Both DSU and SISA shall in this agreement be individually referred to as “Party” and collectively referred as “Parties”.

WHEREAS SISA is in occupation of providing Payment Card Industry Data Security Standard. (Consultancy and Certification), Payment Applications Data Security Standards. (Consultancy and Certification), P2PE (PCI/PA-QSA) Data Security Standards. (Consultancy and Certification), Information Security Risk Assessment (IS-RA). MXDR services play a crucial role in aiding organizations to efficiently handle, identify, and respond to cyber incidents. They are instrumental in leveraging Nextgen tools within MXDR solutions to enhance organizational cybersecurity effectively.

WHEREAS **Dayananda Sagar University** is a State Private University created by an Act of the Karnataka State in 2014, accredited by NAAC with A+ grade which is built on the adorable legacy and inspired by its own milestones, meeting the needs of quality higher education in this part of the world.

As an Industry-Institute initiative, the Departments of **Computer Science Engineering Cluster (CSE, CST, CSE (Cyber Security), CSE(AIML), CSE(DS))**, School of Engineering, **Dayananda Sagar University** visited SISA to establish collaboration on skill

development and transformation and carry out the following for setting up a Center of Excellence in Cybersecurity.

WHEREAS DSU and SISA held mutual discussions and have agreed upon the terms and conditions set forth in this agreement.

NOW THIS AGREEMENT WITNESSETH AS FOLLOWS:

**I. SCOPE OF CO-OPERATION:**

- Initially, the Center of Excellence in Cybersecurity is planned to have a capacity for 10 seats, with the potential for expansion by an additional 5 seats, exclusively designated for Partner's students.
- SISA employees will play a pivotal role in the Center of Excellence in Cybersecurity, contributing to skill development and providing support.
- The Center of Excellence in Cybersecurity is mandated to be located within a secure facility on the Partner's campus, ensuring controlled access.
- Internship students are expected to work in shifts within the Center of Excellence. Additionally, graduates who transition to SISA employment can continue working in the center to assist other interns.
- Access management will be a collaborative effort between the partners, and the Partner undertakes to install prominent security signage.
- Operating 24/7, the Center's continuous functionality relies on the Partner's responsibility to maintain a robust network bandwidth for seamless connectivity.
- To ensure operational continuity and safety, the Center must be equipped with CCTV surveillance at the entrance, backup power systems, and fire suppression mechanisms. SISA employees shall be granted permission to enter the Center of Excellence. However, non-SISA interns and other individuals must be expressly prohibited from entering the Center of Excellence.
- SISA will actively contribute to refining the university's cybersecurity curriculum to meet future demands. The advisors from SISA may be listed on the University's advisory board.

- SISA will provide a stipend of 15,000 per month to all the Interns and an additional 5,000 per month as bonus upon successful completion of the project.
- The interns who are hired are expected to serve the entirety of the internship period (contract period offered until they graduate) and based on exceptional performance, they shall be offered a permanent role at SISA, where they will be expected to serve a service agreement of 2 years from the date of joining.
- SISA will not bear any further cost from DSU.
- DSU shall allow SISA to use its own company branding within the designated Center of Excellence in Cybersecurity.
- SISA will provide Laptops for interns.
- Furthermore, SISA will conduct special sessions for the broader cybersecurity student community at the university, limited to 60 hours per year which is a combination of faculty and or students. The training sessions can be provided in-person at DSU premises or remotely. Total training hours will be split into multiple decisions and the decision authority will be with SISA.
- DSU to provide accommodation, basic amenities and food for the trainers wherever required.
- DSU will have the permission to enlist the trainers on their website and other publications and they made be termed as 'visiting faculty' for DSU.
- Furthermore, DSU has permission to utilize SISA's proprietary Purple Range Platform for training its students and utilizing it within the curriculum. The platform can be hosted on a dedicated Virtual Private Cloud belonging to DSU. This Intellectual Property (IP) belonging to SISA cannot be replicated or shared outside the Purple Range Platform without the consent of SISA.
- SISA's Purple Range Platform can be utilized by DSU for a license period of one year and further extended based on mutual agreement from both parties.
- SISA shall provide all the necessary help to DSU in setting up the **Cyber Range Center** that caters a unique training experience for students and IT security professionals in cybersecurity education, research and workforce development.

## II. General Terms of Agreement

1. **Coordination:** Both the parties are entitled to their respective Intellectual Properties (IP) which is independent of the engagement stipulated in this agreement. Essentially, each party will retain exclusive interest in and ownership of its Intellectual Property developed by it independently of the other party before this agreement or outside the scope of this agreement.

## To whomsoever it may concern

Dear Sir/Madam,

This is to inform you that project 'Design and development of LoRA based test bed for Smart Agriculture System (Smart City applications/compliant to one M2M standard)' submitted by Dr. Pramod Kumar Naik, Dr. Basavaraj N Hiremath and Shri. Baskar Venugopalan from Dayanand Sagar University was selected to be part of the cohort for CDOT's Avishkar Program.

This is a startup incubation program for tech startups in the telecom industry and is organized and executed by Zone Startups India (part of BRTSIF) in association with C-DOT (Centre for Development of Telematics), Development of Telecommunications, Government of India.

