

REPORT ON AUTISM AND ADHD AWARENESS PROGRAM

Date: 31-08-2024

Time: 11 am - 12 pm

Total number of participants: 40

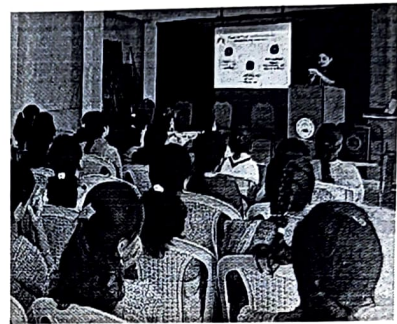

Target audience: School teachers

Location: Pragathi Vidyanikethana School, Harohalli, 562112

Resource persons: Dr. Sunjyoth H S, Dr. Jagrruthi and Dr. Pramod Kashyap C

Key Objectives:

1. Raise awareness about autism and ADHD signs and symptoms.
2. Educate teachers on global and regional prevalence.
3. Provide classroom strategies to support students with autism and ADHD.
4. Highlight the role of physiotherapy in child development.
5. Inform teachers on guiding parents about nutrition for children with these conditions.

The program began with an introduction to the importance of autism and ADHD awareness in classrooms, followed by a discussion on the global and regional prevalence of these conditions. Signs and symptoms were detailed to help teachers recognize students who might need support. Practical classroom strategies, such as using visual schedules and pictures, were shared to create a structured learning environment, alongside tips for managing behavior and improving focus. The role of physiotherapy in enhancing motor skills, sensory integration, and physical activity was emphasized, highlighting the collaboration between physiotherapists, teachers, and parents. The session also covered the role of nutrition in managing symptoms, providing guidance for teachers to help parents implement healthy dietary practices. The program concluded with a Q&A session, addressing participant queries for further clarity.

The program significantly enhanced teacher capacity to support students with autism and ADHD, with positive feedback. Teachers reported improved understanding and confidence in applying classroom strategies and guiding parents about nutrition and physiotherapy.

AUTISM AND ADHD AWARENESS PROGRAM

CIRCULAR

Ref: COPT/DSU/ EC- 27082024

Date: 27-08-2024

Subject: AUTISM AND ADHD AWARENESS PROGRAM

Dear staff,

We are excited to announce an upcoming awareness program on the autism spectrum disorder and Attention Deficit Hyperactive Disorder (ADHD), organized by the College of Physiotherapy DSU. The objective of the program is to raise awareness among school teachers about the signs and symptoms of autism and ADHD, educate them on the global and regional prevalence, provide practical classroom strategies, highlight the role of Physiotherapy, and inform them about the importance of nutrition in supporting students' well-being.

Date: 31-08-2024

Time: 11.00 am to 12.00 pm

Venue: Pragathi Vidyanikethana School, Harohalli, 562112

We hope to see you at the venue
