## ABOUT THE UNIVERSITY

Dayananda Sagar University (DSU) created by an Act of the Karnataka State in 2014 and was started in the year 2015-2016 under the auspice of Mahatma Gandhi Vidya Peeta Trust. Research, Innovation and Incubation (spread over 25,000 sft of industry quality labs) form the core of DSU.

DSU offers courses in Engineering, Computer Applications, Pharmaceutical Sciences, Health care, Basic sciences, Arts and Management in the Bachelors, Masters and Ph.D levels in par excellence.

Besides high-calibre teaching staff, the students are given a challenging academic environment with well-equipped lecture theatres, laboratories, excellent libraries and computer networking facilities. DSU also has exceptional infrastructure for students who possess a passion for sports and games. The hostel facilities, encompassing cultural and recreational needs, cater to both local and international students laying the foundation to transform the entrepreneurial dream of every young Indian and global citizen into a reality.

## ABOUT THE COLLEGE

College of Pharmaceutical Sciences under School of Health Sciences, DSU, was started to cater to the needs of Pharmacy Education. The graduate and post graduate programmes are recognized by AICTE and PCI, New Delhi. The 6 years Pharm. D programme was started in the year 2012-2013 and was approved by Pharmacy Council of India, New Delhi.

The college is housed in a sprawling lush green campus with an imposing new building named "Dr. C.D. Sagar, Center for Life Sciences". The new building has added an extra dimension to the existing infrastructure with most conducive atmosphere with the state of the art instructional facilities, sophisticated equipments and research facilities.
