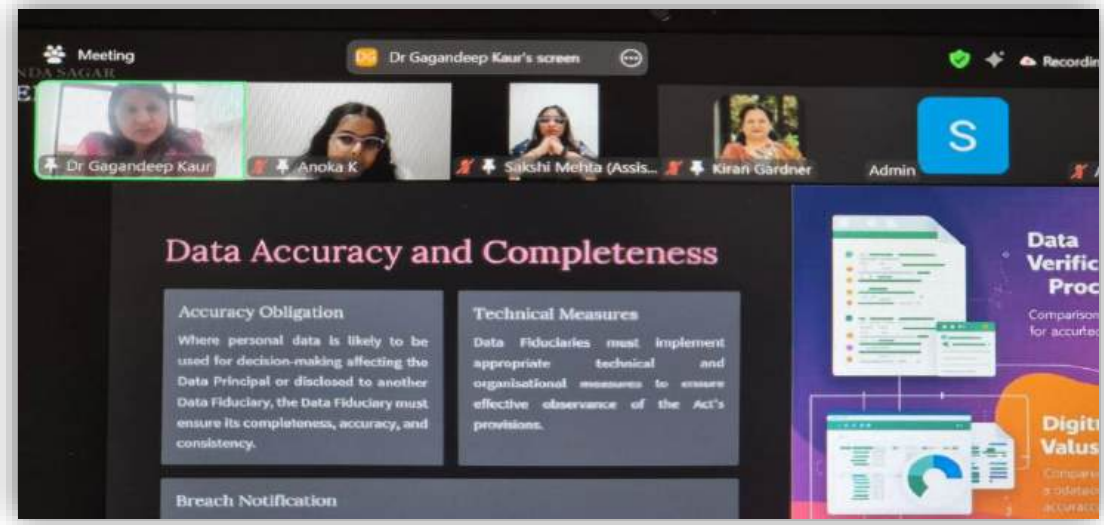
The School of Law, DSU, hosted a Carrom Tournament featuring Singles and Doubles categories with enthusiastic participation on 24 March 2025. Kushi Kishor won Singles, while Sania Dennis and Farjad Sareer clinched the Doubles title. The event fostered strategy, sportsmanship, and student engagement through indoor sports.

SESSION ON STARTUPS AND INCUBATORS BY LEGAL INNOVATIVE RESEARCH CENTRE

The Legal Innovative Research Centre, School of Law, DSU, hosted a session on 28 March 2025 about the "Startups and Incubators" with Mr. Vinod Shankar (CEO, AIC-DSU Innovation Foundation) and Mr. Satyanarayana B.V. (CEP, DERBI Foundation). The speakers shared insights on innovation, resilience, and incubators' role in nurturing

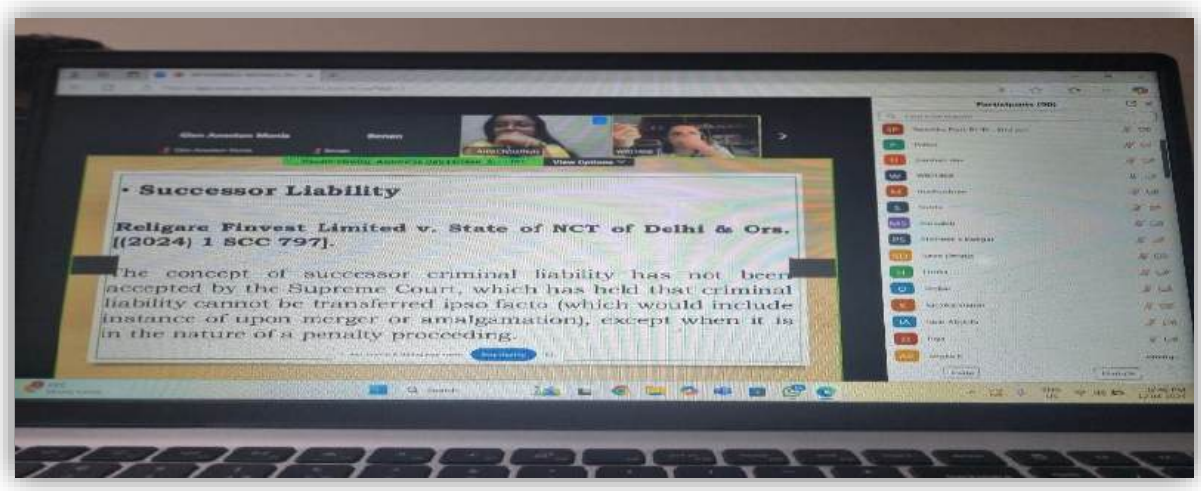
DSU HOSTS WEBINAR ON EMERGING TECHNOLOGIES AND DATA PROTECTION:

The Centre for Cyber Legal Excellence, School of Law, DSU, hosted a webinar on "Understanding Emerging Technologies and Data Protection Issues" led by Dr. Gagandeep Kaur, Associate Professor, UPES Dehradun on 08 April 2025. The session explored GDPR, DPDP Act, AI, quantum computing, and cybersecurity breaches, fostering awareness on tech-driven legal challenges



EXPERT WORKSHOP EXPLORES CRIMINAL LAW AND ENVIRONMENTAL CRIMINOLOGY:

The School of Law, DSU, through its Centre for Advanced Criminal Law and Environmental Criminology (CACLEC), hosted a workshop on "Contemporary Issues in Criminal Law and Environmental Criminology" on 12 April 2025.Dr. Aishwarya Deb, Judicial Magistrate, West Bengal, shared insights on privileged class deviance, environmental crimes, and research's role in shaping policy.



EXPLORING THE FUTURE OF DISPUTE RESOLUTION:

The Centre for Alternative Dispute Resolution, School of Law, DSU, organized a session on Mediation led by Dr. Pratima Narayan, Founder Partner at Techlawlogi Consulting LLP on 21 April 2025. The interactive session highlighted ADR mechanisms, emphasizing mediation's role in timely, amicable dispute resolution and inspiring students to explore ADR in practice.

8.4 SCHOOL OF ARTS & HUMANITIES, CJMC

SAMVAHANA AWARADS:

Ramya Joshi, of BA (Journalism and Mass Communication), 2021 batch, was felicitated by PRCI's Bangalore chapter with the 'Story Creator' Youth Communicator Club Award as part of the State Samvahana Awards Ceremony on 2 August 2024.

10-DAY ORIENTATION

The ninth batch of students joined on Aug 19 2024, CJMC, DSU. Ayesha Khanum, Chairperson, Karnataka Media Academy and veteran journalist T. S. Latha, Chief Public Relations Officer, Karnataka State Road Transport Corporation (KSRTC) were the guests of honour. Dr. Amit Bhatt, Honorable Vice Chancellor, Dayananda Sagar University, attended the inauguration program of the orientation day.

On 21 August, Wednesday, Pratiba Raman, Deputy Editor, NDTV, Bengaluru, told students about the skills and qualities required for TV journalism and her recent reporting of the landslide in Wayanad. John Thomas, Thomas, Veteran Journalist and former Director, Indian Institute of Journalism and New Media (IIJNM), spoke to students about the challenges and joys of journalism.

Sushma Lingraj, Life Coach, Dayananda Sagar Institutions (DSI), addressed the students.

On 22 August 2024, Thursday, Sridhar Vivan, Metro Editor, Bangalore Mirror, told students about the exciting challenges journalists face and how they manage it.

Award-winning forensic document and handwriting expert and graphologist S.S. Suchitra Tarun, connected to the High Court of Karnataka as expert witness and to the police department, enlightened students about how handwriting analysis is used to solve complex crime cases and forgery.

On 23 August 2024, Friday, Hemant Soreng, Digital Marketer, Travel Enthusiast and Founder, Rustik Travels, threw light on the interesting and challenging world of travel, tourism and travel writing.

Gopalkrishna Vishwanath, a veteran "Quoran", structural engineer-turned social media Expert with a followership of more than 3 lakh youth, spoke to students about the growth of Quora and the questions he gets to reply.

Sridhar Comaravalli, banker-turned-cartoonist, regaled students with on-the-spot cartoons for students.

Dr. Nagesh Prabhu, Deputy Editor, The Hindu, spoke about the relevance of the rigours of print journalism and how today's integrated newsroom requires journalists to be well-informed, quick and hardworking.

Sneha Rao, HR Professional, technical writer and founder of Ananya, A foundation for Happiness, talked about how to recognize signs of problems in mental health and how to seek help.

Xavier Prabhu, Founder and CEO, PR Hub, told students of CJMC, DSU that they must either be more creative than AI or be able to handle it.

Professor Dinesh Kulkarni, Dean, School of Design and Transmedia, DSU, told students about the art of story-telling in the short format, across media.

On 28 August 2024, Wednesday, the students visited DSU's Harohalli Campus for an interaction with Dr Pushpa Sarkar, Dean, SAHS, DSU, for an orientation on basic healthcare, medicine, nursing, nutrition, fitness, physiotherapy, and mental and physical well-being. They walked around the campus to see the facilities it has.

On 29 August 2024, Thursday, Abira Banerjee and Shree conducted a Social Media Marketing Workshop and Shree, Cinematographer and Editor, Founder, CrazyMindz, spoke to the students.

FIELD VISITS:

Students of Second Year CJMC, DSU, and Third Year BA (JMC) (Reporting and Editing) visited the Bangalore Press Club on 4 November 2024. The visit gave students first-hand experience of attending a live press conference and asking questions. Lakshmana Kuchi, visiting faculty and veteran journalist from The Hindu and Hindustan Times, Delhi, and Editor of Southonomix.com, accompanied the students. The visit was coordinated by Prof. Renuka Phadnis, Associate Professor, CJMC.

WORKSHOP CONDUCTED:

On 26 November 2024, Vineeth Krishna and Anish, Senior Research Associates & Editor, Centre for Law and Policy Research, Co-Investigator, Pluralist Agreement and Constitutional Transformation (PACT), conducted PACT Indian Constitution Workshop, a three-hour workshop for students of Third Year, CJMC. The workshop was conducted coinciding with Constitution Day 2024.

.

CLPR has developed the ConstitutionofIndia.net website, which presents Constituent Assembly Debates and other constitutional materials in an interactive digital format. CLPR is also part of the Pluralist Agreement and Constitutional Transformation (PACT) project with SOAS University of London, University of Oxford, University of York, and NLSIU. The project aims to create new research, digital resources, and public outreach on Indian constitution-making and education. Over the years, CLPR has conducted nearly 60 constitutional history workshops across institutions in India, including national law schools, universities, and the Supreme Court of India. Students completed worksheets using the ConstitutionofIndia.net website, and the workshop was organized and coordinated by Prof. Renuka Phadnis.

PHOTO EXHIBITION:

CJMC Photo-exhibition was organized by the students as a part of their coursework on 18 December 2024. DSU Vice Chancellor Dr Amit Bhatt graciously inaugurated the exhibition in the CJMC studio. Students from other DSU schools were invited to view the photographs.

8.5.SCHOOL OF DESIGN AND DIGITAL TRANSMEDIA

3D PRINTING COMPETITION AND WORKSHOP ON NATION BUILDING

The Dr. APJ Abdul Kalam Design to Print: 3D Printing Competition and Workshop on Nation Building was organized by Alliance University and IEEE on 27-28 July 2024. The event saw active participation from the School of Design and Digital Transmedia, with contributions from Prof. Varun Ch, Rashmi Kulkarni, student Shwetha, and Prof. Vivek Wallabhdas. The workshop focused on integrating innovative 3D printing techniques with practical applications for nation-building. The initiative highlighted advanced 3D printing capabilities and emphasized the role of design in addressing national challenges, inspired by the vision of Dr. APJ Abdul Kalam.

INAUGURATION PROGRAM – B.DES

The Bachelor of Design (B.Des.) program for the academic year 2024-2025 was officially inaugurated on 5 August 2024. The event was marked by the presence of esteemed dignitaries, engaging performances, and insightful presentations that introduced the diverse specializations offered within the B.Des. program. The inauguration of the Bachelor of Design (B.Des.) program was a memorable and inspiring event. It not only introduced the new academic year but also set the stage for a creative journey ahead for the students. The blend of cultural performances, speeches, and presentations provided a holistic glimpse into the vibrant environment that the B.Des. program aims to foster.

INDUSTRY VISIT TO IKEA FURNITURE SHOWROOM

The visit to the IKEA furniture showroom at Nagasandra, Bangalore, took place on 07 August 2024 with the objective of exploring products and interior design features. The showroom showcased well-executed layouts with creative setups highlighting various design themes and solutions. Interactive digital displays and product customization stations allowed visitors to experiment with design options and visualize changes. Overall, the visit was a rewarding experience that highlighted IKEA's strong position in the home furnishings market.

WORKSHOP: LIFE COACHING SESSION BY MS. SUSHMA LINGARAJ

WORKSHOP: PLACEMENT SESSION BY MR. VIJAY (DIRECTOR-PLACEMENTS) AND (MS. PRAVEENA S. HEAD, TRAINING & OPERATIONS – CENTRE FOR INNOVATION & LEADERSHIP) FOR B.DESIGN STUDENTS

A placement orientation session was conducted on 14 August 2024 by Mr. Vijay, Director of Placements at Dayananda Sagar University, along with Ms. Praveena S., Head – Training and Operations, Centre for Innovation and Leadership, Dayananda Sagar Institutions. The session was designed for first-semester B.Design students to introduce them to the placement process, industry expectations, and required skill sets. It emphasized early preparation for placements in the competitive design industry.

WORKSHOP: POTTERY WORKSHOP

The pottery workshop was organized for the 1st-semester B.Design students at the School of Design and Digital Transmedia on 13 August 2024. The workshop was conducted by Mr. Arun, a seasoned expert with 15 years of experience in the field of clay and pottery. The hands-on session allowed students to explore the art of sculpting and creating clay models while learning the intricacies of pottery. The workshop was aimed at enhancing students' understanding of form, texture, and the tactile nature of design through traditional craft techniques.

WORKSHOP: PAINTING TECHNIQUES WORKSHOP MS. SHEETAL C.S.

Ms. Sheetal C.S. conducted an engaging and informative session on painting techniques for the 1st-semester B.Design students on 6 August 2024. The session was held in the department of School of Design and Digital Transmedia, aimed to introduce students to various painting methods, tools, and mediums while encouraging creativity and expression in their artistic practice.

INDUSTRIAL VISIT TO FRONTIER DESIGN FACTORY, BANGALORE

The students and faculty of the B.Design program from Dayananda Sagar University

had the opportunity to visit Frontier Design Factory, a premier design and manufacturing hub in Bangalore on 27 September 2024. The visit provided insights into the practical applications of design and the integration of advanced technologies in product development, offering students a real-world perspective on design as a profession.

NSS YUVA ACTIVITY - DRAWING COMPETITION AT T. HOSAHALLI GOVERNMENT SCHOOL

The 1st Semester B.Design students from the School of Design and Digital Transmedia, Dayananda Sagar University, participated in an NSS YUVA activity at T. Hosahalli Government School on 20 August 2024. They organized a drawing competition also for students from LKG to 6th standard on the theme "Colors of India" to celebrate Independence Day. The event encouraged creativity, patriotism, and meaningful interaction between B.Design students and school children.

ONAM & GANESHA CHATURTHI CELEBRATION:

Student Affairs and SDDTM have organized a vibrant celebration of Onam and Ganesha Chaturthi on 13 September 2024. The event featured cultural performances and traditional rituals, bringing students and faculty together in a spirit of unity and joy. Students showcased their creativity in the Kolam competition, with one team

winning first place, making the celebration memorable and engaging.

WORKSHOP ON MASTER CLASS: DESIGN THINKING BY PROF. GINEVRA FRANCHI:

Master class on Design Thinking was organized by the International Affairs & Relations of Dayananda Sagar University for B.Design students on 18 September 2024. The session, led by Prof. Ginevra Franchi from Italy, took place in Gallery Hall 1 at Dayananda Sagar University, Kudlu Gate, Bengaluru, and was attended by B.Design students. This initiative aimed to expose students to global perspectives and innovative approaches in the design industry.

INDUSTRIAL VISIT TO THE INSTITUTE OF WOOD SCIENCE AND TECHNOLOGY

The B.Design students from Dayananda Sagar University visited the Institute of Wood Science and Technology (IWST) on 25 October 2024 to gain practical insights into wood science, technology, and sustainability. The visit helped students understand wood-processing techniques, material properties, and their applications in design. It effectively bridged the gap between theoretical learning and industry practices. The experience enriched students' perspectives on sustainable materials and expanded their design possibilities.

INDUSTRIAL VISIT TO YELLOW CHALK - UI/UX STUDIO

The B.Design students from Dayananda Sagar University visited Yellow Chalk UI/UX Studio to gain insights into professional UI/UX design practices. The visit aimed to bridge the gap between theory and real-world application through exposure to a studio environment. The studio team presented a detailed project case study covering UX research, personas, wireframing, UI design, and development. The interactive session allowed students to discuss industry practices, client feedback, and design trends, making the visit highly enriching.

8.6 SCHOOL OF BASIC AND APPLIED SCIENCES

FDP ON "SYNERGISING PERSONAL INSIGHTS AND PROFESSIONAL TECHNIQUES FOR EFFECTIVE TEACHING"

A Faculty Development Program titled "Synergising Personal Insights and Professional Techniques for Effective Teaching" was held from 23 -.28 August 2024 at School of Basic and Applied Sciences, with the objective of enhancing the teaching capabilities of faculty members by integrating personal insights with professional teaching techniques, and the program was conducted by the resource expert Mr. Shree Krishna PV (BSc, MEd., MSCP), Educational Trainer and Counsellor, emphasizing the importance of continuous professional development in the academic sector.

NSS VANAMAHOTSAV

As part of the National Service Scheme initiatives, students of the School of Basic and Applied Sciences, in collaboration with the Department of Student Affairs, DSU was organized a tree planting activity on 29 August 2024 with the aim of promoting environmental sustainability, raising awareness about the importance of afforestation, contributing to the beautification of the Harohalli campus of DSU and surrounding areas, and instilling a sense of environmental responsibility among students, while also enhancing the green cover of the area and providing students with practical exposure to the importance of environmental conservation.

NSS VILLAGE SURVEY

As part of the National Service Scheme initiatives, students of the School of Basic and Applied Sciences, in collaboration with the Department of Student Affairs, DSU, organized a tree planting activity on 29 August 2024 with the aim of promoting environmental sustainability, raising awareness about the importance of afforestation, contributing to the beautification of the Harohalli campus of DSU and surrounding areas, and instilling a sense of environmental responsibility among students, while also enhancing the green cover of the area and providing students with practical exposure to the importance of environmental conservation.

STUDENT INDUCTION PROGRAM

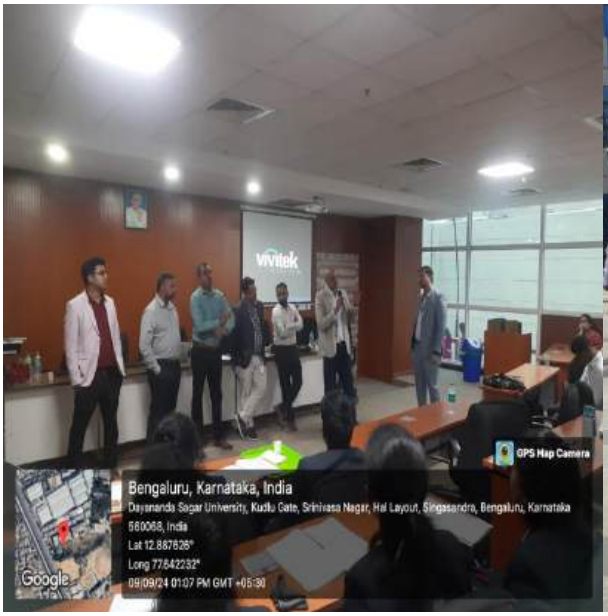
The School of Basic and Applied Sciences, DSU organized the Students Induction Program for first-year B.Sc. and M.Sc. students from 20 – 26 September 2024, which was inaugurated by the chief guest, Dr. Fathima Bhenajir, Co-founder of the biotech start-up Azzoka, who shared her entrepreneurial journey and highlighted the emerging opportunities for life science students, while parents and students actively participated in the interactive session and were briefed about the course structure, syllabus, examination regulations, co-curricular and placement activities, and the enthusiastic involvement of both students and parents contributed significantly to the overall success of the program.

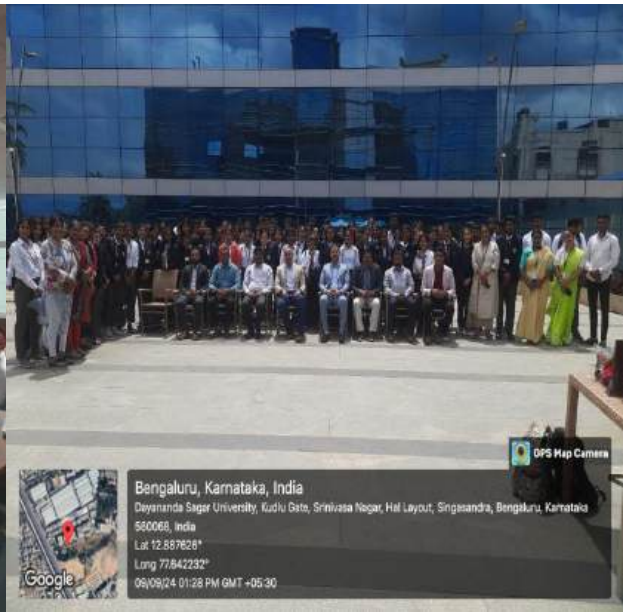
WORKSHOP ON "DETECT GENES OF A CELL"

Dr. Susweta Das, Associate Professor, Department of Biotechnology, organized a hands-on workshop on molecular biology techniques on 30 September 2024 for 112 final-year M.Sc. students, with the objective of supporting ongoing antibug research in the area of "Detection of a gene of interest conferring AMR," during which students were introduced to an Elsevier research article by Soubeiga et al. (2024) titled "Prevalence of beta-lactamase genes among MDR *E.* coli recovered from food samples" to help them understand research methodology and data interpretation.

WORKSHOP ON "BRINGING ACADEMIA CLOSER TO INDUSTRY: CURRENT STATE AND FUTURE PROSPECTS IN THE CLINICAL RESEARCH INDUSTRY"

A workshop titled "Bringing Academia Closer to Industry: Current State and Future Prospects in the Clinical Research Industry" was organized by the Department of Biotechnology in association with GSK at the School of Basic and Applied Sciences, Dayananda Sagar University, Bengaluru, on 09 September 2024. The workshop was organized by Dr. Vineetha MS, Assistant Professor, Department of Biotechnology, and was attended by around 128 M.Sc. III semester students. The program provided a detailed understanding of clinical research and its career prospects, especially for life science students aspiring to pursue clinical research effectively.





INDUSTRY VISIT TO MERCK TO UNDERSTAND UPSTREAM AND DOWNSTREAM PROCESSING

The II-year M.Sc. Biotechnology students (107 students) visited Merck Millipore, Bengaluru, Karnataka, on 18 October 2024 as part of a Watson and Crick Student Club activity organized by Dr. Vineetha MS, Department of Biotechnology, School of Basic and Applied Sciences, Dayananda Sagar University, during which the students gained valuable insights into upstream and downstream processing techniques.

POSTER EXHIBITION SESSION FOR PLANT BIOTECHNOLOGY

The department organized a poster session for M.Sc. Biotechnology (3rd semester) students on 14 October 2025. During the poster session on Plant Biotechnology, students demonstrated how genetically modified plants are developed by introducing genes from bacteria or other resistant plants through various techniques. These genetic modifications help enhance desirable traits such as improved shelf life, higher yield, better quality, pest resistance, and tolerance to heat, cold, and drought, thereby enabling plants to withstand a wide range of biotic and abiotic stresses.

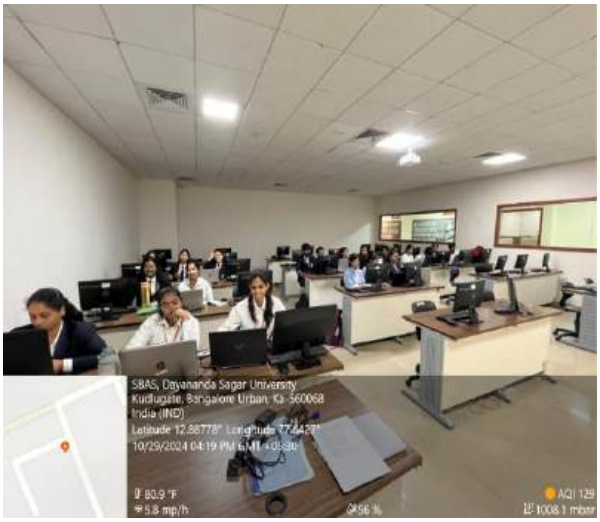
ANNUAL BIOTECH CHAMPIONS AWARD GALA

Faculty of Department of Biotechnology organised the annual session of BIOTECH CHAMPIONS AWARD GALA on 21 October 2024 for UG and PG students. The aim of the event was to recognize the hard work and appreciate the innovativeness and creativity of the students shown in different domains of biotechnology like immunology, molecular biology, plant biotechnology, animal biotechnology and metabolic engineering- industrial biotechnology etc in the form of research poster/ models / charts etc. throughout the year.

WORKSHOP HANDS ON BASICS OF BIOINFORMATION

A three-day hands-on workshop on the Basics of Bioinformatics was conducted on 14th, 21st, and 26th October 2024 by the student club "Microbe-Club Siella" for 35 registered final-year M.Sc. students. The workshop was coordinated and conducted by Dr. Anoop R. Markande, Assistant Professor, Department of Microbiology, SBAS, DSU. Students were trained in the basic concepts of bioinformatics and learned to use essential online tools and databases for

data mining. They were also introduced to basic online and offline software used in genomics and proteomics. To qualify for certification, participants were required to submit assignments and complete a final practical test.

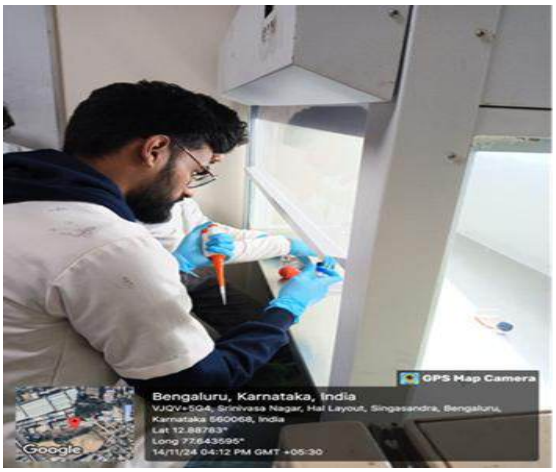


WORKSHOP ON 3D PRINTING FOR TISSUE ENGINEERING APPLICATIONS

The National Workshop on 3D Printing for Tissue Engineering Applications, funded by the Department of Science and Technology – Science and Engineering Research Board (DST-SERB), was successfully conducted at Dayananda Sagar University, Bangalore, from 11-15 November 2024. The workshop brought together students, researchers, and academicians to explore the transformative potential of 3D printing in the field of tissue engineering. The workshop was inaugurated by Dr.Ashok Kumar, Professor, IIT Kanpur, Prof.Dinesh Kulkarni, Dean School of Design,

HANDS ON WORKSHOP INVITRO CULTURE OF ANIMAL CELLS IN T FLASKS

Dr. Susweta Das and Dr Kalpana Kaushik, faculty members of Department of Biotechnology organised a one-day dedicated hands-on workshop titled "In vitro culturing of animal cells in T flasks" on 14 Nov 2024, to strengthen the concepts that were taught to students during animal biotechnology theory and practical classes. In this workshop, the students were trained to carry out the complete pipeline comprising tissue excision, trypsinization, isolation of cells from tissue sample, measure the percentage of viable cells, view the cells under inverted microscope and introduce the cells into T culture flasks containing tissue culture media.



