**Venue:** From Bangalore City University, Central College Campus, Dr. Ambedkar Veedhi, Bangalore - 560001 to Kanteerava Stadium, Sampangi Rama Nagara, Bengaluru - 560027

**Organized by:** Youth Red Cross Wing, Indian Red Cross Society, Karnataka State Branch

**Theme:** "Walk for Humanity"

**Total Participants:** 10 Physiotherapy Students

The Youth Red Cross Wing of the Indian Red Cross Society, Karnataka State Branch, successfully organized the State-Level Walkathon under the inspiring theme "Walk for Humanity". This noble initiative aimed at promoting social responsibility, unity, and humanitarian service, witnessing enthusiastic participation from students dedicated to making a difference.

The event commenced at the historic Bangalore City University, Central College Campus, where participants gathered with enthusiasm, carrying banners and placards that emphasized the importance of humanitarian aid, blood donation, and the role of the Red Cross in serving society. The march proceeded with great zeal through the city streets, spreading awareness and fostering a spirit of compassion among the public.

The participants, including 10 physiotherapy students, took an active role in advocating for Red Cross activities, demonstrating their commitment to humanitarian causes. Their placards carried impactful messages. The energy and dedication displayed throughout the walkathon reflected their passion for making a positive change in society.

The walkathon concluded at Kanteerava Stadium, Sampangi Rama Nagara, where the participants were greeted with words of appreciation for their efforts. All students received certificates of participation as a token of recognition for their valuable contribution. To ensure the well-being of the participants, refreshments and breakfast were provided, allowing them to replenish their energy after the fulfilling walk.

This event was a resounding success, not only in terms of participation but also in spreading awareness about the humanitarian efforts of the Red Cross. It instilled a sense of social responsibility among the youth and encouraged them to contribute actively to future Red Cross initiatives.
