## Dean's Message

*Dr Kiran Dennis Gardner*

I am delighted to introduce the first issue of '*Law Insights*' the Law School's official Quarterly Newsletter, of the Dayananda Sagar University, Bengaluru. The Newsletter will serve as a window into vibrancy and dedication, capturing the essence of our journey in legal education and academic growth.

This inaugural issue begins with reflections on our orientation program, which warmly welcomed our fresh batch of students into the world of academic and professional discovery. Teacher's Day provided a special occasion to honour the contributions of our faculty, whose commitment is foundational to our School's success. In Faculty and Student's Corner highlights individual accomplishments and perspectives that enrich our school.

College life is incomplete without the memories of Celebrations, Freshers' Parties, Sports, Team Activities and Outings together. The Newsletter captures all such moments.

Innovative teaching pedagogies and experiential learning is the corner stone of learning at School of Law. The School organizes regular lectures, workshops by Legal Luminaries, Judges, and Industry Experts to enhance students' skill and prepare them for legal profession. Simultaneously workshops and seminars are arranged to enhance their life skills. Newsletter is an endeavour to capture the academic journey of the students.

Faculty development sessions at regular interval is a constant effort to upgrade knowledge and skills of faculties to ensure that they keep pace with recent trends and development in the field of law. The Newsletter also gives peek into recent legal updates.

I hope you enjoy reading our Newsletter. We would be happy to receive your constructive feedback. You can reach out to us on: [newsletter-law@dsu.edu.in](mailto:newsletter-law@dsu.edu.in)

Happy Reading!

**Dr Kiran Dennis Gardner**

### About School of Law

School of Law, Dayananda Sagar University (DSU), a private university established in 2014, is home to a first of its kind innovation-centered law school in the heart of India's Silicon City, Bengaluru. The University builds on the rich legacy of the Dayananda Sagar Institution (DSI) which was founded in the 1960s. DSI currently houses 18,000 students across several disciplines. Located in Bangalore, the School of Law draws from not only the vast interdisciplinary resources of the University but also those of the city itself, affording students incomparable industry exposure. Our students will complete their legal training fully equipped to step into their roles as lawyers of the new age.

### Orientation Program, School of Law

Dayananda Sagar University, School of Law conducted an impactful orientation program on 26th August 2024 for its newly admitted students across the B.A. LLB, B.B.A. LLB, and LLB programs. The event was attended by esteemed dignitaries, including **Dr. S. K. Prakash**, Veteran Wing Commander, as the chief guest, and **Ms. Supriya Mathew**, Vice President - International Affairs at DSU. **Dr. S. K. Prakash** inspired the new batch with his words on the significance of resilience, dedication, and integrity in their legal careers. **Ms. Supriya Mathew** enlightened students on the numerous placement facilities at DSU, highlighting the university's strong connections with various prominent job markets to support their professional aspirations. This orientation marked the beginning of a promising journey for DSU's incoming law students. Additionally, **Ms. Shyamantha**, head of Student Affairs, inspired students by highlighting the various support services available to them, assuring that DSU's Student Affairs team is dedicated to enhancing their campus experience and personal development.

### Faculty and Students Engaged in the Orientation Program Session

The first session on 26th August 2024, **Prof. Shantanu Pachahara** led the session titled *"Soft Skills in the Legal Profession,"* emphasizing the essential balance between legal expertise and interpersonal skills. The session covered vital skills such as communication, emotional intelligence, negotiation, problem-solving, and adaptability—key traits for navigating client relationships and the complexities of the legal field. The students' enthusiastic participation highlighted their readiness to incorporate these skills into their future legal practices, setting a strong foundation for their academic and professional journeys.

The second session on 26th August 2024, led by **Prof. Sakshi Mehta** and **Prof. Stency Marya Mark**, was titled *"Fostering Connections: A Recap of Our Ice Breaker Activities."* The session aimed to create an inclusive and interactive classroom environment where students could connect and feel comfortable. Through a series of activities, students introduced themselves, showcased their talents, and identified common interests, fostering communication and collaboration. These activities successfully enhanced student engagement, built confidence, and laid the groundwork for strong peer relationships, contributing to a more cohesive and supportive learning community.

