Dear Prof. Babu,

I received your email regarding scheme of teaching and scheme of examination.

I would like to seek clarification on the following.

1. Whether the BOS meeting was minuted? If so, you need to take the signature of the experts on the minutes of the meeting.

2. Whether you have obtained the signature of Dr. Vijayalakshmi, the other expert on the modified scheme of teaching and scheme of examination on each page?

Further, I need an official letter of invitation (Pre-dated) inviting me to attend the BOS Meeting. This is required for my reference and also to update my records. In future, please send me an official letter for all assignments to obtain permission from the institute.

Your telephone no./mobile No. may kindly be sent to me for further contact.

Thanking you,

Yours sincerely,
Dr. K. Lalitha

The minutes of the Second BOS meeting of School of Nursing Sciences, Dayananda Sagar University held on 16/05/2015 at Board Room, Dayananda Sagar College of Dental Sciences, and Bangalore.

Agenda:

- Minutes of First BOS Meeting
- Finalising detailed syllabus of UG and PG program
- Finalising Scheme of examination for UG and PG programs
- Any other matter

Members Present:

- Dr.K.Lalitha, HOD, Dept. of Nursing, NIMHANS, Banaglore.
- Dr.S.Vijayalakshmi, Principal, Vignesh College of Nursing, Tiruvannamalai
- Dr.Babu D, Principal, School of Nursing Sciences, DSU, Bangalore
- Prof. D.Kalaichelvi, BOS Convenor, Professor, Child Health Nursing
- Mr.Vishwas, Associate Professor, Mental Health Nursing
- Mrs.Laishram Debashini Devi, Associate Professor, OBG Nursing
- Mrs.R.Sofia Rani, Assistant Professor, Community Health Nursing

Proceedings of the Second BOS meeting as follows

Mrs.Kalaichelvi, Convener BOS, welcomed the gathering and read the minutes of 1st BOS Meeting and was passed by Mrs.Laishram Debashini Devi, Associate Professor, OBG Nursing and seconded it by Mrs.R.Sofia Rani, Assistant Professor, Community Health Nursing. Convener requested Dr.K.Lalitha to chair the session.

1. The first Agenda discussed was curriculum of Basic B.Sc (N) course

FIRST YEAR

- i. The subjects taught are English, Psychology, Anatomy, Physiology, Nutrition & Biochemistry, Microbiology, Nursing Foundation, Kannada & Introduction to computers.
- ii. BOS members of SONS, DSU proposed to have university examination for English, Introduction to computer science subject placement in fourth year. BOS experts accepted and recommended to have university examination for English and suggested to incorporate Introduction to computers subject in First year itself and also include some practical components in the forthcoming years.

SECOND YEAR

- i. The subjects taught in this year are Sociology, Pharmacology, Pathology and Genetics, Medical Surgical Nursing I, Community Health Nursing -I, Communication & Educational Technology.
- i. BOS members of SONS, DSU presented elaborated topics in the units of Medical Surgical Nursing and proposed to include Community Health Nursing I as University Practical Examination
- ii. The experts approved the elaboration of topics in specialty areas in all the years and appreciated the faculty of the nursing, DSU for their thoughtful work and stated that it will be helpful to the examiners to set the question paper in a specified manner. And experts suggested to have internal exam in Community Health Nursing instead making as university exam, since it may burden the students when compared to students of other institution where all institutions are adopting only INC regulations.

THIRD YEAR

- i. The subjects included in third year are Medical Surgical Nursing II, Child Health Nursing, OBG & Mental Health Nursing.
- i. Proposed to have OBG as university exam this includes Normal part of delivery whereas abnormal part of delivery will be incorporated in fourth year. The subject of MHN has brought for discussion regarding rearranging of units and hours.
- ii. Regarding the OBG subject experts said that already INC expert committee has decided to shift entire OBG to fourth year instead to break the subjects in two years (3rd and 4th Year) and suggested to follow INC syllabi as it is without any modification.

FOURTH YEAR

- i. The subjects are OBG (Practical) Community Health Nursing – II, Nursing Management & Internship
- ii. Proposed to shift the subject of Research and Bio statistics to Third year in order to enable the student to have in-depth knowledge about research methodology, also students can concentrate the research application (Project) part in fourth year as a partial requirement of final examination and the word Clinical skills can be used instead of the word Internship training.
- iii. Shifting of Research and Bio statistics to 3rd year has been agreed by the BOS experts and suggested to include the word Internship instead of Clinical Skills since it may create confusion while preparing transcript at the request of students for enrolling in various International Institutions and also in India as per INC norms. The distribution of the hours for all the subjects are approved

2. The second Agenda discussed was about scheme of curriculum Post Basic BSc (N) course
- (a) Scheme of Curriculum: Post Basic B.Sc Nursing
- FIRST YEAR
- The subjects are English, Psychology, Nutrition and Dietetics, Biochemistry & Biophysics, Microbiology, Nursing Foundation, Medical Surgical Nursing, Child Health Nursing, Maternal Nursing & Kannada.
 - Proposed to club Nursing foundation and Biophysics, Nutrition and Biochemistry in order to enable uniformity in BSc and PBBSc (N) syllabi.
 - Expert members suggested to follow subjects as per INC since clubbing will not help in any way to the candidates.
- SECOND YEAR
- No changes are proposed in the second year
3. The third Agenda discussed was about scheme of curriculum M.Sc (N) course
- Proposed to have INC syllabus as it is.
 - Expert committee approved the same and suggested to publish articles and advised to implement recommended hours per student for practice teaching.
4. The fourth Agenda discussed was about scheme of examination pattern
- 75 marks for the university examination and 25 marks for the Internal Assessment
 - The faculty of School of Nursing Sciences, DSU proposed the scheme of examination as continuous assessment for 40 marks, Internal Assessment for 20 marks and the end examination for 40 marks.
 - Expert members of BOS have suggested to follow the INC norms strictly. The recommendation given by the experts are 75 marks for the university examination and 25 marks for the Internal Assessment. However the flexibility of allotting marks can be followed in the formative evaluation. And minimum three assessments have to be conducted for the Internal Assessment marks.
5. The fifth Agenda discussed was about Calendar of events
- Presented the Calendar of events for 2015 – 2016.
 - The experts approved the calendar of events of School of Nursing Sciences, DSU. They suggested to mention the activities in the form of time grid nursing.

Expert members of BOS recommended for approving and finalizing the syllabus for UG and PG programs of Nursing after incorporating the suggestion.

The meeting adjourned at 12.50 pm with vote of thanks by BOS convener.