The cohort announcement was made in July 2023 and the Incubation Program was conducted from August 2023-December 2023.

Further at the end of the incubation program, the project was registered and incorporated as Niyamatek Solutions Private Limited with the following individuals as Directors:

1. Dr. Pramod Kumar Naik
2. Dr. Basavaraj N Hiremath
3. Shri. Baskar Venugopalan

Yours Truly

**For BIL Ryerson Technology Startup Incubator Foundation**

12. The Participant and/or its Representative shall not harvest or otherwise collect information about other selected participants, including email addresses, without the authorization or consent of such participants.
13. The Participant and/or its Representative shall not disclose any insider information or price sensitive information with the Hosts and/or any third party and in the event of any such disclosure, the Hosts shall not be liable for any repercussions arising out the disclosure.

## Terms and Conditions

### 11. Representations and Warranties

1. The Hosts may use the Participant and/or its Representative's name and likeness, as well as the information, images, video, copy, data and any other materials (collectively, the "Materials") that is submitted or made available to the Hosts in connection with the application for the Program, to evaluate such application and manage the Program.
2. The Participant and its Representative represent and warrant that they have all necessary rights and licenses to grant these permissions. For any and all Materials provided or posted in connection with the application for the Program, use of benefits, or any other aspect of participation in the Program, the Participant and its Representative further represent and warrant that (i) they have all rights and permissions necessary to provide, share, describe, or reference the Materials, or any third party or their rights, (ii) doing so is not injurious to or does not reflect negatively on the Hosts and/or any third party or their rights; (iii) doing so does not violate any applicable laws, rules, regulations, licenses including third-party licenses; and (iv) any testimonials or statements provided are voluntary, reflect Participant's honest opinions or experiences, are true and correct.
3. The Participant and its Representative agree to indemnify and hold Hosts harmless from and against all damage, loss, third-party claims, proceedings arising out of breach of these representations and warranties or any other provisions of this Agreement.
4. The Participant and its Representative understand and acknowledge that the Hosts, Partners have wide access to ideas, applications, text, images, code, applications, software, and other creative materials. The Participant and its Representative also acknowledge that many ideas may be competitive with, similar to, or identical to their and/or each other in idea, function, components, format, or other respects.
5. The Participant and its Representative acknowledge and agree that they will not be entitled to any compensation as a result of Hosts' use of any such similar or identical material that has or may come to Hosts (as the case may be) from other sources. The Participant and its Representative acknowledge and agree that the Hosts does not now and will not have in the future any duty or liability (direct or indirect; vicarious, contributory, or otherwise) with respect to the infringement or protection of Participant's patent, copyright, or other proprietary rights in and to anything which is provided in connection with participating in the Program.
6. The Participant and its Representative acknowledge and agree that, with respect to any claim relating to or arising out of Hosts' actual or alleged use of any material submitted in connection with the Program, Hosts shall not be liable for the loss, injury or damage, if any, thereby caused to the Participant and/or its Representative.

## Terms and Conditions

### 12. Information and Data Use:

1. The Participant and its Representative acknowledges and agrees that in order for Hosts to provide the Program and any services and benefits in connection with the Program, any member of the Participant (including the Representative) may be asked to provide certain personal information, such as name, personal contact information, business contact information, visa information, referrals and/or references. The Hosts may also receive such information from third-party data providers who have the rights to provide us with such information. These third-party data providers collect such information from publicly available sources, or through third parties they work with.

2. The Participant and its Representative, jointly and severally acknowledge that the Hosts may use such personal information as necessary to assess the eligibility and suitability of such Participant for the Program, to stay in touch and engage with such Participant, to maintain and improve Hosts' programs and services, and to comply with applicable laws and regulations. Hosts may share such information with its affiliates, third parties, and/or third-party service providers in order to provide the Program and any services and benefits in connection with the Program.

3. The Participant and its Representative understand that their contact information may also be made available within the Hosts' groups. Hosts may also be required to preserve and/or share this information with regulators, law enforcement, or others.

4. The personal information so collected may be retained for as long as required in order to comply with legal obligations, to resolve disputes, and to enforce our contractual agreements, or as necessary for our legitimate interests.

5. The basis of Hosts processing said data is **1)** as necessary to run, operate, and manage the Program, **2)** consistent with specific consents, which Representative (on behalf of Participant) may revoke at any time, **3)** as necessary to comply with legal obligations, **4)** to protect vital interests, and **5)** as necessary for Hosts' legitimate interests, unless those interests are overridden by Participant's interests or fundamental rights and freedoms which require protection of personal data.

### 13. Confidentiality:

1. In connection with Participant's participation in the Program, a Participant may acquire information that are confidential or proprietary in nature. The Participant agrees to use such confidential information only in connection with participation in the Program and agree to hold in confidence and to not disclose confidential information to any person or entity. Similarly, all proprietary materials received from the Participant shall be considered as confidential and proprietary to the Participant and same shall be held in confidence by the Hosts.