TALK ON ANTIMICROBIAL RESISTANCE AND MICROBIOTA

In observance of World Antimicrobial Resistance Awareness Week (November 28th - December 2nd, 2024), the Microclub-siella Department of Microbiology hosted a variety of online and offline competitions, such as Skits, Doodles, and Memes.Guest lecture by Dr Maneesh Paul, CEO Microvioma, was conducted to enhance awareness regarding antimicrobial resistance and microbiota. The event was attended by faculty, PG, and UG students.

NATIONAL CONFERENCE ON INNOVATIVE STRATEGIES FOR ADVANCING BIOMEDICAL RESEARCH (NCISABR 2025)

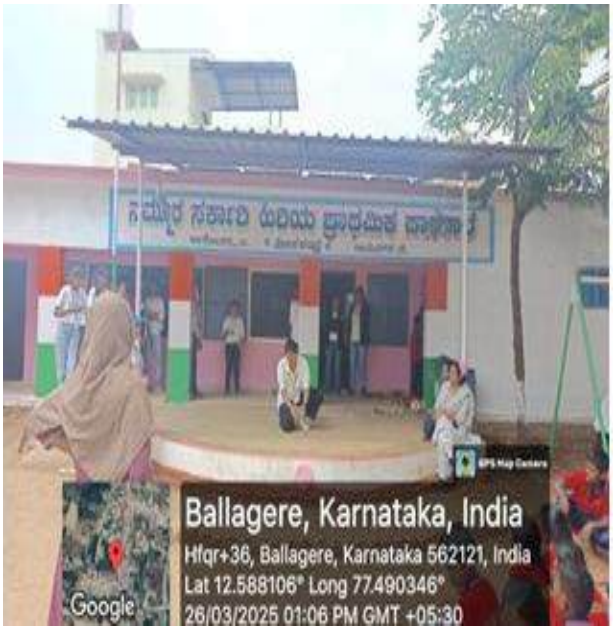
School of Basic and Applied science, Dayananda Sagar University in association with Dr. Chandramma Dayananda Sagar Institute of Medical education and research, Karnataka state council for science and technology and AIC-DSU Innovation foundation, DERBI Foundation organized a DST SERB-ANRF sponsored *National Conference on Innovative Strategies for Advancing Biomedical Research* (NCISABR 2025), on 15 -17 January 2025 at CDSIMER Harohalli campus. This conference brought together leading experts, researchers, and practitioners from around the globe to discuss and explore the latest advancements and innovative strategies in biomedical research. The event focused on eight focused themes: Regenerative Medicine, Cancer Biology, Rare Diseases, Vaccine Development, Personalized Medicine, Metabolic Diseases, and Sustainable Technology.

WORKSHOP ON QUALITATIVE SYSTEMIC REVIEW, RESEARCH METHODOLOGY AND GRANT WRITING"

Workshop on Qualitative Systemic Review, Research Methodology and Grant Writing Held on the 24-25 February 2025 at Dharwad Institute of Mental Health and Neurosciences (DIMHANS), Dharwad.Prof.Dinesh, DSU participated as resource person.

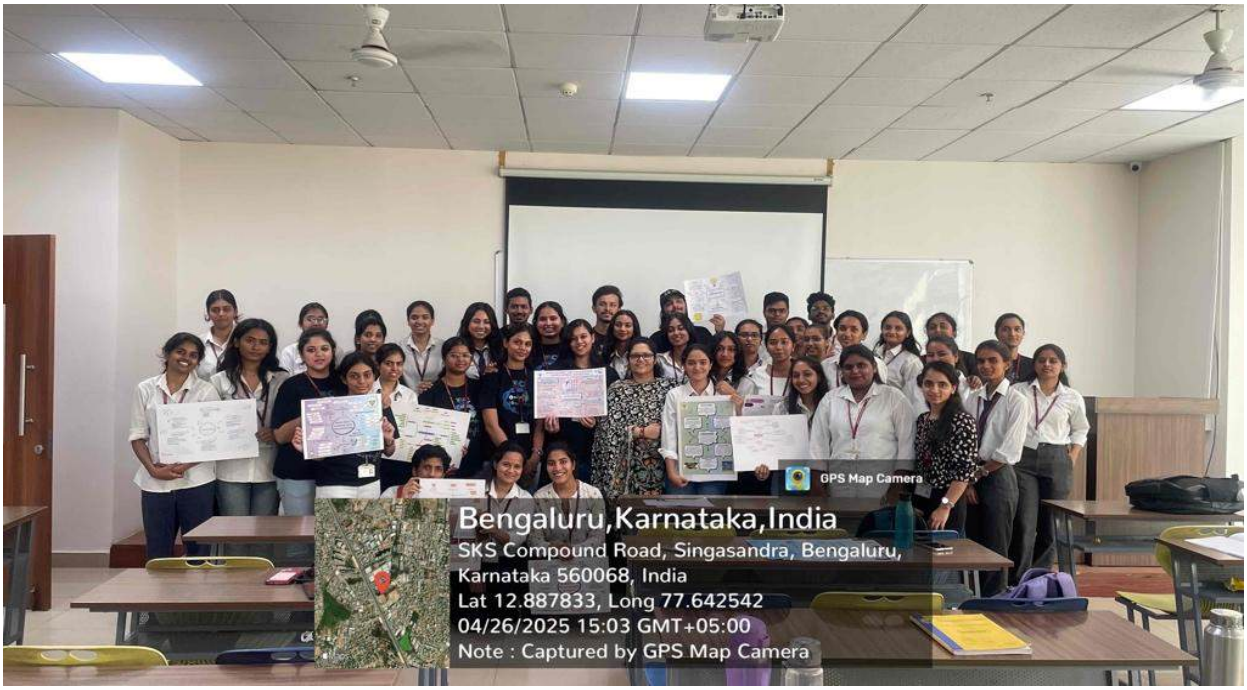
NSS SKILL DEVELOPMENT PROGRAM

The NSS student volunteers from SBAS, DSU, actively participated in the NSS Skill Development Program for villagers and school children on March 26, 2025. This initiative aimed to instil a sense of community service and social responsibility among the youth while also providing a platform for personal growth and skill enhancement.



POSTER EXHIBITION

Poster exhibition was organized for B.Sc. 4th and 6th semester students on 26 April 2025.They were tasked with creating conceptual maps that illustrated comprehensive information on their chosen topics—from origin and evolution to recent technological advancements and applications.



POSTER PRESENTATION ON METABOLIC DISORDERS

A poster presentation on **"Metabolic Disorders"** was organized by Dr. Anantha Krishna T. H., Assistant Professor, Department of Biochemistry, SBAS, with participation from 20 second-semester M.Sc. Biochemistry students on 23 June 2025. The session was inaugurated by Prof. Sunil S. More, Dean, SBAS, and faculty members interacted with the students and offered valuable suggestions. Dr. Jayachandra C., Assistant Professor, Department of Biotechnology, SBAS, served as the external evaluator.

8.7 ACTIVITIES OF Dr. CDSIMER

RBSK CAMP, BIDADI RAMNAGARA:

The Bidadi RBSK camp screened 19 children (0-6 years), identifying two critical cases of Severe Acute Malnutrition (SAM) requiring referral to the NRC, along with four cases of other nutritional deficiencies. Characterized by a high screening volume of 33 ANC mothers and 30 children, the camp had a very low overall referral rate, with only three total referrals (two SAM children and one ANC mother) sent to higher centers. An eight-member team, including an Assistant Professor of Community Medicine (Dr. Prithvick) and specialist residents in Pediatrics and OBG, conducted the camp, ensuring both clinical and social support services were available.

RBSK CAMP, CHAKANAHALLI, KANAKAPURA

The camp was conducted at the Chakanahalli Primary Health Centre on 19January 2024, from 9 am to 3 pm. The RBSK camp in Chakanahalli reported an alarming prevalence of malnutrition, with 13 out of 22 children (0-6 years)—nearly 60%—diagnosed with either Severe (SAM) or Moderate (MAM) Acute Malnutrition, all of whom were immediately referred to the NRC. Out of the 50 beneficiaries (29 children and 21 ANC mothers) screened at the Chakanahalli camp, a high total of 22 individuals were referred to higher centers, including 13 children for malnutrition and 8 ANC mothers for specialized obstetric care.

RBSK CAMP, AKKUR, RAMNAGARA

The RBSK camp in Akkur successfully screened on 9 February 2024. 68 beneficiaries (61 children and 7 ANC mothers), with a key finding being the detection of Severe Acute Malnutrition (SAM) in the only child screened in the 0-6 year age group, mandating their referral to the NRC. was successfully conducted by a nine-member team which included the Nodal Officer, social workers, three staff nurses, and specialist residents from both the Pediatrics and OBG departments.

RBSK CAMP, CHIKKAMUDAWADI, KANAKAPURA

The RBSK camp in Chikkamudawadi was conducted on 23 February 2024 and screened 41 children and 10 ANC mothers, resulting in three referrals to the NRC for Severe Acute Malnutrition (SAM) and a high 50% referral rate for the ANC mothers requiring specialized care. The Chikkamudawadi RBSK camp was staffed by a seven-member team which included the Nodal Officer, an MSW, two staff nurses, marketing support, and specialist clinical faculty including an Assistant Professor of Pediatrics and a Junior Resident of OBG.

RBSK CAMP, SRS BETTA, RAMNAGARA

The RBSK camp was conducted at the Primary Health Centre, M.G Palya, SRS Betta, Ramanagara, on 15 March 2024 from 9:00 AM to 3:00 PM. Three children aged 0–6 years and three ANC mothers were screened, with one child identified as having Moderate Acute Malnutrition and no other health issues reported. The medical team carried out effective screenings with no referrals to higher centers and no cases in the 7–18 years age group.

RBSK CAMP, HAROHALLI, KANAKAPURA

The RBSK camp was conducted at the Harohalli Community Health Centre, Kanakapura, on May 3, 2024, from 9:00 AM to 3:00 PM, focusing on screening children and ANC mothers. Among 12 children aged 0–6 years, three were detected with Severe Acute Malnutrition and referred to the Nutritional Rehabilitation Centre, while one child showed a general nutritional deficiency. Of the 18 ANC mothers screened, 13 were referred to higher centers, with a multidisciplinary team of seven staff members ensuring comprehensive care.

RBSK CAMP, KUTAGAL, RAMANAGARA

The RBSK camp was held at the Kutagal Primary Health Centre (PHC), Ramanagara, on May 3, 2024, running from 9:00 AM to 3:00 PM on 17/05/2024. The camp provided screening services for children (0-18 years) and Antenatal Care (ANC) mothers. 0-6 Years: Of the 15 children screened in this bracket, 4 cases of malnutrition or deficiency were identified: 1 case of SAM (which was referred to the NRC), 2 cases of MAM, and 1 case of general nutritional deficiency. No cases of obesity were found. 7-18 Years: Two children were screened, and no referrals were required for this age group. All 10 screened ANC mothers were managed successfully at the PHC level, resulting in no referrals to higher centers. A six-member multidisciplinary team ensured the camp's smooth operation.

RBSK CAMP, JALAMANGALA, RAMANAGARA

The RBSK camp took place at the Jalamangala Primary Health Centre (PHC), Ramanagara, on May 24, 2024, from 9:00 AM to 3:00 PM. The camp focused exclusively on children aged 0-6 years and Antenatal Care (ANC) mothers. A total of 17 children were screened. Notably, all 17 children screened belonged to the 0-6 years age group, with no children screened in the 7-18 years group. There were 2 cases of Moderate Acute Malnutrition (MAM) and 1 case of general nutritional deficiency detected. A six-member multidisciplinary team ensured the camp's success.

RBSK CAMP, HOSADURGA, KANAKAPURA

The RBSK camp was conducted at the Hosadurga Primary Health Centre (PHC), Kanakapura, on June 7, 2024, from 9:00 AM to 3:00 PM. The camp screened a total of 42 children (0-18 years) and 16 ANC mothers. 0-6 Years: Out of the 13 children screened in this age group, 6 cases of malnutrition were detected: 3 cases of SAM and 3 cases of MAM. All 3 children diagnosed with SAM were immediately referred to the Nutritional Rehabilitation Centre (NRC). No general nutritional deficiencies or obesity were found. 7-18 Years: A total of 29 children were screened in this group, and no referrals to higher centers were required. 1 ANC mother required a referral to a higher center for specialized care, indicating the majority were managed locally. A six-member multidisciplinary team facilitated the successful operation of the camp.

RBSK CAMP, BANNIKUPPE PHC, RAMNAGARA

The RBSK camp was conducted at the Bannikuppe Primary Health Centre (PHC), Ramnagara, on June 21, 2024, from 9:00 AM to 3:00 PM. The camp focused on screening children (0-18 years) and Antenatal Care (ANC) mothers, noting a low volume of screenings but successful local management. 0-6 Years: Out of the 5 children screened in this age group, only 1 case of Moderate Acute Malnutrition (MAM) was detected. Importantly, no cases of SAM (Severe Acute Malnutrition), obesity, or other nutritional deficiencies were found. The MAM case was managed internally. A total of 11 ANC (Antenatal Care) mothers were screened during the camp. A six-member multidisciplinary team ensured the camp's smooth operation.

RBSK CAMP, KANVA PHC, RAMNAGARA

The RBSK camp was conducted at the Kanva Primary Health Centre (PHC), Ramnagara, on 18 September 2024, from 9:00 AM to 3:00 PM. The camp screened a total of 16 children and 3 ANC mothers. 0-6 Years: Out of the 10 children screened, 1 case of Moderate Acute Malnutrition (MAM) was detected. No cases of SAM, obesity, or other nutritional deficiencies were found. 7-18 Years: Six children were screened and 3 ANC (Antenatal Care) mothers were screened during the camp. Multidisciplinary team of 10 staff members attended the camp, demonstrating a strong focus on specialized care.

RBSK CAMP, SUGNAHALLI, RAMNAGARA

The RBSK camp was held at the Sugnahalli Primary Health Centre (PHC), Ramnagara, on October 25, 2024, from 9:00 AM to 3:00 PM. The camp focused solely on the 0-6 years age group for children and saw a high volume of ANC screenings. A total of 15 children were screened, all of whom were in the 0-6 years age. Three cases of malnutrition were detected: 1 case of SAM and 2 cases of MAM. No cases of obesity or other nutritional deficiencies were recorded. The single child diagnosed with SAM was referred to the NRC (Nutritional Rehabilitation Centre) for specialized care. The two MAM cases were managed locally. Only 1 ANC mother required a referral to a higher center for specialized consultation or care, while the rest were managed by the camp's multidisciplinary team. And 10 staff members attended the camp, including specialists from various departments.

RBSK CAMP, KALLANAKUPPE, KANAKAPURA

The RBSK camp was conducted at the Sugnahalli Primary Health Centre (PHC), serving the Kallanakuppe area of Kanakapura, on November 8, 2024, from 9:00 AM to 3:00 PM. The camp screened a total of 32 children (0-18 years) and 5 ANC mothers. Out of the 11 children screened in this group, no cases of SAM or MAM were detected, which is a positive finding. However, 1 case of obesity was identified. There were zero referrals to the NRC. 7-18 Years: This age group accounted for the majority of screenings (21 children). Two children from this group required referral to higher specialty centers for further evaluation or treatment. A total of 5 ANC (Antenatal Care) mothers were screened during the camp. Multidisciplinary team of 9 staff members attended the camp, including specialists in Pediatrics, OBG, Ophthalmology, and Dentistry.

RBSK CAMP, BYRAMANGALA, RAMANGARA

The RBSK camp was conducted at the Byramangala Primary Health Centre (PHC), Ramnagara, on November 22, 2024, from 9:00 AM to 3:00 PM. The camp achieved a very high screening volume, particularly among older children, with a total of 93 children (0-18 years) and 2 ANC mothers screened. The camp's primary activity is focused on the 7-18 years age group. A total of 87 children were screened in this older age group. A very high referral rate was noted, with 41 children requiring referral to higher specialty centers for further evaluation or treatment. A total of 2 ANC (Antenatal Care) mothers were screened during the camp. A large, multidisciplinary team of 10 staff members attended the camp, including specialists from various departments.

RBSK CAMP, KOTTEKOPPA, RAMANGARA

The RBSK camp was conducted at the Kotekoppa Primary Health Centre (PHC), Ramnagara, on December 6, 2024, from 9:00 AM to 3:00 PM. The camp achieved a total of 63 children (0-18 years) and 16 ANC mothers screened. A total of 38 children were screened. One case of Moderate Acute Malnutrition (MAM) and one case of obesity were detected. 7-18 Years: Twenty-five children were screened in this older age group. Seven children required referral to higher specialty centers for further evaluation or treatment. A total of 16 ANC (Antenatal Care) mothers were screened during the camp. A large, multidisciplinary team of 9 staff members attended the camp, including specialists from various departments.

RBSK CAMP, BANIKUPPE, KANAKAPURA

The RBSK camp was conducted at the Bannikuppe SubCentre, Kanakapura, on December 20, 2024, from 9:00 AM to 3:00 PM. The camp screened a total of 35 children (0-18 years) and 6 ANC mothers. 0-6 Years: Out of the 14 children screened, two cases of Moderate Acute Malnutrition (MAM) and two cases of obesity were detected. 7-18 Years: Twenty-one children were screened in this older age group. Three children required referral to higher specialty centers for further evaluation or treatment. Two ANC mothers required referral to higher centers for specialized care, while the remaining four were managed successfully by the camp team. And 10 staff members attended the camp, including specialists from various medical and paramedical disciplines

RBSK CAMP, SATHANUR, RAMANAGARA

The RBSK camp was conducted at the Sathanur Community Health Centre (CHC), Ramnagara, on January 3, 2025, from 9:00 AM to 3:00 PM. The camp achieved a total screening volume of 62 children (0-18 years) and 20 ANC mothers. 0-6 Years: Out of the 8 children screened, one case of Severe Acute Malnutrition (SAM) was detected. This child was referred to the NRC (Nutritional Rehabilitation Centre) for urgent specialized care. 7-18 Years: A high number of 46 children were screened in this older age group. And 10 staff members attended the camp, ensuring comprehensive coverage.

RBSK CAMP, NANJAPURA, RAMNAGARA

The RBSK camp was conducted at the Nanjapura Primary Health Centre (PHC), Ramnagara, on January 17, 2025, from 9:00 AM to 3:00 PM. The camp screened a total of 38 children (0-18 years) and 5 ANC mothers. 0-6 Years: Out of the 22 children screened, one case of Moderate Acute Malnutrition (MAM) was detected. 7-18 Years: Sixteen children were screened in this older age group, and five of them required referral to higher specialty centers for further evaluation or treatment. Two ANC mothers required referral to higher centers for specialized care, while the remaining three were managed successfully by the camp team of 9 staff members attended the camp, including specialists from various medical and paramedical disciplines.

RBSK CAMP, SHIVANAHALLI, KANAKAPURA

The RBSK camp was conducted at the Shivanahalli Primary Health Centre (PHC), Kanakapura, on January 31, 2025, from 9:00 AM to 3:00 PM. The camp screened a total of 62 children (0-18 years) and 8 ANC mothers, noting a high prevalence of malnutrition in the younger group. 0-6 Years: Out of the 11 children screened, a high proportion (8 children, or approximately 73% of the screened group) were detected with malnutrition: 1 case of SAM and 7 cases of MAM. The child with SAM was referred to the NRC (Nutritional Rehabilitation Centre) for urgent specialized care. 7-18 Years: A large number of 51 children were screened. Thirteen of these children required referral to higher specialty centers for further evaluation or treatment. A total of 8 ANC (Antenatal Care) mothers were screened during the camp team of 9 staff members attended the camp, ensuring comprehensive coverage.

RBSK CAMP, MEHBOOBNAGAR, RAMANAGARA

The RBSK camp was conducted at the Mehboobnagar Primary Health Centre (PHC), Ramanagara, on February 21, 2025, from 9:00 AM to 3:00 PM. The camp achieved a high screening volume, primarily focused on the younger age group, with a total of 86 children (0-18 years) and 18 ANC mothers screened. 0-6 Years: A very high number of 76 children were screened in this group. Only one case of Moderate Acute Malnutrition (MAM) was detected. 7-18 Years: Ten children were screened in this age group. A critical finding was that all 18 screened ANC mothers required immediate referral to higher centers for specialized care, indicating a high prevalence of complex issues requiring tertiary management. An eight-member multidisciplinary team attended the camp, ensuring comprehensive coverage.

RBSK CAMP, PADUVANAGERE, KANAKAPURA

The RBSK camp was conducted at the Paduvanagere Primary Health Centre (PHC), Kanakapura, on February 28, 2025, from 9:00 AM to 3:00 PM. The camp focused exclusively on the 0-6 years age group for children and screened a total of 16 children and 2 ANC mothers. Out of the 16 children screened, three cases of malnutrition were detected: 1 case of SAM and 2 cases of MAM. The child diagnosed with SAM was immediately referred to the NRC (Nutritional Rehabilitation Centre) for specialized care. The two MAM cases were managed locally. A total of 2 ANC (Antenatal Care) mothers were screened during the camp. A nine-member multidisciplinary team attended the camp, ensuring comprehensive coverage across multiple specialties.

RBSK CAMP, RAYARDODDI, KANAKAPURA

The RBSK camp was conducted at the Rayardoddi Government Primary School, Kanakapura, on March 14, 2025, from 9:00 AM to 3:00 PM. The camp achieved a high total screening volume of 80 children (0-18 years) and 5 ANC mothers. 0-6 Years: A total of 41 children were screened in this group. One case of Moderate Acute Malnutrition (MAM) and one case of obesity were detected. 7-18 Years: Thirty-nine children were screened in the older age group. Ten children required referral to higher specialty centers for further evaluation or treatment. A total of 5 ANC (Antenatal Care) mothers were screened during the camp. A nine-member multidisciplinary team attended the camp, ensuring comprehensive coverage across multiple specialties.

RBSK CAMP, KOLAGONDANAHALLI, KANAKAPURA

The RBSK camp was conducted at the Kolagondanahalli Primary Health Centre (PHC), Kanakapura, on March 28, 2025, from 9:00 AM to 3:00 PM. The camp screened a total of 36 children (0-18 years) and 10 ANC mothers. 0-6 Years: Out of the 16 children screened, one case of Severe Acute Malnutrition (SAM) was detected and immediately referred to the NRC (Nutritional Rehabilitation Centre) for specialized care. Additionally, two cases of nutritional deficiencies were found. 7-18 Years: Twenty children were screened in this older age group, and one child required referral to a higher specialty centre for further evaluation or treatment. A high referral rate was observed in this group, with 6 ANC mothers requiring referral to higher centres for specialized care, while the remaining four were managed locally. A nine-member multidisciplinary team attended the camp, ensuring comprehensive coverage across various specialties.

RBSK CAMP, KAILANCHA, KANAKAPURA

The RBSK camp was conducted at the Kailancha Primary Health Centre (PHC), Kanakapura, on April 11, 2025, from 9:00 AM to 3:00 PM. The camp focused primarily on the younger age group, screening a total of 21 children (0-18 years) and 5 ANC mothers. 0-6 Years: Out of the 20 children screened, 6 children—were detected with nutritional deficiencies. 7-18 Years: Only one child was screened in this older age group. A total of 5 ANC (Antenatal Care) mothers were screened during the camp. An eight-member multidisciplinary team attended the camp, ensuring comprehensive coverage.

RBSK CAMP, THOKSANDRA, KANAKAPURA

The RBSK camp was conducted at the Thoksandra Primary Health Centre (PHC), Kanakapura, on May 2, 2025, from 9:00 AM to 3:00 PM. The camp focused heavily on the younger age group, screening a total of 12 children (0-18 years) and 3 ANC mothers. 0-6 Years: Out of the 11 children screened, one case of Severe Acute Malnutrition (SAM) was detected and immediately referred to the NRC (Nutritional Rehabilitation Centre) for specialized care. Additionally, six cases of nutritional deficiencies were found. The deficiency cases were managed locally. 7-18 Years: Only one child was screened in this older age group. One ANC mother required referral to a higher center for specialized care, while the remaining two were managed successfully by the camp team. A nine-member multidisciplinary team attended the camp, ensuring comprehensive coverage.

This recognition highlights their commitment to delivering exceptional patient care and advancing medical excellence.

8.8 SCHOOL OF HEALTH SCIENCES -COLLEGE OF NURSING:

ANNUAL DAY

The College of Nursing Sciences, Dayananda Sagar University celebrated its Annual Day with great enthusiasm on 13 July 2024 at the 'F' Block Auditorium. The event began with the lighting of the ceremonial lamp by the dignitaries. Dr. Sanjay M. Peerapur, Principal, KLES Institute of Nursing Sciences, Hubli, served as the Chief Guest and delivered an inspiring address on holistic education and perseverance. Dr. Santham Sweet Rose, Principal, presented the Annual Report, and Dr. Pushpa Sarkar, Dean, School of Health Sciences, congratulated the prize winners. The second edition of the College Newsletter was released, followed by an award ceremony honouring students for their excellence in academics, sports, and cultural activities.

SEMINAR:

The College of Nursing Sciences, in association with placement cell DSU, hosted a four-hour seminar (11:00 a.m. to 3:00 p.m.) on July 22, 2024 to illuminate career and higher education pathways for nurses in Germany. Attended by faculty, UG, and PG students, the event featured German delegates introduced by CONS Principal Dr. Santham Sweet Rose. The core content was delivered by Prof. Matthias Drossel of HOF University, Germany who covered crucial aspects like German language training,

placements, and cross-cultural nursing practice, while Prof. Maximilian Daiber of Mediatos detailed advanced education opportunities. Ultimately, the seminar's goal was to proactively prepare nursing graduates to meet German licensure standards and secure employment within the German healthcare system.