On 27th August, the second day of the event featured an academic enrichment session led by **Prof. Sakshi Mehta** and **Prof. Stency Marya Mark**, focusing on *"Model United Nations (MUN)"*. The session aimed to educate students about MUN's role in fostering international relations, diplomacy, and understanding of the United Nations agenda. Students participated in an MUN simulation centered on LGBTQ+ rights, representing 14 countries. The discussions, particularly around India's stance, sparked

debates, with delegates from Saudi Arabia, Yemen, and Afghanistan advocating for strict legal positions. The exercise honed students' research, communication, and diplomatic skills, enabling them to think critically, craft responses, and engage in negotiations. This session enriched their understanding of global perspectives on LGBTQ+ rights and strengthened their public speaking and negotiation abilities.

### Students Enthusiastically Engaging in Ice Breaker Activities during Orientation Program

On August 29, 2024, the second session of the day, led by **Prof. Nithin Rajeev**, engaged students in the *Balloon Tower Building Challenge*. The goal was to foster teamwork, creativity, and student connection by constructing the tallest and most stable self-supporting tower using balloons, tape, string, paper, and markers within 20 minutes. Organized into five teams, students demonstrated remarkable creativity and collaborated closely to design innovative towers.

After the challenge, "**Team Yellow**" emerged as the winners with their design featuring a stable base and balloon clusters. The challenge highlighted the importance of teamwork, with students brainstorming solutions and dividing tasks effectively. It created a lively, engaging atmosphere and helped new students bond. Feedback was overwhelmingly positive, with students appreciating the opportunity for creative collaboration. The success of the *Balloon Tower Building Challenge* proved it to be a valuable part of the orientation, promoting student engagement and fostering community connections.

