Report on World Heart Day

Date: 29/09/2022

Theme: Use Heart for every Heart

Place: Basketball Court, Campus No. 1, DSU

No. of participants: 107

No. of Staffs participated: 10

An event was organised by College of Physiotherapy, Dayananda Sagar University on the occasion of “World Heart Day” on 29th September 2022. It included gathering of staff and students from different disciplines of Campus No. 1, DSU. Our staff and students reached out to different colleges in Campus No. 1 and shared the pre-recorded video to create awareness among the Staff and Students about Cardio-Vascular Diseases a prior to the event day. They were all informed about the importance of cardiac health and prevalence, symptoms and risk factors of Cardio-Vascular Diseases. This video, which was shared with them was a collaborative collection of statistical data, facts from recognised articles and websites such as World Heart Federation and World Heart Organisation. The video also comprised of short bytes from the personages such as Dr. A.C. Ashok, Dean and Principal of Medical College at CDSIMER, and Mr. Johnson Solomon, Physiotherapist, Indian Badminton Team, and Mr. Shine Shetty, KFI Actor. This video was shared among 3000+ people inside and outside the campus.

The “World Heart Day” event started at 10:45 am at Basketball Court, Campus No. 1, DSU. Dr. Kishore K.S, Cardiologist, Sagar Hospitals, was the Chief Guest for the event. He addressed and shared informative words to the gathering. Thereafter, the students made a heart-shaped formation. They also performed around 10 minutes of mild physical activities.

107 students and 10 staffs were benefitted from this program.