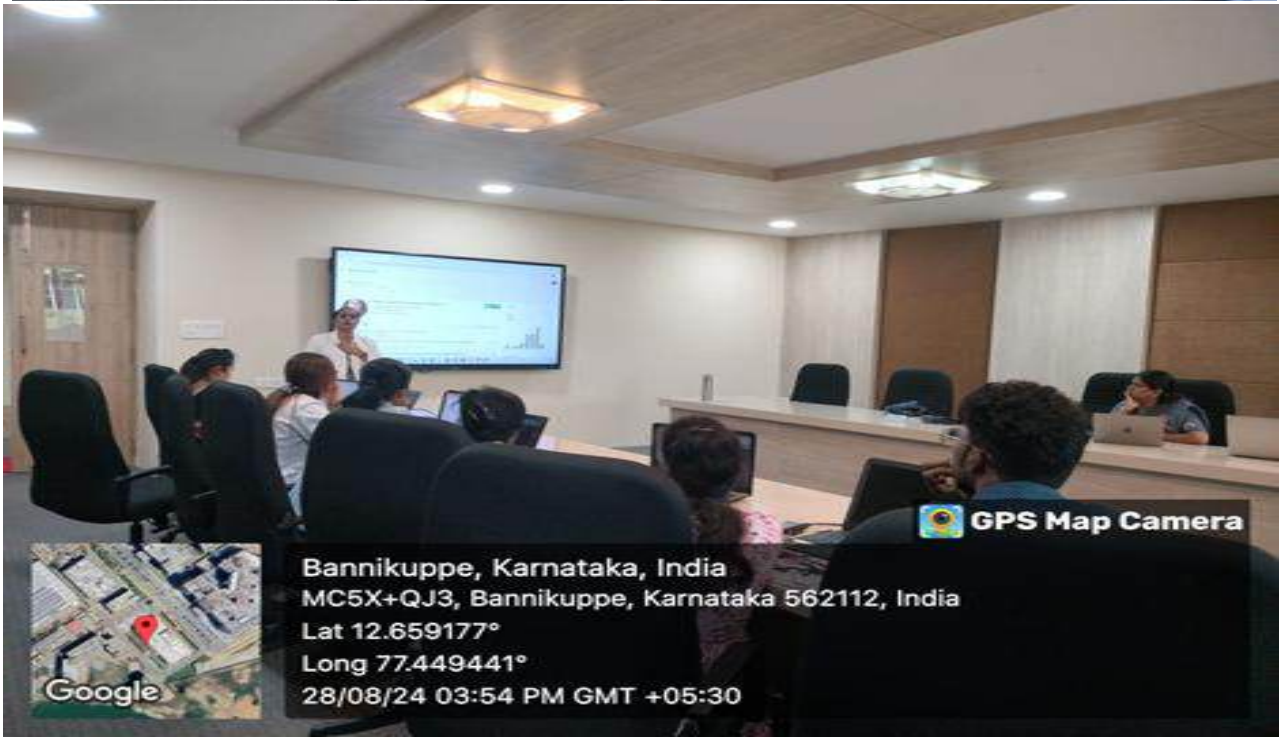
INTERNATIONAL CONFERENCE

The College of Nursing Sciences successfully hosted a major two-day International Conference on "Advancing Research Methodologies" from July 26 – 27, 2024, which included a pre-conference workshop led by experts like Dr. Vishnu Renjith (RCSI, Ireland). Presided over by Dr. Pushpa Sarkar (Dean, SHS), the event featured resource persons from institutions including MAHE and Sultan Qaboos University (Oman). The

conference, which saw the release of proceedings and competitive presentations, was a grand success, drawing an impressive 810 delegates from 65 colleges across four states and earning 8 credit points from the Karnataka State Nursing Council.

SEMINAR:

The College of Nursing Sciences conducted faculty development a seminar titled "Advanced Research Strategies and Publication Enhancement" on August 28, 2024. The session was expertly led by Dr. Shejila C. H., Professor in the Department of Medical Surgical Nursing. She provided the faculty with valuable, practical guidance aimed at boosting their academic profiles, specifically covering strategies for maximizing the H-index, implementing effective strategic publishing methods, and correctly identifying suitable journals for their specific research work.



SOFT SKILL TRAINING:

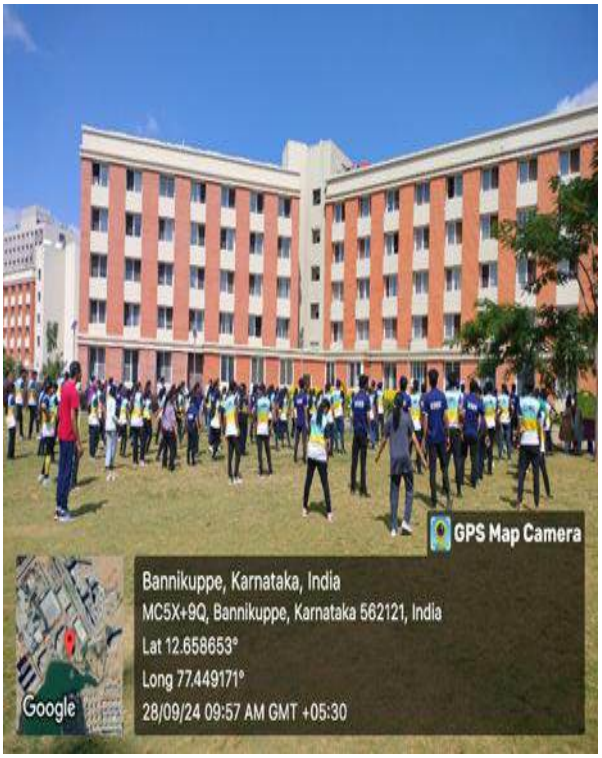
A three-day intensive soft skill training programme was conducted in collaboration with the Department of CIL at DSI, for 120 B.Sc. Nursing 5th and 6th semester students. The event was coordinated by Ms. Roopashree and her team. The three-day workshop from September 23rd to 25th 2024 focused on essential non-clinical competencies, including organizational skills, stress management, work-life balance, accountability, work ethics, grooming, and emotional resilience. This comprehensive effort to boost student professionalism was a resounding success, earning highly positive feedback from all participants.

WORKSHOP:

An insightful Workshop on "Enhancing Emotional Intelligence: Creating a Balance in Life" was conducted on 27 September 2024. The session emphasized the role of emotional intelligence in maintaining personal and professional balance, especially in healthcare. It was facilitated by Mr. Vithoba Laxminarayan Mhalkar, Gazetted Group 'A' Officer, Department of Psychiatric Nursing, Institute of Psychiatry & Human Behaviour, Goa – a certified emotional intelligence trainer, life coach, and motivational speaker. His expertise offered valuable guidance on applying emotional intelligence for compassionate and balanced care.

SKILL DEVELOPMENT PROGRAMME:

A Skill Development Programme on Aerobics was conducted on 28 September 2024 at the Amphitheatre, Harohalli Campus. Mr. Raveesh Ravi, Aerobics and Zumba trainer, led the session focusing on physical fitness and stress relief. Activities included warm-ups, dynamic aerobics, and cool-down stretches to enhance stamina, flexibility, and mental well-being. The program highlighted the importance of regular fitness for stress management and overall health among nursing students.



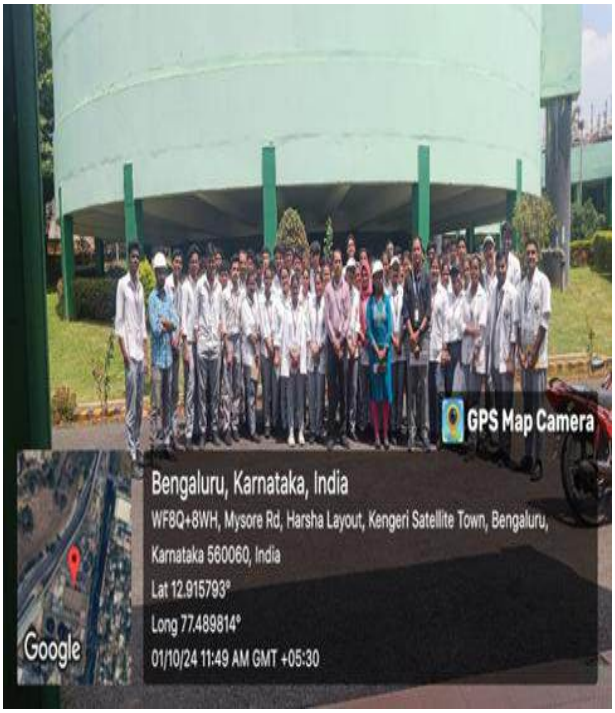
EDUCATIONAL VISIT:

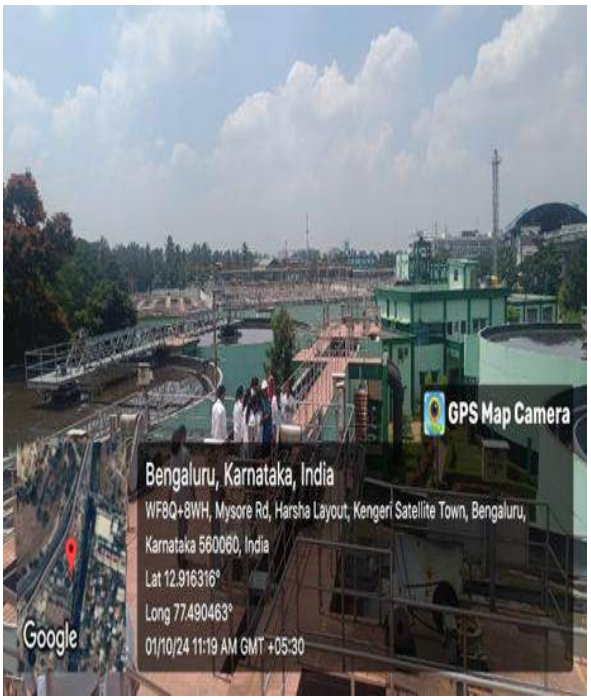
An Educational Visit was organized for II Year M.Sc. Nursing students at Bel Air Hospital & College of Nursing, Panchgani, Maharashtra – a specialized center for HIV/AIDS and

TB care – from 30 September to 9 October 2024. Students participated in sessions on hospital management, pediatric and ICU care, and Ayurveda treatments, gained hands-on experience in wards, and visited rural hospitals, PHCs, sub-centers, and a boat ambulance for MCH services. Posting enhanced their leadership and administrative competencies in nursing.

OBSERVATION VISIT:

The Department of Community Health Nursing, College of Nursing Sciences, DSU, organized an observational visit to the Karnataka State Sewage Treatment Plant, Kengeri, on 1 October 2024 for V and VI semester students. A total of 110 students,





accompanied by faculty, participated in the visit. The Chief Engineer of the plant oriented the students on the stages of sewage water treatment, including dilution methods, land treatment methods, and other processes involved in removing contaminants and producing clean water.

ORIENTATION PROGRAM:

The Orientation Program for the 10th Batch of B.Sc. Nursing was conducted on 3 October 2024 at the CDSIMER 'F' Block Auditorium from 10:30 a.m. onwards. The Chief Guest, Mr. Akshara Damle, TEDx speaker, psychologist, and Founder of ManoSamvaada, spoke on emotional enhancement using the REST method and the emotional wheel to build resilience in academics. Dr. D. Santham Sweet Rose, Principal, College of Nursing Sciences, emphasized commitment, passion, humility, love, care, and empathy in the nursing profession. A total of 58 students attended the program.

SOFT SKILL TRAINING:

A three-day Soft Skill Training Programme for 1st Semester 75 B.Sc. Nursing students was organized on October 4 -9, and 10, 2024. Led by Programme Coordinator Ms. Roopa Priya J. K. and Mr. Aniru-, the workshop was packed with vital professional and personal development topics. Sessions covered everything from communication and grooming to essential professional attributes like empathy, time management, organizational skills, stress management, self-care, and adaptability. This focused effort to round out the students' skills was clearly a success, judging by the excellent

feedback received from the participants.

WEBINAR:

The College of Nursing Sciences, DSU organized a Webinar on E content Development on 13 November 2024 at 2pm. Dr. P. Malliga, Professor of CSE, NITTTR, Chennai, TN was the resource person and highlighted on student needs, E books, open books, E access.

OBSERVATIONAL VISIT:

College of Nursing Sciences organized Observational visit to Karnataka Milk Federation (KMF) BAMUL Dairy, Kanakapura on 14 November 2024 & 25 November 2024 for V & VI semester students. A total of 125 students accompanied by faculty visited the dairy. The key observations in dairy include milk collection and several stages of processing, including filtration, pasteurization, and homogenization.

DISASTER PREPAREDNESS MOCK DRILL:

A Disaster Preparedness Mock Drill under the National Service Scheme was organized on 20 November 2024. Dr. Pushpa Sarkar, Dean, SHS inaugurated the event with a motivational speech, followed by a keynote address from Dr. Santham Sweet Rose, Principal. SDRF officers, Mr. Hanumanth and Mr. Sunil provided both theoretical and practical training for our students.

MOCK DRILL ON FIRE SAFETY:

A Fire Safety Mock Drill under the National Service Scheme (NSS) was conducted on 27 November 2024 from 10:30 a.m. onwards at the Amphitheatre. The session was led by Mr. Manjunath and his team from the Karnataka State Fire Safety and Emergency Services Department, who demonstrated essential fire safety measures. Students from the Nursing, Pharmacy, and Physiotherapy departments actively participated in the event. The live demonstrations included the proper use of fire extinguishers, fire blankets, and hosepipes, providing hands-on experience. The mock drill effectively enhanced awareness on fire safety and strengthened participants' emergency response preparedness.

OBSERVATIONAL VISIT:

College of Nursing sciences has organized a visit to the Old Age Home and Palliative Care Centre at Little Sisters of the Poor on 02 December 2024 for B.Sc. Nursing VI semester students. Sr. Josephine, the coordinator, facilitated the overall orientation to the area, providing historical context about the beginning of the old age home. The students were briefed on the challenges faced by the elderly and the importance of palliative care in enhancing their quality of life.

GREEN CAMPAIGN INITIATIVE:

Quiz winners. The Winners of the competitions awarded with prize and certificate as a token of appreciation for their exemplary performance.

OUTREACH PROGRAMME -INTERNATIONAL MIDWIVES DAY:

The College of Nursing Sciences, DSU, marked International Midwives Day on May 29, 2025, by hosting an extension activity titled "Empowering community through midwifery care" at the CHC, Kaggalipura. Dr. Radha, the Administrative Medical Officer, initiated the event by addressing the vital care provided by midwives. Following her address, the 6th and 7th Semester B.Sc. (N) students took over, performing engaging role-plays and a puppet show. This creative segment was followed by a focused health education session for mothers, covering crucial topics like antenatal care, breastfeeding, and postnatal care.

NTERNATIONAL YOGA DAY:

The faculty & Students of CONS, DSU participated in International Day of Yoga organized by the department of student affairs and the department of sports on 20 June 2025. The theme for the celebration was "Yoga for one earth, one health". The session was graced by Ms. Sharanya Vivekanda, founder of revive yogashala. Her expertise and passion for yoga inspired the participants to adopt yoga as a way of life. The session witness enthusiastic participation from students & staff, who engaged in various yoga practices guided by the guests.

MODEL EXHIBITION:

The College of Nursing Sciences at Dayananda Sagar University brought theory to life by hosting "Models That Speak," a student-led exhibition at the FON Lab on June 23, 2025. The event featured innovative and educational models crafted by the B.Sc. Nursing IV semester students, effectively illustrating diverse health conditions and preventive care strategies. Dr.

Safina Taskin, Senior Resident in the Department of Pathology, served as the esteemed judge, evaluating the students' outstanding creativity, conceptual depth, and presentation skills.

FACULTY DEVELOPMENT PROGRAM:

An FDP on Technology-Integrated Nursing Education: Bridging the Gap was conducted from 23 -27 June 2025 to enhance the faculty's competence in integrating modern technology into nursing education. It spanned five days and included interactive sessions, hands-on activities, and expert-led discussions focusing on digital transformation in teaching and learning. Dr. Valliamal, Dr. Thamizhpulavendhan, and Dr. Judie Arulappan were the resource persons for the FDP. The programme concluded with a post-test, feedback, and valedictory session, empowering faculty to drive digital transformation in nursing education.

8.09 SCHOOL OF HEALTH SCIENCES-COLLEGE OF PHYSIOTHERAPY

ELEPHANTIASIS AWARENESS CAMPAIGN:

The College of Physiotherapy conducted an Elephantiasis Awareness Campaign at its adopted village, Cheelur, engaging both students and local residents in the initiative" on February 14, 2025, Students from the College of Physiotherapy conducted a health awareness campaign in Cheelur village. The session educated locals about the causes, symptoms, diagnosis, and treatment of Elephantiasis, emphasizing preventive care and the importance of seeking timely medical help.

DSU NATIONAL SYMPOSIUM- 2024

The College of Physiotherapy conducted the DSU National Symposium in hybrid mode on the theme "Soul to Sole: Taking a Step Towards Better Health - Podiatry Physiotherapy" on 18-20, July 2024 This pioneering event,
the first of its kind in Karnataka, saw participation from states including Maharashtra, Kerala, Tamil Nadu, Andhra Pradesh, Rajasthan, and Gujarat. The symposium emphasized bridging physiotherapy with technology, featuring plenary sessions, innovative talks, and workshops.

Mr Petros, the Director of Bengaluru International Football Academy, boasting over two decades of experience in football management and coaching, was the Chief guest. On the first day, two plenary sessions featured informative speakers,followed by online scientific paper presentations by delegates and eight innovative talk sessions.

Dr. Amit Bhatt, Vice Chancellor, DSU addressed the gathering, marking the start of this enriching symposium

ALUMNI MEET 2024

The College of Physiotherapy hosted an alumni meet on 20 July 2024. Former students from all previous batches reunited to share their experiences and memories at DSU. The event was a heartwarming gathering, celebrating the journey and achievements of the college.

AWARENESS PROGRAM ON WORLD PHYSIOTHERAPY DAY

On account of World Physiotherapy Day on 8 September 2025, the College of Physiotherapy, DSU conducted an awareness program on "Low Back Pain" at selected health care centers across Bangalore and Kanakpura, which was engaging and well attended. Under the guidance of Dr. Gayathri

& Dr. Vimarsha and IV Sem BPT students prepared informative posters on low back pain and its prvention.

WORKSHOP ON WRIST AND HAND ASSESSMENT AND REHABILITATION

College of Physiotherapy conducted a CPE at College of Physiotherapy, Harohalli campus on 3 October 2024. The resource person for the event was Dr.Tejashree Dabholkar, PhD, MPT, FAIMER, Co-founder at Advanced Physiotherapy Multi-Specialty Setup of Rehabilitation, Pune. The Chief-guest of the event was Dr. M N Kumar, Professor at the department of Orthopedics, CDSIMER

DSU CRICKET TOURNAMENT

College of Physiotherapy, DSU women's cricket team were runners- up in the inter- college DSU competition held on 24 October 2024 at Harohalli camps

THE ACTIVE AND AWARE - DIABETES PHYSIOTHERAPY CAMP

College of Physiotherapy has successfully conducted a two-day camp combining community engagement and practical learning for students on the 25th & 26th of November 2024 at Hebidarametallu, Kanakpura Village. Pre-Camp Day: Students and PGs conducted social mapping, door-to-door announcements, and awareness activities on early diabetes screening, fostering community interaction and learning about camp approaches. Over 75 villagers attended the camp, which featured free screenings, VibraSense testing for diabetic foot care, and educational sessions on diet, exercise, wound care, and diabetes management. The camp provided a hands-on learning experience for students while creating a meaningful impact on the community, reflecting the success of collaborative efforts and planning.

KARNATAKA MINI OLYMPIC

Karnataka Olympic Association has organized Karnataka Mini Olympics from 14th to 20th of November 2024, it was an event organized to encourage young talents, focusing on children under 14 years of age. Six interns took part as on field physiotherapists for various sports.

INTERNSHIP SENSITIZATION PROGRAMME - 2024-25

College of Physiotherapy conducted a comprehensive internship sensitization program for interns on November 12th and 13th 2025. The two-day program aimed to familiarize interns with our institution's policies, procedures, and expectations along with soft skill training on certain important topics. The orientation program included informative sessions on: - Internship overview and rules & regulations - Evidence Based Practice in Physiotherapy - Documentation methods & Policies - Interpersonal Relationships-Ethics in patientcare. Our faculty members shared their valuable insights and expertise, providing interns with a thorough understanding

of what to expect during their internship. The program concluded with an interactive Q&A session

MOVE TO THRIVE: PREVENTING MUSCULOSKELETAL DISORDERS THROUGH ACTIVE LEARNING AND PROPER ERGONOMICS

The College of Physiotherapy, Dayananda Sagar University, conducted an insightful awareness talk titled " Move to Thrive " on 13 December 2025 at Aquarelle Private Ltd.

The participants were screened and assessed for flexibility and workspace ergonomics. The Participants received personalized ergonomic advice and were introduced to effective chair

exercises. The event conducted was a positive note with healthier takeaways for a healthier and more effective work life

AMPLIFYING THE LEADERSHIP OF PERSONS WITH DISABILITIES

College of Physiotherapy Conducted a camp on 17 December 2024 at SSK, Kanakapura. A total of 28 participants, including parents, teachers, and children, enjoyed getting engaged in activities like games, dancing, and a fancy dress walk. Dr. Gayatri and Dr. Jagruthi shared an insightful talk on Empowering individuals with disabilities and the role of physiotherapy

EXTENSION ACTIVITIES ORGANIZED FIELD VISIT TO MOBILITY INDIA

UG and PG students from College of Physiotherapy, DSU visited Mobility India on 7th and 8th January ,2025. The aim of the visit was to enhance students knowledge on orthoses, prosthesis and recent advances in assisting

ACTIVE AND AWARE – DIABETES PHYSIOTHERAPY CAMP

College of physiotherapy, DSU conducted a diabetic physiotherapy camp on 11 January 2025 at Government Lower Primary school , Tamasandra , Kanakapura Taluk benefiting 80 patients with essential physiotherapy care and guidance.

GOOD WILL DRIVE – A STUDENT COUNCIL ACTIVITY

Student council of the College of Physiotherapy marked the beginning of the New year on 01 January 2025 with a meaningful and compassionate initiative, the goodwill gift drive aimed

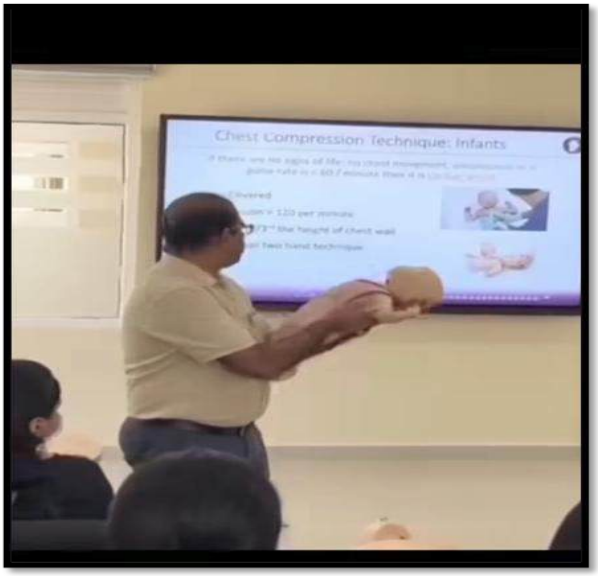
at bringing smiles to children at Amrutha Shishu Nivasa, Basavangudi, Bangalore, benefitting orphaned children aged 1 to 15 years.

With Active participation and contribution from both students and staff, new stationery items like books, pens, pencil boxes, colours, etc were gifted to support the children's

education and bring them joy.,The event was a heartwarming success, reflecting the spirit of compassion and unity within the college community and setting a positive tone for the year ahead.

WORKSHOPS/SEMINARS - BASIC LIFE SUPPORT WORKSHOP

College of Physiotherapy conducted a basic life support workshop in collaboration with Jeevan raksha trust on February 19, 2025. The workshop aimed to equip participants with essential life saving skills, including CPR, airway management and emergency response techniques. Experienced trainers from Jeeva Raksha Trust provided hands-on training ensuring a practical learning experience for students and faculty



SEMINAR ON PARA-SPORTS: EMPOWERING ABILITIES

College of Physiotherapy organised a seminar on 27 February 2025 at the F-block auditorium pertaining to para-sports and aimed at creating awareness regarding the same amongst the students and faculty.

SMALL PRECAUTION, BIG PROTECTION! PREVENT FILARIASIS"

As a part of the UBA and NSS initiative, the College of Physiotherapy, Dayananda Sagar University, conducted a door-to-door awareness program on filariasis/elephantiasis in Cheeluru, Kanakapura on 14 February 2025. Our students effectively educated villagers on its causes, symptoms, management, and preventive measures using placards and pamphlets in an impactful and engaging way. The lively skit performed by our students captured attention, making the event both informative and interesting.

AWARENESS CAMPAIGN ON TUBERCULOSIS

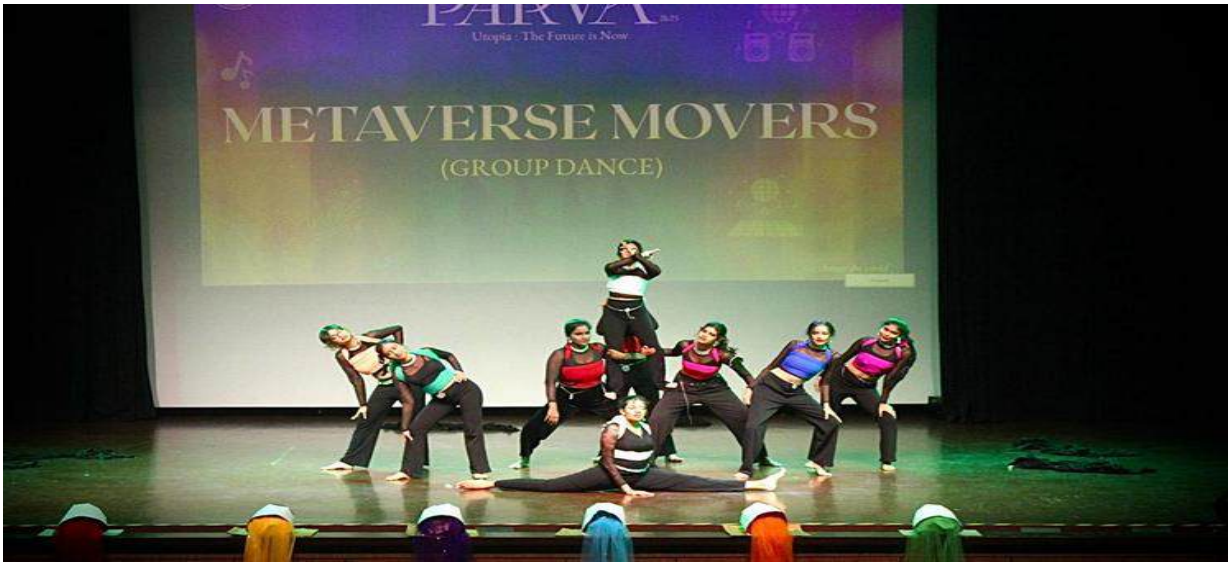
The NSS committee of Dayananda Sagar University, in collaboration with the College of Physiotherapy conducted a door-to-door awareness campaign on Tuberculosis in Thokkasandra, Kanakapura. Volunteers interacted with the villagers, spreading awareness about Tuberculosis on 24 April 2025. Informative and visually engaging pamphlets, designed by the College of Physiotherapy, helped convey key messages. A brief survey was conducted, collecting essential details from the residents.

DSU WOMEN'S CRICKET TOURNAMENT VICTORY

The women's cricket team from the College of Physiotherapy, DSU emerged as winner's in the DSU women's cricket tournament organized by the department of Physical Education on April 9, 2025.The team showcased outstanding performance and team spirit, bringing pride to the College.

CULTURAL COMPETITION AT PARVA

Ms.Aditi, MPT 2nd year student, participated in a solo singing competition at the PARVA event held by RV College of Physiotherapy on 22 April 2025. Students from College of Physiotherapy, DSU participated in a dance competition held at RV College of Physiotherapy as a part of PARVA on 23 April 2025



PHYSIOTHERAPY SUPPORT AT TCS WORLD 10K MARATHON

The TCS world 10K marathon, held on 27 April 2025 at Field Marshal Sam Manekshaw Ground in Bengaluru, with more than 15000 participants, including elite athletes participated.
1st year PG students volunteered, offered injury treatment, pain management, DOMS relief, and assisted with warm-up and cool-down exercises, ensuring athletes remained active and pain-free

EDUCATIONAL VISIT TO MANIPAL UNIVERSITY

On 16th May 2025, the College of Physiotherapy, DSU organized an educational visit to Manipal University. Dr.Vinod, Dr.Sai Bhavani, Dr.Gayatri, and postgraduate students explored the advanced research laboratory, the Kasturba Hospital Facilities, and the detailed anatomy museum at Kasturba Medical College, Manipal.The visit enriched clinical knowledge and research insights, showcasing a dynamic learning experience beyond traditional classrooms.