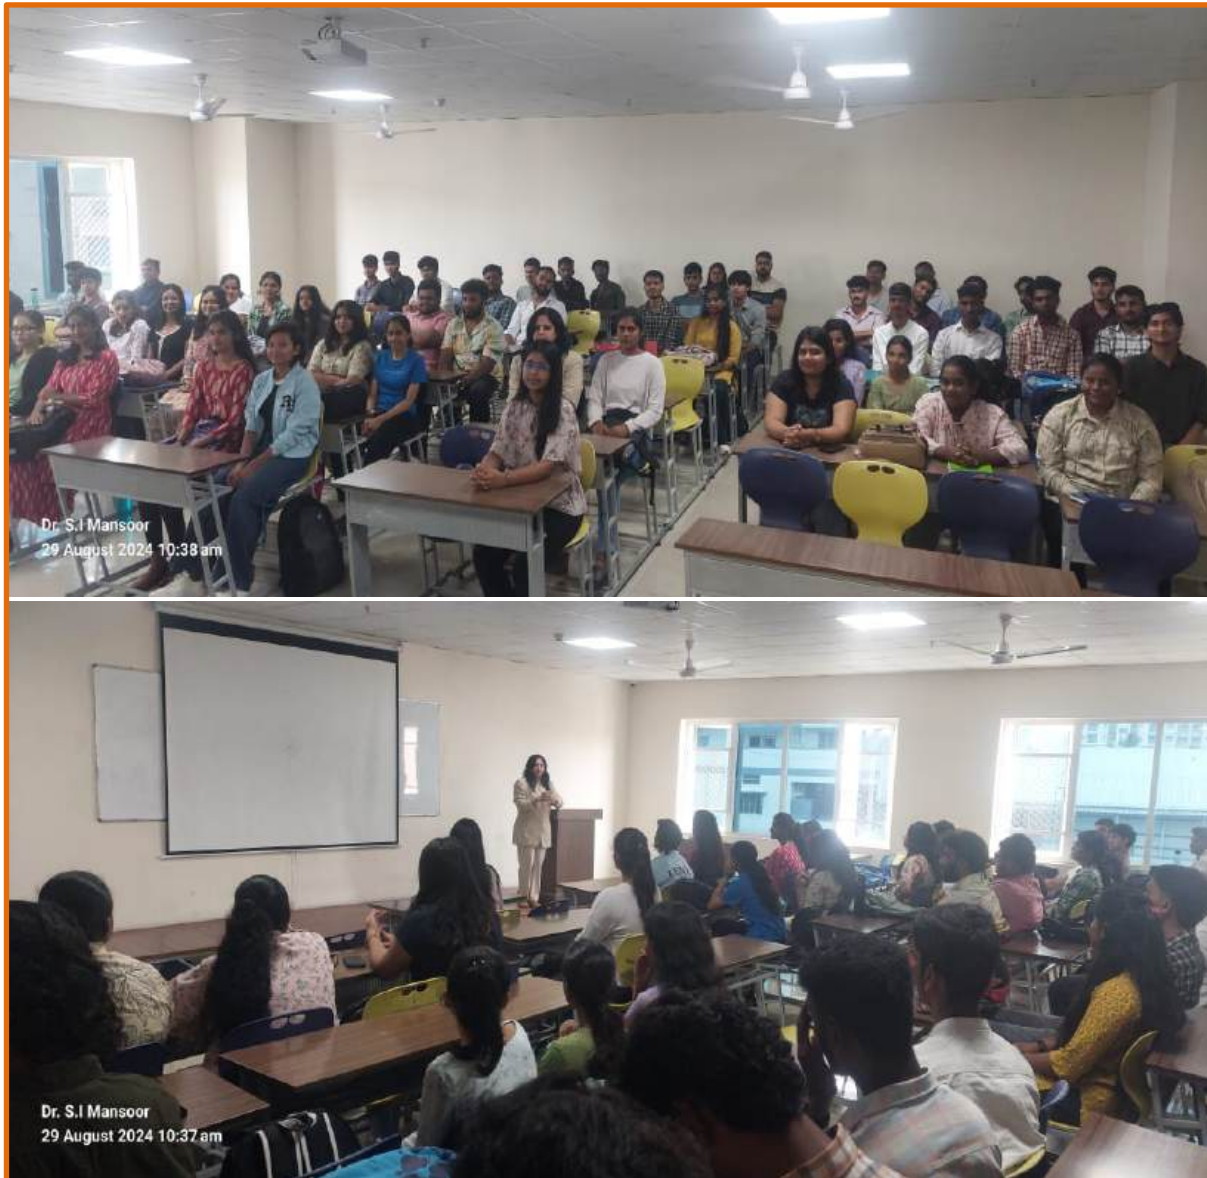

**Students Collaborating in the Balloon Tower Building Challenge during Orientation**

On August 29, 2024, the third session of the day, led by **Prof. Arifa Sultana Choudhury** and **Prof. Stency Mark**, featured the "*Legal Trivia Quiz*," offering students the opportunity to demonstrate their knowledge in legal and general domains. The quiz was divided into two parts: the legal section covered Constitutional law, Criminal law, International law, and landmark Supreme Court rulings, while the general knowledge section tested students on current events, history, sports, and more. Students participated in teams, engaging in healthy competition and showcasing their analytical skills. The quiz fostered a lively atmosphere, encouraging collaboration and intellectual curiosity while providing a fun break from the academic schedule. It served as a platform for students to interact, share knowledge, and learn from one another.

**Students Competing in the Legal Trivia Quiz during Orientation Program**

On 30th August 2024, **Prof. Shantanu Pachahara** and **Dr. Sheikh Inam Ul Mansoor** coordinated with **Ms. Sushma**, a seasoned mental health expert to offer valuable insights on *"Soft Skills in the Legal Profession,"* to students. The session, held from 9:00 AM to 10:30 AM, aimed to equip students with *"strategies for managing stress, maintaining mental well-being, and balancing academic pressures with personal life"*. Ms. Sushma provided practical tips on stress management, mindfulness, and recognizing early signs of burnout. Interactive activities fostered open discussions, offering students tools to support their emotional health and enhance their academic journey.

**Ms. Sushma conducting session on mental health**

On 30th August 2024, the orientation program concluded with a *Campus Tour* to the newly inaugurated Harohalli Campus, led by **Dr. Prasanta Moharaj**, **Dr. Gajendra**, and **Prof. Bharath**. The tour aimed to familiarize freshers with the state-of-the-art infrastructure and facilities of the new campus. Students and some new faculty members eagerly explored the campus, with the journey offering a fun, interactive atmosphere that fostered camaraderie. Upon arrival, students were introduced to the central library, advanced classrooms, indoor auditorium, computer labs, and sports facilities, all designed to enhance their academic and extracurricular experience. The tour concluded with a visit to the food court, followed by a return to the Kudlu Gate Campus, leaving students excited for their academic journey ahead at the Harohalli Campus.