2. Notwithstanding to anything stated above, the following nature of information (shared by either Participant or Hosts) shall not be considered as confidential information:

i. The information is in, or subsequently comes into, public knowledge other than as a direct or indirect result of the information being disclosed in breach of this Terms; or

## Terms and Conditions

iii. The information was lawfully made available to the recipient party on a non-confidential basis by a third party who has the right to make such disclosure; or

iv. Information which is independently developed by the recipient party through its own development efforts without use of / reference to any of the Disclosing Party's Confidential Information.

3. The Participant and its Representative agree to keep confidential and secure any and all login and other information used to access the Program benefits. The Participant and its Representative understand and agree that a violation of this confidentiality obligation may result in immediate termination from the Program, among other remedies that may be sought by and available to Hosts. All of the foregoing confidentiality obligations apply to and are binding upon all Program Participants.

4. If the Participant is compelled by any judicial or governmental authority to disclose any confidential information received in connection with your participation in the Program, the Representative shall promptly notify the Hosts, in writing, of such demand for disclosure and cooperate with and assist the Hosts in seeking a protective order or any other appropriate remedy to preserve the confidentiality of the confidential information. Further, the Participant and its Representative shall limit the disclosure only to the portion of the requested confidential information that is required to disclose.

### 14. Indemnity

1. Under no circumstances will the Hosts be liable for any direct, incidental, indirect, special, or consequential damages in connection with, arising out of, or relating in any way to the Program and/or Terms.

2. The Participant shall indemnify and hold Hosts and its officers, directors, employees, successors ("Released Parties") and assigns harmless against any claims, losses, damages, liabilities, and expenses (including reasonable attorneys' and other professionals' fees) incurred by Hosts in connection with, arising out of or relating to any breach / non-compliance by the Selected Participant to these Terms including any liability or claims whatsoever any injury, damage, death, loss, or accident to any person or property.

### 15. Publicity

1. By participating in the Program, Participant consents to the promotion and display of the Participant's Submission, and to the use of personal information about themselves for promotional purposes, by the Hosts and third parties acting on their behalf. Such personal information includes, but is not limited to the name, likeness, photograph, voice, opinions, comments and hometown and country of residence. It may be used in any existing or newly created media, worldwide without any payment or consideration or right of review, unless prohibited by law. Authorized use includes but is not limited to advertising and promotional purposes.

2. Further, the Participants consent that the information provided/being submitted including but not limited to personal, business idea, products, solutions, technology details and business plan, etc. shall be accessed and utilized by Hosts as part of the Program activities.

## Terms and Conditions

### 16. General Conditions

1. Hosts reserve the right, in its sole discretion, to cancel, suspend and/or modify the Program, or any part of it, in the event of a technical failure, fraud, or any other factor or event that was not anticipated or is not within their control.
2. Hosts reserve the right in its sole discretion to disqualify any Participant if it finds to be actually or presenting the appearance of tampering with the entry process or the operation of the Program or to be acting in violation of these Terms or in a manner that is inappropriate, unsportsmanlike, not in the best interests of this Program, or a violation of any applicable law or regulation.
3. Any attempt by any person to undermine the proper conduct of the Program may be appropriately dealt with by the Hosts in accordance with law.
4. If there is any discrepancy or inconsistency between the Terms and disclosures or other statements contained in any of the materials of the Program, including but not limited to the Program application form, Program website, or advertising, the terms contained herein shall prevail.
5. These Terms are subject to change at any time, including the rights or obligations of the Participant, the Hosts. The Hosts will post the amended Terms on the official Program Webpage. To the fullest extent permitted by law, any amendment will become effective at the time specified in the posting of the amended Terms or, if no time is specified, at the time of posting.
6. The Hosts failure to enforce any clause of these Terms shall not constitute a waiver of that provision. Should any provision of these Terms be or become illegal or unenforceable in any jurisdiction whose laws or regulations may apply to a Participant, such illegality or unenforceability shall leave the remainder of these Terms, to the fullest extent permitted by law, unaffected and valid. The illegal or unenforceable provision shall be replaced by a valid and enforceable provision that comes closest and best reflects the Hosts' intention in a legal and enforceable manner with respect to the invalid or unenforceable provision.
7. The Participant agrees to use the Program Website and participate in the Program in compliance with the applicable laws. The Participant shall not use the website or participate in the Program for any unlawful purpose or engage in any conduct which restricts others from enjoying the website or participating in the Program.
8. The participant acknowledges and agrees that the Hosts may collect, store, share, and otherwise use personally identifiable information provided during the Program, including, but not limited to, name, mailing address, phone number and email address.
9. The Participants undertake and declare that their Submissions are their authorized/own original work and, as such, they are either the sole and exclusive owner and rights holder of the Submission. The Participant agrees not to submit any Submission that (1) infringes any third-party proprietary rights, intellectual property rights, industrial property rights, personal or moral rights or any other rights, including without limitation, copyright, trademark, patent, trade secret, privacy, publicity or confidentiality obligations; or (2) otherwise violates the applicable national, state or local law.

### **19. Disputes**

All disputes and differences arising out of or related to the Program shall in prefatory be determined or adjudged by the Hosts.