AWARENESS CAMP ON PHYSIOTHERAPY IN WOMEN'S HEALTH AND THE IMPORTANCE OF ANTENATAL EDUCATION

An awareness camp on women's health physiotherapy and the importance of antenatal education was conducted on 9 May 2025 at the Primary Health Centre at Kotikoppa. Dr.Sachidanand, medical officer, addressed the gathering. Postgraduate students from the College of Physiotherapy performed a skit highlighting key aspects of the topic. Inter active Q&A session was held before conducting the event. Participants shared positive feedback, making it a valuable experience and a meaningful community engagement effort. The program was co-ordinated by Dr. Sai Bhavani and Dr. Jagrruthi.

.

ETHNIC DAY CELEBRATION

DSU celebrated ethnic day on 16 May 2025. Students showcased their regional attire and enthusiastically participated in games and events. It was lively and colorful day, filled with cultural pride and a wonderful display of unity in diversity.

FAREWELL FOR OUTGOING BATCH

The farewell event for outgoing interns and 2nd year MPT students was held on 24 May 2025 at the HS building.The event was hosted by 4th year BPT and 1st year MPT students, the event embraced a masquerade theme.Students bid a warm and heartfelt goodbye, sharing memories and extending best wishes to the outgoing batch for their future endeavors.

FUEL YOUR DREAMS, NOT ADDICTIONS – BE THE CHANGE

COPT successfully organized the awareness program "Fuel Your Dreams, Not Addictions – Be the Change" on June 26, 2025 marking the International Day against Drug Abuse and Illicit Trafficking.The event featured an insightful session by Mr. R. M. Manjunath (Chairman) and Mr. Kannan (President) of the CALM Foundation, who shared their experiences in de-addiction

and community healing.BPT students presented a heartfelt skit, poetry, and placard display, powerfully spreading the anti-drug message.A collective pledge was taken under the Nasha Mukt Bharat Campaign, and participants left thumbprints in support of a drug-free India.A

confidential helpline box was also placed to support students in need.

College of Physiotherapy organized a vibrant event on 23 June 2025 titled "TRIKONA – Art, Awareness & Advancement in Yoga" The program included a blend of yoga, dance, music, and academic sessions. 1st and 2nd year BPT students participated in the Performative Yogic Dance Showcase – Samanvaya. 3rd and 4th year BPT students presented posters in the session Wellness on Paper, highlighting the physiological benefits of yoga. Postgraduate students took part in YogXplore, presenting on recent advances in yoga therapy for rehabilitation.

SYNAPSE OFF STAGE

The Synapse Off Stage event, organized by the *Students Council* – **Sankalp** on 06 September 2025, was held with the cultural, literary, co-curricular, and discipline committees working

together to create a vibrant and engaging experience. The activities fostered heated team spirit among the participants, and the Wednesday announcement of scores added an extra spark to the excitement

PROFESSIONAL DEVELOPMENT PROGRAM ON MENTORING SKILLS

College of Physiotherapy as a part of Professional Development Program conducted a session titled "Improve Your Mentoring Skills" on 27 June, 2025. The session was conducted by Dr. Ali Khwaja, Founder of Banjara Academy, who shared valuable insights on effective mentoring strategies, communication, and empathetic listening—essential skills for professionals in academic and healthcare settings. The program was attended by faculty and was well-received for its practical insights

8.10 SCHOOL OF HEALTH SCIENCES-COLLEGE OF ALLIED HEALTH SCIENCES

BLOOD DONATION AWARENESS CAMPAIGN

CAHS, DSU conducted a Blood Donation Awareness Campaign at Cheelur to educate the community on the importance of voluntary blood donation and its life-saving impact 09 July, 2024. Students from 3rd year AOTT and 2nd year MLT actively engaged with local residents to spread key messages. The initiative served as a meaningful platform for allied health students to promote altruism, encourage regular blood donation, and strengthen community participation in health-related causes, laying a foundation for sustained awareness efforts.

EXTERNAL HOSPITAL VISITS (

College of Allied Health Sciences organized external hospital visits 10 -12 July 2024. The visits were aimed at providing practical exposure and insights into healthcare practices to the 3rd-year AHS students. The selected hospitals for this initiative included Kidwai Memorial Institute of Oncology, Jayadeva Institute of Cardiovascular Sciences and Research, RED.Health Ambulance services, and Sakra World Hospitals, all renowned for their expertise in specialized medical services.

WEBINAR: "ALTERNATE CAREER OPTIONS IN LIFE SCIENCES"

The Admissions Department, DSU, hosted an outreach and branding webinar at SOE Lecture Theater-2, featuring participation from all SHS schools on 22 November 2024. Principals presented program scopes and opportunities, with Dr. T.M. Nandan highlighting CAHS's 5 B.Sc. AHS programs, 2-year MPH program, and advantages such as early clinical exposure and access to advanced facilities. Teachers and 12th-grade students from Hosur and Krishnagiri attended. Queries on emerging career prospects in the allied healthcare sector were addressed, emphasizing growth driven by the newly formed National Commission.

KANNADA RAJYOTSAVA 2024

Kannada Rajyotsava was celebrated at the DSU Harohalli campus, organized by the College of Pharmaceutical Sciences under SHS with the Centre for Performing Arts on 22 November 2024. The event opened with Dollu Kunitha performance, followed by appearances from noted Kannada personalities Guru Kiran, Srinidhi Shastry, and Adhvithi Shetty. DSU leaders and faculty graced the occasion. CAHS students actively participated in group dance and solo singing, coordinated by Mrs. Padmaja T.

PLACEMENT TRAINING & INTERACTION SESSION FOR INTERNSHIP STUDENTS ()

CAHS, in collaboration with the DSU Placement and Training Department, conducted an interactive support session for internship students at the CDSIMER Physiology Demo Room on 26 November 2024. Led by Ms. Roopa Priya J.K., Placement and Training Officer, the session guided students on career opportunities, higher education options, and strategies for professional growth. Presentations highlighted ways to strengthen employability and prepare for future career pathways post-internship.

CONSTITUTION DAY 2024

The College of Allied Health Sciences, DSU, observed the 75th Constitution Day with a Pledge Taking Ceremony at the main campus on 26 November 2024 aligning with national NSS-led celebrations. Principal Dr. Nandan T.M initiated the event by leading the pledge and addressing faculty and students on the significance of the Constitution. Faculty members and students from various departments participated actively, marking the occasion with sincerity and respect.

INTERNATIONAL DAY OF RADIOLOGY 2024

CAHS, in collaboration with the Department of Radiology, CDSIMER, observed World Radiographers Day with a guest lecture themed "Radiographers: Seeing the Unseen" on 27 November 2024 Guest Speaker Ms. Rajitha D delivered an enriching session on advanced imaging techniques. Student presentations on imaging and AI applications followed. The event concluded with a vote of thanks by Ms. Varshini R, acknowledging the contributions of guests and participants.

CASCADES 2024

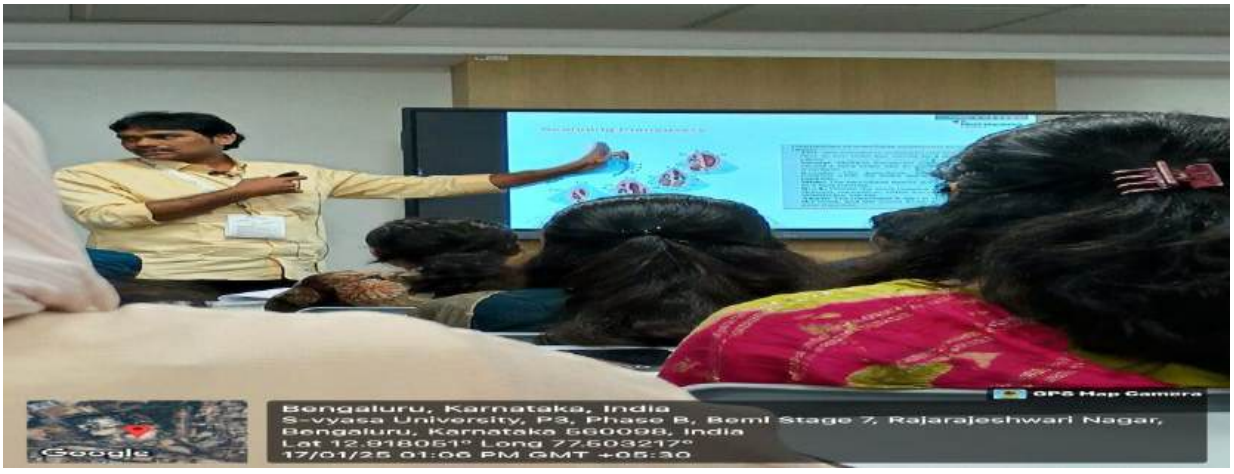
Cascades 2024 – Enchanted Kingdom, the mega inter-college cultural fest at DSU, Harohalli, was organized in collaboration with the Centre for Performing Arts on 28–29 November 2024. The event showcased diverse activities including dance, music, fashion shows, and treasure hunts, offering a vibrant platform for creativity and collaboration. CAHS students actively participated in Group Dance and Treasure Hunt events.

INTERDISCIPLINARY CONFERENCE ON HEALTHCARE & TECHNICAL RESEARCH

Manipal Academy of Higher Education, KMC Mangaluru, hosted an interdisciplinary conference focusing on healthcare technology and research. B.Sc. MLT internship students from CAHS participated on 18–19 December 2024, gaining exposure to expert discussions and emerging trends. Key topics included the role of AI in healthcare, telemedicine advancements, and omics technologies. The event offered a valuable platform for students to deepen their understanding of evolving healthcare innovations and prepare for future professional challenges.

AHS MULTI-DISCIPLINARY CONFERENCE

3rd-year CCT students from CAHS, DSU attended AHSCON-2025, organized by KAPHA at S-VYASA University, Bengaluru.on 17–18 January 2025. The conference provided valuable exposure to current trends in Cardiac Care Technology. A panel discussion on innovations in cardiac monitoring highlighted emerging tools for heart rate and rhythm assessment. Key sessions covered Echo in Emergency, basics of pacing and electrophysiology, intra-cardiac normal variants, and guidelines for adult transthoracic echocardiography, offering students strong clinical and technical insights.



AERO INDIA 2025

Third-year CCT students from CAHS, DSU volunteered at Aero India 2025 on 13–17 February 2025, the renowned international aerospace exhibition held at the Yelahanka Air Force Station. With Sagar Hospitals serving as the official medical partner, students supported medical services, logistics, and visitor assistance, contributing to the smooth functioning of the event. The experience offered valuable exposure to large-scale event management and healthcare support in high-profile public environments.

INTERNATIONAL WOMEN'S DAY 2025

DSU celebrated International Women's Day 2025 at the School of Engineering on the theme "Accelerate the Action – Equal Rights for Every Girl & Every Woman." on 8 March 2025 The event featured cultural performances, interactive games, and a talk on women's wellness, health, and empowerment by Dr. Shreelakshmi G, Consultant Obstetrician & Gynecologist. Dr. Pushpa Sarkar, Dean-SHS, served as Guest of Honor. Mrs. Padmaja T, Lecturer–MIT, actively participated in the rangoli competition and other activities, adding to the vibrancy of the celebration.

INTRA-COLLEGE CRICKET TOURNAMENT.

As part of the Annual Sports Meet 2025, the Department of Physical Education and Sports organized an intra-college cricket tournament at the DSU Harohalli stadium on 4 April 2025. Two CAHS teams competed in an 8-over match, promoting fitness, teamwork, and sportsmanship among students. The event reflected strong enthusiasm and active participation from CAHS students.

STUDY SKILLS & STAYING FOCUSED"

CAHS, in collaboration with the Centre for Innovation and Learning, conducted a soft-skills session for first-year students on study techniques and maintaining focus on 26 May 2025. Held at CDSIMER, the program covered time management, goal setting, minimizing distractions, and smart learning strategies. Interactive activities and motivational insights—including teachings of Swami Vivekananda—helped students strengthen their academic habits. Guest speakers Ms. Sushma S and Ms. Praveena inspired students with practical guidance for personal and academic growth.

WORLD ENVIRONMENT DAY – PLANTATION DRIVE

DSU observed World Environment Day 2025 with a campus-wide Plantation Drive organized by the Department of Student Affairs on 5 June 2025. Fifteen CAHS students actively participated, planting saplings across designated zones to promote environmental sustainability and campus greenery. The initiative encouraged ecological responsibility and community involvement among students. The participation of CAHS students was coordinated by Mr. Solomon S, Lecturer, Cardiac Care Technology.

EXTERNAL HOSPITAL VISIT

CAHS organized an external hospital visit to Sri Jayadeva Institute of Cardiovascular Sciences and Research for 3rd-year AHS students to gain hands-on clinical exposure on 10 June 2025. Students from AOTT, CCT, ETT, MIT, and MLT visited specialized departments including OT, Cathlab, Nuclear Medicine, Cardiac CT/MRI, and Central Laboratory. They observed anesthesia techniques, cardiac imaging procedures, nuclear cardiology studies, and NABL-accredited lab practices through demonstrations by senior technologists and faculty.

ZERO WASTE ART COMPETITION

CAHS, DSU organized a "Zero Waste Art Competition" 13 June 2025 to promote creativity and environmental awareness by encouraging students to create artworks using recycled or repurposed materials. The event saw enthusiastic participation, with students presenting innovative eco-friendly pieces. Prizes were awarded to students who demonstrated outstanding sustainable art practices.

8.11 SCHOOL OF HEALTH SCIENCES: COLLEGE OF PHARMACEUTICAL SCIENCES

FACULTY DEVELOPMENT PROGRAM ON "BLOOM'S TAXONOMY AND LEARNING IN ACTION":

The College of Pharmaceutical Sciences, Dayananda Sagar University, organized a five-day Faculty Development Program on *"Bloom's Taxonomy and Learning in Action"* from July 24–28, 2024. Esteemed speakers included Dr. Bahubali G. Nagavi, Founder & CEO, HESDARC, Mysuru; Prof. (Dr.) P. Jayasekhar, Former Dean, College of Pharmacy, NUST Muscat; Mr. Kalpesh V. Mehta, Co-founder, HESDARC; and Dr. Sabitha M, Principal, Amrita School of Pharmacy, Kochi. The sessions provided both theoretical and practical insights into designing learning outcomes and integrating Bloom's Taxonomy into effective pedagogy.

INDUSTRIAL VISIT:

College of Pharmaceutical Sciences, Dayananda Sagar University, organized an industrial visit to DiponEd Research International, Bengaluru on 22 July 2024. Faculty members, along with students from M. Pharm. Pharmaceutics and Pharmacology, participated in the Programme.

SEMINAR ON TRENDING OPPORTUNITIES IN CLINICAL RESEARCH INDUSTRY:

The College of Pharmaceutical Sciences, Dayananda Sagar University, organized a seminar on *"Trending Opportunities in Clinical Research Industry"* on 24 September 2024 in collaboration with Learning Lab Research Institute (LLRI). The event was coordinated by Dr. Prashant Tiwari, Associate Professor, COPS, and Mr. Harish Krishna, Recruitment Head, LLRI. Eminent speakers included Mr. Prashant Biradar, Founder & CEO, LLRI, and Dr. Sharmistha, Tech Expert, LLRI, who shared valuable insights into emerging trends, skill requirements, and global career prospects in clinical research. The seminar was attended by B.Pharm, M.Pharm, and Pharm.D students,

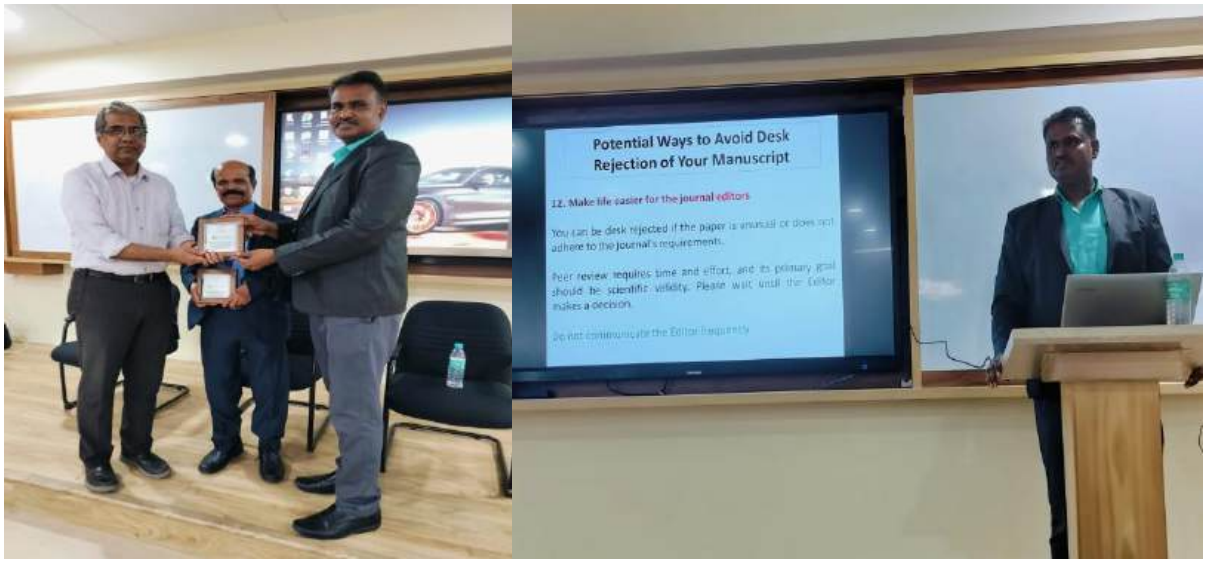
INTERNATIONAL CONFERENCE:

The DSU Pharmacon 2024, an *International Conference on Emerging Tools and Techniques*, was successfully held on December 19–20, 2024. The event witnessed the participation of 356 delegates, featuring 15 oral and over 175 poster presentations from academia and industry. The conference was presided over by Dr. Amit Bhatt (VC, DSU) and coordinated by Dean SHS, Dr. Pushpa Sarkar. Dr. Jayakara Shetty (VC, BU) graced the occasion as Chief Guest, along with Dr. S. Kranti Kumar (Registrar, KSPC) and Dr. Jagadeesh Mittur (President, IBiOM) as Guests of Honor. Faculty and students from DSU made significant research contributions, making the conference a remarkable academic success.

WORKSHOP ON RESEARCH METHODOLOGY, SCIENTIFIC WRITING, PUBLISHING AND ETHICS (RM-2025):

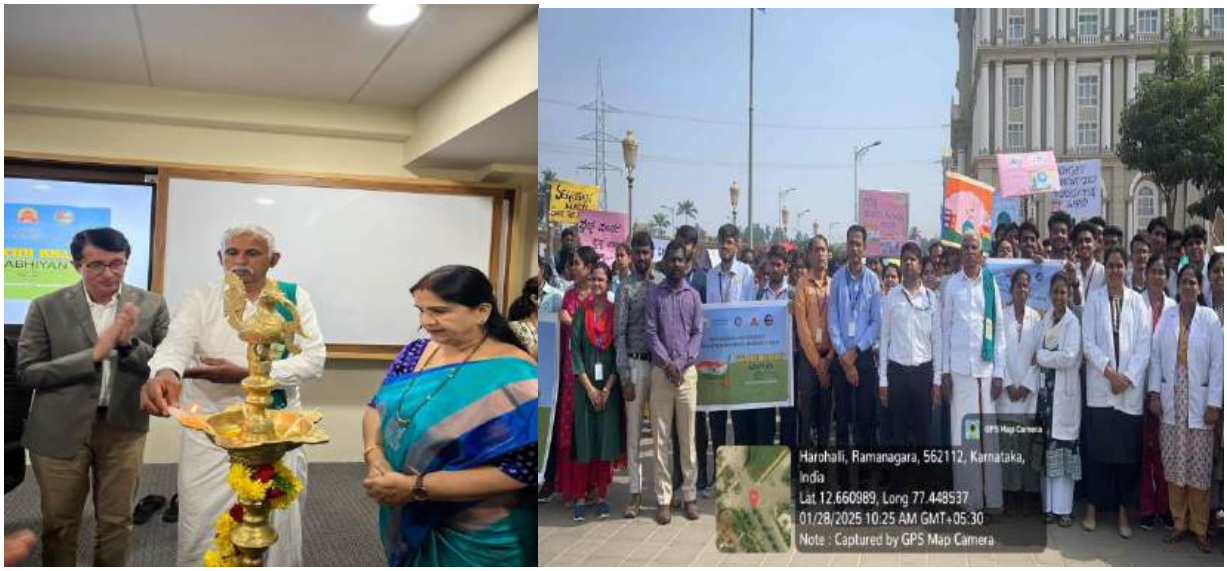
The College of Pharmaceutical Sciences organized a one-day workshop titled "Research Methodology, Scientific Writing, Publishing and Ethics (RM-2025)" on 17 January 2025. The distinguished speakers were Dr G Jagadeesh (Ex-Senior Expert Pharmacologist, CDER, USFDA) – spoke on framing research questions and hypotheses.

Dr. Balakumar P (Professor & Director, Research Training & Publications, Periyar Maniammai Institute of Science & Technology) – covered effective scientific writing and advanced tools for literature review. Dr. Shubhada Nagarkar (Professor, Savitribai Phule Pune University) – addressed ethics in publishing, including predatory journals and retractions. A large number of faculty members, PG & Ph.D. scholars and PharmD students attended the workshop.



SWACHH BHARATH ABHIYAN AWARENESS AND RALLY:

The School of Health Sciences, Dayananda Sagar University, organized a Swachh Bharath Abhiyan Awareness and Rally on 28 January 2025 with great enthusiasm and active participation. The event aimed to promote cleanliness, hygiene, and social responsibility among students and the community. The program was inaugurated in the presence of distinguished guests – Mr. Dasappa, a renowned agriculture expert and recipient of the Krishi Pandit Award, who served as the Chief Guest. The event was further graced by Dr. Amit Bhatt (Vice-Chancellor), Dr. Puttamadappa (Registrar), and Dr. Pushpa Sarkar (Dean, SHS). A total of 325 students took part in the event, demonstrating commendable enthusiasm and commitment towards the national mission of "Clean India."



EDUCATIONAL VISIT:

An educational visit was organized for Pharm D students to National Horticulture Fair 2025 at ICAR-Indian Institute of Horticultural Research, Hesaraghatta, Bengaluru on 27 February 2025. The event was coordinated by Dr Shanaz Banu and Dr Premakumari from Dept. of Pharmacognosy, and Pharmaceutical Chemistry.

GUEST TALK: WORLD TUBERCULOSIS DAY

The Department of Pharmacy Practice, COPS, DSU organized a guest seminar to commemorate World Tuberculosis Day 2025 on 24 March 2025. The seminar was delivered by Dr. Puneeth K. Nagendra, who shared his expertise on tuberculosis, including current trends, challenges in management, and preventive strategies. The event was supported by Urban Healthcare Centre, Kanakapura. The session highlighted the importance of awareness, early diagnosis, and adherence to treatment protocols in combating TB. Faculty members, postgraduate students, and research scholars actively participated and engaged in discussions, gaining valuable insights into the clinical and public health aspects of tuberculosis. The event successfully emphasized the significance of TB awareness and reinforced the role of healthcare professionals in disease prevention and patient care.

SEMINAR BY CLARIVATE ANALYTICS: "RESPONSIBLE USE OF AI IN LITERATURE REVIEW AND ACADEMIC WRITING – AN OVERVIEW OF WEB OF SCIENCE™ RESEARCH ASSISTANT":

The Research and Development Committee of the College of Pharmaceutical Sciences, School of Health Sciences, Dayananda Sagar University, organized a seminar in collaboration with Clarivate Analytics on 13 March 2025. The session was delivered by Dr. Subhasree Nag, Senior Consultant & Lead Manager, and Mr. Srijith, Customer Relationship Manager, Clarivate Analytics. The seminar focused on the responsible use of Artificial Intelligence in literature review and academic writing, including a demonstration of the Web of Science™ Research Assistant.Participants gained insights into enhancing research efficiency, supporting scholarly

writing, and maintaining academic integrity through AI-powered tools. The event promoted ethical AI usage in academia and highlighted digital resources for evidence-based research and publication excellence.

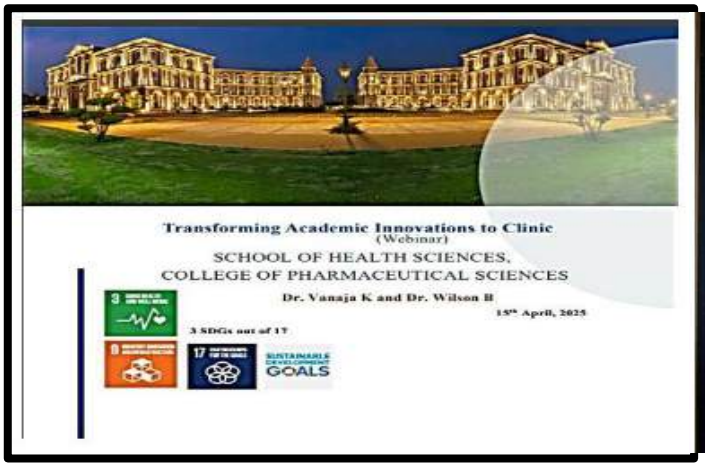
PHARMA ANVESHAN DAY:

Pharma Anveshan Day was celebrated to recognize the birth anniversary of Mahadeva Lal Schroff, widely recognized as the "Father of Indian Pharmacy Education," on 22 March 2025. The event was organized in support of PCI, New Delhi. The event was graced by Dr. V. Balasubramaniam, Co-Founder & COO of Bugworks Research India Pvt. Ltd., Bengaluru, as the Chief Guest, and Dr. Vijay Kulkarni, Co-Founder & Director of Swalava Enterprises Pvt. Ltd., Bengaluru, as the Guest of Honor.The celebration highlighted the legacy of Mahadeva Lal Schroff and aimed to inspire students and researchers to excel in pharmaceutical education and innovation. The program included talks, interactive sessions and discussions emphasizing the significance of research, entrepreneurship, and leadership in the pharmaceutical industry. The event successfully motivated participants to contribute meaningfully to the advancement

of pharmacy education and research in India. Dr. V. Balasubramaniam, Co-Founder & COO of Bugworks Research India Pvt. Ltd., Bengaluru, as the Chief Guest, and Dr. Vijay Kulkarni, Co-Founder & Director of Swalava Enterprises Pvt. Ltd., Bengaluru, as the Guest of Honor with Dr Pushpa Sarkar, Dean, SHS and Dr Mayur YC, Principal, COPS.

WEBINAR ON TRANSFORMING ACADEMIC INNOVATION TO CLINICS AT DSU:

The College of Pharmaceutical Sciences, Dayananda Sagar University, organized a Webinar on "Transforming Academic Innovation to Clinics" was conducted by Dr. Vanaja K and Dr. B. Wilson on 15 April 2025, featuring Dr. Guru V. Betageri (Western University of Health Sciences, USA) and Dr. Padma Devarajan (ICT, Mumbai) as speakers. The session focused on translating academic innovations into clinical applications and was attended by 200 participants.



