College of Physiotherapy has organized a webinar on career guidance and counselling for the 4th year Bachelor of Physiotherapy students, Interns and Masters of Physiotherapy students in association with VSCAN Immigration Consultancy. The students were asked to register for the webinar in prior. The webinar started at 9AM and ended at 10AM in which the speaker, Mr. Gowtham Pidaparathi, has given a detailed talk about the future prospects for the students who are willing to immigrate to Canada for future prospects. The webinar was attended by a total of 51 students. The event was a successful one as all the students got benefitted by it. The speaker talked about various aspects that involve in immigrating to Canada for Physiotherapy graduates. He spoke at length regarding different ways through students can immigrate to Canada, either by study permit, work permit or permanent residency. He has also given a clear insight about the various courses the colleges offer and how the students can get benefitted from them. He also covered the main aspect of licence and registration process and validity in the mentioned country in order to practice in the near future. He also spoke about the financial aspect of immigration in which he clearly mentioned about the expenses and which way is better. He ended the webinar with a quick question answer session. The whole webinar was indeed quite insightful for the students.
