From,
The Pro-Vice Chancellor
Dayananda Sagar University, Bengaluru

Subject: Request for Approval to Recruit Full-Time PhD Scholars, Post-Doctoral Faculty / Campus MTech Graduates (IITs/NITs) / Post Doctoral students for the AI Factory.

Respected Sir,

For our AI Factory projects to be executed effectively on our NVIDIA models, we need strong technical talent. At this stage, attracting experienced industry professionals is proving to be a big challenge. I am therefore seeking your kind approval for the following three recruitment proposals:

1. Full-Time PhD Scholars

Recruit full-time PhD scholars dedicated to the AI Factory, offered a slightly enhanced scholarship of Rs. 50,000 to Rs. 60,000 per month to attract quality candidates. These scholars would also need to be provided hostel accommodation on campus.

2. On-Campus MTech Recruitment (IITs / NITs)

Recruit good-quality MTech graduates from IITs/NITs through on-campus placement drives, to join our AI Factory R&D Centre.

3. Post-Doctoral students

Recruit five post-doctoral students members dedicated to the AI Factory, to strengthen its research depth and mentor ongoing project work.

I kindly request your approval to proceed on all three fronts. Once approved in principle, I will work out and share the specific numbers, hostel arrangement, and other terms of engagement for your reference.

Kindly approve, Sir.

Yours sincerely,

Pro-Vice Chancellor
Dayananda Sagar University, Bengaluru