WORKSHOP ON PHARMACEUTICAL QUALITY BY DESIGN AT DSU:

The College of Pharmaceutical Sciences, Dayananda Sagar University, organized a Workshop on "Pharmaceutical Quality by Design and Application of Statistical Optimization" was conducted by Dr. Sajeev Kumar B and Dr. Sonal Dubey on 28 April 2025. Mr. Zaheer Abbas (Senior Formulation Specialist, AstraZeneca, UK) served as the resource person, sharing

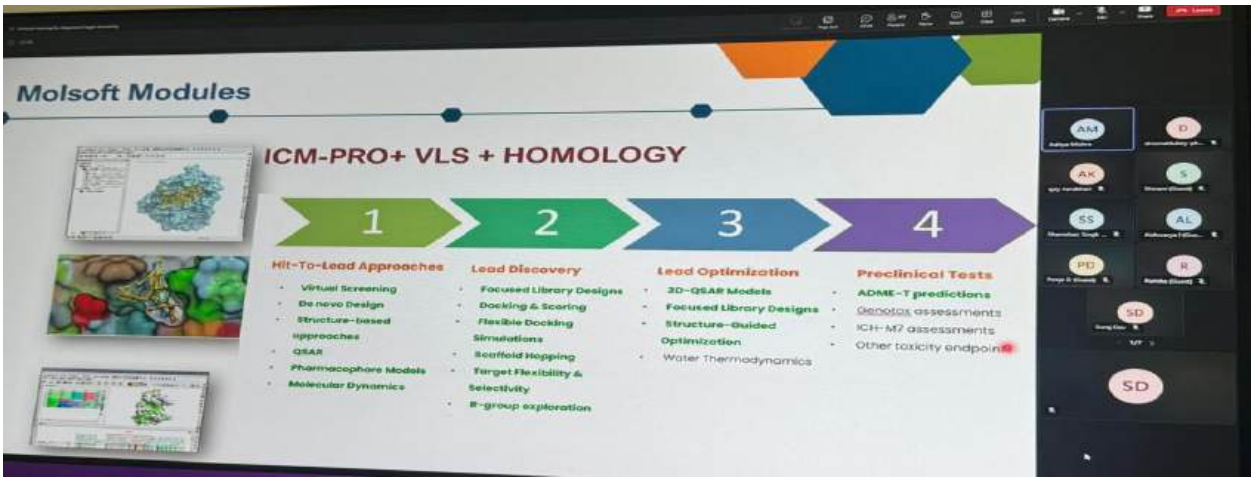
insights on formulation development and statistical optimization. The session was attended by 48 participants.

DSU STUDENTS PARTICIPATE IN MEGA TB AWARENESS DRIVE 2025:

The M. Pharm and Pharm D students College of Pharmaceutical Sciences participated in the Mega TB Awareness Drive 2025 on 23 April 2025 at Ajjegowdanavalase village, conducting surveys and awareness sessions on TB prevention and early detection.

TWO-DAY ONLINE WORKSHOP ON CADD USING ICM PRO BY DSU:

The College of Pharmaceutical Sciences, Dayananda Sagar University, organized a Two-day online workshop on CADD using ICM pro- Molsoft software by Molsoft LLC: on 19th and 20th May 2025. Coordinator: Dr. Sonal Dubey. No. of Participants: 25.



WEBINAR ON DHR GRANTS AND FELLOWSHIPS ORGANIZED BY DSU:

FACULTY DEVELOPMENT PROGRAM

School of Computer Applications has successfully completed a Seven-day Faculty Development Programme (FDP) titled "Innovative Pathways: Research Methodologies for Computer Science" from 08-07-2024 to 15-07-2024. This online event was dedicated to improving the research capabilities and methodologies of faculty members in the field of Computer Science.

ORIENTATION PROGRAM ON THE INFOSYS SPRINGBOARD PLATFORM

The School of Computer Application in association with the Infosys Springboard organized an Orientation Program on the Infosys Springboard platform for MCA students was conducted by Ms. Pruthvi Adisesha, Senior Associate - Learning, Infosys from 22-07-2024 to 26-07-2024. The session introduced students to the course structure, objectives, and available resources. Key highlights included a welcome address, an overview of course modules, and a platform navigation demonstration.

STUDENT ENABLEMENT PROGRAM ON ARTIFICIAL INTELLIGENCE

The six-day Artificial Intelligence certification program, conducted by Ms. Pruthvi Adisesha, Senior Associate - Learning, Infosys and Ms. Aishwarya Rajeev, Senior Analyst – Learning from 22-07-2024 to 26-07-2024. Infosys provided students with a comprehensive introduction to key AI domains. Covering topics such as Artificial Intelligence fundamentals, Deep Learning, Natural Language Processing, Robotic Process Automation, Computer Vision, and Data Science, the sessions offered both conceptual understanding and practical insights into real-world applications.

WORKSHOP ON INSPIRING QUALITY RESEARCH:

Dr. S Senthil, Dean, SCA conducted an engaging session for faculty members on *"Inspiring Quality Research: Tips and Strategies for Academic Excellence,"* emphasizing the vital role of research in a teacher's professional growth and in enhancing students' academic success 27 July 2024. He discussed key aspects such as defining research problems, conducting literature reviews, and writing clear academic papers, while citing thinkers like Albert Einstein, Charles Kettering, Jim Rohn, and Mark Twain. Highlighting the value of academic integrity, he inspired faculty to pursue meaningful, high-quality, and ethical research.

EXPERT TALK ON MACHINE LEARNING IN OUR DAILY LIFE

The School of Computer Applications hosted an expert talk on Machine Learning in Daily Life, presented by Dr. S. Senthil, Dean of the School of Computer Applications on 29-07-2024. Dr. Senthil opened the session with a concise overview of Machine Learning (ML), covering its various types and their applications in everyday life. He illustrated how ML influences different sectors and its pervasive impact on modern technology.

BCA 2024 BATCH ORIENTATION "AURORA-2024"

The **School of Computer Applications** at **Dayananda Sagar University** organized **AURORA – 2024,** a six-day orientation program for the incoming **BCA 2024 batch** from **August 12 to 20, 2024,** featuring motivational talks, academic insights, and skill-development sessions. The program opened with an inspiring keynote by **Dr. Gururaj Karajagi,** followed by sessions from distinguished faculty and experts including **Dr. S. Senthil, Dr. Vasanti Kumari, Dr. Khathiravan Pethi, Mr. S. Vijayakumar, Dr. C.R. Reddy, Mr. Vinod Shankar, Mr. Venu C.V, Dr. Sudeendra Theertha Koushik**, and **Dr. K. Sai Prasad.**

WOMEN EMPOWERMENT AWARENESS PROGRAM

On August 9, a team of 30 students along with Ms. Bhagyajyothi, Assistant Director & Physical Educator, DSU, visited Hosahalli, Padivanagere near Bengaluru to conduct a social and educational activity focused on women empowerment. Students educated women and elderly individuals on topics such as health, education, skill development, legal rights, gender equality, digital literacy, and sustainability.

INDEPENDENCE DAY ONLINE COMPETITION

On the occasion of 78th Independence Day 2024 on 15 August 2024, conducted online competitions like Painting, patriotic singing, patriotic, video story, essay, poster competitions for BCA Students. Students registered with a scanner given on the poster and submitted their materials (audio, video, essay document, painting) through mail within allotted time. And results announced on 15th august and students performed on the occasion in front of dignitaries and e certificates have been shared to students.

EXPERT TALK ON INNOVATION AND FUNDING SCHEMES

The session was delivered by Mr. Sathyanarayana B.V., CEO of DERBI Foundation on 23 August 2024. He explained the differences between startups and established organizations and shared insights into Bengaluru's growing startup ecosystem. Bhavani G from DERBI further discussed the stages of converting an idea into a product, available funding and investor support, and internship opportunities for students. The session was highly interactive and informative, providing valuable guidance on entrepreneurship and innovation.

WEBINAR ON STUDENT EXCHANGE OPPORTUNITIES

The visiting team included Dr. Amanda Payne, Senior Lecturer and Course Leader; Dr. Chris Howard, Course Director; and Mr. Jonathan Disley, Global Partnership Manager 12 September 2024. They visited Campus 3 and conducted lectures for final-year SCMS and MCA students, sharing their expertise and insights. In addition to the lectures, a webinar was organized to discuss student exchange opportunities and the master's programs available to DSU students at Staffordshire University. This initiative aimed to strengthen academic collaboration and provide students with valuable insights into international study options.

SEMINAR ON PENETRATING TESTING: A HANDS-ON INTRODUCTION TO HACKING

As part of their Information and Network Security course, the BCA V Semester students participated in a Seminar on Penetration Testing organized on 24 September 2024 to enhance

their practical understanding of cybersecurity concepts such as ethical hacking and penetration testing. The session was led by Mr. Md. Tousif, Chief Training Officer at Ethical Byte, who brought over seven years of professional experience in Network Security.

STUDENT ENABLEMENT PROGRAM ON PYTHON PROGRAMMING

The Infosys Springboard organized a 3-day Student Enablement Program on Python programming from September 25th to 27th September 2024, led by Ms. Aishwarya Rajeev. The program offered a comprehensive curriculum designed to provide students with a robust understanding of key Python concepts and practical applications. Below is a detailed report of the program, including a brief introduction to each day's course and information on one additional certification courses

INDUSTRIAL VISIT TO INFOSYS MYSORE CAMPUS FOR MCA STUDENTS

An industrial visit has been arranged for MCA semester-2 students on 27 September 2024, at the Infosys Mysore Campus. During the visit, students were guided to the impressive Global

Education Center (GEC-1), where trainees receive instruction in well-equipped classrooms. The GEC also houses a central library on its topmost floor. Afterwards, students enjoyed a brief tour of the campus, further enriching their understanding of the corporate environment and the innovative culture at Infosys.

MCA 2024 BATCH ORIENTATION - S.P.A.R.K 2024

The School of Computer Applications has successfully conducted a Five-day Orientation Program titled "SPARK 2024 "for I SEM MCA students from 25-09-2024 to 01-10-2024. An orientation program is an essential introduction to a student's academic journey. It helps familiarize new students with the campus, its resources, and the academic expectations. During orientation, students get the opportunity to meet faculty, staff, and peers, fostering early connections. Key information on courses, critical thinking, extracurricular activities, and support services like counselling and career guidance is shared. Additionally, orientation promotes a smooth transition into university life by addressing any questions or concerns and offering practical tips for success.

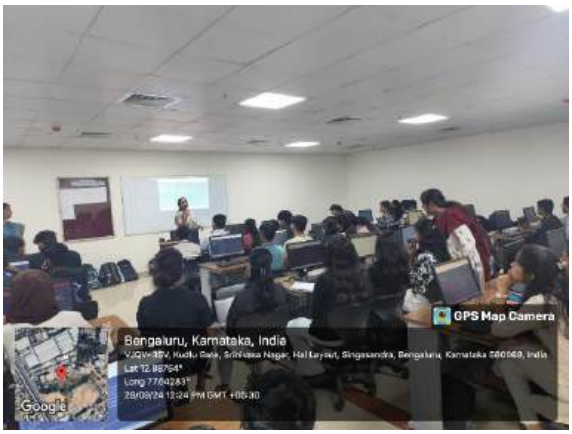
CAMPUS VISIT TO HEALTH SCIENCE DEPARTMENT, DSU, HAROHALLI CAMPUS

The School of Computer Applications organized industrial visit to Health Science department at Dayananda Sagar university, Harohalli 30-09-2024 & 01-10-2024. The Health Science department hosted seminar focused on the critical topic of first aid, aimed at equipping students with essential skills for emergency situations. The Dean of Health Science

department Dr. Pushpa Sarkar ma'am addressed students with her motivational talk. Followed by the seminar covered various aspects of first aid, emphasizing preventive measures, basic nursing care, and responses to medical emergencies.

WORKSHOP ON BLOCKCHAIN TECHNOLOGY

The workshops focused on Introduction to Blockchain, Applications of Blockchain, and Hands-on Practice Sessions on Ethereum using Solidity Programming on 28 September 2024. The sessions were conducted by Dr. M. K. Banga, Professor, Department of CSE, School of Engineering, DSU, and Ms. Shwetha G. S., Assistant Professor, Department of CSE (IoT, Cybersecurity & Blockchain), Bangalore Institute of Technology.



SPORTS DAY

On September 20, 2024, students from the 3rd Semester BCA participated in the sports day held at Dayananda Sagar University, Harohalli Campus, competing in events such as Kho-Kho, Tug of War, and Kabaddi. The team delivered an outstanding performance, winning Gold Medals in Girls' Kho-Kho and Girls' Tug of War, along with Silver Medals in both Girls' and Boys' Kabaddi. The event highlighted the team's athletic excellence, determination, and unity.

FRESHER'S DAY

Fresher's Day was a vibrant and memorable event that welcomed new students with a traditional greeting, inspiring addresses from the principal and dignitaries, and a series of lively cultural performances by seniors on 28 September 2024. The much-anticipated Mr. & Ms. Fresher competition added excitement with rounds showcasing talent, confidence, and creativity. The celebration concluded with an energetic DJ night where freshers and seniors danced and connected, creating a warm and engaging atmosphere that fostered camaraderie and set a positive tone for the academic year ahead.

LEVERAGING IBM SKILLS BUILD & WATSONX FOR AI-DRIVEN SUSTAINABILITY SOLUTIONS

By leveraging data analytics and machine learning, businesses can make smarter, real-time decisions that lead to reduced environmental impact on 01 October 2024.. From optimizing supply chains to improving energy efficiency, AI-driven innovations are making it easier for industries to align with the United Nations' Sustainable Development Goals (SDGs) and adopt more eco-friendly practices. Mr. Rahul Moorjani provided hands-on teaching on how to create AI driven chatbots using IBM's platform. He highlighted the versatility of chatbots in automating customer service, managing routine tasks, and enhancing user engagement across various industries.

WORKSHOP ON FULL STACK DEVELOPMENT USING MERN

The workshop covered a range of topics, starting with the fundamentals and progressing to advanced concepts in Node.js on 01 October 2024. During the workshop, Mr. Keerthivasan guided students in developing a full-stack application using Node.js and MySQL, while also covering MongoDB and its functionality. He then explained how to deploy the project on AWS, providing hands-on guidance throughout the process. Upon completion of the workshop, students were awarded E-certificates approved by IBM.

NASA SPACE APP EVENT

DSU successfully hosted the NASA Space Apps Challenge on 5th-6th October 2024, providing an exciting platform for students to collaborate on space-related challenges. Students from the School of Computer Applications (SCA) actively registered and participated in the event, as teams worked on diverse projects showcasing their creativity and problem-solving skills.

WORKSHOP ON PHISHING AND SOCIAL ENGINEERING

Mr. Sivakumar engaged the audience with real-life examples of phishing attacks, emphasizing the importance of recognizing social engineering tactics used by cybercriminals on 24 October 2024. Through his presentation, participants learned about various phishing methods and how attackers exploit human psychology to gain unauthorized access to sensitive information. The seminar offered practical advice on identifying phishing attempts and protecting oneself from such attacks. Students and faculty members alike found the session highly informative, as it highlighted the critical need for cybersecurity awareness in today's digital landscape.

CYBERSEEDS INDUSTRY IMMERSION PROGRAMME

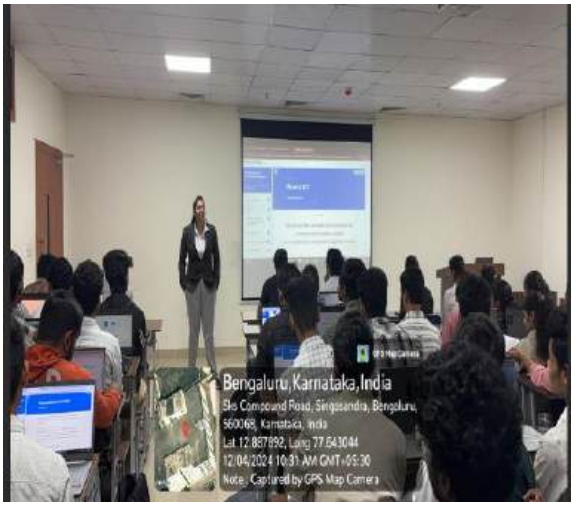
The CyberSEEDS Industry Immersion Programme with AuthenticOne Pvt. Ltd., marked a major step in strengthening academia–industry ties in cybersecurity on 09 November 2024. The event featured insights from Dr. S. Senthil, Mr. Kamal Sharma, and Chief Guest Ms. Ramya Parashar, followed by the signing of an MoU between DSU and AuthenticOne. Highlights included the Cyber Acharya Awards 2024 and expert panel discussions on human behavior as a threat vector and building a cyber-resilient India. The programme connected students with industry leaders, fostering innovation, collaboration, and future-ready cybersecurity talent.

TECH TALK ON CYBERSECURITY OPPORTUNITIES AND CAREER GUIDANCE

A thought-provoking tech talk on Cybersecurity Opportunities and Career Guidance was delivered by Ms. Divya, shedding light on the evolving landscape of cybersecurity and its career potential on 23 November 2024. Divya emphasized the growing significance of cybersecurity in safeguarding digital assets amidst escalating cyber threats globally. She recommended certifications like CompTIA Security+, CISSP, and CEH as crucial for aspiring professionals.

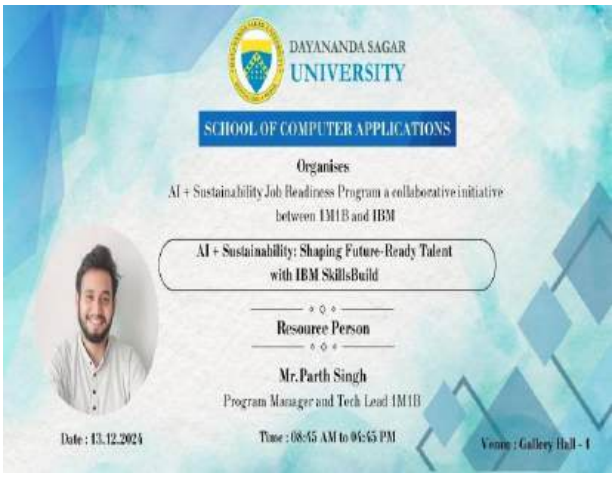
WORKSHOP ON IBM SKILL BUILD TRAINING SESSION

This program offers an in-depth exploration of Artificial Intelligence, focusing on its applications across industries, alongside foundational and advanced concepts in Cyber Security to safeguard digital assets from 4 November 2024 to 07 November 2024. Participants also gained hands-on experience in Web Development, learning to create dynamic, user-friendly, and secure web applications. In addition to technical skills, the program emphasizes Employability Skills Training, ensuring participants are prepared for the professional world. This includes training in effective communication, teamwork, problem-solving, and workplace ethics, making them well-rounded professionals.



WORKSHOP ON AI + SUSTAINABILITY JOB READINESS PROGRAM

School of Computer Applications at Dayananda Sagar University, in collaboration with 1M1B and IBM hosted the AI + Sustainability: Shaping Future-Ready Talent with IBM SkillsBuild program on 13 December 2024. This one-day student enablement initiative was led by Mr. Parth Singh Program Manager and Tech Lead at 1M1B and was designed to equip students with advanced knowledge of generative AI, natural language processing (NLP), and large language models (LLMs). The program's interactive structure, combined with real-world project demonstrations and access to IBM Cloud resources provided students with a strong foundation in generative AI, NLP, and LLMs. The event concluded successfully leaving participants equipped with the skills and confidence to leverage AI technologies for innovative and sustainable solutions.



INDUSTRY IMMERSION PROGRAM CYBERSEEDS DAY-1

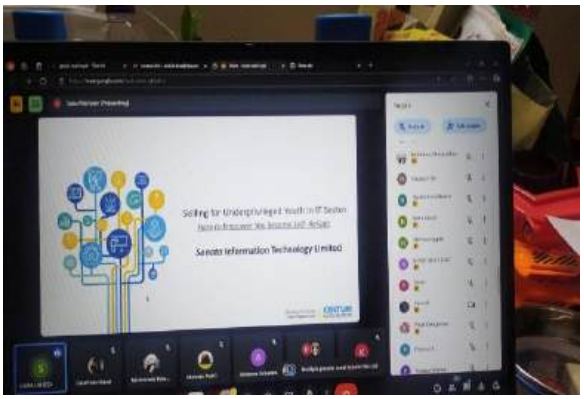
This session offered a clear vision of the exciting journey ahead in the upcoming sessions. We gained a better understanding of the fundamentals of cybersecurity and its growing importance in today's digital age on 14 December 2024.The speakers explained complex concepts with clarity, inspiring us to explore this dynamic domain further. This program has truly ignited a passion for cybersecurity among students, and students are eagerly looking forward to learning more in the sessions to come.

WORKSHOP ON "FULL STACK DEVELOPMENT"

Mr. Keerthivasan guided students in developing a full-stack application using Node.js, React.js and Express and MongoDB, while also covering MongoDB and its functionality during the workshop held on 14 December 2024. He then explained how to deploy the project on AWS, providing hands-on guidance throughout the process. By the end of the workshop, participants were able to design, develop, and deploy fully functional web applications independently. They also created portfolio-worthy projects to enhance their job prospects and technical credibility. Upon completion of the workshop, students were awarded E-certificates approved by IBM.

ORIENTATION PROGRAM ON DATA ANALYTICS

Orientation program was addressed by Ms. Sana Umeed, the CSR Project Manager at Centum Foundation on 23 December 2024. Her talk underscored the value of inclusivity, with the program being open to individuals from underprivileged backgrounds, specifically targeting those with a parental income of less than 8 LPA. The comprehensive curriculum included advanced technical training, communication skills development, mock interviews, and resume building, ensuring participants were well-prepared for the demands of the industry.



INDUSTRY IMMERSION PROGRAM CYBERSEED DAY-2

Mr. Divakar Prayaga spoke about the introduction to incident response and various terminologies in incident response like breach, event, exploit, zero day etc., by giving appropriate real-world examples for easy understanding of the students on 28-12-2024.. Then followed by the components of incident response. Mr. Kamal Sharma addressed the students on the importance of Business Continuity and various aspects of Business Continuity like Business Impact Analysis (BIA), Recovery Time Objective(RTO), Recovery Point Objective(RPO).

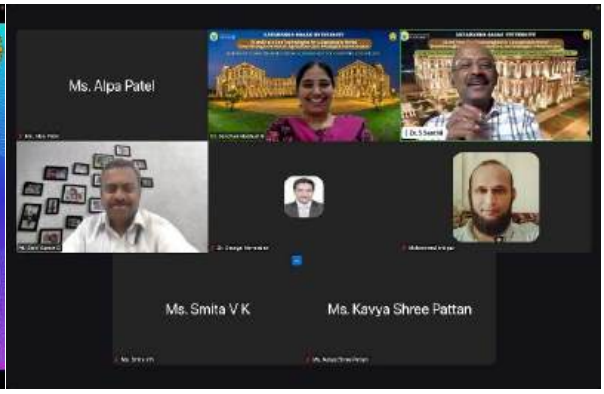
BEYOND LLMS – CRAFTING THE FUTURE WITH CAUSAL MODELS

Dr. J. B. Simha, a distinguished expert in Artificial Intelligence with extensive industry and academic experience, delivered an insightful session highlighting industry expectations from academic research—particularly the skills students need in the era of LLMs on 02 January 2025. He explained the architecture of future LLMs, emphasizing the role of causal models and the technologies required to build them.

AICTE- ATAL SIX DAYS ONLINE FACULTY DEVELOPMENT PROGRAM

The six-day program explored the transformative impact of emerging technologies across agriculture, rural development, and healthcare from 06 January 2025 to 11 January 2025. Day 1 addressed modern tech in agriculture with insights from Dr. R. Rajesh on precision farming, IoT, and sustainability. Day 2, led by Dr. Srikantha Patnaik, discussed IoT and cloud computing

for rural empowerment. Day 3 featured Dr. Pethuru Raj and Dr. J. P. Simha on edge AI, digital transformation, and AI for sustainable agriculture. Day 4 focused on AI in decision-making and agricultural automation with Dr. Mayukh Das and Dr. Syed Buhari. Day 5 centered on AI and cybersecurity in healthcare, with Mr. Kamal Sharma and Mr. Sanil Kumar addressing secure healthcare systems and generative AI. Day 6 concluded with Dr. Shekar, Dr. Ambika Paranthaman, and Dr. Arun Kumar Thangavelu

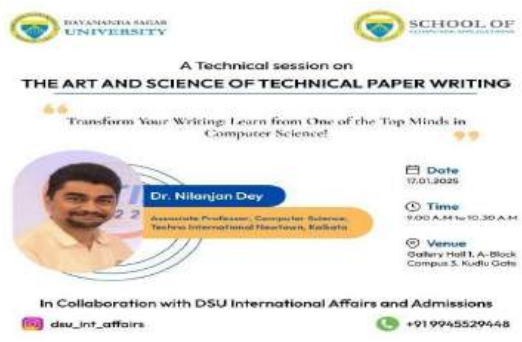


WORKSHOP ON "DIGITAL SOLUTIONS FOR ENVIRONMENTAL SUSTAINABILITY"

Experts from multiple domains discussed IoT-based environmental monitoring, AI-driven waste management, and digital tools for resource optimization, emphasizing their impact on efficiency and green practices on 17 January 2025. The event included panel discussions, hands-on demos, and collaborative brainstorming, along with case studies showcasing successful digital sustainability initiatives. It concluded with a commitment to fostering partnerships and scaling impactful technologies, making the workshop a strong platform for promoting digital innovation toward a greener future.

THE ART AND SCIENCE OF TECHNICAL PAPER WRITING

Dr. Nilanjan Dey delivered an insightful session on technical writing, highlighting the close alignment between technical papers and project reports in terms of structure, clarity, and logical flow on 17 January 2025. He guided students through essential components such as the abstract, introduction, literature review, methodology, results, and conclusion, emphasizing that a well-structured document enhances readability and understanding. Dr. Dey also shared practical writing strategies—maintaining one idea per paragraph, using appropriate tenses, minimizing unnecessary jargon, and refining drafts through proofreading and editing



SESSION ON IMPROVE RESEARCH SKILLS

Across two days from 24 January 2025 to 25 January 2025, the sessions led by Prof. N. Sundararajan provided a comprehensive introduction to research methodology, academic writing, thesis development, and publication ethics. Day 1 focused on building a strong research foundation, guiding students on selecting meaningful topics, formulating research questions. Day 2 covered advanced research practices, including thesis structuring, navigating journal publication processes, understanding peer review, and responding to reviewers.

ORIENTATION PROGRAM – S.P.A.R.K

Dr. Madhan addressed the importance of perseverance, self-discipline, and continuous learning in the ever-evolving field of computer applications on 31 January 2025. Dr. Madhan emphasized the significance of a strong foundation in programming, problem-solving skills, and adaptability in the dynamic tech industry. He encouraged students to cultivate a growth mindset, embrace challenges, and leverage opportunities for innovation. His speech was filled with real-life anecdotes and success stories, making it highly engaging and relatable for the young audience. He also highlighted the role of teamwork, ethical responsibility, and time management in achieving both academic and professional success. Dr. Madhan's motivational talk left a lasting impact on the students, instilling confidence and enthusiasm as they embark on their MCA journey.

