

Report on "SWACHH BHARAT EVENT"

Date: 22nd January 2025

Time: 11 AM onwards

Location: Urdu Government School, Kanakapura

Total Volunteers: 15 | **Total Students Participated:** 55

In the spirit of the **Swachh Bharat Abhiyan**, the College of Physiotherapy, Dayananda Sagar University, embarked on a mission to promote awareness, and sustainability at the Urdu Government School, Kanakapura. The event was an amalgamation of creativity, education, and hands-on environmental responsibility, fostering a strong message of cleanliness and ecological preservation among young minds.

Highlights of the Event:

- **Drawing Competition:** To encourage artistic expression and awareness, a drawing competition was held for the students. The top three most creative and impactful drawings were rewarded with special prizes, Pencil boxes to motivate and appreciate their efforts.
- **Awareness Session:** A series of informative sessions carried out along with placards and gestures on crucial topics, including:

Tree Conservation: The importance of preserving and planting trees for a sustainable future.

HPMV & Preventive Measures: Educating students about HPMV virus and the preventive measures.

Hand Hygiene: Demonstrating proper handwashing techniques to prevent diseases and promote health.

Waste Disposal: The significance of segregating waste and responsible disposal methods.

Pollution & Its Hazards: Discussing the adverse effects of pollution and the steps we can take to reduce environmental damage.

- **Short Film Presentation:** A powerful short film on *Swachh Bharat* was presented by our **BPT II-year students**, reinforcing the importance of cleanliness and sustainable living through a visual storytelling experience.
- **Sapling Plantation Drive:** A remarkable initiative was taken to enhance greenery within the school premises. The Principal and faculties of government school, alongside the NSS Coordinator, Dr. Siddesh G, planted around 10 saplings, symbolizing growth, hope, and a cleaner tomorrow.

Impact and Takeaways

The event not only educated the students but also instilled a sense of responsibility toward maintaining cleanliness and caring for the environment. The enthusiasm and active participation of the young minds were a testament to the success of the initiative.

A cleaner and greener future begins with awareness, action, and collective effort. Through this event, we took a step closer to making *Swachh Bharat* a reality. Let's continue to strive for a cleaner, healthier, and more sustainable world.
