## REPORT ON WORKSHOP- DIABETIC FOOT CARE AND PREVENTITIVE PODIATRY FOR HEALTH CARE PROFESSIONALS

No.of Participants: 67

Venue: CD SAGAR AUDITORIUM, KS LAYOUT CAMPUS, DSU

Date: 20-07-2024

The workshop titled "Diabetic Foot Care and Preventive Podiatry for Health Care Professionals" was conducted on July 20th, 2024, as a part of the broader Symposium event. The workshop aimed to enhance the knowledge and skills of healthcare professionals in the field of preventive podiatry, focusing on the early detection and management of foot-related issues to prevent serious complications, particularly in at-risk populations such as diabetics and the elderly. The chief guest of the workshop was Dr Prithvi Raj, Principal, RV College of Physiotherapy.

### 2. Workshop Objectives

The key objectives of the workshop were:

- To provide an overview of preventive podiatry and its significance in overall healthcare.
- To educate healthcare professionals on the common foot problems and their early signs.
- To demonstrate practical techniques for foot examination and risk assessment.
- To discuss strategies for integrating preventive podiatry into routine clinical practice.
- To emphasize the role of multidisciplinary teams in managing podiatric health.

### 3. Resource Persons details

The workshop was led by Dr. Arun Maiya and his team, a renowned podiatric physiotherapist with over 20 years of experience in preventive care and diabetic foot management. He was supported by a team of experts, including:

Dr. Hrishikesh Yadav Korada, Fellow-IIT Hyderabad, Foot Biomechanics Specialist, Founder- FootRyx.

Dr Amit Jain, Consultant and Head, Amit Jain's Institute of Diabetic Foot and Wound Care, Brundavan Aerion Hospital, Bangalore.

#### 4. Workshop Structure

##### Topics Covered:

Session-1: Importance of foot health in overall well-being.

Overview of common foot conditions: corns, calluses, bunions, diabetic foot ulcers, etc.

Risk factors associated with foot problems.

Early detection and preventive care can significantly reduce the incidence of severe podiatric complications.

Regular foot assessments should be a routine part of healthcare, especially for at-risk populations.

Plantar Pressure, Offloading Techniques

Session 2: Foot Examination Techniques

##### Topics Covered:

Step-by-step guide to performing a comprehensive foot examination.

Use of tools such as monofilaments, tuning forks, and Doppler devices.

Identifying early signs of neuropathy, poor circulation, and skin integrity issues.

##### Hands-On Demonstration:

Participants were guided through a hands-on examination of volunteers, practicing the techniques discussed.

Healthcare professionals should be proficient in using diagnostic tools for podiatric assessments.

Session 3: Preventive Strategies and Patient Education

Developing individualized care plans for patients at risk of foot problems.

Importance of patient education in foot care and self-examination.

footwear recommendations for maintaining foot health.

Participants shared experiences and strategies used in their practices to prevent foot complications.

Educating patients on foot care is a crucial component of preventive podiatry.

Collaborative care, involving dietitians, physiotherapists, and podiatrists, enhances patient outcomes.

Session 4: Integrating Preventive Podiatry into Clinical Practice

Strategies for incorporating regular foot assessments into routine check-ups.  
Building multidisciplinary teams for comprehensive foot care.  
Preventive podiatry should be an integral part of chronic disease management.  
Multidisciplinary collaboration is key to effective podiatric care.

#### 5. Participant Feedback

The workshop was attended by over 70 healthcare professionals. Feedback from participants was overwhelmingly positive, with many highlighting the practical nature of the sessions and the relevance of the content to their daily practice. The hands-on demonstrations and interactive discussions were particularly well-received.

#### 6. Conclusion

The Preventive Podiatry workshop successfully met its objectives, equipping healthcare professionals with the knowledge and skills needed to improve foot health outcomes in their patients. The emphasis on early detection, patient education, and multidisciplinary care was a recurring theme, underlining the importance of a proactive approach to podiatry. The workshop has set the stage for further education and collaboration in this critical aspect of healthcare.

#### 7. Recommendations

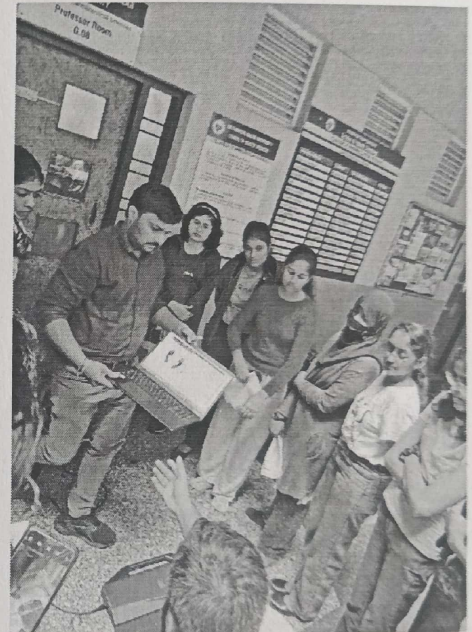

Based on the success of the workshop, it is recommended that:

Similar workshops be conducted regularly to keep healthcare professionals updated on the latest in preventive podiatry.

Institutions consider incorporating preventive podiatry into their routine patient care protocols.

A follow-up session be organized to assess the implementation of workshop learnings in clinical practice.

The program was coordinated by Dr Srihari Sharma K N and Dr Sai Bhavani.