CYBERSEEDS PROGRAM SESSION-4

The CyberSEEDS Program on Network Security successfully brought together experts, professionals, and learners to enhance awareness about securing modern networks against evolving cyber threats on 01 February 2025.. Led by industry specialists Mr. Kamal Sharma, Mr. Akash Purohit, and Ms. Yogini Shahane from AuthenticOne, the session delivered comprehensive insights across key domains—networking fundamentals, the cyber threat landscape, defense mechanisms, and cloud security. Participants gained clarity on core concepts such as OSI/TCP-IP models, firewalls, segmentation, DDoS and malware attacks, IPS/IDS, SIEM, Zero Trust, and cloud security challenges. Overall, the program offered a highly enriching learning experience and reinforced the need for strong, proactive cybersecurity practices.

DONOR'S DAY (NATIONAL SERVICE SCHEME EVENT)

Donor's Day was organized by School of Computer Application on 14 February 114th to express love and compassion by donating to the needy and organizing a charitable event in their support. The program commenced with a welcome speech, followed by student-led speeches on the **Pulwama attack** and the significance of **Donor's Day,** delivered in both Kannada and English. The event also featured group song performances and a poster presentation, where students showcased posters based on the themes of the Pulwama attack and Donor's Day. During this event, students were informed about various ways to contribute through donations, including monetary support, clothing, organ donation, blood donation, as well as providing food and essential items to those in need.

CULTURAL EVENT- THE BESTIES GALA

The Besties Gala was a grand success, featuring vibrant student performances, including dance, singing, and speeches on friendship. Participants also engaged in creative activities such as writing quotes about best friends. To enhance audience engagement, fun activities and competitions were conducted, including a Best Twinning Outfit Competition for both students and faculty. The event concluded with the distribution of gifts to the winners, making it a memorable and joyous celebration.

PARENT TEACHERS MEETING

The Parent-Teacher Meeting (PTM) for the I SEM MCA and III SEM MCA was successfully conducted at Dayananda Sagar University 22 February 2025.. The session was led by Dr. S. Senthil, Dean of the School of Computer Applications and provided an interactive platform for parents and class advisors to engage in discussions about students' academic progress.

SONATA SOFTWARE TRAINING PROGRAMME ON DATA ANALYTICS

The five-day program provided a comprehensive, integrated training in Excel data analysis and SQL, starting with foundational Excel functions such as INDEX–MATCH, charting techniques, and correlation-based visualizations. From 17 February 2025 to 22 February 2025. It progressed to logical and conditional functions (IF, AND, OR, COUNTIF, SUMIF) and Macros for automation. The SQL module began with core concepts—DDL, DML, and DQL—followed by advanced filtering, aggregate functions, various JOINs, subqueries, and set operators.

SONATA SOFTWARE TRAINING PROGRAMME

The six-day program provided a comprehensive overview of Microsoft Dynamics 365, beginning with core modules in CRM, ERP, and the Power Platform, and progressing through advanced customer engagement and service automation concepts held on 17 February 2025 to 22 February 2025. Day 1 introduced CRM components—Sales, Marketing, and Services—along with lead creation workflows. Day 2 covered Dynamics 365 Marketing Campaigns, environment management, and reporting via the Power Platform Admin Center. Day 3 focused on configuring Product Entity Records, pricing structures, and validation in development environments.

GUEST LECTURE ON "RESEARCH METHODOLOGY"

Dr. Jonathan Disley from the University of Staffordshire delivered an insightful session on research methodologies, emphasizing research as a structured, systematic process for generating knowledge on 24 February 2025. He explained major research methods—quantitative, qualitative, and mixed—along with the importance of a well-defined research design, clear objectives, and proper variable identification.

STUDENTS ACHIEVEMENTS

Sanjeev Reddy and Sanjeev Swamy, IV SEM BCA, have secured the Second Prize in the Debugging Competition held at St. Joseph's University, Bengaluru on 24 February 2025.

STUDENT ENABLEMENT PROGRAM ON FRONTEND WEB TECHNOLOGIES

The five-day workshop introduced students to the core elements of front-end development—**HTML, CSS, and JavaScript** from 17 March 2025 to 21 March 2025. Early sessions, led by **Ms. Meenakshi Vyas** and **Ms. Lalitha Bhangare**, covered HTML structure, form creation, and the use of CSS for visual styling through various selector types and properties. Students practiced building basic webpages and applying styles using inline, internal, and external methods.

FUTURE READY SKILLS: MASTERING MICROSOFT DYNAMICS 365 & DATA ANALYTICS

The Valedictory Session and Certificate Awarding Ceremony for the Microsoft Dynamics 365 & Data Analytics training program—sponsored by Sonata Software and executed by Centum Foundation—was held at Dayananda Sagar University on 20 March 2025., marking the successful completion of an industry-focused learning initiative. Ms. Sana Umeed outlined the program's objectives and praised the commitment of participants and trainers, while Guest of Honor Mr. Sarthak Behl emphasized the program's role in bridging academic learning with industry expectations.

STUDENT ENABLEMENT PROGRAM ON CISCO CERTIFIED SUPPORT TECHNICIAN

The School of Computer Applications, in association with Infosys Springboard, organized a 4-day Student Enablement Program on Cisco Certified Support Technicians (CCST) Networking from March 20 March 2025 to 24 March 2025. The program was led by Mr. Mohammed Tousif, Chief Training officer @ Ethical Byte and Mr. C. Lokesh, Freelance Trainer in network technology. This program offered a comprehensive curriculum designed to provide students with a robust understanding of key networking concepts and practical applications.

FULL STACK WEB DEVELOPMENT WITH DJANGO & FLASK

The hands-on session allowed students to set up environments, create basic web applications, and understand the MVC (Model-View-Controller) and MVT (Model-View-Template) architectures on 29 March 2025. The workshop enhanced their understanding of backend development, API integration, and database management using Django ORM and Flask-SQLAlchemy. Through hands-on exercises, students learned how to build and manage server-side applications using Django and Flask, gaining a deeper understanding of how backend logic interacts with frontend interfaces.

ETHNIKA- ETHNIC DAY CELEBRATION

Among the talented participants, Ananya from BCA 3rd Semester and Varun from BCA 2nd Semester made a remarkable impression with their performance on 27 March 2025. Their efforts and stylish presentation earned them the 3rd position in the competition, making their school proud. Apart from the Fashion Show, the Talent Show was another major attraction of the day. Students from the 2nd and 4th semesters enthusiastically took part, demonstrating their unique skills in singing, dancing, and other creative performances.

CYBERSEEDS PROGRAM SESSION-5

The Cyber Seeds Program held on 24 April 2025 on Security Operations successfully raised awareness about the importance of protecting networks from cyber threats, bringing together experts and participants to explore emerging trends and best practices in security. Industry leaders from AuthenticOne—Mr. Kamal Sharma, Mr. Akash Purohit, and Ms. Yogini Shahane—delivered insightful sessions, with Ms. Yogini covering data lifecycle management, secure data handling, ingress and egress monitoring, and configuration management, while Mr. Akash highlighted key security policies, change management processes, cryptography, and the significance of employee security awareness.

CTF - CRACK THE VAULT

Participants from various prestigious institutions, including Reva University, Jain University, and others, enthusiastically took part in the event on 26 April 2025. The competition saw intense engagement as students showcased their technical skills, critical thinking, and teamwork in a dynamic environment. After a series of challenging rounds, Team Hashiras (D Indhushree, Surendar K (DSU)) emerged as the winners, securing a cash prize of ₹7,000, while Team (J

Vijaya Bhaskar, Shreya Bandekar (DSU)) finished as the runners-up.

INAUGURATION OF TECHNICAL CLUBS

The program began with a warm welcome and the introduction of Chief **Guest** Dr. Ram Kumar **by** Dr. S. Senthil, Dean & Professor, who highlighted Dr. Kumar's distinguished career, global influence in cybersecurity, and commitment to mentoring young learners on 07 May 2025. In his inspiring keynote, Dr. Kumar emphasized the value of technical clubs as spaces for innovation, hands-on learning, and collaboration. The ceremony saw the inauguration of three technical clubs—Synapse (IoT Club)**,** Coderise (Coding Club)**, and** Cyber Core (Cybersecurity Club)—each aimed at fostering domain-specific skills and exploration.

FAREWELL "THE LAST SCENE – FAREWELL 2025"

The event continued with heartfelt reflections from final-year students, accompanied by a nostalgic video showcasing memorable moments from their journey at DSU on 20 May 2025. The celebration grew even more vibrant as juniors presented energetic cultural performances—including songs, dances, and emotional speeches—to honor their seniors. The

day concluded warmly with a shared lunch and cheerful photo sessions, creating lasting memories and marking a meaningful farewell for the graduating batch.

WORKSHOP ON "SIGNIFICANCE OF LIFE SKILLS"

The workshop by **Sri Ananta Dasa** offered students a deeply engaging and reflective learning experience on 21 May 2025. Beginning with personal stories from his life, he set an authentic tone and encouraged students to ask questions from the outset. His responses touched on diverse themes such as happiness as a holistic state of mind, body, and spirit; the importance of daily prioritization for effective time management; the necessity of people skills in professional settings; and the role of ethics shaped by one's values and relationships.

STUDENT ENABLEMENT PROGRAM ON PRINCIPLES OF GENERATIVE AI CERTIFICATION

The School of Computer Applications, in association with Infosys Springboard, organized a 2-day Student Enablement Program on Artificial Intelligence from May 26, 2025 to May 27, 2025. The program was led by Pruthvi Adisesha, Senior Associate – Learning, Infosys, and Aishwarya Rajeev, Senior Analyst – Learning, Infosys and Mr. Vayu Nandan Tripathi, Senior Systems Engineer – Learning, Infosys. The program focused on Principles of Generative AI, equipping

students' proficiency in Language Models like GPT3 and a family of Human-Inspired new AI algorithms called Generative models and their applications.

MCA - PLACEMENTS DRIVE BY CAZE LABS

The School of Computer Applications, Dayananda Sagar University, is pleased to share the successful completion of an Internship Drive by Caze Labs Private Limited—a pioneering product-based technology company specializing in Artificial Intelligence, Cybersecurity, and Cloud-native Technologies on 28 May 2025. We are proud to announce that 33 final year MCA students from the 2023–2025 batch have been successfully selected as interns at Caze

UNDERSTANDING SAP IN TECHNICAL & FUNCTIONAL AREAS WITH CAREER PATH

The resource person for the session was Mr. Nilesh Krishna, an accomplished SAP EDI Analyst currently working in Montreal, QC, Canada at Peerless Clothing on 04 June 2025. He explained the technical components such as, integration, and EDI (Electronic Data Interchange), as well as the functional modules like SD (Sales and Distribution), MM (Materials Management), and FICO (Finance and Controlling).

BEAUTIFUL QUESTIONS – THE COMPASS FOR SHAPING AI SECURITY

The seminar was led by the distinguished resource person, Mr. Pons Mudivai Arun, Product Leader – Access Security at JumpCloud. Mr. Arun's dynamic presentation style and thought-provoking questions sparked meaningful discussions among the participants on 28 June 2025. To further inspire curiosity and active engagement, he awarded three insightful books to students who asked the most "beautiful question" during the session.

8.14 CULTURAL ACTIVITIES

GANESH UTSAV

The Ganesh Utsav event for day scholars was held on 13 September 2024 with great enthusiasm. The emcees set a lively atmosphere by interacting with the audience. Dance performances marked the beginning of the cultural program. The dancers presented

a mix of traditional and modern styles. The energetic performances and colorful costumes delighted the audience.

ONAM CELEBRATION

The CPA team organized an Onam celebration on 19 September 2024 at the Mini Amphitheatre The event included cultural activities, music, and entertainment to celebrate the festival. It began with a traditional Onam Pooja, creating a peaceful and positive atmosphere. This was followed by lively dance performances representing the culture of Kerala. Dancers in traditional attire performed the graceful Thiruvathira dance, which impressed the audience.

fashion show was organized with traditional Kerala attire. Both men and women proudly donned the classic white and gold mundus, sarees and other festive outfits. The fashion show showcased the beauty of Kerala's traditional attire while adding a modern twist, with participants incorporating contemporary elements into their looks

FRESHERS' DAY

The CPA team organized a fresher's day event called "Bollywood Bash" to welcome the 2024 batch on 21 September 2024. The event was held in the amphitheatre and was full of energy and excitement. RJ Luv Guru and Radio Mirchi added fun with music, games, and interactions. There were ice-breaking activities and prizes that made the freshers feel comfortable and included. By the end of the event, the freshers felt warmly welcomed and happy.

FACULTY FIESTA

Faculty Fiesta was held at DSU on 27 September 2024 and was organized by the Centre for Performing Arts (CPA). The lecture hall was transformed into a lively stage filled with fun and excitement. Faculty members surprised everyone by showcasing their talents through performances. The emcees set an energetic mood and kept the audience engaged throughout the event. Laughter, applause, and cheers filled the hall, making it a memorable experience for all.

POLLUTION SOLUTION QUEST

The Pollution Solution Quest Quiz was held in Lecture Hall 2 at DSU SOE on October 4, 2024, to spread awareness about pollution. The event highlighted how pollution affects the environment, human health, and climate change. Participants answered questions about air, water, and soil pollution along with sustainable practices. The quiz encouraged critical thinking and real-world problem solving. It was interactive and engaging, making learning enjoyable. Overall, the event inspired participants to be more responsible for the environment.

WORLD OZONE DAY CELEBRATION

An awareness program was held on 7 October 2024 at DSU SOE to mark World Ozone Day. The event focused on educating participants about the importance of the ozone layer and the dangers of its depletion. Experts gave simple and informative talks on how ozone depletion affects the environment and human health. The Dean and specialists shared insights on research, renewable energy, and eco-friendly solutions. The program encouraged students to consider careers in sustainability and environmental protection.

AUDITIONS 2024

The DSU CPA Auditions 2024 were held from 7 - 9 October 2024 to identify and encourage talented students. The auditions gave aspiring writers, dancers, singers, and artists a platform to showcase their skills. The art team auditions were conducted by the CPA Art team. Participants created original artwork such as sketches, paintings, or calligraphy within a given time. They were judged on creativity, use of colors, and time management.

DANDIYA NIGHT 2024

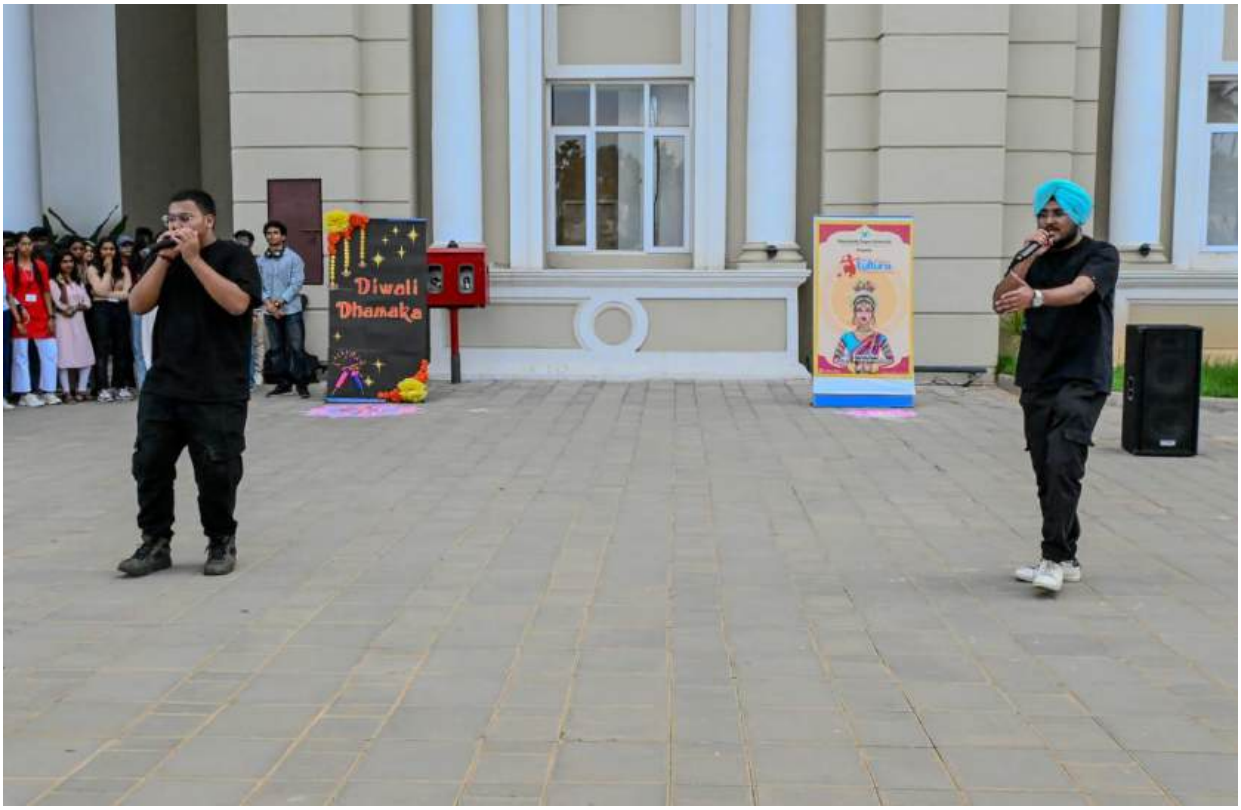
Dandiya Night was held on 9 October 2024 and was organized by the Centre for Performing Arts. The event celebrated the cultural tradition of dandiya and brought people together for music, dance, and fun. Participants arrived in colorful traditional outfits, adding to the festive mood. The evening was filled with energy, excitement, and joyful celebrations.

KANNADA RAJYOTSAVA

The Centre for Performing Arts (CPA) at Dayananda Sagar University celebrated Kannada Rajyotsava on 22 November 2024 at the arena. The event highlighted the rich culture and heritage of Karnataka. It began with a grand rally of cars and bikes decorated in red and yellow, moving across the campus. The rally created a festive and energetic atmosphere. The celebration was honored by the presence of music composer Gurukiran, actress Ashwithi Shetty, and singer Shreenidhi G. Shastry.

DIWALI DHAMAKA

On a fine afternoon of November 8, 2024 CPA DSU hosted a lively Diwali celebration called Diwali Dhamaka. Brightening the campus with joy, unity, and pride The Diwali celebration at DSU began with a brilliant display of dance performances that emphasized the richness and vitality of Indian dance traditions, generating an exciting atmosphere throughout the day. Each performance had a distinct taste, merging traditional and modern approaches that captured the spirit of Diwali.



CASCADES

The inauguration ceremony at DSU SOE was held on 28 November 2024 and marked the beginning of the fest "Cascades." The event brought together students, faculty, and guests to celebrate creativity and unity. A special highlight was the presence of chief guests, actors Bhuvan Sathya and Viraat. The program began with a melodious invocation song that created a positive atmosphere. The emcees welcomed the audience and shared the highlights of the event.

CULTURAL EVENING

The cultural evening of Cascade was an extraordinary showcase of talent, music, and the undying spirit of student life held on 29 November 2024 in the open amphitheatre of the university. The event brought together students and faculty for a night filled with energy, laughter, and celebration. The evening kicked off with a performance by Barfi, a popular band known for its soulful melodies and energetic music. The band, consisting of talented musicians, captivated the audience with their distinct sound that seamlessly blended rock, jazz, and fusion genres.

INTERNATIONAL WOMEN DAY CELEBRATION

The Women's Day Celebration at DSU was organized by CPA on March 8, 2025, with great enthusiasm to celebrate the strength and achievements of women. The event aimed to promote womanhood, gender equality, and women's empowerment. It began with a warm welcome, lamp lighting, and an inspiring speech by the chief guest, a well-known social activist, who spoke about encouraging women in all fields. The theme of the event, "Empowered Women, Empower the World," was reflected throughout the celebration. Cultural performances such as dance, music, and poetry by students and staff highlighted the struggles and success of women and energized the audience.

TARANGA 2025

The cultural heartbeat of Dayananda Sagar University (DSU) came alive with the grand inauguration of Taranga on 20 March 2025, the university's flagship cultural fest, hosted by the Centre for Performing Arts (CPA). Held in the vibrant setting of the Main Amphitheatre, the morning marked the beginning of a spectacular celebration of creativity, talent, and youthful spirit.The inaugural ceremony was honored by the presence of esteemed chief guests: Prakhyath, RJ Amith Pawar, actor Nagabhushana NS and Manvita Kamath,& Dr.Shivakumar, Raghu Dixit

DJ NIGHT – TARANGA 2025

Dayananda Sagar University came alive with excitement during the DJ Night of Taranga 2025 at the Harohalli campus organized by the Centre for Performing Arts on 21 March 2025. The event saw a large gathering of students enjoying music and dance. DJ Anshika opened the night with high energy and kept the crowd engaged with a lively mix of Bollywood remixes and EDM tracks. Her performance created an energetic atmosphere and made the night memorable for everyone present.

ETHNIC DAY

The Ethnic Day began with much excitement on 16 May 2025, as the first event, a group dance and fashion show, was organized in Lecture Hall 3. The venue quickly filled with students dressed in vibrant traditional attire, setting a festive tone for the celebrations. Laughter, music, and colourful decorations added to the cheerful atmosphere, creating the perfect start to a day dedicated to culture and tradition.

8.15 SPORTS ACTIVITIES

DOCTORS CRICKET CUP 2024

The Doctors Cricket Cup 2024 concluded successfully on 12 June 2024, leaving behind a positive and memorable experience for all participants. The event reinforced the importance of sports in maintaining a healthy work-life balance for medical professionals. The Department of Sports, Dayananda Sagar University, received appreciation from the participating teams for the excellent organisation and facilities provided.

LEGENDS CRICKET LEAGUE 2024

The Legends Cricket League 2024 concluded successfully on 19 June 2024. The tournament served as an excellent platform for students and staff to engage in competitive sports, build camaraderie, and relieve academic and professional stress. The event received positive feedback from participants for its organisation, facilities, and competitive structure. The Department of Sports, Dayananda Sagar University, remains committed to organising such inclusive sporting events in the future to promote a healthy and active campus environment.

INDIGENOUS GAMES FOR STAFF AND STUDENTS 2024,

The Indigenous Games for Staff and Students 2024, held on 22 September 2024 at the DSU Sports Grounds and successfully conducted with active participation from staff and students of Campus 3 and Campus 4. The event effectively promoted traditional sports, physical fitness, and community bonding within the university. The Department of Sports, Dayananda Sagar University, remains committed to organising such inclusive and culturally enriching sporting events in the future.

WOMEN'S CRICKET LEAGUE TOURNAMENT 2025

The Women's Cricket League Tournament 2025 was successfully organized from 02 April 2025 to 09 April 2025 with the objective of promoting women's participation in sports, fostering team spirit, and encouraging competitive excellence among students of Dayananda Sagar University.

INTERNATIONAL DAY OF YOGA

The Department of Sports, successfully organized a One Week Yogathan Programme from 16 June 2025 to 20 June 2025 at the DSU Sports Ground. The programme was conducted as part of the celebrations for the International Day of Yoga, with the theme "Yoga for One Earth, One Health."

INTER-CLASS VOLLEYBALL WOMEN'S TOURNAMENT 2025

The SOE Inter-Class Volleyball Women's Tournament 2025 was successfully organized by the Department of Physical Education and Sport, DSU on 19 June 2025.

CONS INTER-CLASS CARROM AND CHESS COMPETITION – 2025

The College of Nursing Sciences (CONS), in association with the Department of Sports, Dayananda Sagar University (DSU), successfully organized the Inter-Class Carrom and Chess Competition exclusively for nursing students on 09 July 2025. The event aimed at encouraging indoor sports participation, strategic thinking, and healthy competition among nursing students

8.16 ACTIVITIES OF DEPARMENT OF INTERNATIONAL AFFAIRS

IMMERSION PROGRAM – CURTIN UNIVERSITY

The 3-week program has been hosted from November 17, 2024, which included 12 students along with 2 students from Curtin University, Australia, under the New Colombo Plan initiative. The program was designed to provide a rich learning experience, featuring various sessions conducted by DSU faculty on topics like social entrepreneurship, as well as internships at Yulu and Saahas. Additionally, The department organized visits to KMF and the Bangalore Tech Summit, among other enriching activities. As part of our commitment to social causes, the department also arranged for the students to visit an underprivileged government school, where the students from Curtin University generously donated essential items to the children there.

IMMERSION PROGRAM – CURTIN UNIVERSITY:

DSU concluded the 21-day immersion program with a certificate awarding ceremony on December 6, 2024. The event featured an insightful session by Mr. Pranav Pai, Founder of 3 one 4 Capital. It was followed by student presentations on their project work and feedback about the program. The ceremony ended with a photoshoot of traditional ethnic attire, capturing the vibrant spirit of the participants.

UK IMMERSION PROGRAM

DSU hosted a cohort of students from Staffordshire University, UK, for a week-long immersion program aimed at providing them with a deep understanding of India's cultural, entrepreneurial, and social ecosystem from February 23, 2025 to March 1, 2025. The program was thoughtfully designed to offer a balanced mix of academic learning, cultural exposure, and social engagement.

Throughout the week, the students experienced a diverse range of activities:

1.Cultural and Heritage Exploration – The cohort visited temples to gain insights into India's rich traditions and spiritual heritage. They also explored the art of Channapatna toy-making, a unique craft form native to Karnataka.

2.Academic and Industry Interactions – The students attended lectures on the start-up ecosystem of Bengaluru and Karnataka, understanding its growth, challenges, and opportunities. They had engaging sessions with prominent start-ups such as Trualtech and Uravu Labs and interacted with representatives from the UK Embassy and 3one4 Capital, gaining a global perspective on business and entrepreneurship.

3.Networking and Experience Sharing – The students had meaningful discussions with industry experts, investors, and entrepreneurs, which provided them with valuable exposure to India's dynamic business environment.

4. **Community Engagement and Social Impact** – A special highlight of the program was the visit to underprivileged schools, where the students interacted with local children, shared experiences, and presented them with thoughtful gifts. The day concluded with a friendly cricket match, fostering cross-cultural camaraderie and joy.

INTERNATIONAL CONFERENCE:

The conference commenced on 19 March 2025 with a vibrant and authentic traditional welcome dance performed by the students of DSU. This was followed by the ceremonial lighting of the

lamp, led by the Vice-Chancellor Dr. Amit Bhatt, DSU, in the presence of esteemed dignitaries, including:

- Mr. James Godber, British Deputy High Commissioner, Guest of Honour
- Mr. Charles Cormack – Chairman, Cormack Consultancy Group, UK
- Mr. Kuldeep Dagar – Joint Secretary, Association of Indian Universities, India
- Mr. Vinod Yadav – Deputy Secretary, UGC, India
- Mr. Aziz, Cormack Group
- Ms. Anzehla, Cormack group
- Dr. Nick Slade, University of Worcester
- Prof. Uday Kumar Reddy, Dean of Engineering, DSU
- Supriya Mathew – Vice President, International Affairs, DSU
- Prof. Anant Chakradeo – PVC, MIT ADT University, India

WHY GO GLOBAL – STRATEGIC VALUE OF INTERNATIONAL RESEARCH PARTNERSHIPS

Dr. Visweswara Rao Pasupuleti – Director, International Relations and Research Collaborations, REVA University, India was the chief guest of the program

TEDX DSU

The department organized TEDx DSU on April 3,2025. We closely collaborated with the production team to ensure the spotlight and all other essential elements were perfectly aligned with TED's principles, creating an unforgettable experience. All necessary updates were made to the official TEDx DSU website, including event details, speaker information, and promotional materials to enhance visibility and engagement.