## Terms and Conditions

### 20. Governing Law & Jurisdiction

1. Except where prohibited by law, any and all disputes, claims, and causes of action between a Participant and any claims arising out of or connected with this Program, the determination of any Participant, or any benefits received must be resolved individually subject to Clause 19 above without resort to any form of class action. Further, in any such dispute, under no circumstances will a Participant be permitted or entitled to obtain awards for, and hereby waives all rights to claim punitive, incidental or consequential damages, or special damages, lost profits and/or any other damages, including attorneys' fees; and each Participant further waives any right to seek injunctive or equitable relief.

2. Any disputes that arise out of these Terms or during the Program shall be attempted to be resolved amicably by mutual discussion and subject to Clause 19 above, failure of which the issue shall be referred to a sole arbitrator, appointed mutually by the Hosts and the aggrieved participant. The venue and seat of arbitration shall be at New Delhi. The proceeding of the arbitration shall be conducted in accordance with the Indian Arbitration and Conciliation Act, 1996 and the language of the proceeding shall be in English. The decision of the arbitrator shall be considered final and binding.

3. This Program and any dispute arising under or related thereto (whether for breach of contract, tortious conduct, or otherwise) will be governed by laws of India, without giving effect to its conflicts of law or choice of law principles or rules that would cause the application of the laws of any jurisdiction.

4. The Courts of New Delhi, India shall have the jurisdiction with respect to any dispute arising out of the Program.

### 21. Declaration

1. Participant further agree and confirm that they will abide by the terms, conditions, rules, regulations and guidelines of the Program along with that of any other offering/s as would be provided by the Hosts as has been laid currently or will be laid including subsequent updations and that the decision of the Hosts will be final in case of any ambiguity, interpretation issues, conflicts, complaints, claims, disputes and/or disagreement.

2. The Participant acknowledges that it has read, understood, agreed and accepted these Terms and also the competition rules, regulations and guidelines. Further, these Terms constitute the complete understanding for the purpose of this Program and with respect to the subject matter hereof and supercedes all representations, understandings including any prior agreement, terms and conditions whether oral or written and all other communications between them relating thereto. ## INTRODUCTION

The Government of India estimates that about 2.40 million Indians are living with HIV (1.93 -3.04 million) with an adult prevalence of 0.31% (2009). Children (<15 yrs) account for 3.5% of all infections, while 83% are in the age group 15-49 years. Of all HIV infections, 39% (930,000) are among women. India's highly heterogeneous epidemic is largely concentrated in only a few states — in the industrialized south and west, and in the north-east. The four high prevalence states of South India (Andhra Pradesh – 500,000, Maharashtra – 420,000, Karnataka – 250,000, Tamil Nadu – 150,000) account for 55% of all HIV infections in the country. West Bengal, Gujarat, Bihar and Uttar Pradesh are estimated to have more than 100,000 PLHA each and together account for another 22% of HIV infections in India..

## OBJECTIVES

1. **Prevention Education:** Educating community nurses and healthcare providers about the transmission modes of HIV/AIDS and how to prevent its spread. This includes promoting safer sex practices, the use of condoms, and the importance of HIV testing and counseling.
2. **Stigma Reduction:** Addressing stigma and discrimination associated with HIV/AIDS within healthcare settings and communities. This involves promoting empathy, understanding, and non-discriminatory care for people living with HIV/AIDS.
3. **Care and Support Skills:** Equipping community nurses with the necessary skills to provide care and support to individuals living with HIV/AIDS. This includes understanding antiretroviral therapy (ART), managing opportunistic infections, and providing psychosocial support.
4. **Community Engagement:** Engaging with communities to raise awareness about HIV/AIDS, promote HIV testing, and encourage community involvement in prevention and care efforts.
5. **Advocacy and Policy:** Advocating for policies and programs that support HIV/AIDS prevention, treatment, and care at the community and national levels. This includes

advocating for access to affordable healthcare services and medications for people living with HIV/AIDS.

6. **Capacity Building:** Building the capacity of community nurses and healthcare providers to effectively respond to the HIV/AIDS epidemic, including training on counseling techniques, infection control measures, and adherence support.
7. **Monitoring and Evaluation:** Establishing systems for monitoring and evaluating the effectiveness of HIV/AIDS education and prevention efforts within communities, and using this information to continually improve program implementation.

## **OUTCOME**

All the faculty members and students with principal participated with an objective to create awareness on HIV/AIDS among students of CONS.DSU. The program was started with prayer song followed by welcome address by Dr Shantham Sweet Rose ,Principal ,CONS.DSU. The Speakers delivered lecture on Various topics related to HIV/AIDS..The valedictory address was given by Mr Ravi Kulal,Associate Professor , CONS.DSU.