### Freshers' Day Celebration – School of Law, DSU

On 14th September 2024, the School of Law, Dayananda Sagar University, welcomed its newest batch of students with a vibrant and memorable “Freshers’ Day celebration”. The event, held with great enthusiasm, was a perfect blend of fun, camaraderie, and excitement, setting the tone for the students’ journey at DSU. The day kicked off with interactive games that broke the ice and brought smiles to everyone’s faces. The students showcased their talents through engaging performances—songs, dances, and skits—that reflected their creativity and energy. The atmosphere was electric, with cheers and applause echoing throughout. One of the highlights of the day was the much-anticipated *Mr. and Miss Fresher* contest. Participants walked the ramp with confidence and charm, faced intriguing questions, and impressed everyone with their wit and grace. After a spirited competition, the deserving winners were crowned, marking a special moment of recognition for their individuality and charisma. The event concluded on a high note, leaving behind memories of laughter, new friendships, and a strong sense of belonging.

**Glimpse of Fresher’s day**

### Teacher's Day Celebration

On September 5th, the School of Law at Dayananda Sagar University celebrated **Teacher's Day** with vibrant dance performances, interactive games, and heartfelt expressions of gratitude. The students showcased their creativity with traditional and contemporary dances, setting a lively tone for the day. Games like *"Flip the Bottle"* and *"Guess the Song"* added fun and camaraderie, fostering a sense of community between students and faculty. The highlight of the event was the Dean's inspiring address, sharing her personal journey into academia and motivating both students and faculty. In a touching gesture, students presented tokens of appreciation to the teachers, emphasizing the strong bond between them. The celebration concluded with a group photo, capturing the joy and unity of the day, marking Teacher's Day as a memorable occasion of respect, admiration, and shared community spirit at DSU.

### Faculty Development Programs (FDP)

#### 1<sup>st</sup> FDP

On 14th September 2024, the School of Law hosted its first Faculty Development Program (FDP) with a presentation by **Dr. Sheikh Inam Ul Mansoor** on *“Balancing the Benefits and Risks of Traditional Medicine in Sports: A Study of Anti-Doping Controls and Compliance.”* The session explored the intersection of traditional medicine and modern anti-doping regulations, focusing on how certain remedies used by athletes may conflict with anti-doping rules. Dr. Mansoor examined the benefits of traditional medicine for performance and recovery while addressing compliance challenges. Key topics included the use of traditional remedies, anti-doping policies, and the legal complexities athletes face. The session sparked an engaging discussion among faculty members on the legal implications of doping regulations and the need for greater awareness. This successful FDP set the tone for future knowledge-sharing initiatives at the School of Law.

**Dr. Sheikh Inam Ul Mansoor delivering his presentation**

## 2<sup>nd</sup> FDP

On 28th September 2024, the School of Law conducted a Faculty Development Program under the “Law Insight Series,” featuring **Dr. Prasanta Moharaj's** presentation on “*Changing Climatic Conditions and Agricultural Livelihoods: An Impact Study in Jagatsinghpur District, Odisha.*” **Dr. Moharaj's** talk focused on the profound impact of climate change on agricultural livelihoods, particularly in coastal Odisha, which is vulnerable to frequent floods. The study combined field surveys and secondary data to assess the effects of climate change, revealing a reduction in crop yields and a shift in socio-economic conditions. Dr. Moharaj highlighted the growing threats posed by human-induced climate change and its disproportionate impact on rural, coastal communities. The session fostered an engaging discussion on the need for stronger legal protections and sustainable policies. This FDP emphasized the importance of addressing climate change through legal and policy reforms to support vulnerable communities.

**Dr. Prasanta Moharaj delivering his presentation**

## 3<sup>rd</sup> FDP

On 26th October 2024, the School of Law hosted a Faculty Development Program under the “Law Insight Series,” featuring **Prof. Stency Mark's** presentation on “*The Right to Privacy and National Security Concerns – A Comparative Analysis.*” Prof. Mark explored the delicate balance between privacy rights and national security, comparing the legal frameworks in India, South Africa, and the United States. Her analysis focused on how privacy laws in these nations are often tested by government surveillance and security measures. Through case studies, she examined the different approaches to privacy protections and their implications for state security. The session sparked an engaging discussion on privacy breaches, surveillance abuses, and how democratic nations can safeguard privacy while ensuring security. Prof.

Mark's presentation set a strong foundation for the upcoming Faculty Seminar Series, enriching the discourse on fundamental rights and security.