On the event day we had

1. Orli Weitzman–Consul General of Israel to South India
2. Kisha Gupta– Senior Director & Global Head, Infosys
3. Dr. Karuna Shankar Pande – Vice President, Amazon India
4. Deepak Himmat – Executive Vice President, Star Health & Investor
5. James Godber – Dy. Head of Mission, British High Commission
6. Mr. Kuldeep Kumar Jain - Traffic Police Commissioner (East)

IDP EDUCATION FAIR:

The Department organized a Global Education Fair in collaboration with IDP, where 19 universities from the USA, Australia, UK, and Finland participated on September 19, 2024. These universities offered various courses and attractive scholarships specifically for DSU students.

CHOOSE FRANCE EVENT:

B. Tech students from Dayananda Sagar University volunteered at the Campus France Education Fair, supporting event coordination and guiding attendees on 27 October,2024. Their efforts ensured smooth logistics and effective interactions throughout the program. Around 50 DSU students attended the fair to explore higher education opportunities in France.By interacting with representatives from leading French institutions, students gained valuable insights into courses, scholarships, and admissions.

HOF UNIVERSITY VISIT:

The DSU campus was honoured to welcome Dr. Lehmann, Vice Chancellor, Dr. Gerald Schmola, Dean of the School of Engineering, Dr. Matthias Drossel, Professor of Nursing, and Mr. Maximillian on July 22, 2024. Their visit included a seminar for the nursing students and a boardroom discussion focused on potential collaboration between their institution and DSU.

US EDUCATION FAIR: (19 March 2024)

EDUCATION USA FAIR: (19 March 2024)

INDIA- TIBET RELATIONS:

One-day photo exhibition on India-Tibet relations was organized at DSU on December 9 2024. The event featured a special display of photographs showcasing the life and teachings of His Holiness the Dalai Lama, as well as significant moments in India-Tibet relations. The exhibition was enriched by the presence of Buddhist monks, who provided insights into Tibetan culture and spirituality, making it an enlightening experience for all attendees.

VISIT OF PRESIDENT OF WINSTON EREVELLS AND ST. MARY UNIVERSITY, TEXAS :

DSU hosted President Winston Erevelles and Provost Jason Pierce from St. Mary's University, Texas at campus 4 on 12 March 2025.The meeting was attended by Dr. Amit Bhat, Dr. Uday Kumar Reddy, Dr. Ashok, Dr. Prashant, and Dr. Kaushalya from DSU.

Discussions focused on potential collaboration with the School of Engineering and opportunities for hosting medical and nursing students at DSU.

BANGALORE CHAPTER OF EVOLVE BY MERITTO :

DSU participated in the CRM Event (Bangalore Chapter of Evolve by Meritto) at M.G Road, Bangalore on 7 June,2024. We had a productive meeting with the founders of CRM, during which we provided comprehensive information about our university, including details about our diverse range of courses, state-of-the-art facilities, and innovative educational approach.

Subject: Assessment of Annual Declaration Form and grant of Renewal of Undergraduate seats (MBBS) for the year 2024-25 – regarding.

Sir/ Madam,

I am directed to convey that all medical colleges/Institutes having valid Letter of Permission (LoP) for MBBS admission are required to fill the details/data of respective Institutions on NMC portal for Annual Declaration as required in the NMC Act, 2019 and various regulations. Accordingly, through Public notices, all colleges/Institutions were directed to submit the details on the portal. Details submitted by your college have been assessed by the experts and accordingly your college was issued a show cause notice containing the details of deficiencies observed by the experts while evaluating the annual declaration form, video of examination, SAF-C provided by your college along with the AEBAS report.

2 Vide the above show cause notice issued to your college, it was directed to furnish the reply regarding each of the points raised in the show cause notice within three days (3 days) and give an explanation as to why the seats allocated to your institution for MBBS not be reduced in A-Y 2024-25, or should a monetary penalty as per the regulations not be imposed since your college has not fulfilled the provisions laid down under NMC Act 2019 and other various guidelines, regulation notified by NMC. Here, it is pertinent to reiterate that all the medical colleges were earlier continuously intimated in the form of circulars/public notices uploaded through NMC website and show cause notices stating to take necessary action to fulfill the provisions laid in various regulations and guidelines by NMC. Further, vide above show cause notice issued, your medical colleges were given an additional opportunity to submit the point-wise explanation on the observations, if any, through the virtual hearing before the Undergraduate Medical Education Board.

3. In the above virtual hearing, your college was represented by the Dean/Principal/Vice-Principal/HoD, who appeared before the Board on **02/05/2024**. However, the clarifications furnished by your institution were not found convincing and satisfactory. The college also accepted the deficiencies and assured to fulfill the same within a very short span of time.

4. Since the portal for submission of Annual Declaration Form has been introduced first time, taking a lenient view the **Board decided to grant renewal of 150 seats for undergraduate (MBBS) for the year 2024-25 subject to deposit of a fine of Rs.6,00,000/- (Rupees Six lakhs only)** as a first measure; subsequently, after a gap of two months, the re-assessment of your college will be carried out. If deficiencies exist with your college, stringent action as mandated under MSMER-2023 Chapter-III clause-8 under the heading penalties shall be imposed.

5. As per, it is directed to remit the penalty amount within seven days (7 days) into "**NMC Own Resources, Canara Bank Account No. 90682160000025, IFSC code CNRB0019109"**and forward confirmation of payment along with transaction details to ug.scn@nmc.org.in.

6. If you are not satisfied and aggrieved with the decision of the Board, you are free to prefer an appeal before the Commission under Section 9, Chapter IV of the Maintenance of Standards of Medical Education Regulations, 2023, (MSMER, 2023) within sixty days of the issue of this letter.

7. This issue with the approval of the Competent Authority

Yours faithfully,

Signed by
Shambhu Sharan Kumar

In view of the above and attached scrutiny form, the Medical Assessment and Rating Board (MARB) has decided to issue **LETTER OF PERMISSON** for your application for the academic year **2024-25**, as per sec 28(3) of the NMC Act, 2019.

Approved for 04 Seats

MD - Community Medicine (New Course)

The permission for starting of new course in **MD - Community Medicine** and admission of students will be for such time that the first batch of students admitted against the above course appears for the final examination in the subject. The college authorities may take up the matter for recognition of qualification under section 35(2) of NMC act, 2019 with National Medical Commission (NMC), at the time of examination of the first batch of students admitted against sanctioned seats.

It is to inform you that your institution is fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching faculty, clinical material and stipend to PG students similar to PG students of government colleges in the state etc. throughout the academic year, as stipulated in regulation of National Medical Commission (NMC).

In case of false/wrong declaration or fabricated documents have been used for procuring permissions of MARB and any misconduct is brought to the notice of National Medical Commission (NMC) or found during surprise assessment at any stage during the current academic year, your institution is liable, not to be considered for recognition of that degree. This letter of permission will be revoked for the current academic year if such exigency arises.

Besides, National Medical Commission (NMC) is entitled to take all such measure against you and your college/institution as permissible under the law.

It is mandatory by government medical colleges to contribute **15%** MBBS seats and **50%** of post graduate broad specialties (MD/MS) for All India Quota respectively, to MCC of DGHS for conduction of counseling as per the directions of hon'ble supreme court.

It is mandatory to develop a website of medical college/institution and display all the information of college, courses offered faculty available and their experience of last 5 years, students joined, and affiliating university .to display the hospital services, facilities available and the equipments in each specialty, also showing OP and IP census including births and deaths as per the municipal/Government records.

Kindly acknowledge this letter.

Generated from eOffice by JL MEENA, Member-JLM(MARB)-NMC, MEMBER, NMC on 07/05/2024 12:44 PM

In view of the above and attached scrutiny form, the Medical Assessment and Rating Board (MARB) has decided to issue **LETTER OF PERMISSON** for your application for the academic year **2024-25**, as per sec 28(3) of the NMC Act, 2019.

Approved for 04 Seats

MD - Pathology (New Course)

The permission for starting of new course in **MD - Pathology** and admission of students will be for such time that the first batch of students admitted against the above course appears for the final examination in the subject. The college authorities may take up the matter for recognition of qualification under section 35(2) of NMC act, 2019 with National Medical Commission (NMC), at the time of examination of the first batch of students admitted against sanctioned seats.

It is to inform you that your institution is fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching faculty, clinical material and stipend to PG students similar to PG students of government colleges in the state etc. throughout the academic year, as stipulated in regulation of National Medical Commission (NMC).

In case of false/wrong declaration or fabricated documents have been used for procuring permissions of MARB and any misconduct is brought to the notice of National Medical Commission (NMC) or found during surprise assessment at any stage during the current academic year, your institution is liable, not to be considered for recognition of that degree. This letter of permission will be revoked for the current academic year if such exigency arises.

Besides, National Medical Commission (NMC) is entitled to take all such measure against you and your college/institution as permissible under the law.

It is mandatory by government medical colleges to contribute **15%** MBBS seats and **50%** of post graduate broad specialties (MD/MS) for All India Quota respectively, to MCC of DGHS for conduction of counseling as per the directions of hon'ble supreme court.

It is mandatory to develop a website of medical college/institution and display all the information of college, courses offered faculty available and their experience of last 5 years, students joined, and affiliating university .to display the hospital services, facilities available and the equipments in each specialty, also showing OP and IP census including births and deaths as per the municipal/Government records.

Kindly acknowledge this letter.

Sub: Extension of provisional approval of affiliation to School of Law, Dayananda Sagar University, Bangalore, Karnataka for imparting five year BA LL.B(Hons.) integrated degree course, five year BBA LL.B(Hons.) integrated degree course and three year LL.B course with intake of one section of 60 students in each course for a period of one year i.e. for the academic year 2025-2026 AND regularization of admission made during the academic session 2024-2025 subject to compliance of Rules of Legal Education, 2008 and all circulars/directives/guidelines/notifications issued from time to time by the Bar Council of India with respect to maintenance of standards of Legal Education in addition to the specific clauses mentioned herein under in this letter.

CLE to furnish a duly notarised compliance affidavit (Annexure – C/A) with adequate photo/documentary proof in this regard, with all pages of affidavit, annexures, photos, being duly notarised within 6 months from the date of receipt of this letter.

Sir/Ma'am,

This is with reference to above mentioned subject regarding extension of provisional approval of affiliation to **School of Law, Dayananda Sagar University, Bangalore, Karnataka** which has already applied for extension of approval of affiliation for the academic year 2025-2026.

After due consideration, the Standing Committee of Legal Education has decided to grant extension of provisional approval of affiliation to School of Law, Dayananda Sagar University, Bangalore, Karnataka for imparting five year BA LL.B (Hons.) integrated degree course, five year BBA LL.B (Hons.)

Typed by R.R
Fee and G.A Checked R.R

integrated degree course and three year LL.B course with intake of one section of 60 in each course students for a period of one year i.e. for the academic years and 2025-2026 AND regularization of admission during the academic session 2024-2025.

Hence, you are hereby allowed to admit students for imparting five year BA LL.B(Hons.) integrated degree course, five year BBA LL.B(Hons.) integrated degree course and three year LL.B course with intake of one section of 60 in each course.

Kindly further, note the provisional approval of affiliation for the academic year 2025-26 shall also be conditional and is subject to every Centre of Legal Education/college being required to submit a certified authenticated bank statement bearing bank stamp, date and signature, mandatorily with respect to the salary/ies being disbursed to all the teachers/faculties with effect from April, 2024. The bank statements for the upcoming months must be continued to be submitted every three months without fail, and CLE is also required to furnish list of teachers with qualifications as per BCI and UGC Rules, and further furnish proof/receipts of fulfillment of minimum library requirements, as enumerated under Schedule-III, Rule-15, Minimum Library requirements of Legal Education Rules-which is the sine qua non of a Centre of Legal Education. Certain show cause notices and compliance letters had also been issued specifically to certain Centers of Legal Education/Colleges, with conditions mentioned therein, which have to be complied too as per the time stipulations therein, and if they have not been complied with they must be complied with immediately.

AFFIDAVIT

The Centre of Legal Education is required to ensure full compliance with all stipulated norms, rules, and regulations of legal education, along with mandatory guidelines issued by the Bar Council of India. This includes adherence to all enumerations specified in BCI circulars, relevant directives, and applicable court judgments or orders. As stated above, the compliance must be submitted within 6 months from the date of receipt of the BCI letter or earlier both in physical hard copy and as a scanned copy sent via email to complianceaffiliationle2@gmail.com with the subject line: "Compliance to Provisional Approval-Requirements."

It is essential to understand that compliance with all conditions and legal education regulations is mandatory. Any deficiencies or discrepancies whether discovered through submitted documents, online portal registrations, or official forms may lead to serious consequences, including withdrawal of BCI approval for academic years 2025-2026 and non issuance of provisional approval of affiliation for A.Y. 2026-2027.

The CLE is specifically required to submit appointment letters, verified qualification documents, and proof of regular salary payment as per UGC scales for each newly appointed faculty member. In addition, the CLE must provide duly notarized compliance reports detailing the status of physical infrastructure, library acquisitions, and faculty appointments. These reports will be

Typed by R.R
Fee and G.A Checked R.R

reviewed by the BCI Standing Committee, and any failure to report accurately or any falsification of records will invite necessary action.

Moreover, the CLE must be prepared to receive additional compliance directions from BCI and may be subject to scheduled or surprise inspections. These inspections will evaluate whether the CLE has maintained full compliance with the conditions outlined in the approval process, the rules of legal education, and all circulars issued by the BCI from time to time.

It is further clarified that this is the minimum level of compliance required. If any additional specific conditions have been imposed on the CLE, those must be separately complied with, either by incorporating additional explanatory paragraphs or by submitting distinct compliance documents as appropriate.

The CLE must comply with conditions mentioned in the letter and furnish a duly notarised compliance affidavit with adequate photo/documentary proof in this regard, with all pages of affidavit, annexures, photos, being duly notarised within 6 months from the date of receipt of this letter.

Ensure to comply with the aforesaid compliances, otherwise the provisional approval of affiliation being issued herewith may be withdrawn.

A minimum compliance format for the affidavit is attached as (Annexure – C/A).

Certain specific details are provided herein for your convenience with the approval of the Committee and they are also specifically required to be complied with by every CLE in view of Rules of Legal Education, 2008 and circulars, guidelines, directives, public notification issued by the Bar Council of India from time to time for maintenance of standards of Legal Education, failing which approval of affiliation

Typed by R.R
Fee and G.A Checked R.R

granted may be withdrawn and future approval may not be considered:-

Faculty

As per Rule-16 and Rule-17 of Schedule III of Legal Education Rules, 2008, the minimum requirement for three-year LL.B degree course with 1 or 2 section/s is 4 faculty in first year, 6 in second year, 8 by the third year alongwith 1 Principal.

Furthermore, in addition there should be adequate English, Computer teachers in the ratio of 1:40 and there should be 1 qualified librarian. If the strength goes beyond 2 sections, the entire ratio of all faculty members should be 1:40.

Similarly, the minimum requirement for five-year integrated degree course with 1 or 2 section/s is 6 in first year, 8 in second year, 10 from third year. Principal will be common.

For specialization or Honours courses, there has to be a minimum of 3 teachers for such specialized course 1 major and 2 minor apart from having English and Computer teacher. Kindly note that these faculty members have to be in the ratio of 1:40 for the years they are studying such subjects during the entire duration of the course.

CLE must ensure that all appointed faculty members undertake Faculty Development Programmes on a regular basis.

The Law faculty is required to be adequately qualified with minimum 2-year LL.M degree for teaching LL.B or have any other higher degree for teaching law subjects therein. The non-law faculty for integrated Law degree courses with respect to BA LL.B, BBA LL.B, B.Com LL.B, B.Sc LL.B. etc. must have a minimum of masters in those particular subjects being taught. 1 major and 2 minor subjects have to be taught in the 5 years BA, BBA, B.Com. B.Sc LL.B. etc Integrated Law degree course/s. The principal or equivalent is required to have minimum prescribed qualifications in law prescribed by UGC, and should have minimum 15 years of experience. He/she has to be a Professor in law with Ph.d in law.

They are required to be paid as per salary as per latest UGC pay scale commensurate to their designation as Assistant Professor, Associate Professor and/or Professor. Further, the CLE is required to mention the designation of all the faculty members.

All faculty members are required to appoint or regularise on a permanent basis and to be paid UGC pay scale.

The ratio of faculty members to students should not be less than 1:40 after the minimum strength of core faculty as per Rule 17 is ensured.

It is reiterated that for the purposes of Rule-17 (core faculty), only full-time, regularly appointed law teachers shall be counted, and only if they are within the age of service prescribed by the competent authority having jurisdiction over the institution (State Government, Parent University, UGC, concerned Ministry, or regulatory body). The applicable age of superannuation shall be as notified for the institution and State, for illustration, in the National Capital Territory of Delhi (including the University of Delhi system) the prevailing superannuation age for university teachers is sixty-five (65) years, whereas in some States it is

Typed by R.R
Fee and G.A Checked R.R

sixty (60) years. Any engagement beyond the notified age (for example, re-employment, contract, adjunct or visiting, or emeritus) shall be only in accordance with the governing statutes and regulations and, unless expressly permitted under those provisions and sanctioned against a regular post, shall not be reckoned toward the minimum core faculty mandated by Rule-17 or for computing the 1:40 faculty-student ratio. The institution shall keep on record and produce to the BCI, on request, documentary proof of each core faculty member's regular appointment, sanctioned post, date of birth, and the applicable superannuation norm notified by the competent authority.

The details the entire list of faculties members with their appointment letters should be furnished to BCI within three months.

Classroom size and Furnishings

The CLE should ensure to have adequate number of classrooms of minimum 750 square feet, to accommodate all batches of students across all years for it's law degree course/s. All classrooms should be of minimum 750 Sq. ft. and refurbished with new, comfortable chairs and benches to ensure a conducive learning environment. Proper size and standard furnishings are necessary to meet the requirements of Rules of legal Education. CLE must ensure that every classroom has light, fan, teacher's podium, teachers chair and teacher's table. There should be mike in large classrooms.

Kindly note the classrooms have to be commensurate to the number of sections allocated for a law degree course multiplied by the number of years of the degree course. For instance, a 3 year LL.B degree course with 1 section of 60 students should have 3 classrooms, and for 2 sections, it should have 6 classrooms. Similarly a 5 year integrated law degree course should have 5 classrooms, for 1 section of 60 students and 10 classrooms for 2 sections of 60 students each.

Further advised to create/establish smart classrooms and/or install projectors in classrooms.

Library Enhancements

The institute should invest in acquiring more reference and textbooks of the latest editions of authors of repute. Allocate an annual budget of at least Rs. 10 lakhs for purchasing new reference books, textbooks, and journals. Furthermore, the CLE should establish an e-library by subscribing to reputable e-law journals and acquiring electronic databases of law journals, as specified in the Rules of Legal Education.

-Ensure the library is open for reasonable hours to accommodate student needs.

-Create adequate reading space for students and upgrade the overall infrastructure of the library.

As per Schedule III, provision 4, 6 and 15-A Law Library has have a set of AIR manual, Combo offer of CD of AIR Pvt. Ltd. (containing electronic version of AIR Supreme Court and High Court Data bases Research 1950-2015 (four connections each) Cr. L.J. Data Base 1950-2015(four connections) AIR Privy Council Data Base 1900-1950 (four connections) AIR Manual latest 6th Edition (1-45 Vols.) AIR Journal 2015, Cr. L.J. 2015, L.I.C. 2015, AIR Civil Cases 2015, AIR Law Lines 2015, AIR Cheque Dishonour Reports 2015, AIR

Typed by B.R
Fee and D.A Checked R.R

Accident Claims and compensation 2015, Institution shall get electronic versions updated every year by AIR Pvt. Ltd. Central Acts and Local Acts, Criminal law journal, SCC, Company cases, Indian Bar Review, selected Judgements on Professional Ethics and Journals with the back volumes for at least ten years and also such number of text books in each subjects taught during the period according to the minimum standard ratio of ten books for each registered students. For running integrated program, textbooks of such other subjects are also to be kept in the similar minimum ratio. CLE must buy separate social science books for their law library. CLE must procure books of good authors and publishers.

The Library has to have adequate space for keeping books, periodicals, and journals. CLE must maintain accession register properly. There should not be any discrepancy in the entries made. Books should be properly arranged

The library shall also have adequate reading space for at least 25% of the enrolled students according to per capita reading space specified by any standard setting bodies like UGC.(Rule 4).

The Library has to have adequate space in the library for computer facility with access to internet and national and international library access and data bases.(Rule 6).

Equip the library with at least 30 computers. As per schedule III clause 9 (b) Computer Education has to be made compulsory for all the students.

Moot Court Room

The Moot Court Room must be equipped with all necessary amenities to simulate courtroom proceedings effectively. It should have a dedicated space, distinct from other uses, and adhere to the Bar Council of India norms, including the provision of three wooden Crown Chairs for judges, on judges dais podiums for counsels, a witness box, and a designated podium for the Registry including Table chairs for court officers (supporting staff). The photograph of dignitaries like Mahatma Gandhi and B.R. Ambedkar should be affixed.

The size of the Moot Court Room should be sufficient to accommodate at least 70 percent of the student and faculty strength, as well as external participants and invitees, ensuring ample space for effective conduct of moot court activities.

The Centre for Legal Education (CLE) shall place the Moot Court Room under the management of a senior faculty member along with a regular practicing advocate from the local courts. They will oversee the organization of moot court activities and maintain comprehensive records of all proceedings and events. CLE to ensure that moot court exercises, in terms of clause 24 of Schedule II, Rule 6 Part II (B) of Rules of Legal Education, 2008 are done on regular basis.

Legal Aid Clinic

The Centre for Legal Education (CLE) must strengthen its provision of free legal aid services to the local community in accordance with Clause 11, Schedule III of Rule 11 of the Legal Education Rules, 2008, by ensuring adequate publicity and collaboration with the District Legal Services

Typed by R.R
Fee and G.A Checked R.R

Authority. The Legal Aid Centre should be strategically relocated to the ground floor near the main entry door for greater accessibility, with prominent signage displayed at both the entrance of the CLE campus and the main entry door, clearly indicating available services and contact information. The centre should be adequately furnished with comfortable seating for visitors and maintain comprehensive records of its activities, including registers and visuals of awareness programs conducted, which should be displayed both inside and outside the Legal Aid Centre to enhance visibility and outreach. CLE to put the LAC under the management of some senior Professors and to maintain a regular record of all its activities, along with photographs of various activities.

Common Rooms

The Centre for Legal Education (CLE) must provide well-furnished, adequately equipped, and separately designated Boys' and Girls' Common Rooms in the Academic Building to ensure enhanced comfort, privacy, and recreational facilities for students. The Girls Common Room should be allocated a spacious and decent room with an attached washroom, drinking water facility, and two beds encircled with curtains for privacy. Both rooms should be furnished with at least 20 comfortable chairs, more tables, a common table, a mirror, a dressing table, and indoor games kits, along with a first-aid kit for emergencies/medical needs.

The Common washrooms should have liquid soaps, and mirrors.

Waste Management

The institution should keep the disposal of wastes management properly. Proper waste management practices must be implemented throughout the College. This includes the installation of dustbins in all classrooms, moot court rooms, common rooms, and staff areas to ensure cleanliness and effective waste disposal.

Accessibility Improvements

To accommodate differently abled students and staff, the institution must make necessary provisions, including the construction of ramps, lifts, and the installation of Braille symbols, ensuring compliance with accessibility standards and it should exclusive for Law students, staff and faculty so that it is convenient for the differently abled students considering their right to access.

Disaster Management and Fire Safety:

The Centre for Legal Education (CLE) must ensure comprehensive fire safety measures across the campus, including the installation of fire extinguishers in key areas, provision of emergency exit lighting, and strategically placed fire alarms. Additionally, adequate fire prevention and preparedness protocols should be implemented, including regular safety drills and clear emergency evacuation routes to safeguard the well-being of all occupants.

Anti-Ragging Measures

The CLE has to ensure strict implementation of a comprehensive anti-ragging framework in accordance with the guidelines issued by the Bar Council of India and the Hon'ble Supreme Court in University of Kerala v. Council of

Typed by R.R
Fee and G.A Checked R.R

Principals of Colleges [(2009) 4 SCC 741]. The CLE has to ensure the constitution of an Anti-Ragging Committee and Squad with powers to prevent, monitor, and take strict disciplinary action against any act of ragging. The CLE has to ensure that every student submits a mandatory anti-ragging undertaking co-signed by their parent/guardian. The CLE has to ensure the availability of a 24×7 dedicated anti-ragging helpline and an online complaint mechanism. The CLE has to ensure that all incidents, if any, are reported promptly to BCI, the affiliating university, and law enforcement authorities, thereby strictly enforcing zero tolerance, as reaffirmed in Vishwa Jagriti Mission v. Central Government [(2001) 6 SCC 577]. The CLE has to ensure the conduct of awareness programs, workshops, and seminars, and has to ensure publication of the anti-ragging policy, penalties, and annual statistics on its website, brochures, and campus notice boards.

Empathy, Counselling, and Kindness Initiatives

The CLE has to ensure the promotion of a culture of empathy, psychological well-being, and mutual respect among all stakeholders, in line with the Mental Healthcare Act, 2017 and relevant judicial directives. The CLE has to ensure the establishment and effective functioning of a Counselling and Wellness Centre with qualified mental health professionals. The CLE has to ensure the conduct of regular workshops on emotional intelligence, kindness, and inclusivity, and integrate these modules into induction programs. The CLE has to ensure that faculty performance evaluations include parameters related to mentoring quality and supportive conduct. The CLE has to ensure robust grievance redressal mechanisms to address psychological or emotional issues promptly. The CLE has to ensure the adoption of a non-discriminatory and non-judgmental approach across the campus and must undertake periodic audits and establish an Internal Mental Health Oversight Committee to monitor and continuously improve mental health services.

Student Grievance Redressal Mechanism

The CLE has to ensure the constitution and effective functioning of a Student Grievance Redressal Cell as per BCI guidelines (BCI:D:2382/2024), comprising senior faculty, administrative representatives, a female faculty member, and student representatives. The CLE has to ensure the maintenance of accessible online and offline grievance submission systems. The CLE has to ensure the maintenance of detailed records of all grievances and timely resolution without any retaliation. The CLE has to ensure submission of annual reports to the governing body and availability of these reports to the BCI during inspections.

Infrastructure and Exclusive Building Compliance Deficiencies

CLE must place permanent Name Board outside the main gate and outside the academic building. CLE should have properly demarcated building with proper name board identifying the law college.

✓ ***You may kindly bear in mind that the Bar Council of India is the sole and supreme sanctioning authority for seats and it does not allow any supernumerary quota of seats for law degree courses, over and above the sanctioned strength of seats and whatever***

Typed by R.R
Fee and G.A Checked R.R

reservation of seats is to done by the University under whichever quota as a rule has to be done within sanctioned strength of seats.

The only supernumerary quota, as of now permitted by the Bar Council of India, is 10 percent seats in EWS quota over and above the sanctioned strength of seats allotted/approved by BCI and that too, is subject to adequate infrastructure and qualified faculty to accommodate the supernumerary seats. The same is required to be adhered to. If there is any default on such part and the same is discovered subsequently, action shall ensue.