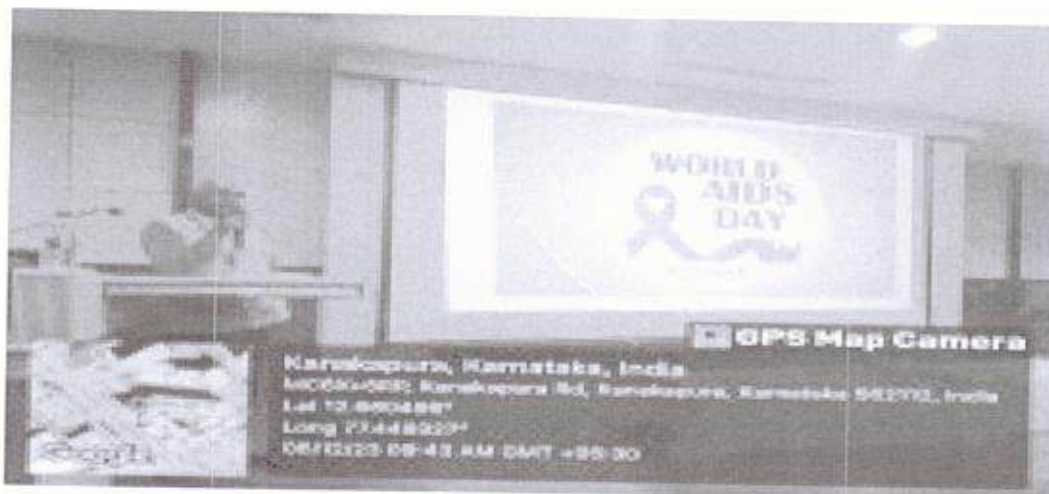

## **SUMMARY**

CNE on RAISING AWARENESS, SPREADING LOVE. ON WORLD AIDS DAY "LET COMMUNITIES LEAD on 06/12/2023 , 9 am Onwards at F- Block Auditorium, CDSIMER.The programme was successfull interms of knowledge of gained by the students of CONS.DSU.The responsibility of nursing students are

1. **Education and Counseling:** Nursing students can educate individuals about the transmission modes of HIV/AIDS and provide counseling on safer sex practices, including the use of condoms and the importance of regular testing.
2. **Promoting Testing and Early Detection:** Encouraging individuals to undergo HIV testing regularly can lead to early detection and timely intervention, reducing the risk of transmission.

3. **Supporting Adherence to Treatment:** Nursing students can help HIV-positive individuals adhere to their treatment regimens by providing education on medication adherence, managing side effects, and offering emotional support.
4. **Advocacy and Community Outreach:** Nursing students can advocate for policies and programs aimed at preventing HIV/AIDS transmission and reducing stigma associated with the disease. They can also engage in community outreach to raise awareness and promote HIV testing and prevention strategies.
5. **Universal Precautions and Infection Control:** Nursing students must adhere to universal precautions and infection control practices to prevent the transmission of HIV/AIDS in healthcare settings. This includes proper use of personal protective equipment and safe handling of sharps and contaminated materials.
6. **Addressing Stigma and Discrimination:** Nursing students can challenge stigma and discrimination associated with HIV/AIDS by promoting a supportive and nonjudgmental environment for individuals living with the disease.
7. **Promoting Harm Reduction Strategies:** Nursing students can advocate for and support harm reduction strategies such as needle exchange programs and access to clean injecting equipment to reduce the risk of HIV transmission among people who inject drugs.

## Report on Faculty Development Programme on SPSS for Health Professionals

**Date:** 08.02.2024 to 10.02.2024

**Time:** 09:00 AM onwards

**Venue:** Education Unit, Health Sciences Block, DSU, Harohalli Campus

The Faculty Development Programme on SPSS for Health Professionals successfully commenced with engaging sessions by experts, providing a comprehensive understanding of SPSS and its applications in health sciences. The interactive format and diverse topics covered ensured a valuable learning experience for all participants. The program is poised to contribute significantly to the enhancement of faculty skills in data analysis for research and academic purposes.

### Day 1 - 08.02.2024:

- **9:00 AM:** The day commenced with a pre-test to assess the participants' baseline knowledge in SPSS.
- **10:00 AM:** Dr. Shaila SG, Professor, and Chairperson, Department of Data Science, School of Engineering, DSU, conducted a session on the "Importance of Data Science in Current Trends and Role of SPSS." Dr. Shaila SG continued her session, providing valuable insights into the significance of SPSS in contemporary data analysis.

- **10:00 AM:** Professor Shivamma, Assistant Professor, Department of Data Science, School of Engineering, DSU, led a session on "SPSS Basics." The focus shifted to "SPSS Syntax for Efficient Data Analysis" in the next session by Professor Shivamma. An interactive session on "Craft and Import Data" was conducted by Professor Shivamma, enhancing participants' practical skills in data handling.

- **Inaugural Program (11:00 AM):**
- **Welcome Address:** Dr. Jamuna, Associate Professor, CONS, DSU, welcomed the participants, setting a positive tone for the event.
- **Keynote Address:** Dr. D. Santham Sweet Rose, Principal, CONS, DSU, delivered an enlightening keynote speech, emphasizing the relevance of SPSS in the health sciences field.
- **Presidential Address:** Dr. Pushpa Sarkar, Dean, SHS, DSU, shared her insights on the integration of SPSS into health sciences research and practice.
- **Vote of Thanks:** Dr. Sujitha M, Assistant Professor, CONS, DSU, expressed gratitude to the speakers, organizers, and participants, wrapping up the inaugural program.