**Prof. Stency Mark delivering her presentation**

### **Research Achievements of Faculty**

#### **Dr. Prasanta Moharaj, Assistant Professor of Sociology**

**Dr. Prasanta Moharaj**, Assistant Professor of Sociology at the School of Law, DSU, in collaboration with Dr. Dibakar Sahoo of Banaras Hindu University, published a research paper titled “*Assessing agricultural vulnerability to climate change through dynamic indexing approach*” in *Environmental Science and Pollution Research (ESPR)* Springer Nature, indexed in Scopus (Q1), with an Impact Factor of 5.8. The study evaluates agricultural vulnerability to climate change across Odisha’s districts using a vulnerability index. It highlights district-level variability and calls for tailored adaptation strategies, such as early weather warning systems and the development of early maturing crop varieties. The findings offer critical insights for climate adaptation in agriculture, with global relevance for climate resilience. Read the full paper here- <https://link.springer.com/article/10.1007/s11356-024-34738-0>

**Dr. Sheikh Inam Ul Mansoor, Assistant Professor of Law**

**Dr. Sheikh Inam Ul Mansoor**, Assistant Professor of Law at DSU, Bangalore, published two significant research papers. The first, "*China's Geopolitical Strategy: Crafting a New World Order*", is indexed in Scopus, Q3, with an Impact Factor of 0.314. It examines China's rise as a global actor, focusing on its economic transformation through initiatives like the Belt and Road Initiative, advancements in AI and 5G, soft power, and environmental contributions. The paper discusses China's growing influence in global governance and the potential shift towards a multipolar world. (Read the full paper here- [www.worldscientific.com/doi/epdf/10.1142/S2377740023500161](http://www.worldscientific.com/doi/epdf/10.1142/S2377740023500161)). The second paper, "National Security or Trade Openness? The Balancing Act in Contemporary Trade Relations" published by 'IUP Law Review, Hyderabad', analyzes the tension between national security and trade openness within international trade law, specifically under the GATT/WTO and Regional Trade Agreements (RTAs).

**Prof. Stency Mariya Mark, Assistant Professor of Law**

**Prof. Stency Mariya Mark**, Assistant Professor of Law at DSU, Bangalore, published a research paper titled "*Shielding Privacy in the Surveillance Era: A Comparative Study of India, United States of America, and South Africa*" in the Law, State and Telecommunications Review (Volume 16, Issue 2, 2024). Indexed in Scopus, Q3, the paper compares the privacy jurisprudence in India, the United States, and South Africa, discussing key issues like the Pegasus spyware scandal and Edward Snowden's revelations about government surveillance. The study highlights how surveillance is used as a tool to intimidate journalists, activists, and others, emphasizing the need to protect privacy in the modern age.

### Conference Paper Presentation

**Prof. Shivani Dutta** and **Prof. Sanjay Utagi**, Assistant Professors of Law at DSU, received the Second Best Paper Award, along with a cash prize of ₹7,000 INR, for their conference paper titled “*Assessing the Impact of Microplastics in Food: A Comparative Legal Analysis of India and Global Standards.*” The paper, presented at a conference organized by **Dr. D. Y. Patil Law College, Pimpri, Pune**, in collaboration with The Safety Chic (Nigeria) and Ramkrishna Law Firm, Chikodi, explores the growing issue of microplastic contamination in food, driven by the widespread use of plastic containers and improper waste disposal in the food industry. The paper critiques India’s fragmented legal framework on food safety and compares it with more stringent regulations in developed countries. It calls for stronger legislation, stricter regulations, and improved enforcement to mitigate microplastic risks and enhance public health protection.

### Students Corner

#### School of Law Students Clinch First Place in Debate

Team JSF, composed of first-year BA LLB and BBA LLB students **Jnanashree, Sristhi, and Farheen**, secured first place in the *Decode and Debate Competition* organized by the **Glance Club, School of Commerce and Management Studies-UG** on October 9, 2024. Competing against 13 teams, Team JSF showcased exceptional critical thinking, analytical skills, and oratory expertise across three rounds: case decoding, presenting a solution, and debating the case. Their coordinated effort, thorough research, and confident delivery earned them the **First Prize**. This achievement reflects the School of Law's commitment to fostering academic excellence, creativity, and teamwork.