FOR EXISTING CLE FURTHER ADD If any CLE, has already admitted the same, in violation of the regulations, the CLE would be advised to declare the same voluntarily for consideration of the same in a manner which will not be detrimental to interests of the students admitted, if any, over and above the sanctioned seats as a one timeopportunity. The same shall not be construed to be applied prospectively.

✓ *The CLE is advised to declare the same voluntarily for consideration of the same in a manner which will not be detrimental to interests of the students admitted, if any, over and above the sanctioned seats as a one time opportunity. The same shall not be construed to be applied prospectively.*

- *"It is pertinent to point that no University in India can offer a 4 yearLL.B or integrated LL.B, followed by a 1 year LL.M in tie up with a foreign University under the present BCI regulations. Such a Law degree, nor the post qualification after it, is recognised by Bar Council of India. The BCI only recognizes the pattern of a 12th class +3 (graduation in any stream+3 (year Law degree) and/or a 12 + 5 year integrated law degree.*

- *"While exchange programs of teachers and students have been undertaken by Centers of Legal Education including, Law Universities in India, Dual Degrees or joint Degrees with Foreign Universities have not been permitted or recognized by BCI. It is essential to emphasize that any foreign collaboration involving legal education institutions, must strictly adhere to the regulatory framework established by the Bar Council of India. It cannot compromise on the quality of legal education mandated by the BCI It's worth noting that unless a degree is recognized by the BCI in India, it holds no validity within the country. Therefore, a degree obtained from an Indian University, being recognized solely in a foreign jurisdiction, without recognition in India, would be of no consequence to the university or its students.*

- *"Recognition and approval of law degrees are exclusively within the purview of the Bar Council of India. Consequently, if, upon thorough evaluation it is determined Law degrees are being issued by Universities against the rules and norms of Bar Council of India, recognition of such degree/s shall be withdrawn and such degree holders shall not be entitled to be enrolled in any State Bar Council in India.*

- *"BCI and it's Legal Education Committee have time and again reiterated, stated and clarified, that it does not recognise LL.B and/or LL.M or any Law degree course through online mode, correspondence, open and/or distance learning mode.*

- *"It has further come to the attention of the Bar Council of India and its Legal Education Committee that certain institutions are offering Master of Arts (MA) programs with a Law subject, in open and distance learning*

Typed by R.R
Fee and G.A Checked R.A

mode, or online mode which attempts to mimic the structure and content of a Master of Laws (LL.M.) program. Upon careful examination, it has been observed that such an endeavor is beyond the scope and intent of a Master of Arts Degree and is deemed impermissible. It is hereby clarified that such MA degrees will not be recognized by the BCI as equivalent to a Master of Laws (LL.M.) degree and for the purpose of teaching of LL.B. Course.

- *"It is crucial to clarify that the designation "MA" signifies "Master of Arts," whereas "LL.M." represents "Legum Magister," a Latin term denoting a "Master of Laws" Degree. The distinction between these two titles is significant, as an LL.M. degree is specifically tailored for graduates of law programs, whereas an MA degree encompasses a broader range of academic disciplines and is separate and distinguished from Master of Laws Degree. It is a deliberate attempt to bypass LL.M. in such a manner.*

- *"The BCI emphasizes that an MA degree with a Law subject does not confer the same benefits or privileges as an LL.M. degree. Individuals holding an MA degree in Law will not be entitled to the benefits typically associated with possessing an LL.M. degree, nor will they be eligible to teach in LL.B degree programs. Pursuit of legal education at the postgraduate level, in the form of an LL.M. degree, is restricted to individuals who have completed their undergraduate legal studies while it is clarified that any specialized branch of law offered at the master's level, without the LL.B./BA.LLB qualification as the requisite entry-level credential, shall not be recognised as equivalent to an LL.M. degree.*

- *"It is imperative for all stakeholders in the legal education sector to understand that the distinction between an MA degree and an LL.M. degree is significant. An MA degree with a Law subject does not fulfill the requirements for recognition by the BCI as a qualification equivalent to an LL.M. degree.*

- *"This serves to clarify the position of the BCI on the recognition of MA degrees with a Law subject and to prevent any misconceptions regarding their equivalence to LL.M. degrees.*

- *"The BCI and its Legal Education Committee has further also observed that running an MA (with Law subject) by any such mode is an attempt to mimic an LL.M, which is also not permitted by such mode.*

- *"It has also been brought to the notice of Bar Council of India that some entities claiming to be Centre of Legal Education are offering courses through distance education/correspondence mode, under the nomenclature of the degree of LL.M. or LL.M. professional, where anyone even without LL.B. can get an LL.M. degree, and, the same persons are also getting registered for Ph.D., appearing for UGC NET etc. thereby diluting quality of legal education.*

- *"This is an illegal practice and Bar Council of India shall not hesitate in taking stringent action against such centres.*

.....

RELEVANT SUPREME COURT AND HIGH DIRECTIONS INCLUDED IN

Typed by R. R
Fee and G.A Checked R.R

ORDERS/JUDGEMENTS AND OTHER RELEVANT ASPECTS ARE AS FOLLOWS

RecentlytheBombay High Court, in its judgment dated 2nd April 2025 in the case of Smt. NathibaiDamodarThackersey Women's University Law School vs. State of Maharashtra &Ors., W.P. No. 1501 of 2019, reiterated and upheld the statutory powers and duties of the Bar Council of India under the Advocates Act, 1961, particularly in the context of regulating legal education. The petition had challenged several provisions of the Rules of Legal Education, 2008 framed by the BCI, and questioned the authority of the BCI to inspect law colleges affiliated to universities.

The Court emphasized that the BCI has a paramount statutory duty to maintain standards of legal education in the country. It observed, *"From perusal of Sections 7(1)(h), (i), (l) and (m) of the Act of 1961, it is evident that the maintenance of standards of legal education is the paramount statutory duty of the BCI"*. Further, it reaffirmed that the power of inspection is not restricted to universities alone but extends to all Centres of Legal Education, including law colleges affiliated to universities. The Court stated, *"The petitioner law school cannot claim any immunity from inspection by the Bar Council"*.

The judgment clarified the legal interpretation of Section 49(1)(d) of the Advocates Act, 1961, which grants BCI rule-making power to maintain standards in legal education. The Court held that the rule-making power under this section is both general and specific, noting that, *"Section 49(1) confers particular powers without prejudice to generality of general power already conferred and therefore, particular powers are only illustrative of general power and do not in any way restrict the general power"*. This interpretation enabled the Court to uphold the validity of the contested Rules under the 2008 framework, specifically Rules 2(iv)(a), 2(xii)(B), 14, 16(2), 18(2), 19(ii), 19(iii), and 26(a), declaring them intra vires the parent statute.

Importantly, the Court also addressed the relationship between the Advocates Act, 1961, the Maharashtra Public Universities Act, 2016, and the University Grants Commission Act, 1956. It held that where there is a conflict, the Advocates Act prevails, stating, "Even assuming that there is an inconsistency between the provisions of the Act of 2016 and the Act of 1961, the provisions of the Act of 1961 will prevail as they have been enacted by the Parliament"

The Court dismissed the petition and upheld the BCI's authority to regulate and inspect law colleges, reinforcing that the statutory framework established by the Advocates Act, 1961 and the Rules of Legal Education, 2008 are legally sound

Typed by R.R
Fee and G.A Checked R.R

and necessary for maintaining the quality of legal education in India. It stated unequivocally, *"The challenge made in the petition to the Rules of 2008 being ultra vires the parent Act is without any basis".*

The Kerala High Court in the case of Indira Gandhi Memorial Trust Vs. State of Kerala, W.P. (Civil) No. 34303/2023 vide its order dated 12th December, 2023 *held that if a College intends to start a course during the academic year 2023-24, the application before the Bar Council has to be submitted before 31.12.2022In effect, if an affiliation is granted by the University for a particular academic year, beyond such timeline, the same cannot be produced before the Bar Council of India for starting the course in the very same academic year going by the time schedules that are kept by the Bar Council of India.*

The Hon'ble court directed the University to extend the affiliation dated 20.07.2023 issued for the academic year 2023-24 to be valid for the academic year 2024-25 and comply with the time schedules that are kept by the Bar Council of India.

Therefore, in view of the above, universities are directed to adhere to the above timeline or to any timeline notified by the Bar Council of India before each academic year for providing affiliation to any Centre of Legal Education.

The Division Bench of the Hon'ble High Court of Mumbai at Nagpur, in the Writ PetitionNumber 1114/2018 vide Judgment dated 08.04.2020 in re RashtrasantTukdojiMaharaj Nagpur University and others vs. State of Maharashtra and others (AIR 2020 Bom 135), *upheld the constitutional validity of Rule 2(xxiv)"Regular Approval" means approval for not more than five years and includes permanent approval earlier granted to any Centre of Legal Education before these Rules come into force.*

The Court observed that approval of educational institutions is procedural, and the approval granted is in the nature of an existing right rather than a vested right. Legal education, the Court noted, is a dynamic process that requires maintaining standards, which cannot be confined to any time frame or remain static.

In Bar Council of India v. Board of Management, Dayanand College of Law, Appeal (Civil) Nos. 5301-5302 of 2001 (decided on 28th November 2006), reported in (2007) 2 SCC 202, the Hon'ble Supreme

Typed by R.R
Fee and G.A Checked R.R

Court categorically *held that only individuals possessing a degree in law are eligible to serve as the head of a law college, thereby overruling the High Court's decision which had upheld the appointment of a Principal without a law qualification. The Court unequivocally affirmed that the Bar Council of India, as the apex statutory body under the Advocates Act, 1961, is entrusted to maintain standards of the legal profession and of those who seek entry into that profession. The Supreme Court emphasized that this authority cannot be overridden by university statutes or local regulations, reiterating that the BCI's regulatory mandate extends beyond enrolment to encompass the entire educational pipeline leading to entry into the legal profession.*

Supporting this position, the Punjab & Haryana High Court in ShrutiBedi&Ors. v. Panjab University &Ors., CWP 13091 of 2023 (decided on 22.11.2023), explicitly *held that the head of a Centre of Legal Education must be a law teacher with at least fifteen years of teaching experience and a Ph.D. in Law, in strict adherence to Rule 16 of the Bar Council of India Rules of Legal Education, 2008. The High Court further clarified in para 33 that once the Director exercises academic and financial powers, the post cannot be deemed honorary or ceremonial, and thus cannot be occupied by a person without a legal background. Additionally, para 23, the Court invoked Rule 16 of the BCI Rules to underscore that this requirement is not merely academic but statutory, flowing from the Advocates Act, 1961 and enforced through BCI's regulatory framework. The Supreme Court in Dayanand further opined that the BCI's role cannot be considered to be taken away by the Universities Acts, thereby confirming that compliance with BCI norms is mandatory and binding.*

Together, these landmark judgments firmly establish that appointments, leadership roles, and governance structures within legal education must rigorously conform to standards prescribed by the Bar Council of India, underscoring the indispensable role of BCI in safeguarding the quality, integrity, and constitutional objectives of legal education in India. Any deviation, undermines the statutory mandate and invites legal consequences

The Madhya Pradesh High Court has recently on 07.03.2025 in Vyom Garg Case, which pertains to enrolment of those candidates who have obtained their degree from CLEs not approved/recognised by Bar Council of India, passed an order deterring malpractices and administrative laxity by Centers of Legal Education, it has held that Institutions found enrolling students without valid BCI approval now face the real threat of criminal prosecution. CLEs are now under clear judicial warning to comply strictly with BCI norms, including timely fee payments and adherence to affiliation and approval of affiliation by BCI procedures. Failure to comply not only results in loss of recognition but

Typed by R.R
Fee and G.A Checked R.R

also exposes the institutions to legal consequences and reputational damage. This, stresses on disciplined legal education governance, with zero tolerance for institutions that jeopardize students' futures through non-compliance of BCI Rules of Legal Education Rules.

The Hon'ble Supreme Court in the case of Bar Council of India Vs. Rabi Sahu, Civil Appeal No. 8571/2013 vide its order dated 9th June, 2023 *has held that in view of the Bar Council of India Rules, Part IV-*

Rules of Legal Education, 2008 prescribed by Bar Council of India, only graduates from recognized/approved Centres of Legal Education (Universities, University Departments, Constituent Units, Colleges etc.) by the Bar Council of India can be enrolled as advocates

As per the order of theHon'ble Supreme Court of India dated 29.08.2019 passed in Writ Petition (Civil) No.1510 of 2018, titled as Vinit Garg Vs. University Grants Commission and as per the earlier order of Hon'ble Supreme Court of India dated 03.11.2017 passed in Civil Appeal Nos.17869-17870, arising out of SLP No. 19807-19808/2012 in the case of Odisha Lift Irrigation Corp Ltd. Vs Ravi Shankar Patro&Ors., *the Hon'ble Supreme Court has held that an University has to obtain permission from the concerned regulatory body for initiating/starting, opening and conducting any distance learning course/s.*

As per UGC Regulations 4(A)(iv), (Open and Distance Learning Programmes& Online Programmes) Regulations, 2020, the Higher Educational Institution must have the approval or recommendations of the statutory or regulatory authority, in this case, the Bar Council of India (BCI), for offering law programs in Open and Distance Learning mode or Online mode.

Explanation: Programmes as mentioned at clause (iv) shall be considered only when these are recommended by the respective statutory or regulatory authority or regulatory council to offer in Open and Distance Learning mode or Online mode, as applicable....."

Furthermore, the Distance Education Bureau under UGC explicitly prohibits courses in engineering, law, medicine, dental, pharmacy, nursing, architecture, physiotherapy, applied arts, and other such programs from being offered

Typed by R.R
Fee and C.A Checked R.R

through online mode without approval from the respective statutory or regulatory bodies.

Some Universities, including some reputed Universities are running such programs in flagrant violation of clear directives and guidelines as stipulated above and without even having made a request or application to BCI in this regard. It is categorically made clear, such programs have no recognition and/or approval from BCI.

CLE's must ensure to comply with these directives, failing which necessary action will ensue.

.....

Conditions/Rules of Legal Education

A. Centre of Legal Education (CLE) as defined under the Rules of Legal Education stands for the following and is being reproduced below for convenience:

"Centres of Legal Education" means (a) All approved Departments of Law of Universities, Colleges of Law, Constituent Colleges under recognized Universities and affiliated Colleges or Schools of law of recognized Universities so approved.

Provided that a Department or College or Institution conducting correspondence courses through distance education shall not be included.

B. The Centre of Legal Education is directed to ensure compliance of the conditions stipulated above and also comply with Legal Education Rules 2008, failure of which may lead to subsequent necessary and proper action being taken in this regard :-

1. The Centre of Legal Education is directed to ensure establishment and continuance of a Legal Aid Centre as per Clause-11, Schedule-III of Rule-11 of the Part-IV of the Legal Education Rules – 2008. CLE should keep activated Legal Aid Clinic.

2. Centre of Legal Education must ensure to teach clinical subjects and give marks as per the schedule.

3. Centre of Legal Education should ensure the payment of salary to teachers as per Rules 22 schedule III, Part IV of BCI Rules.

4. The Centre of Legal Education should keep in mind that minimum 10 sets of Indian Bar Review, selected judgments and professional Ethics published by Bar Council of India Trust and the AIR volumes/set must be promptly ordered for

Typed by A.P.
Fee and G.A Checked A.R

the library if not already ordered, as it is an essential requirement to run a law college which is stipulated by Bar Council of India, Legal Education Rules 2008 framed under a Parliament Act.

5. The Center of Legal Education is directed to make a minimum investment as provided below for upgrading it's library as per the following guideline :-

"Today with the increasing cost of journals, books, wi-fi, e-library and online facilities including I.T. facilities, the minimum investment by each university should be Rs. 10 lakhs for each year. However for any university/deemed university in rural area, the investment should be Rs. 5 Lakh and for all other affiliated colleges in the urban area it should be Rs. 2 lakhs and in rural area it should be Rs. 1 lakh."

6. Teacher Student ratio shall be 1:40

7. Centre of Legal Education is directed to conduct the classes within the stipulated the timings of the classes i.e. between 8 am to 7 pm for a continuous period of 5 hours with an half hour break in between

8. Centre of Legal Education must ensure that not less than three percent seats are reserved for persons with disabilities

9. Centre of Legal Education shall equip itself to provide appropriate facilities in terms of the physical infrastructure, academic infrastructure and any other facilities required for the effective participation of disabled/differently abled students, teachers and staff in their respective activities. For e.g. (a) ramps in public buildings and (b) Braille symbols and auditory signals in elevators or lifts.

C. **Further, the Centre of LegalEducation should maintain the timing which has to be minimum 5 ½ hours with half an hour break.**

Rule (xxiii), Chapter I

"(xxiii) "Regular Course of Study" means and includes a course which runs for at least five hours a day continuously with an additional half an hour recess every day and running not less than thirty hours of working schedule per week."

Rule 5 of Schedule III

"Classes may be conducted between 8 a.m. to 7 p.m. in a Centre of Legal Education, which is not fully residential. However the Library may remain open till 10 p.m."

✓ D. **Further, the Centre of Legal Education should follow the attendance rule and file affidavit that they are following the aforesaid and below mentioned rule. The next inspection team shall also see whether the said rules are being followed**

Typed by R.R
Fee and G.A Checked R.R

by the university or not. The relevant Rule 12 is given below:-

"12. End Semester Test: No student of any of the degree program shall be allowed to take the end semester test in a subject if the student concerned has not attended minimum of 70% of the classes held in the subject concerned as also the moot court room exercises, tutorials and practical training conducted in the subject taken together.

Provided that if a student for any exceptional reasons fail to attend 70% of the classes held in any subject, the Dean of the University or the Principal of the Centre of Legal Education, as the case may be, may allow the student to take the test if the student concerned attended at least 65% of the classes held in the subject concerned and attended 70% of classes in all the subjects taken together. The similar power shall rest with the Vice Chancellor or Director of a National Law University, or his authorized representative in the absence of the Dean of Law.

Provided further that a list of such students allowed to take the test with reasons recorded be forwarded to the Bar Council of India."

E. <u>Centre of Legal Education should also admit students as per the below mentioned Rule:</u>

7.Minimum marks in qualifying examination for admission: Bar Council of India may from time to time, stipulate the minimum percentage of marks not below 45% of the total marks in case of general category applicants, 42% for OBC category and 40% of the total marks in case of SC and ST applicants, to be obtained for the qualifying examination, such as +2 Examination in case of Integrated Five Years' course or Degree course in any discipline for Three years' LL.B. course, for the purpose of applying for and getting admitted into a Law Degree Program of any recognized University in either of the streams.

Provided that such a minimum qualifying marks shall not automatically entitle a person to get admission into an institution but only shall entitle the person concerned to fulfill other institutional criteria notified by the institution concerned or by the government concerned from time to time to apply for admission.

F. <u>Centre of Legal Education</u> to follow Clause-24, Schedule-II of Legal Education Rule-2008 lays down Moot Court exercises and Internship; Clause-25, Schedule-III lays down Minimum period of Internship which is quoted hereunder..

(i) <u>24. Moot court exercise and Internship:</u>

This paper may have three components of 30 marks each and a viva for 10 marks.

(a) Moot Court (30 Marks). Every student may be required to do at least three moot courts in a year with 10 marks for each. The moot court work

Typed by R.R
Fee and G.A Checked R.R

will be on assigned problem and it will be evaluated for 5 marks for written submissions and 5 marks for oral advocacy.

(b) Observance of Trial in two cases, one Civil and one Criminal (30 marks):
Students may be required to attend two trials in the course of the last two or three years of LL.B. studies. They will maintain a record and enter the various steps observed during their attendance on different days in the court assignment. This scheme will carry 30 marks.

c) Interviewing techniques and Pre-trial preparations and Internship diary (30 marks):
Each student will observe two interviewing sessions of clients at the Lawyer's Office/Legal Aid Office and record the proceedings in a diary, which will carry 15 marks. Each student will further observe the preparation of documents and court papers by the Advocate and the procedure for the filing of the suit/petition. This will be recorded in the diary, which will carry 15 marks.

(d)The fourth component of this paper will be Viva Voce examination on all the above three aspects. This will carry 10 marks.

(ii) 25. Minimum Period of Internship: (a) Each registered student shall have completed minimum of twelve weeks internship for Three Year Course stream and twenty weeks in case of Five Year Course stream during the entire period of legal studies under NGO, Trial and Appellate Advocates, Judiciary, Legal Regulatory authorities, Legislatures and Parliament, Other Legal Functionaries, Market Institutions, Law Firms, Companies, Local Self Government and other such bodies as the University shall stipulate, where law is practiced either in action or in dispute resolution or in management.
Provided that internship in any year cannot be for a continuous period of more than Four Weeks and all students shall at least gone through once in the entire academic period with Trial and Appellate Advocates.

(b) Each student shall keep Internship diary in such form as may be stipulated by the University concerned and the same shall be evaluated by the Guide in Internship and also a Core Faculty member of the staff each time. The total mark shall be assessed in the Final Semester of the course in the 4th Clinical course as stipulated under the Rules in Schedule II.

G. Centre of Legal Education should also follow Rule-10 of Legal Education Rules 2008 which is quoted hereunder:

10. Semester system

The course leading to either degree in law, unitary or on integrated double degree, shall be conducted in semester system in not less than 15 weeks for unitary degree course or not less than 18 weeks in double degree integrated course with not less than 30 class-hours per week including tutorials, moot court room exercise and seminars provided there shall be at least 24 lecture hours per week.

Provided further that in case of specialized and/or honours law courses there shall be not less than 36 class-hours per week including seminar, moot court and tutorial classes and 30 minimum lecture hours per week.

Typed by R.R
Fee and G.A Checked R.R

Provided further that Universities are free to adopt trimester system with appropriate division of courses per trimester with each of the trimester not less than 12 weeks.

H. Centre of Legal Education should also follow Rule 17 and Rule 18 of Schedule III of Legal Education Rules 2008 which is quoted hereunder :-

(i) **Rule 17. Core Faculty:**

There shall be sufficient number of full time faculty members in each Centre of Legal Education (i.e.,Department, constituent or affiliated college) to teach each subject at all point of time for running courses who can be supported by part time or visiting faculty. Such a core faculty shall in no case be less than six in the first year of the approval with both streams in operation, eight in the second year and ten in the case of third year of law courses. In addition, for the integrated course qualification as is required under the UGC guideline or under such other standard setting body as the discipline is allotted to by any Act, statute, or Rules of the Government of India or of a State.

For the Three Year Bachelor of Law degree course only with two sections without the Honour program, there shall be minimum of 4 core faculty in the first year six in the second and eight in the third year in addition to the Principal/Head or Dean as the case may be.

Provided that an institution intending to run any specialized or honours course must have at least three faculties in the group in which specialization and honours courses are offered.

Provided further that each full time faculty shall take as many classes in the subject or subjects as may be assigned to them on the basis of standard prescribed by 'the standard setting institution' like UGC.

Provided further, if any institution of a University, which was already affiliated to the University and approved to run professional courses of either scheme or both by the Bar Council of India after inspection of the University, falls short of required full time faculty, the new admission in courses may be required to remain suspended until new required number of faculty is procured. The University shall before starting a new academic session, notify which institutions are only be allowed to admit fresh students.

Provided further that if while inspecting the University it was found that in any institution of the University adequate number of full time faculty was not there in the staff, the Bar Council after giving notice to the University might give a public notice directing the University not to admit students in the new academic year in that institution.

There shall be adequate faculty in the subjects offered in the liberal educational subjects as part of the course by the institution. These faculties in the liberal educational discipline in Arts, Science, Management, Commerce, Engineering, Technology or any other discipline shall possess.

(ii) **Rule -18 Minimum weekly class program per subject (paper):.**

There shall be for each paper (with 4 credit) Four class-hours for one hour duration each and one hour of tutorial/moot court/project work per week.

- Existing CLEs/Universities that have not yet completed the online registration process including payment of the one-time portal registration fee and submission of the Updation of University Recognition, Updation of University Department of Law, Constituent Unit, or separately as Law Colleges and Law Schools/Institutions affiliated to Universities application are required to promptly complete the registration process by uploading the necessary documents and photographs through the link sent to their official email IDs. Failure to comply may result in appropriate action.

If any BCI-approved existing CLE/University Department has not received their login credentials, they are advised to contact the Bar Council of India at cle@barcouncilofindia.org with the following details:

1. Full Name of the CLE
2. Registered Email ID (in lowercase)
3. Address of the CLE
4. Contact Mobile Number of the CLE
5. Copy of the BCI Approval Letter

- THE COMPLIANCES AND PENDING FEE/ ANY OTHER FEE WHICH MAY BE PAYABLE IN FUTURE MAY BE KINDLY ENSURED TO BE COMPLIED WITH AS AND WHEN INTIMATED IN THE FUTURE.

- The CLE must comply with all the conditions mentioned in this letter and with all the Rules and Regulations of Legal Education including circulars and directives issued by BCI. and furnish a duly notarised compliance affidavit with adequate photo/documentary proof in this regard, with all pages of affidavit, annexures, photos, being duly notarised, failing which - may lead to serious consequences, including withdrawal of BCI approval for academic 2025-2026 and non issuance of approval of affiliation for the A.Y. 2026-2027.
- As stated above, the minimum compliance Affidavit format is attached (Annexure – C/A).

.....

- It is further clarified that this is the minimum level of compliance required. If any additional specific conditions have been imposed on the CLE, those

Typed by R.R
Post and O.A Checked R.R

must be separately complied with, either by incorporating additional explanatory paragraphs or by submitting distinct compliance documents as appropriate.

- NOTE - KINDLY ENSURE TO SUBMIT ENGLISH TRANSLATION OF ALL DOCUMENTS BEING FURNISHED BY YOU IN HINDI OR IN ANY OTHER REGIONAL LANGUAGE TO BCI.

- Note- In accordance with the Council resolution passed on February 20, 2022, the refundable guarantee amount per course, is set at Rs. 5 lakh. Additionally, (C.L.E.'s) who had previously deposited a guarantee fee of Rs. 2 lakhs are now required to pay the remaining Rs. 3 lakhs to meet the total guarantee fee of Rs. 5 lakhs for a single course. For each additional course, the guarantee fee stands at Rs. 5 lakhs per course.

- Very Important:- Please, henceforth ensure to send any compliance affidavit/reply and affiliation orders separately to complianceaffiliationle2@gmail.com, apart from copying it to dlebci@gmail.com. Please do not send any email/s to proledepartment@gmail.com.

For any other query/ies you may send e-mail/s to dlebci@gmail.com

NOTE

On behalf of BCI, the meeting will be attended by Principal Secretary Mr. Srimanto Sen and/or Mr.Nalin Raj Chaturvedi,

Typed by R.R
Fee and G.A Checked R.R

Additional Secretary and/or in absence of one/both of them by Mr. Awanish Kumar Pandey, Additional Secretary.
No other BCI employee is authorized to discuss Legal Education Related Matters.

To ensure the integrity and quality of legal education, it is essential to prevent unauthorized personnel, agents and touts from interfering in academic and administrative matters. Unauthorized interference often leads to misinformation and compromises the standards of legal education. Therefore, ONLY SENIOR AND AUTHORISED PERSONNEL AS MENTIONED ABOVE WILL BE ENTERTAINED.

Your cooperation is required to maintain transparency and uphold the highest standards in legal education. This measure is in the best interest of all stakeholders and aims to promote an environment conducive to the betterment of legal education.

This is for your information, necessary compliance and action.

Nalin Raj Chaturvedi
Additional Secretary

Srimanto Sen
Principal Secretary