#### 11:30 AM-1:00 PM

**Speaker:** Professor Shivamma, Assistant Professor, Department of Data Science, School of Engineering, DSU.

- **Hands-on Experience:** Mr. Monish L, Assistant Professor, Department of Data Science, School of Engineering, DSU, provided delegates with a practical session on data management.
- **Topics Covered:** Delegates gained hands-on experience in data management, exploring data creation and manipulation, defining variable types, and handling date and time variables.
- **Delegate Participation:** The session was interactive, with delegates actively engaging in the practical exercises, enhancing their skills in SPSS data manipulation.

#### 1:00 PM - 2:00 PM:

- **Lunch Break:** A lunch break was provided, allowing delegates to refresh and network with fellow participants.

**2:00 PM - 4:00 PM: Hands-on Experience Session:** Prof. Shivamma and Mr. Monish L. continued the afternoon with another practical session.

- **Topic:** The focus shifted to "Transforming the Data with Variable Coding, Computation, and Sorting."
- **Practical Exercises:** Delegates were guided through practical exercises, gaining valuable insights into advanced SPSS functionalities for data transformation.
- **Session Conclusion:** The hands-on experience session concluded successfully by 4:00 PM, providing participants with practical skills in coding, computation, and sorting of variables within the SPSS environment.

The afternoon session of the Faculty Development Programme on SPSS for Health Professionals was marked by engaging and interactive hands-on experiences led by Prof. Shivamma and Mr. Monish L. Delegates actively participated, acquiring practical skills that will contribute to their proficiency in utilizing SPSS for health sciences research and analysis. The program's focus on practical application ensures that participants can immediately apply their newly acquired knowledge in their professional roles.

**Day 2 - 09.02.2024:**

**9:00 AM - 11:00 AM:**

- **Speaker:** Mr. Monish L, Assistant Professor, Department of Data Science, School of Engineering, DSU.
- **Hands-on Experience:** The day started with a hands-on experience session led by Mr. Monish L on "Data Representation."
- **Topics Covered:** Delegates learned about graphical representation of data using histograms, bar charts, pie charts, line charts, box plots, and scatter plots.
- **Practical Exercises:** The session involved practical exercises to enhance the participants' skills in visually representing and interpreting data.

**11:00 AM - 1:00 PM: Speaker:** Prof. Shivamma, Assistant Professor, Department of Data Science, School of Engineering, DSU.

- **Hands-on Experience:** Prof. Shivamma conducted a session on "Analyzing Data."
- **Topics Covered:** The session delved into assessing data, descriptive and inferential statistics, and comparing means in a data set.
- **Practical Exercises:** Delegates actively engaged in hands-on exercises to apply statistical analysis techniques using SPSS.

**1:00 PM - 2:00 PM:**

- **Lunch Break:** A break was provided for lunch, fostering networking and relaxation among the delegates.

**2:00 PM - 4:00 PM: Speaker:** Mr. Monish L, Assistant Professor, Department of Data Science, School of Engineering, DSU.

- **Hands-on Experience:** The afternoon session continued with Mr. Monish L conducting a hands-on experience on "Frequency Distribution."
- **Topics Covered:** Delegates learned about creating frequency distributions for both continuous and categorical data.
- **Practical Exercises:** The session involved practical exercises allowing participants to apply the concepts learned.

**Session Conclusion:** The hands-on experience sessions on Day 2 equipped participants with practical skills in data representation, statistical analysis, and frequency distribution using SPSS. The interactive and application-oriented nature of the program ensures that participants can immediately apply these skills in their research and professional endeavors.

**Day 3 - 10.02.2024:**

**Morning Session:9:00 AM:** Dr. Kousalya Govardhana, Dean Research, School of Engineering, DSU, commenced the day with a session on "Inferential Statistics."

- **Topics Covered:** Delegates gained insights into the application of inferential statistics in health sciences research.

**Tea Break:11:00 AM:** Tea and snacks were served, providing a brief break for networking and refreshments.

**Mid-Morning Session:11:15 AM:** Ms. Divyashree N, Statistician, CDSIMER, provided valuable insights on "Statistical Analysis, Correlation, and Independent t-test."

- **Topics Covered:** Delegates received in-depth information on statistical analysis techniques and their application in research.

**Lunch Break:1:00 PM:** Lunch was served, allowing delegates to recharge and engage in informal discussions.

**Afternoon Session2:00 PM:** Dr. Santosh Achappa, Associate Professor, Department of Community Medicine, CDSIMER, led a brainstorming session on "Research Discussions." This session stimulated discussions, allowing participants to share practical insights and best practices.

**Session Conclusion:3:30 PM:** The afternoon session concluded by 3:30 PM, providing a forum for active discussions and knowledge sharing among participants.

### Valedictory Programme:

- **3:30 PM:** The valedictory program commenced with Dr. Pushpa Sarkar, Dean, SHS, DSU, addressing the delegates.
- **Certificate Distribution:** Certificates were distributed to the speakers and delegates.

- **Vote of Thanks:** Dr. Jamuna, Associate Professor, CONS, DSU, delivered a vote of thanks, expressing gratitude to everyone involved in the success of the program.
- **Post test link and feed back form** have been circulated to all the delegates

- **Photography Session and High Tea:**

- **Post-Program Activities:** A photography session was arranged, capturing moments of the event.
- **High Tea:** Delegates were treated to high tea, providing a relaxed environment for networking and informal conversations.