**School of Law Students Receive 1st Prize in Debate Competition**

### **Guests Lecture Series**

#### **Cybersecurity Awareness Session**

The School of Law at Dayananda Sagar University organized a Cybersecurity Awareness Seminar on October 16, 2024, as part of **Cybersecurity Awareness Month**. Led by **Ms. Priyanka Vaidyanath**, an expert ISAC Cyber Lawyer and Cyber Crime Intervention Officer, the seminar highlighted the growing importance of “*cybersecurity in an increasingly digital world*”. **Ms. Vaidyanath** discussed the rise in cybercrimes such as identity theft, phishing, and data breaches, emphasizing their impact on both individuals and businesses. She shared practical tips for safeguarding personal data, creating strong passwords, and identifying cyber threats. The session also covered the legal aspects of cybersecurity, stressing the importance of cyber laws in preventing and addressing cybercrimes. The interactive session engaged students, equipping them with essential knowledge to navigate the digital world safely while emphasizing the collective responsibility for maintaining online security.

**Cybersecurity Awareness Session led by Ms. Priyanka Vaidyanath**

### **Crime Scene Investigation Workshop**

On September 30, 2024, the School of Law at Dayananda Sagar University hosted a workshop on “*Crime Scene Investigation (CSI)*,” led by **Mr. Ananyo Mitra**, Assistant Professor and Assistant Dean (Research) from VMLS, Chennai. The workshop aimed to deepen law students' understanding of forensic investigations and their role in the criminal justice system. **Mr. Mitra** discussed the fundamentals of CSI, emphasizing its importance in solving criminal cases and delivering justice. He highlighted the distinction between CSI and other legal exercises, such as moot courts, noting that CSI encourages critical thinking, teamwork, and analytical skills. The session included a practical exercise where students analyzed a crime scene scenario involving a theft, examining evidence, witness statements, and suspect details to determine the likely perpetrator. The interactive nature of the exercise sparked enthusiastic participation and helped students apply theoretical knowledge in a real-world context.

**Crime Scene Investigation Workshop lecture by Mr. Ananyo Mitra**

## Festive Celebrations

### Dussehra Celebration In DSU Campus

On October 10, 2024, the School of Law at Dayananda Sagar University celebrated **Ayudha Puja**, a key part of **Dussehra festivities**, honoring Karnataka's cultural traditions. The campus was adorned with fresh flowers and mango leaves, creating a festive atmosphere. Faculty, staff, and students participated in rituals, offering prayers to their books and study materials, symbolizing respect for learning tools and seeking blessings for wisdom and success. Earlier, on October 8, 2024, the entire university campus came alive with the vibrant **Dandiya** and **Garba** celebrations for **Navratri**. Students, dressed in traditional attire, performed these energetic folk dances to the rhythm of dhol and music. The event fostered unity and joy, celebrating cultural diversity and promoting a sense of togetherness across the DSU community.

### Legal and other updates

#### *Supreme Court Upholds Assam Citizenship Act Validity:*

The Supreme Court of India upheld the constitutional validity of Section 6A of the Citizenship Act, of 1955. This ruling was delivered by a Constitution Bench with a 4:1 majority. **Justice Surya Kant** authored the majority opinion, while Justice Pardiwala dissented. The decision is for Assam's citizenship framework.

#### *Justice Sanjiv Khanna is the new Chief Justice of India and took charge on Nov 11, 2024*

President of India **Draupadi Murmu** on Thursday appointed **Justice Sanjiv Khanna** as the next Chief Justice of India (CJI). **Justice Khanna**, who is currently the senior-most judge in the top court, will succeed incumbent CJI **DY Chandrachud** and assume the position on November 11, 2024. The appointment follows the recommendation made by **DY Chandrachud** who is set to retire from the post on November 10, 2024 on attaining the age of 65.

***Cabinet Approves ₹2,642 Crore Ganga Rail-Cum-Road Bridge.***

The Indian government has approved a ₹2,642 crore project to build a rail-cum-road bridge over the *Ganga River in Varanasi*. The project will take four years to complete and aims to improve transportation in this important region. The new rail-cum-road bridge will help make transport faster and more efficient in the Varanasi-Chandauli area in Uttar Pradesh.

***Union Cabinet Approves Next Generation Launch Vehicle***

The Union Cabinet of India, led by **Prime Minister Narendra Modi**, has approved the development of the Next Generation Launch Vehicle (NGLV). This decision is a big step for India's space exploration goals and sets the stage for future projects, like building the *Bharatiya Antariksh Station (Indian Space Station)* and a crewed mission to the Moon by 2040.

