

# COLLEGE OF PHYSIOTHERAPY

## REPORT ON HAND-ON WORKSHOP: KINESIO TAPING

Date: 22-11-2023

Place: College of Physiotherapy DSU, Harohalli Campus

Number of student participants: 39

Number of alumni participants: 5

Number of students participants: 1

The College of Physiotherapy, DSU conducted Kinesio Taping workshop, tailored for undergraduate and postgraduate students along with alumni, proved to be a dynamic platform for learning. Held on 22-11-2023, the event aimed to deepen participants understanding of Kinesio taping (lower limb module1) techniques and their application in various disciplines. Dr. Vinod Kumar Associate Professor College of Physiotherapy, DSU; renowned expert in the field conducted comprehensive sessions, unravelling the intricacies of Kinesio taping. The blend of theoretical insights and practical demonstrations enriched participants' knowledge base. The workshop successfully bridged the gap between undergraduate and postgraduate students, encouraging cross-disciplinary discussions. Alumni involvement added a valuable perspective, creating a holistic learning environment.