The Faculty Development Programme on SPSS for Health Professionals concluded on a high note, with participants equipped with enhanced SPSS skills and a wealth of knowledge gained from expert speakers. The valedictory program marked the formal end of the event, fostering a sense of achievement and camaraderie among the delegates.

## About the Institution

Anda Sagar Institutions was founded by the late Sri Dayananda in the 1960s. The great visionary was committed to providing knowledge and transforming students into responsible citizens and national leaders. The University was built on the rich legacy left by founding father and inspired by its own milestones, meeting the of quality higher education in this part of the world. DSU has ed into a global education powerhouse, catering to the needs of 7,000 students. Operating under the aegis of the Mahatma I. Vidya Peetha Trust in Bengaluru, DSU has enabled the formation of Indian and international students into professionals in diverse specializations.

College of Nursing Sciences was established in the year 2002 at the Rajiv Gandhi University of Health Sciences, recognized by the Nursing Council and approved by Karnataka State Nursing Council. The College was upgraded under the DSU in the year 2015. The School of Health Sciences and continues to offer B. Sc. in Post Basic B. Sc Nursing and M. Sc Nursing to equip the future nurse with the knowledge, skills, and attitude to deliver high quality complex essential care to patients.

College of Nursing Sciences, under the DSU, has also widened its horizons to offer Ph. D in Nursing. The Nursing courses at DSU equip students with the knowledge, skills, and attitude to deliver high quality complex essential care to patients. The institution endeavors to train nurses in an appropriate learning environment to be efficient and effective practitioners of international standards. The nursing students are trained to provide quality patient care based on our strong commitment towards education, practice, research, innovation, and advancement.

## About the Faculty Development Program

The Faculty Development Programme on SPSS for Health Professionals is a specialized training initiative designed to enhance the statistical analysis skills of educators and researchers in the healthcare field. SPSS, or Statistical Package for the Social Sciences, is a powerful software widely used for data analysis and interpretation in various disciplines, including healthcare.

This program aims to empower faculty members and health professionals with the necessary knowledge and proficiency in utilizing SPSS for research purposes. The curriculum typically covers a range of topics, including data entry, cleaning, and manipulation, as well as advanced statistical techniques applicable to health-related research.

Key components of the Faculty Development Programme may include: Introduction to SPSS, Data Management Techniques, Descriptive Statistics, Inferential Statistics, Advanced Topics, Practical Applications, Research Design and Methodology

By the end of the Faculty Development Programme, participants are expected to gain a solid foundation in using SPSS for statistical analysis, thereby enhancing their capabilities to teach, mentor, and conduct high-quality research in the field of healthcare. This program plays a crucial role in bridging the gap between theoretical knowledge and practical application, ultimately contributing to the advancement of evidence-based healthcare practices.

## INTRODUCTION:

Department of Medical Surgical Nursing organized a collaborative seminar on My Health, My Right at 'F' block Auditorium on **30.05.2024** from **2 pm to 4 pm**. The aim of this seminar is to make the nursing students and the faculty concern and give priorities on their health. The programme commenced at 2.15pm with a welcome address given by Dr. Shejila, Department of Medical Surgical Nursing, CONS, DSU. The beneficiaries of the programme are the PG and UG students and faculty of CONS, DSU.

## INAUGURAL ADDRESS:

The seminar commenced with an opening address by **Dr. Santham Sweet Rose, Principal, CONS, DSU** on the topic My Health, My Right. Madam also emphasized the importance of maintaining good health among nurses and ensure that the rights of patients are secured.

Dr. Pushpa Sarkar, Dean, School of Health Sciences, addressed the gathering with a warm and comprehensive speech. Madam has stressed that the health care providers need to take care of their health as well as create awareness among public to know about their health rights.

## KEYNOTE ADDRESS:

Mrs. Mamatha G, Associate Professor, JSS College of Nursing Sciences, Mysuru presented a talk on "My Health, My Right". She presented the topic with various information on health care services and programmes in our country and she also elaborated how the nurses can assist the public to avail those services. The speaker emphasized the importance of patient care in various health care settings.

#### FELECITATION AND VOTE OF THANKS:

Dr. Sharmila J, Professor, Department of Mental Health Nursing, CONS, DSU felicitated the guest speaker at the end of the seminar and the programme ended at 3.30 pm with a vote of thanks given by Mr. Ramesh, S, Associate Professor, CONS, DSU.

## **Report on the "Demystifying Facts on Schizophrenia" Program**

### **Introduction**

On June 24, 2024, a program titled "Panel Discussion on Demystifying Facts on Schizophrenia" was held at CDSIMER F Block from 11 am onwards, organized by the Department of Psychiatric Nursing, College of Nursing Sciences, Dayananda Sagar University. The event aimed to raise awareness, educate attendees, and foster understanding and support for individuals affected by schizophrenia. The program was well-attended by students, faculty members, and other stakeholders, and featured keynote addresses, a panel discussion, and interactive sessions. The event was hosted by Ms. Shalini S, a second-year MSc Nursing student.