***Court notice to Centre on unethical Coldplay, Diljit Dosanjh show ticket re-sales***

The Delhi High Court on Thursday sought a response from the Centre and all other relevant authorities on the unauthorised sale of tickets for the upcoming **Diljit Dosanjh and Coldplay concerts** in the country. This comes as the court issued a notice on a plea seeking the formation and implementation of a regulatory framework for sale of tickets for concerts and events via an authorised platform. The plea urged the court to direct the Centre to block the re-sellers from operating in the country in an unlawful and illegal manner. While Diljit Dosanjh's "*Dil-Luminati Tour*" is scheduled to take place at the JLN Stadium in Delhi on October 26 and 27, British rock band Coldplay will perform in Mumbai from January 19 to 21, 2025.

***COP16 Aims for Global Deal on Genetic Information Use***

At the **U.N. COP16 nature summit** in October 2024, countries are set to negotiate a deal on the use and compensation for genetic information from nature. This data, known as "digital sequence information" (DSI), is crucial for research and commercial applications. The summit aims to establish a multilateral system that benefits countries rich in biodiversity, ensuring they receive fair compensation.

***Bihar Inaugurates First Dry Port to Boost Exports***

Bihar's Industry Minister **Nitish Mishra** inaugurated the state's first dry port in Bihar, near Patna. This initiative aims to enhance exports of goods produced in Bihar, in partnership with a private company. The dry port is an important step towards improving the logistics and export capabilities of the state.

***Luong Cuong, New President of Vietnam***

Vietnam elected **Luong Cuong** as its new president. This marks the fourth president in 18 months. Cuong, a 67-year-old military general, replaces To Lam, who was appointed as the general secretary of the Communist Party in August. The general secretary is the most powerful position in Vietnam, while the presidency is largely ceremonial.

***SC finds things 'amiss' in the Kolkata rape-murder case:***

The Supreme Court on Monday voiced concern over the absence of a key document that was needed for the post-mortem of the **medic raped and murdered** at the RG Kar Medical College in Calcutta. It has asked the CBI to investigate it. The top court also directed the protesting resident doctors in West Bengal to resume work by 5 pm on Tuesday and said no adverse action shall be taken against them on resumption of work. It also wants the immediate removal of photographs of the victim from all social media platforms to protect the dignity and privacy of the deceased.

***Supreme Court's judgment on child pornography:***

In *Re: Exploitation of Children in Orphanages in the State of Tamil Nadu vs Union of India & Ors., 2023 SCC Online SC 211*, the Supreme Court of India emphasized the importance of reframing the terminology used in legal discourse regarding crimes against children. The Court ruled that the expression "*child sexual exploitation and abuse material*" (CSEAM) should be used instead of "child pornography". The judgment highlights that the term "pornography" is generally associated with consensual acts, which is inappropriate when referring to crimes involving children, as these acts inherently involve exploitation and abuse. The Court's decision aims to ensure a more accurate representation of such grave offenses and sensitizes the legal framework to the severe nature of crimes involving child abuse and exploitation.

**Upcoming Events at Dayananda Sagar University, School of Law**

The School of Law, Dayananda Sagar University, has an exciting line-up of events for November 2024, offering students unique hands-on learning and professional networking opportunities.

***Crime Scene Investigation (CSI) - 9th November 2024:***

Students will have the opportunity to experience the foundations of forensic analysis and criminal investigation through an engaging **Crime Scene Investigation program**. Teams will evaluate the evidence, identify possible suspects, and examine a mock crime scene. The purpose of this activity is to

improve students' practical knowledge of deductive reasoning, collaborative investigation methods, and crime scene protocol.

***International Conference - 23rd November 2024:***

Renowned legal scholars, practitioners, and students will gather at the upcoming **International Conference** held on 23rd November 2024 to talk about new developments and difficulties in the field. Participants will network with professionals from many professions, have enlightening conversations, and add to an international conversation on important legal topics. Participants have a great chance to broaden their professional and academic perspectives at this event.

***Intra Moot Court Competition - 30th November 2024:***

Students will get the opportunity to practice their argument skills in a mock courtroom environment through the **Intra Moot Court Competition**. To obtain important experience in legal research, drafting, and oral presentation, participants will prepare and deliver arguments before a panel. This activity is crucial for boosting students' self-esteem and professionalism in legal argumentation and courtroom manners.
