About Dayananda Sagar Institutions

The Dayananda Sagar Schools and Colleges of Science, Arts and Commerce are pioneering institutions founded by late Sri Dayananda Sagar in the early sixties. One of the India's leading educational institutions, a front-runner in the field of education today, Dayananda Sagar Institutions (DSI) operates under the aegis of the Mahatma Gandhi Vidya Peetha Trust, in Bangalore- described as the Silicon Valley of India.

About Dayananda Sagar University

Dayananda Sagar University is a proud member of the group of Dayananda Sagar Institutions. Our University offers undergraduate programs, post-graduation and doctoral programs covering Engineering, Computer Applications, Basic & Applied Sciences, Arts, Design and Humanities, Commerce & Management, Health Sciences, Design and Digital Transmedia, Law, Medical Education and Research & Online Degree programs.

School of Commerce & Management Studies (SCMS)

The school offers undergraduate programs like BBA and B.Com, as well as postgraduate programs including MBA, Executive MBA, and a doctoral program in Commerce and Management Studies. The School delivers an exceptional learning environment, featuring world-class facilities and a distinguished academic team, aimed at cultivating and refining the managerial and leadership skills of its students through a diverse array of educational approaches. Students acquire fundamental and advanced concepts in commerce and management education using various methods, including classroom instruction, case-based discussions, role plays, management games, field projects, company internships, guest lectures, and seminars conducted by industry professionals.

Topics to be Covered

1. Foundations of Artificial Intelligence in Education
2. AI Tools and Platforms for Teaching and Research
3. Prompt Engineering for Academic and Instructional Use