### **Invocation Song**

The program began with an invocation song performed by the BSc Nursing students from the Nithin & group. This soulful rendition set a contemplative and respectful tone for the day's proceedings.

### **Welcome Address**

The program commenced with a warm welcome address by Dr. Sujitha M, Assistant Professor, Department of Psychiatric Nursing, College of Nursing Sciences, Dayananda Sagar University. Dr. Sujitha highlighted the importance of understanding schizophrenia and breaking the stigma surrounding mental health. The address acknowledged the presence and support of the esteemed Dean, the distinguished panelists, the respected Principal, the dedicated faculty members, and the engaged students.

### **Keynote Address**

The keynote address was delivered by Dr. D. Santham Sweet Rose, Principal, College of Nursing Sciences, Dayananda Sagar University. Dr. Sweet Rose provided an insightful overview of schizophrenia, covering its symptoms, causes, and the latest advancements in treatment. The address emphasized the need for empathy and informed support for those affected by the condition.

### **Panel Discussion: "Demystifying Facts on Schizophrenia"**

The centerpiece of the program was the panel discussion titled "Demystifying Facts on Schizophrenia." The panel featured:

Dr. Sharmila, Professor and HOD, Psychiatric Nursing introduced with a short bio data of each panelist.

- Dr. Gopal Das C M, Professor, Department of Psychiatry, CDSIMER, Harohalli
- Dr. Radhakrishnan, Additional Professor, Department of Psychiatry, NIMHANS, Bangalore
- Dr. Anupama, Associate Professor, Department of Psychiatry, CDSIMER, Harohalli
- Dr. E. Aravind Raj, Additional Professor, Department of Psychiatric Social Work, NIMHANS, Bangalore

The discussion was expertly moderated by Dr. Sharmila J, Professor & HOD, Department of Psychiatric Nursing, College of Nursing Sciences, Dayananda Sagar University, who guided the conversation and ensured that all perspectives were heard. Each panellist shared their unique perspectives and experiences, providing a comprehensive understanding of schizophrenia. The discussion covered various aspects, including common myths, challenges faced by individuals with schizophrenia, and the

**A REPORT ON ROAD SAFETY AWARENESS PROGRAMME AT  
PADAVANAGERE VILLAGE**

**Date and time: 29/05/2024 at 9 am**

**Venue: Paduvanagere Village**

## INTRODUCTION

Road safety awareness is paramount in today's society, where bustling traffic and diverse road users make navigating streets a constant challenge. Effective road safety initiatives aim to educate individuals about the importance of adhering to traffic rules, promoting responsible driving behaviors, and fostering a culture of mutual respect and consideration among road users. Through proactive campaigns, community engagement, and the implementation of innovative strategies, road safety advocates strive to reduce accidents, injuries, and fatalities, ultimately creating safer environments for all travelers.

## OBJECTIVES

Road safety awareness programs typically have several objectives aimed at reducing the number of accidents, injuries, and fatalities on the roads. Some common objectives include:

1. **Educating the Public:** Increasing awareness among all road users about safe practices, traffic rules, and the importance of following them.
2. **Changing Behavior:** Encouraging behavioral changes to promote safer driving habits, such as wearing seat belts, avoiding distracted driving, and not driving under the influence of alcohol or drugs.
3. **Reducing Risky Behaviors:** Targeting specific risky behaviors like speeding, aggressive driving, and not yielding to pedestrians, and advocating for their reduction.
4. **Promoting Vulnerable Road User Safety:** Highlighting the importance of protecting vulnerable road users such as pedestrians, cyclists, and motorcyclists, and encouraging mutual respect among all road users.
5. **Enhancing Road Infrastructure:** Advocating for improvements in road design, signage, lighting, and other infrastructure to make roads safer for everyone.
6. **Enforcement of Traffic Laws:** Supporting law enforcement efforts to ensure compliance with traffic laws and penalties for violations, which can act as a deterrent for unsafe behavior.
7. **Empowering Communities:** Engaging local communities in road safety initiatives, encouraging grassroots efforts, and fostering a sense of collective responsibility for road safety.
8. **Targeting High-Risk Groups:** Identifying and targeting groups that are at higher risk of road accidents, such as young drivers, elderly drivers, and commercial vehicle operators, with tailored educational programs.
9. **Measuring and Evaluating Impact:** Establishing metrics to measure the effectiveness of road safety programs and initiatives and using this data to refine strategies for maximum impact.
10. **Creating a Culture of Road Safety:** Ultimately, the overarching objective is to cultivate a culture of road safety where safe driving practices become the norm, leading to a significant reduction in road accidents and fatalities.

## OUTCOME

The road safety awareness rally was conducted by NSS on 29/06/2024 at Paduvanagere village. The students from 4<sup>th</sup> year BSc Nursing and 5<sup>th</sup> semester BSc Nursing students participated in the programme. The rally started at 10 pm in paduvanagere village and the people were educated the importance of road safety measures such as wearing helmets, seat belts, safe driving etc. The faculty Mr Ravi Kulal, Ms Susheela, Ms Sabina and Ms Ashwini were present during the programme. The road safety awareness was given by Mr Ayub Pasha, Senior Traffic Sub-Inspector Harohalli Police station.
